## IMPORTANT GOVERNMENT ORDERS

### GENERAL SECRETARIAT

**asses Orders constituting a Committee for the Improvement and Development of Malnad.**

R. G29—45-46, dated the 1st October 1945, from the for Eromic Development and Planning on the subject of ment of a malnad.

No. S. 2472-551—E. C. 21-45-1, DATED BANGALORE, THE 21ST DECEMBER 1945.

pestion of the improvement of the economic and itions the malnad parts in the State has come up for dission in the Legislative Council and the tive Lembly and suggestions have been made mmittee ay be appointed to examine the problem suita measures for improvement.

overnmt have always attached great importance ovemeof the malnad and have taken steps on ions the past to investigate the causes for the ss of t tracts and have also undertaken various improment. A scheme of malnad improvement in 191 on the recommendations made by Mr. K. o had een specially appointed for the purpose. of the heme was reviewed in 1924 and lines of require concentrated attention were indicated. having was appointed in 1925 to conduct an rvey of typical areas in the malnad tracts. A er the chairmanship of the late Mr. K. Chandy findis of that survey and suggested the and ortgage banks, introduction of record of ent legislation for relief of indebtedness, more linking water wells, dispensaries and extenve distribution of quinine. Government implemted many of the recommendations. In alnad onomic Depression Committee was examin how the raiyats of the malnad had been depresion and necessary relief was afforded on ation of the committee. An economic survey s in the malnad was condcted in connection

3. Owing to unfavourable factors such as the prevalence of malaria, the full benefit of the natural resources of the malnad parts is not being derived and it has been noticed that the population in some of the malnad tracts is tending to decline. Government consider that this tendency should be arrested and further steps taken to improve the standard of living and the health of the people inhabiting the malnad.

4. The plans for the economic development of Mysore which are under scrutiny by the Economic Conference include measures for the improvement of the malnad also. Government consider that it would be advantageous to have a separate regional plan for the development of the malnad and are accordingly pleased to direct that a committee consisting of certain heads of departments, with powers to co-opt officials and non-official gentlemen with intimate knowledge and experience of the conditions of the malnad, be constituted to suggest a plan of development and indicate the steps to be taken for putting the plan into execution with all practicable expedition.

5. The committee, the personnel of which will be notified separately, will be requested to submit its report to Government within a period of three months.

MOHAMED ISMAIL SHERIFF, *Genl. Secy.*

### DEVELOPMENT SECRETARIAT

**Publishes for general information the general policy of Government, regarding the grant of concessions and facilities for the establishment of Industries in the State.**

ORDER NO. D. 4856-925—I & C. 272-45-1, DATED BANGALORE, THE 29TH DECEMBER 1945.

A number of applications are being received by Government from Company promoters and others for the grant of

concessions and facilities for the establishment of industries of all kinds. These applications are usually of too general a character to be speedily dealt with. It may, therefore, conduce to speedy disposal of such applications, if the general policy of Government in this respect were laid down, each case, however, being dealt with on its merits.

The concessions usually asked for are in respect of (1) the grant of land, (2) the supply of water, (3) the supply of electric power, (4) the provision of railway siding and the grant of freight concessions, (5) the grant of priorities for obtaining controlled materials, (6) the purchase of products by Government, (7) the grant of monopoly of manufacture, and (8) the purchase of shares by Government. The general policy of Government in regard to these matters is as follows:—

(1) *Land.*—Factories in Bangalore City are generally to be located in the Industrial Suburb. Applications for sites in this area are to be made to the President, City Improvement Trust Board, Bangalore City. Elsewhere, if the land applied for is Government land and it is not required for any public purpose, it may be given at an upset price. If it is private land, Government may acquire it under the provisions of the Land Acquisition Act, if they consider such a course necessary. The payment of the "fine" ordinarily leviable on agricultural land used for non-agricultural purposes can be waived only in specially deserving cases.

(2) *Water.*—In the case of the filtered water-supply of Bangalore or Mysore Cities, the applicant may first approach the Executive Engineer of the respective Water Supply Division In other cases, the Deputy Commissioner of the district concerned may be approached with full details of the supply required in order to see whether it would be available or not for the purpose in question.

(3) *Electric Power.*—The Chief Electrical Engineer may be approached with details of the extent of power required, the purpose for which, and the locality in which, it is required. If the power is available, it will be given at the scheduled rates.

(4) *Railway Siding and Freight Concessions.*—The General Manager, Mysore State Railways, may be approached in the first instance with the necessary details.

(5) *Priorities.*—Applications for the grant of priority for the purchase of building materials, such as, iron or steel, cement and timber, may be made, respectively, to the Iron and Steel Controller, Mysore Iron and Steel Works, Bhadravati, the Controller of Civil Supplies, Bangalore, or the Chief Conservator of Forests, Bangalore. In other cases, the Controller of Civil Supplies may be approached. When priorities have to be obtained from the Government of India, reasonable assistance will be given therefor.

(6) *Purchase of Products by Government.*—No specific undertaking can be given in this regard, but under the rules of the Stores Purchase Committee preference is given to local products, provided quality and prices are competitive.

(7) *Monopoly of Manufacture.*—No guarantee can generally be given to any prospective industry that manufacturers of a similar nature will not be permitted in the State. In special cases, however, where it appears to Government that such a course would be justified in the interests of the industry or the State, they would be prepared to give an assurance that State aid will not be extended for a specified period to any competing concern that may be sought to be established in the State as a whole or in a particular area.

(8) *Purchase of Shares by Government.*—Wherever Government may consider it necessary to do so in the interests of the industry, they may participate in the share capital of the proposed company to the extent necessary, provided there is no managing agency and Government have a controlling voice on the directorate and in the appointment of the Chairman, Managing Director and General Manager.

Applications for the issue of capital will have to be made to the Secretary, Capital Issues Committee, Public Offices, Bangalore.

## IMPORTANT GOVERNMENT ORDERS

### GENERAL SECRETARIAT

### Cultivation of Food and Fodder Crops in the unsubmerged portion of the Krishnarajasagara Lake.

READ—

Government Order No. R. 292-7—R. M. 15-43-1, dated the 16th July 1943, directing the grant of further concessions for promoting the "Grow More Food Scheme."

2. Record note of the proceedings of a meeting of the following officers with the Minister for Agriculture, at Mysore, on the 27th November 1945, to consider the steps to be taken to encourage cultivation of food and fodder crops in the margin of the Krishnarajasagara Lake that annually gets unsubmerged during the period when water recedes.—

1. Mr. B. S. Narasinga Rao, Superintending Engineer, Krishnarajasagara.
2. ,, M. J. Narasimhan, Director of Agriculture in Mysore.
3. ,, C. M. H. Ranajodha Singh, Deputy Commissioner, Mysore.
4. ,, K. Thipperudriah, Deputy Commissioner, Mandya.
5. ,, M. C. Sampathiengar, Executive Engineer, Krishnarajasagara.
6. ,, N. Seshu Iyer, Sub-Division Officer, Mysore.
7. ,, K. Balasubrahmanyam, Sub-Division Officer, French Rocks.
8. ,, M. Narayana Reddy, Special Officer, Grow More Food Campaign.

ORDER No. A. F. 3062-76—AGRI. 164-45-1, DATED BANGALORE, THE 22ND DECEMBER 1945.

From the records of the Public Works Department, it is found that a total extent of about 17,000 acres of land on the margin of the Krishnarajasagara Lake becomes unsubmerged every year, as the water recedes from the 124 foot level to below 90 during the summer months. Owing to the failure of the monsoon this year, the level in the lake has already gone below 90. It is estimated that out of the total extent of 17,000 acres referred to, about 8,000 acres of land are cultivable. As this area has plenty of moisture, having been under water for many months, and is also enriched by silt deposits, it is considered eminently suitable for the short-term cultivation of food and fodder crops to relieve the existing scarcity. It is reported, however, that only an extent of about 500 acres of this land is under cultivation.

2. The measures to be undertaken to encourage a more extensive cultivation of this land with food and fodder crops were considered at the meeting of officers referred to above and the following proposals made :—

(1) That the raising of kar-paddy, kar-ragi and jola may be encouraged and the concessions hereinafter mentioned may be made applicable to these crops only;

(2) That the Department of Public Works should furnish to the Director of Agriculture and to the Deputy Commissioners of the Mysore and Mandya Districts full particulars (that are already available with the Public Works Department) of the lands that get unsubmerged;

(3) That the Department of Agriculture should supply, free of cost, the seed required—which is estimated to be about 1,100 pallas for the cultivable extent of 8,000 acres, no manuring being necessary;

(4) That the assessment of eight annas per acre, stipulated in paragraph 3 of the Government Order dated 16th July 1943, be waived and that the entire amount of such assessment already recovered for the current season on lands on which the abovementioned crops are raised, be remitted;

(5) That, as a further inducement, a bonus of four annas per palla subject to a minimum of one rupee per acre brought under cultivation, be paid to cultivators raising the abovementioned crops in the area;

(6) That an additional sum of Rs. 500 may be set apart for grants, by the Deputy Commissioners, of suitable rewards to Village Officers and leading agriculturists who show good progress in the cultivation of these lands;

(7) That a special drive be organised in this direction, with Headquarters at Krishnarajasagara;

(8) That the Special Officer in charge of the "Grow More Food Scheme" should camp at Krishnarajasagara for some period to push the scheme. He will be assisted by as many agricultural inspectors sanctioned already under "Grow More Food Scheme" as could be spared for this purpose;

(9) That the Deputy Commissioners of Mysore and Mandya Districts be given an extra staff of two Revenue Inspectors and four peons for each district to do propaganda work and, later, to measure the area actually brought under cultivation and take the necessary steps regarding procurement; and

(10) That it should be widely published, by beat of tom-tom and by other means, such as issue of hand-bills in Kannada, that all these lands referred to will be made available, without any restriction and even without previous application, to any *bona fide* cultivator that comes forward to grow the abovementioned crops on them.

3. Government are pleased to sanction the proposals detailed above. The Heads of Departments and Deputy Commissioners concerned are requested to pay special attention to this matter and to see that as large an extent of this area as possible is immediately brought under cultivation.

4. A number of tanks, *e.g.*, Koppa, Holalu, Maddur, Malvalli and French-Rocks have been breached, as an anti-malaria measure. It has been represented that these tanks might be allowed to be bunded up temporarily, for storing water to enable irrigated ragi or jola to be grown under them. Government are pleased to permit this as a temporary measure, for the current season only, subject to precautions being taken to see that the bunding of these tanks will not worsen health conditions in the surrounding areas. This measure will apply to about 30 tanks, commanding an acreage of about 10,000 acres for the raising of the crops mentioned above.

## DEVELOPMENT SECRETARIAT

### Publishes for general information the general policy of Government, regarding the grant of concessions and facilities for the establishment of Industries in the State.

ORDER NO. D. 4856-925—I & C. 278-45-1, DATED BANGALORE, THE 29TH DECEMBER 1945.

A number of applications are being received by Government from Company promoters and others for the grant of concessions and facilities for the establishment of industries of all kinds. These applications are usually of too general a character to be speedily dealt with. It may, therefore, conduce to speedy disposal of such applications, if the general policy of Government in this respect were laid down, each case, however, being dealt with on its merits.

The concessions usually asked for are in respect of (1) the grant of land, (2) the supply of water, (3) the supply of electric power, (4) the provision of railway siding and the grant of freight concessions, (5) the grant of priorities for obtaining controlled materials, (6) the purchase of products by Government, (7) the grant of monopoly of manufacture, and (8) the purchase of shares by Government. The general policy of Government in regard to these matters is as follows:—

(1) *Land.*—Factories in Bangalore City are generally to be located in the Industrial Suburb. Applications for sites in this area are to be made to the President, City Improvement Trust Board, Bangalore City. Elsewhere, if the land applied for is Government land and it is not required for any public purpose, it may be given at an upset price. If it is private land, Government may acquire it under the provisions of the Land Acquisition Act, if they consider such a course necessary. The payment of the "fine" ordinarily leviable on agricultural land used for non-agricultural purposes can be waived only in specially deserving cases.

(2) *Water.*—In the case of the filtered water-supply of Bangalore or Mysore Cities, the applicant may first approach the Executive Engineer of the respective Water Supply Division. In other cases, the Deputy Commissioner of the district concerned may be approached with full details of the supply required in order to see whether it would be available or not for the purpose in question.

(3) *Electric Power.*—The Chief Electrical Engineer may be approached with details of the extent of power required, the purpose for which, and the locality in which, it is required. If the power is available, it will be given at the scheduled rates.

(4) *Railway Siding and Freight Concessions.*—The General Manager, Mysore State Railways, may be approached in the first instance with the necessary details.

(5) *Priorities.*—Applications for the grant of priority for the purchase of building materials, such as, iron or steel, cement and timber, may be made, respectively, to the Iron and Steel Controller, Mysore Iron and Steel Works, Bhadravati, the Controller of Civil Supplies, Bangalore, or the Chief Conservator of Forests, Bangalore. In other cases, the Controller of Civil Supplies may be approached. When priorities have to be obtained from the Government of India, reasonable assistance will be given therefor.

(6) *Purchase of Products by Government.*—No specific undertaking can be given in this regard, but under the rules of the Stores Purchase Committee preference is given to local products, provided quality and prices are competitive.

(7) *Monopoly of Manufacture.*—No guarantee can generally be given to any prospective industry that manufacturers of a similar nature will not be permitted in the State. In special cases, however, where it appears to Government that such a course would be justified in the interests of the industry or the State, they would be prepared to give an assurance that State aid will not be extended for a specified period to any competing concern that may be sought to be established in the State as a whole or in a particular area.

(8) *Purchase of Shares by Government.*—Wherever Government may consider it necessary to do so in the interests of the industry, they may participate in the share capital of the proposed company to the extent necessary, provided there is no managing agency and Government have a controlling voice on the directorate and in the appointment of the Chairman, Managing Director and General Manager.

Applications for the issue of capital will have to be made to the Secretary, Capital Issues Committee, Public Offices, Bangalore.

### Reviews the Administration Report of the Muzrai Department for the year 1944-45.

READ—

Letters No. C. Per. A-20—45-46, dated the 25th and 31st October and 9 h November 1945, from the Muzrai Commissioner in Mysore, forwarding the report on the administration of the Muzrai Department for the year 1944-45.

ORDER No. R. 4168-80—MUZ. 83-45-4, DATED BANGALORE, THE 29TH DECEMBER 1945.

Recorded.

2. *Demand, Collection and Balance in respect of properties pertaining to institutions under Government Management.*—The total demand including the arrears of previous years (Rs. 1,65,862-8-8) in respect of these properties amounted to Rs. 4,65,482-4-10. A sum of Rs. 3,09,082-15-2 was collected including remissions (Rs. 9,957-7-0) leaving a balance of Rs. 1,56,399-5-8 at the close of the year. Arrears continued to be very heavy in Bangalore, Shimoga, Tumkur, Hassan and Mandya Districts. Necessary action should be taken to reduce the arrears appreciably during the current year.

3. *Muzrai Funds.*—The details of receipts and expenditure of the Several Muzrai Funds are shown below :—

| | Opening Balance | Receipts | Total | Expenditure | Closing Balance |
|---|---|---|---|---|---|
| | Rs. | Rs. | Rs. | Rs. | Rs. |
| al rai | 32,558 12 9 | 44,492 0 4 | 79,050 13 1 | 27,467 8 6 | 51,583 4 7 |
| am gs | 62,193 0 8 | 73,646 6 7 | 1,35,839 7 3 | 58,324 5 4 | 77,515 1 11 |
| li- nt | 49,850 11 8 | 36,308 7 2 | 86,159 2 5 | 20,996 8 3 | 65,162 10 2 |

4. *Income and Expenditure of Muzrai Institutions.*—The receipts and expenditure for the year under this head amounted to Rs. 10,98,603-11-10 and Rs. 8,66,215-15-4, respectively, leaving a closing balance of Rs. 22,09,079-0-8.

5. *Puduvat Loans.*—There were 1,229 cases of puduvat loans involving a sum of Rs. 1,14.825-7-0 at the commencement of the year. Eight new cases arose during the year involving Rs. 386. Of the total loan of Rs. 1,15,211-7-0 only a sum of Rs. 18,751-12-9 including remissions was collected during the year leaving a heavy balance of Rs. 96,459-10-3 in respect of 1,229 cases. In spite of observations made in the previous years, there has been no progress in the recovery of puduvat loans. The report does not indicate what special measur s were taken by Deputy Commissioners to expedite recoveries and to enforce responsibilities in case of time-barred arrears. The Deputy Commissioners should look into the matter and instruct the subordinate officers suitably.

6. *Construction and Repairs of Muzrai Institutions.*—A sum of Rs. 42,540-12-0 was spent during the year on 75 old and 44 new works. There were 542 incomplete works involving an estimated expenditure of Rs. 3,34,232-3-0 in the aggregate, at the close of the year. The renovation of the famous temples at Belur and Halebid was under progress during the year. The works executed in respect of these institutions have so far cost Rs. 1,44,950 including Rs. 6,400 spent during the year under report.

7. *Inspections.*—The Deputy Commissioner, Mysore District, has inspected the largest number of major and minor institutions during the year. The work of the Deputy Commissioners of other districts except Hassan requires improvement.

### Issues amendments to Rule 5 (a) of the Sugar Industries Safeguarding Act, 1934.

READ—

Notification No. D. 7039—A. & E. 278-34-5, dated 19th May 1936, notifying the rules framed by Government under Sections 4, 6 and 11 of the Sugar Industries Safeguarding Act, 1934.

2. Notification No. D. 6466—I. & C. 279-42-13, dated 11th April 1944, fixing the minimum price of sugarcane at Rs. 18 per ton, to be delivered at the Mandya Sugar Factory with effect from 5th September 1943.

3. Notification No. D. 7564—I. & C. 412-44-9, dated 12th May 1945, fixing the minimum price of sugarcane at Rs. 21 per ton, to be delivered at the Mandya Sugar Factory with effect from 6th September 1944, the date of commencement of the Crushing Season.

4. Correspondence ending with letter No. F. A. Cl. 18702—44-45, dated 24th June 1945, from the Director of Agriculture in the matter.

5. Correspondence ending with letter No. 1440, dated 27th August 1945, from the Secretary, the Mysore Sugar Co., Ltd., on the subject.

6. Correspondence ending with Unofficial Note No. C. 5-3768—43-44, dated nil, from the Revenue Commissioner in Mysore.

ORDER NO. D. 4682-5—I. & C. 279-42-23, DATED BANGALORE, THE 18TH DECEMBER 1945.

Consequent on the issue of the notification dated 11th April 1944 read above, fixing the price of sugarcane at Rs. 18 per ton with effect from 5th September 1943, the Mysore Sugar Co., Ltd., represented that the above price was not only not beneficial to the Company but was likely to result in a loss and that the fixing of the price of sugarcane with retrospective effect would be contrary to the provision in Rule 5 (a) of the rules under the Sugar Industries Safeguarding Act of 1934, and requested that the notification be modified by fixing the price at Rs. 17 per ton instead of at Rs. 18 per ton and that if it was not possible to do so, the price of Rs. 18 may be ordered to be paid with effect from 27th December 1943, the date from which the increased price for sugar was allowed.

2. The Revenue Commissioner, who was consulted in the matter, reported that the representatives of the sugarcane growers urged that the price of the cane to be fixed might apply to the entire current season and stated that the question was discussed by the Sugar Price Fixation Committee at a meeting held on 12th February 1944 which was of the opinion that it was quite possible to fix the price of cane before the crushing season commenced.

3. The Revenue Commissioner also stated that he agreed with the opinion of the Sugarcane Price Fixation Committee and suggested that an amendment was necessary to Rule 5 (a) of the rules under the Sugar Industries Safeguarding Act of 1934.

4. In this connection, the necessity for defining accurately the term "Crushing Season" was also considered and the Director of Agriculture was requested to suggest a suitable definition. He has done so.

5. On a consideration of all the above facts, Government have deemed that it is necessary to amend Rule 5 (a) of the rules issued in notification dated 19th May 1936 read above and to define the term "Crushing Season." The following Notification is accordingly published for general information:—

NOTIFICATION.

In exercise of the powers conferred under Section 11 of the Sugar Industries Safeguarding Act, 1934, the Government of His Highness the Maharaja are pleased to direct that the following amendments be made to Rule 5 (a) of the rules issued in Notification No. D. 7039—A. & E. 278-34-5, dated 19th May 1936.

*Substitute* a "comma" for the "fullstop" at the end and *add* the following in continuation of the existing clause "and the price or prices so fixed shall apply to the deliveries of sugarcane for the entire crushing season in the year."

*Explanation.*—"Crushing Season" is that period of the year when a sugarcane crop is harvested and delivered to a factory for milling and the preparation of sugar.

By Order,

C. E. NORONHA, *Dev. Secy.*

### Publishes for general information the general policy of Government, regarding the grant of concessions and facilities for the establishment of Industries in the State.

ORDER NO. D. 4856-925—I & C. 27c-45-1, DATED BANGALORE, THE 29TH DECEMBER 1945.

A number of applications are being received by Government from Company promoters and others for the grant of concessions and facilities for the establishment of industries of all kinds. These applications are usually of too general a character to be speedily dealt with. It may, therefore, conduce to speedy disposal of such applications, if the general policy of Government in this respect were laid down, each case, however, being dealt with on its merits.

The concessions usually asked for are in respect of (1) the grant of land, (2) the supply of water, (3) the supply of electric power, (4) the provision of railway siding and the grant of freight concessions, (5) the grant of priorities for obtaining

controlled materials, (6) the purchase of products by Government, (7) the grant of monopoly of manufacture, and (8) the purchase of shares by Government. The general policy of Government in regard to these matters is as follows:—

(1) *Land.*—Factories in Bangalore City are generally to be located in the Industrial Suburb. ## Sanctions the conversion of the scales of pay of Primary School Teachers from Rs. 15—1—20 and Rs. 17—1—20 to Rs. 20 (fixed) per mensem.

READ—

Government Order No. E. 4737-38—Edn. 141-40-2, dated 30th May 1941, sanctioning the revision of the scales of pay of Primary School Teachers, as detailed below, involving an extra cost of Rs. 1,92,324 per annum:—

| *No. of posts* | | | *Scales* Rs. |
|---|---|---|---|
| 2,500 | ... | ... | 15 |
| 3,500 | ... | ... | 15—1—20 |
| 1,540 | ... | ... | 20—1—25 |
| 600 | ... | ... | 25—1—30 |
| 300 | ... | ... | 30—2—40 |

2. Government Order No. E. 6316-17—Edn. 169-43-2, dated 20th June 1944, sanctioning the conversion of all the posts of primary school teachers on Rs. 15 (fixed) into graded ones on Rs. 15—1—20 involving an extra cost of Rs. 80,000 per annum.

3. Correspondence ending with letter No. P. 3130-355 of 44-45, dated 9th February 1945, from the Director of Public Instruction in Mysore in the matter of raising the minimum scale of pay of the primary school teachers to Rs. 20 per mensem.

ORDER No. E. 3783-84—EDN. 133-44-12, DATED BANGALORE, THE 10TH JANUARY 1946.

The scales of pay of Primary School Teachers were revised in the year 1941 as per Government Order dated 30th May 1941 read above. As many teachers were stagnating on the minimum pay of Rs. 15 for a long period, sanction was accorded in Government Order dated 20th June 1944 read above for the conversion of all the posts on Rs. 15 into graded ones on Rs. 15—1—20.

2. The question of further enhancing the basic salary of primary school teachers has again been urged, in both the Houses of Legislature and a resolution recommending the enhancement of the minimum pay of these teachers to Rs. 25 per mensem were also passed at the meeting of the Legislative Council held in December 1944.

3. The Director of Public Instruction, who was consulted in the matter, states that the conversion of the scales of pay of Rs. 15 fixed into Rs. 15—1—20 has not given any appreciable relief to this class of primary school teachers referred to as it takes five years for many of them to earn Rs. 20 and that it is very necessary that the minimum scales of pay should be raised to at least Rs. 20. He has accordingly submitted proposal for conversion of the scales of pay of primary school teachers from Rs. 15—1—20 and Rs. 17—1—20 to Rs. 20 fixed which involves an extra cost of Rs. 1,68,000 per annum as detailed hereunder:—

| Existing | | | Proposed | | |
|---|---|---|---|---|---|
| No. of posts in grade Rs. 15—1—20 including one on Rs. 17—1—20 | Cost | | No. of posts on Rs. 20 | Cost | |
| | Per mensem | Per annum | | Per mensem | Per annum |
| | Rs. | Rs. | | Rs. | Rs. |
| 8,382 | 1,53,669 7/15 | 18,44,033 9/15 | 8,382 | 1,67,640 | 20,11,680 |

Difference between the existing and proposed cost—Rs. 1,67,646 7/15 or Rs. 1,68,000 (in round figures).

He requests that his proposal may be sanctioned with effect from 1st June 1945.

4. Government are pleased to sanction the recommendation of the Director of Public Instruction. The extra cost required during the current year will be met out of the provision of Rs. 1,50,000 made in the budget for the purpose and also from the general savings in the budget of the department if so required and necessary provision will be made in the budgets of the department for future years.

## Report on the Administration of the Department of Income-tax for the year 1944-45.

READ—

Letter No. C. 39—45-46, dated the 11th December 1945, from the Commissioner of Income-tax in Mysore, Bangalore, forwarding a report on the working of the Department of Income-tax for the year 1944-45.

ORDER NO. Fl. 4956-4968—I. T. 4-45-2, DATED BANGALORE, THE 15TH JANUARY 1946.

1. Recorded.

2. *Working of the Act.*—During the year under report, the Income-tax Amendment Act XXXI of 1944 raising the rates of income-tax and super-tax came into force with effect from the 1st July 1944. Accordingly, the rate of income-tax in respect of incomes of Rs. 1,50,000 and above was enhanced from 30 pies to 36 pies in the rupee in the case of individuals, Hindu undivided families, unregistered firms, and association of individuals not being a registered firm or a Company; and in the case of Companies and registered firms on incomes of Rs. 2,800 and above. A system of graduated scale of levy of super-tax in all cases bringing the rate of tax to a maximum of 36 pies, against 12 pies in the case of individuals, etc., and 18 pies in the case of Companies was also introduced.

3. *Demand, Collection and Balance.*—The net demand under Income-tax was Rs. 1,03,80,102 (82,58,593), of which a sum of Rs. 99,90,461 (70,51,381) was collected. The net demand under Super-tax was Rs. 85,50,722 (Rs. 36,80,736), of which a sum of Rs. 77,70,006 (Rs. 31,84,284) was collected.

4. *Incidence of Tax.*—The incidence of tax per head of population under income-tax calculated on the resultant demand was Rs. 1-6-10 against Re. 0-15-0 in the preceding year. Under Super-tax, it was Rs. 1-1-10 against Re. 0-7-2 in the preceding year.

5. *Appeals.*—There were 579 (492) appeals of which, 309(186) were successful. Out of 42(49) cases which came for review, 22(40) were disposed of.

6. The working of the department continued to be satisfactory.

### IMPORTANT GOVERNMENT ORDERS

#### REVENUE SECRETARIAT

**Passes orders regarding remission and suspension of assessment in areas affected by distress.**

READ—

Correspondence ending with letter No. C. 6—R. M. 39—45-46, dated the 23rd January 1946, from the Revenue Commissioner in Mysore, submitting certain proposals for grant of relief in the matter of land revenue assessment during 1945-46 in view of the adverse seasonal conditions.

ORDER No. R. 5177-87—R. M. 37-45-47, DATED CAMP MYSORE, THE 30TH JANUARY 1946.

Government have observed that, owing to the failure of the monsoon this year, agricultural operations have been greatly hampered and that wet and dry crops in certain parts of the State have suffered damage. In some regions in the Chitaldrug, Tumkur and Kolar Districts, the damage to crops has been exceptionally heavy and scarcity conditions are noticed. Government have recently undertaken several measures to meet the situation and have made arrangements for food supplies, for provision of fodder for cattle, for sinking of drinking water wells and for taking up relief works on a large scale for affording employment to unemployed labour.

The question of affording further relief in those areas in connection with the collection of assessment has been under the anxious consideration of Government.

Under the existing rules, whenever owing to inadequate rainfall a tank (or a Talaparige) does not receive adequate supply of water and more than half the area of wet and garden lands excluding those under the perennial garden crops like areca and cocoanut has remained uncultivated or even if cultivated has yielded a crop of not more than four annas and the Government are satisfied that the tract is so impoverished or previous harvests have been so poor as to render a measure of relief necessary, they will notify that remissions not exceeding half the wet and garden assessment in the affected areas may be granted. After the tract is so notified, the Deputy Commissioner is empowered to sanction remissions to individual holders of lands under the concerned tanks or talapariges so notified by Government. In cases in which the wet and garden lands excluding those under the perennial and garden crops like areca and cocoanut have been cultivated with dry crops and given a yield of not less than 8 annas, the remission allowable will be half the difference between the wet rate on the lands concerned and the average rate of dry assessment prevailing in the village. Thus, under the above rules, the grant of remission of half wet assessment under any tank can be sanctioned only if previous harvests under the tank have been so poor as to render a special measure of relief necessary.

As regards dry assessment, under the existing rules, there is no provision for remission. But when the Deputy Commissioner has ascertained by local enquiries that owing to a partial or total failure or destruction of crops throughout any tract on account of drought or any other cause, it will be necessary to suspend the collection of land revenue in any area, he is authorised, specially when the tract is already impoverished or the previous harvests have been poor, to grant suspension of 1/4 assessment and report the fact to the Government, this suspended revenue being normally collected in the following year along with the assessment of that year. If during the year following the year of suspension of revenue also the crops fail, the suspended assessment will be remitted by the Deputy Commissioner after obtaining sanction of Government. For purposes of these rules, 'tract' has been defined as meaning all dry lands situated in a 'hobli' and 'partial failure of crops' is deemed to exist, if due to seasonal conditions 50 per cent or more of lands in a holding in a tract are uncultivated or if cultivated have yielded a crop of four annas or less.

His Highness the Maharaja has been graciously pleased to tour in the affected areas and obtain first-hand information of the situation. In view of the extraordinary conditions now prevailing, His Highness the Maharaja is satisfied that the concessions available under the normal rules require to be liberalised and is therefore graciously pleased to direct that the following concessions be sanctioned as a special case this year for the affected areas, which will be separately notified.

(1) As regards wet lands, the rule restricting the grant of relief to cases where previous harvests had been so poor as to render a special measure of relief necessary will be abrogated and remissions may be granted without reference to the condition of the previous harvests and one-half of the wet and garden assessment will be remitted, provided the other conditions are satisfied.

(2) The collection of the balance of the wet and garden assessment on the lands affected will be suspended.

As regards dry assessment,—

(*i*) One-half of the assessment will be remitted and the collection of the other half will be suspended.

(*ii*) The term 'tract' will, for the purposes of these concessions, be treated as meaning all dry lands included within the limits of a single revenue village instead of a hobli.

The benefit of remissions and suspensions of revenue sanctioned above will be confined only to deserving cases in which lands have either remained uncultivated or if cultivated, have yielded a crop of not more than 4 annas.

His Highness the Maharaja is confident that these special concessions will afford a substantial measure of relief to the raiyats in the affected areas.

J. B. MALLARADHYA,
*Secretary to Government,*
*Revenue Department.*

## EDUCATION SECRETARIAT

### Sanctions the opening of Thirty-four New Middle Schools in the State during the year 1945-46.

READ—

Correspondence ending with letter No. A4. 2637-333—44-45, dated the 1st August 1945, from the Director of Public Instruction, submitting proposals for opening of 34 New Middle Schools during the current year 1945-46.

ORDER No. E. 2146-7—EDN. 66-44-25, DATED BANGALORE, THE 29TH OCTOBER 1945.

Sanction is accorded to the opening of 34 New Middle Schools during the current year as detailed in the statement appended hereto.

The proposals involve a non-recurring expenditure of Rs. 18,200 (Rupees eighteen thousand and two hundred only) and an actual recurring expenditure of Rs. 43,368 (Rupees forty-three thousand three hundred and sixty-eight only) during the current year and an annual recurring expenditure of Rs. 54301 3/5 during the subsequent years. The recurring and the non-recurring expenditure during the current year will be met out of the provision of Rs. 50,000 provided for in the Budget for opening New Middle Schools and by re-appropriation of the sanctioned grants of the department, respectively.

Necessary provision for those 34 Middle Schools will be made in the budgets of the Education Department for future years.

## Sanctions purchase of pins by Government Offices out of their contingent grant.

READ—

Government Order No. M. 6485-560—P. & S. 47-44-1, dated 17th January 1945, directing among other things, that thorns may be used in place of pins as the cost of pins is prohibitive.

2. Government Order No. M. 1870-2—P. & S. 47-44-5, dated 11th August 1945, sanctioning the purchase of 22 pin-sheets per month for use in the several offices of the Police Department.

3. Letter No. S. 1491, dated 7th November 1945, from the Superintendent, Government Stationery, stating that not more than three papers can be pinned at a time with the thorns, that the points break if more papers are attempted to be pinned, that complaints have been received in his office about the utility of these pins and that pins are available at Re. 0-11-0 per box of 4'0 with the local contractors and superior pins (Murcot) 1½ inches at Rs. 1-8-0 per sheet of 400 against the rates ranging from Rs. 4 to Rs. 6 for 400 during 1944-45 and requesting therefore that Government offices may be permitted to purchase pins locally out of their contingent grant as was being done formerly.

ORDER No. M. 6074-145—P. & S. 40-45-2, DATED BANGALORE, THE 11TH DECEMBER 1945.

The proposal of the Superintendent is sanctioned.

## Reviews the Report on the Administration of the Public Health Department for the calendar year 1944.

READ—

Report on the Administration of the Public Health Department for the Calendar Year 1944, received from the Director of Public Health in Mysore with his letter No. V.S. 1130, dated the 31st October—6th November 1945.

ORDER THEREON No. M. 7573-97—P.H. 13-45-6, DATED BANGALORE, THE 24TH JANUARY 1946.

Recorded.

2. *Public Health.*—Except for a rise in the incidence of Plague and Malaria, Public Health was generally satisfactory. Five thousand three hundred and fifty-seven deaths from Plague were reported during the year as against 3,886 in the previous year. With a view to control the spread of this disease, Anti-Plague Inoculation, disinfection of houses, Cyanogasing and fumigation work were undertaken. A total of 1,44,542 houses were Cyanogased in 56 towns and 150 villages. Deaths due to Cholera and Small-pox were very much less than in previous years. Only 768 (6,852) died of Cholera and 2,681 (7,730) on account of Small-pox. Malaria took a heavy toll in the year under report, deaths from Malaria being 40,556 (32,145) of which 8,844 occurred in Malnad areas and 31,507 in Maidan areas.

3. *Vital statistics.*—The scheme of centralisation of compilation of vital statistics worked satisfactorily in the three Districts of Bangalore, Shimoga and Mandya and the two Cities of Bangalore and Mysore and Kolar Gold Fields. The introduction of this scheme into the remaining districts is under consideration.

The total number of births during the year was 1,17,695 (1,28,978), the birth-rate being 15'9. The total number of deaths was 1,12,711 (1,12,177), the death-rate being 15'2.

4. *Public Health Institute.*—During the year, 13,533 specimens were examined in the Bacteriological Section, 262 in the Chemical Section and 232 cases with 867 articles in the Medico-legal Section. A total of 30,360 doses of Anti-Cholera Vaccine, 13,787 doses of T.A.B. Vaccine and 5,70,218 doses of Anti-Plague Vaccine were prepared and issued during the year.

*Vaccine Institute.*—The total quantity of vaccine lymph produced at the Institute was 6,99,450 doses and 7,80,000 doses of vaccine were issued.

5. *Bureau of Health Education.*—In addition to 72 Cinema shows in different places, a Rural Health Exhibition was organised at Hassan in connection with the Gramasudharakas rally in January 1944. As usual, at the annual Dasara Exhibition at Mysore, Food and Nutrition Exhibition and demonstration were arranged by the Health Section of the Mysore City Mnnicipality.

6. *Bureau of Malariology and Epidemiology.*—Control of Malaria has become a very important public health problem in the State. Malaria control work was continued in the Cities of Bangalore and Mysore and in Mudigere, Hiriyur, Adivala, Tavarekere, Maralvadi, Banavar, Kanagal, Princess Krishnajammanni Sanatorium, Mysore, Thippagondanahalli, Jog and Shimshapur. Malaria control work was continued in the several Health Units. During the year under report, Health Centres were established at Thyagarthe, Andapur and Ripponpet in Shimoga District and at Bandi Hole in Krishnarajapet Taluk. The annual spleen survey of the Bangalore City was completed during the second half year. The spleen rate was found to be 0'38 as against 0'35 in the previous year. The control measures used against larvæ consisted of spraying malarial "B" and high speed diseal oil and control of the adult mosquitoes was effected by spraying pyrethrum extract with kerosine oil, in certain Health Units. During the year under report, Malaria Survey was undertaken in the villages round about Thippagondanahalli, Yelahanka, Avalahalli, Tiptur, Channarayapatna and Chelur Villages.

The guinea worm staff visited 400 villages. Three hundred and ninety-eight silt wells were examined, 245 wells and nurseries were re-stocked with fish.

The staff on the hook worm control was engaged on propaganda campaign during the early part of the year during which period 83 villages were visited in Narasimharajapur, Devangi and Mandagadde Centres.

7. *Bureau of Sanitary Engineering.*—The work of the Sanitary Engineering Section was continued with Head Office at Bangalore and Sub-Divisional Offices at Tumkur, Mysore Hassan, Shimoga and Bethamangala. Preparation of projects and estimates for water supply, drainage, town planning, sanitary fittings and execution of sanctioned estimates and maintenance of all water supplies except that of Bangalore City was done by the Bureau. This department has now been transferred from the Department of Public Health to the Department of Public Works.

The Bangalore City Drainage Division incurred an outlay of 2'5 lakhs.

8. *Maternity and Child Welfare.*—The Bureau of Maternity and Child welfare was revived in the Public Health Department and a Lady Superintendent was appointed.

9. *Public Health Board.*—A Public Health Board was constituted in September 1944 under the Mysore Public Health Act of 1944 with the Minister for Public Health as Chairman and the Director of Public Hea th as Secretary.

*General.*—Classes for the training of Sanitary Inspectors were held during the year. The Superintendent, Bureau of Malariology was on deputation to Delhi for attending the meeting of the Malaria Advisory Committee of the Indian Research Fund Association.

The work of the department was satisfactory during the year.

READ—

Government Order No. L. 11486-520—V. P. 74-44-1, dated 28th May 1945, directing, among others, that Village Panchayets be entrusted with supervision over Village Schools in their area, their work in connection with the school being of an advisory character and calling for a report from the Head of the Department in regard to the rules to be prescribed in this behalf for the guidance of Village Panchayets on which the additional powers have been conferred.

Letter No. P1. 333-47 of 45-46, dated 12th October 1945, from the Director of Public Instruction in Mysore, submitting a draft set of rules to implement the Government Order read above regarding conferment of enhanced powers to Village Panchayets so far as it relates to Education Department.

ORDER No. E. 4289-301—EDN. 114-45-2, DATED BANGALORE, THE 29TH JANUARY 1946.

The rules are approved and appended hereto.

N. S. HIRANNAYYA, *Edn. Secy.*

### ANNEXURE.

**Rules to implement the Government Order No. L. 11486-520—V.P. 74-44-1, regarding conferment of enhanced powers to Village Panchayets as far as it relates to the Education Department.**

1. The members of each Village Panchayet together with the teachers of the primary and New Type Middle Schools which are situated within the limits of the panchayet, except women teachers serving in the Urdu Girls' Schools who observe "Purdah", will form a Parent-Teachers' Association for the area within the jurisdiction of the Village Panchayet.

The functions of the association will be of an advisory character.

2. The Chairman of the Village Panchayet will be the President of the Parent-Teachers' Association. The Head Master of the local Kannada New Type Middle School, if there is one, otherwise the Head Master of the local Kannada Boys' Primary School, will be the Secretary of the Association. The Treasurer will be elected by the members of the Association.

3. The Non-Official members of the Association may visit occasionally any school within the area of the Panchayet to know the working and actual condition of the school.

4. The Association shall arrange a Parents' Day once a year on a suitable date, such as the anniversary of the opening of the school or any other memorable event in the locality.

5. The Association will meet ordinarily once a quarter or oftener if necessary.

6. The Association shall have power to make recommendations to the Assistant Inspector regarding the management, discipline and all other matters affecting the progress, efficiency and popularity of the school or schools.

7. The following may ordinarily be the programme for the ordinary meetings of the Association:—

(i) Review of the progress and activities of the school or schools, conduct of the pupils, etc., and consideration of measures for improvement.

(ii) Consideration of questions of school management and discipline.

(iii) Talks on matters affecting the educational interests and the social welfare of the local community as a whole.

(iv) Establishment of contacts with the parents so as to secure their co-operation in the enrolment, regular attendance and proper equipment of pupils.

(v) Requirements of the institutions, improvements to be effected and the steps to be taken therefor, the following being some of the requirements and improvements that might be considered:

(*a*) Provision of playgrounds and materials for sports out of public contribution.

(*b*) Laying out of school-gardens and acquisition of sites therefor, purchase of tools, seeds and manure, and provision for necessary items of expenditure connected therewith to be met out of public donation.

(c) Establishment of a public library attached to the Central School so that the institution may serve the community as a centre of enlightenment.

(d) Securing of suitable habitations for teachers.

(e) Construction of suitable buildings for the schools and quarters for the teachers, where such facilities do not already exist, the cost being met by public donations.

(f) Supply of additional furniture and equipment to the schools from public subscriptions beyond that provided by the Government.

(g) Formation of a school museum comprising specimens of the best school work and of industrial and agricultural products, etc., of the locality.

(h) Free supply of books, slates and mid-day meals to needy pupils.

(i) Social gatherings, entertainments by school children, games and sports and award of prizes to pupils at the Parents' Day.

8. A report on the working of the Association should be submitted by the Secretary to the Assistant Inspector concerned once a year. The latter should review the activities of the Parent-Teachers' Associations and offer suitable suggestions to the Associations for further improvement.

9. The Director of Public Instruction may suspend the activities of any Parent-Teachers' Association when in his opinion the functioning of the Association is not in the interest of the school or schools.

**Directs that the Community known as 'Vodda' be in future called 'Boyi' in all Government Communications and Records.**

READ—

Letter No. 45, dated 25th October 1944, from the Secretary, Chitaldrug District Voddara Sangha forwarding a Copy of Resolution No. 11 passed in the Mysore State Boyis' First Conference held at Davangere on 17th July 1944 regarding the change of name of their community from 'Voddar' to 'Boyi'.

2. Un-official Note No. 1024, dated 22nd December 1944, of the Census Superintendent in Mysore of the 1941 Census furnishing his opinion in the matter.

3. Correspondence ending with letter No. A. 5. 2704, dated 12th December 1945 from the Revenue Commissioner in Mysore, furnishing his opinion in the matter.

ORDER No. M. 8143-206—G. M. 20-44-15, DATED BANGALORE, THE 2ND FEBRUARY 1946.

## IMPORTANT GOVERNMENT ORDERS

### GENERAL SECRETARIAT

### Passes orders dissolving the Road Development Committee.

READ—

Government Order No. S. R. 1340-7—E. C. 12-44-2, dated the 4th September 1944, constituting a Committee under the Chairmanship of the Chief Engineer for Roads and Buildings for examining in detail the scheme for the development of Roads in Mysore and for submitting a comprehensive report thereon.

Government Order No. S. R. 532-732—E. C. 65-44-5, dated the 15th August 1945, constituting among other things, a Committee for Public Works and Transport.

Letter No. T. 1544—45-46, dated 3rd December 1945, from the Chief Engineer for Roads and Buildings and Chairman of the Road Development Committee, stating that since the Committee for Public Works and Transport constituted in the Government Order dated 15th August 1945 read above will consider the schemes for Post-War Development of Roads, there seems to be no necessity for the Road Development Committee constituted under the Government Order of the 4th September 1944 and requesting Orders of Government for the dissolution of the Road Development Committee.

ORDER No. S. R. 2831-37—E. C. 24-45-2, DATED BANGALORE, THE 24TH JANUARY 1946.

Government are pleased to approve the proposal of the Chief Engineer for Roads and Buildings and Chairman of the Road Development Committee.

### EDUCATION SECRETARIAT

### Passes orders on the proposals of the Director of Public Instruction for the re-organization of the administrative system of the Education Department.

READ—

Government Order No. E. 1042-101—Edn. 241-26-7, dated 7th July 1927, sanctioning the re-organization of the Inspectorate in the Education Department with effect from 1st November 1927.

2. Letter No. Al. 94-6 of 44 45, dated 8th July 1944, from the Director of Public Instruction, submitting proposals for the re-organization of the administrative system of the department.

ORDER No. E. 4453-63—EDN. 62-44-2, DATED BANGALORE, THE 5TH FEBRUARY 1946.

The present administrative and supervisory organization of the department was sanctioned in 1927. Since then, large strides have been taken in the expansion and development of education requiring its consolidation and co-ordination and changes in educational policy have also taken place necessitating readjustment of the machinery for the administration, supervision and control of education to the existing conditions.

The Director of Public Instruction has pointed out several defects in the existing system, the chief of them being (1) absence of unity of educational control in the districts, (2) dual control over the District Educational Officers by the Divisional Deputy Directors in respect of middle schools and by the Deputy Director of Public Instruction for Elementary Education in respect of primary schools, which sometimes leads to clash of instructions, (3) the intermediation of the Deputy Directors between the District Officers and the Director involving unnecessary correspondence and waste of time, and (4) the extension of the jurisdiction of the Deputy Director of Public Instruction for Elementary Education over the whole State so far as that grade of education is concerned, although he is not a part of the Head Office. With a view to remedying the existing defects and introducing unity of control over all grades of schools in a district and also in order that he may be relieved of part of his present overwhelming routine duties to be able to devote his attention to larger and more important issues and give more time and thought to schemes and problems of education expansion and development, the Director has submitted detailed proposals in this behalf.

In brief, the Director's proposals are :—

1. That the present two Divisional Deputy Directors as well as the Deputy Director for Elementary Education be attached to his office with the designations (*a*) Deputy Director for High School and Special Education, (*b*) Deputy Director for Middle School Education, and (*c*) Deputy Director for Elementary Education, the grades of these officers being revised into two grades—two of Rs. 500—40—700 and one of Rs. 700—50/2—800 and they be given additional powers.

2. That the District Educational Officers be placed in charge of institutions of all grades and types in their respective districts and made directly responsible to the Director, the staff of their offices being strengthened.

3. That the inspection of the New Type Middle Schools and Middle Schools and Hostels in rural areas be assigned to Assistant Inspectors, those in district and taluk headquarters being inspected by the District Educational Officers and enlarged powers being given to the District Educational Officers and Assistant Inspectors to enable them to discharge their increased responsibilities;

4. That in view of the increase in the responsibilities to be assigned and the powers to be invested in the District Educational Officers, six places in the grade Rs. 300—20—400 be allocated to these officers by temporarily raising one of the posts in the grade Rs. 200—25/2—300 to Rs. 300—20—400 until the latter is transferred back from the Women's to the Men's cadre and four posts in the lower grade of Rs. 200—25/2—300 be raised to Rs. 300-20-400-25-450;

5. That with a view to providing the District Educational Officers with competent assistance, the grades of the ten Office Assistants to the District Educational Officers be revised from Rs. 35—100 to Rs. 100—7—170;

6. That with regard to the Director's Office, the post of the First Assistant be retrenched, the post of the Second Assistant being converted into that of a Personal Assistant to the Director of Public Instruction in the grade Rs. 200-25/2-300 with the additional staff as detailed below and revision of the grade of the Superintendent of the Special Communities Section from Rs. 75—5—120 to Rs. 100—5—125 to bring it into line with the grade of the other Superintendents in the office:—

1. One Superintendent for Buildings Section in grade Rs. 100—5—125.

2. Three Personal Clerks for Deputy Directors on Rs. 45 each.

3. Four Clerks on Rs. 45 each.
4. Five Clerks on Rs. 40 each.
5. Two Typists in grade Rs. 30—3—60.
6. Nine Peons in grade Rs. 11—½—15.

7. That the present clerical and menial staff of the three Deputy Directors as well as the Office Assistants to the Deputy Directors together with the furniture and other equipment of their offices be distributed among the District Educational Offices as well as his office and a recurring expenditure of Rs. 2,750 per annum for travelling allowance to the three Deputy Directors and their establishment and a non-recurring grant of Rs. 2,500 for purchase of additional articles of furniture be provided.

The proposals of the Director involve an extra cost of Rs. 29,570 per annum as indicated in the proposition statement appended. But there would be a saving of Rs. 2,200 out of the existing allotment for travelling allowance to Deputy Directors and therefore the net extra cost involved in the proposals would be only Rs. 27,370 per annum.

The proposals of the Director of Public Instruction are sanctioned with effect from 1st May 1946 with the modification that the grades of the two of the posts of Deputy Directors be Rs. 500—50/2—750 instead of Rs. 500—40—700 and that the grade of four posts of District Educational Officers be Rs. 400—25—450 instead of Rs. 300—20—400—25—450. The extra cost required during the current year will be met from the sanctioned grants of the department and the necessary provision will be made in the budgets of the next and subsequent years.

## FINANCIAL SECRETARIAT

### Constitution of a Financial Branch in the Agricultural and Veterinary Departments.

READ—

Government Order No. A. F. 1038-4—Agri. 340 43-2, dated the 29th August 1944, sanctioning the appointment of an Accounts Assistant to the Director of Agriculture.

2. Letter No. Fl. 5328—43-44, dated the 9th April 1945, from the Director of Agriculture, forwarding with his remarks, a note in the matter of constituting a Financial Branch attached to the Agricultural Department.

3 Unofficial Note No. 793—Es., dated 11th September 1945, of the Comptroller in the matter.

ORDER No. Fl. 6047-9—G. F. 164-44-6, DATED BANGALORE, THE 8TH FEBRUARY 1946.

In view of the large expansion of the activities of the Agricultural Department on all sides during recent years to meet the growing needs of agriculture and Animal Husbandry, the total volume of financial transactions of the Agricultural and Veterinary Departments have increased to a considerable extent. The transactions on account of sale of manure and agricultural implements have also increased enormously thus throwing a very heavy responsibility on the Director of Agriculture and his staff in accounting for the same. The "Grow More Food Campaign" has also considerably added to their work. The Director of Agriculture had accordingly recommended, in January 1945, to Government the constitution of a separate Financial Branch in the Agriculture Department to assist him in the management of the Financial transactions of the department and for the audit of the same. Pending detailed examination of the proposals for the constitution of a Financial Branch, Government had sanctioned the post of an Accounts Assistant.

The Director of Agriculture has again forwarded a detailed note prepared by the Accounts Assistant with his remarks for the formation of a separate Financial Branch, the same being entrusted also with the audit of the transactions of the department.

At present, just as in the case of other spending departments, the audit of the accounts of this office is centralised in the Comptroller's Office and is limited to the check of establishment, contingent and travelling allowance bills and to such of the bills relating to purchases, etc., as are required by rules to be pre-audited. Most of the vouchers come only under post-audit, *i.e.*, audit after payment and considerable delay in the audit of these accounts has therefore become inevitable. A large number of institutions and ranges handling huge stocks do not come under a systematic and periodical local audit. The Head of the Department, under the present arrangement, has also no scope to get into close touch with the working of these institutions on the financial side. In the absence of a trained audit and accounts personnel within the department to work in close contact with the day-to-day administration, no useful help would be available for the administration and the audit would only be of an academical value.

An efficient check over the transactions of this department therefore does not exist. In view of the fact that there is likely to be further expansion in this department due to attention that is being paid to agricultural problems and the development of agriculture, it is necessary that more attention is paid to the audit and accounting of the transactions of this department.

For making financial control effective and for enforcing proper control of expenditure with due regard to efficiency, Government feel that it is necessary to develop a system of internal audit conducted with an intimate knowledge of the practical working of the department so that errors and irregularities may be avoided in time and the administrative officers may have the advantage of timely financial advice and assistance. It is also necessary to have the accounts in a manner calculated to keep the Head of the Department informed of the financial results of the working of the department and thus enable him to use the available resources to the best advantage.

Government are accordingly pleased to direct the constitution of a separate combined Financial Branch to the Agricultural and Veterinary Departments. The duties of the Financial Assistant in charge of this Branch will be broadly classified as under:—

1. Financial Adviser to the Director of Agriculture and Superintendent, Veterinary and Animal Husbandry Services
2. Accounting Officer of these two departments.
3. Officer in charge of the internal audit of the financial transactions of the two departments.

In matters relating to audit and accounts, the officer in charge of the Financial Branch should be guided by instructions issued by the Comptroller.

All objections taken by the Financial Assistant in the discharge of his audit functions will be final, subject to revision by the Comptroller to Government. In cases where there is difference of opinion, the Heads of these Departments should make a reference to the Comptroller who, as the final authority in all matters of audit and accounts, will issue the necessary ruling and he will seek instructions of Government wherever necessary.

The Financial Assistant will work in close collaboration with the Departmental Heads and bring all audit and account irregularities to their notice with as little delay as possible.

The detailed audit of all kinds of expenditure of the Agricultural and Veterinary Departments will be conducted in the Financial Branch instead of in the Comptroller's Office. The audit of revenue and receipts of the department and of the transactions relating to loans and advance should form part of the normal work of the Financial Branch. The system of audit of several classes of receipts and expenditure will be on the lines settled in consultation with the Comptroller, keeping in view the requirements of the departments.

Arrangements will be made for the submission by Treasuries to the Financial Branch of the Agricultural and Veterinary Departments of all Agricultural and Veterinary bills subject to post-audit and particular care should be taken for the custody and care of bills and vouchers. The Comptroller will separately prescribe the returns and the manner and authorities to which they are to be submitted.

All bills payable at Bangalore as also bills which under the rules of the department are submitted to the Director of Agriculture and Superintendent, Veterinary and Animal Husbandry Services for sanction or countersignature and such other bills or classes of bills that may be specified from time to time should be subject to pre-audit by the Financial Assistant.

The Financial Assistant should submit monthly to the Comptroller a classified account of receipts and expenditure of the Agricultural and Veterinary Departments with his audit certificate and all such other accounts and returns as the Comptroller may require should also be submitted to that officer.

The Comptroller or any Deputy Comptroller, specially deputed by him, should arrange for the examination of the accounts and audit work of the Financial Branch at least once a year and submit a report to Government *re* the working of this scheme. His examination should keep the following objects in view :—

(1) A general scrutiny to see that the work is properly performed.

(2) A special scrutiny to see that the scheme of appropriations sanctioned by the Legislative Council is adhered to and that points to be noticed in the Audit and Appropriation reports are brought to his notice by the Financial Assistant and that proper attention is being paid in respect of items arising in higher audit.

The transactions not coming under central audit in the Financial Branch should be subject to complete examination locally by the Financial Assistant. The initial accounts and registers not subject to central audit should undergo through scrutiny in the course of local inspections.

The responsibility of the Director of Agriculture, and Superintendent, Veterinary and Animal Husbandry Services in regard to financial transactions is unaffected by the formation of the new branch which is intended only to afford help and advice in the administration of the department on the financial side.

The scheme for the formation of Financial Branch as above may be given effect to as early as practicable. The Comptroller is requested to submit proposals for additional staff at a minimum cost in consultation with the Director o

Agriculture, and Superintendent, Veterinary Services, after a re-adjustment of the existing staff in the Comptroller's Office and Department of Agriculture and Veterinary Services.

## PUBLIC WORKS SECRETARIAT

**Sanctions the proposal to the temporary employees of the Public Works Department who have put in a continuous service of three years and more being allowed to insure their lives in the official branch of the Mysore State Life Insurance Department.**

READ—

Subject No. 4 of the proceedings of the meeting of the Standing Committee for Railway, Public Works and Electrical Departments held at Bangalore on 2nd December 1944 relating to facilities for the temporary employees of the Public Works Department to insure their lives in the official branch of the Mysore State Life Insurance Department.

2. Letter No. 2164—E. dated 6th October 1945, from the Chief Engineer for Irrigation, on the subject.

3. Un-official Note No. OPR. 4678, dated 14th December 1945 of the Secretary, Mysore State Life Insurance Department, on the same subject.

ORDER THEREON No. P. W. 5191-95—EST. 96-45-2, DATED BANGALORE, THE 29TH JANUARY 1946.

At present, temporary employees of the Public Works Department who have put in a continuous service of five years and more are allowed to insure their lives in the official branch of the Mysore State Life Insurance Department. The Standing Committee for Railway, Public Works and Electrical Departments, at their meeting held on 2nd December 1944, have recommended that temporary employees of the Public Works Department who have put in a continuous service of three years and more may be allowed to insure their lives in the official branch. The Chief Engineer for Irrigation and the Secretary, Insurance Department, who were consulted in the matter, agree with the recommendation of the Committee.

Government are pleased to sanction the above recommendation of the Committee.

## IMPORTANT GOVERNMENT ORDERS

### CHIEF SECRETARIAT

### Passes orders fixing the permanent strength of the High Court Judges at five.

READ—

Government Order No. P. 4954-5—Cts. 136-39-2, dated 24th January 1940, according sanction to the temporary appointment of Fourth Judge of the High Court being made permanent.

2. Government Order No. P. 5477-S—Cts. 136-39-3, dated 10th February 1940, sanctioning the appointment of two additional Judges to the High Court, as a temporary measure, to facilitate the disposal of the heavy accumulation of Second Appeals.

3. Government Order No. 5326-7—Cts. 40-44-2, dated 1st February 1945, sanctioning the continuance of the two Temporary Judges of the High Court for a further period of one year from 15th February 1945.

4. Letter, dated 26th January 1946, from the Chief Justice, High Court of Mysore, recommending that, in the circumstances mentioned, the permanent strength of the High Court Judges may be fixed at five and that for another year a Temporary Judge may be also appointed.

ORDER NO. 2951-2—C. B. 246-45-1, DATED BANGALORE, THE 14TH FEBRUARY 1946.

In 1940, the permanent strength of the High Court was raised to four Judges (including the Chief Justice) and the appointment of two additional Judges was also sanctioned as a temporary measure to facilitate the disposal of a heavy accumulation of Second Appeals. The term of appointment of these temporary judges was extended from time to time and the period of sanction expires by 15th February 1946.

2. In his letter dated 26th January 1946, the Chief Justice states that he has made a detailed review of the work of the Judicial Department during the past several years and that a stage has now been reached when an appeal or petition filed in the High Court is disposed of normally within the space of one year, that it has been possible to maintain this level of progress by having six Judges and it is necessary that this happy position should be maintained. An intensive inspection of the work of the subordinate judiciary is also found very necessary and one or two Judges will have to be continuously engaged during the year on inspection work. The Chief Justice is therefore of the opinion that for the just, effective and speedy administration of justice, it is absolutely necessary to fix the permanent strength of the High Court Judges at five and to have in addition a temporary Judge also for another year.

3. Government agree with the Chief Justice and are accordingly pleased to sanction the proposals, *viz.* :—

(i) fixing the permanent strength of the High Court at five Judges (including the Chief Justice);

(ii) appointing a Temporary Judge for another year.

B. S. RAGHAVENDRA RAO, *Chief Secy.* (*In-charge*).

### REVENUE SECRETARIAT

### Sanctions an additional provision of Rs. 1,55,000 for carrying out Distress Relief Works viz., Inter-Village Communications and Village Improvement Works in the Chitaldrug District.

READ—

Letter No. C. 6206—45-46, dated the 18th November 1945, from the Revenue Commissioner in Mysore forwarding a programme of works proposed to be taken up for the relief of distress in the Chitaldrug District.

2. Government Order No. R. 3712-6—R. M. 37-45 22, dated 8th December 1945, approving the programme of works referred to above.

3. Letter No. 230—WAD. 4, dated 12th December 1945, from the Comptroller to Government intimating that a sum of Rs. 10·1 lakhs is available out of the Inter-Village Communication Funds.

ORDER NO. L. 7867-72—V. P. 47-45-2, DATED BANGALORE, THE 4TH FEBRUARY 1946.

Among the programme of works which the Revenue Commissioner has submitted for being taken up for the relief of distress in the Chitaldrug District, he has included the formation of 106 Inter-Village Road Works covering a length of about 330 miles estimated to cost about Rs. 2,94,000 and 138 village improvement works at an estimated cost of about Rs. 56,250. It is stated that, if these works are taken up, a large percentage of the population in the taluks of Chitaldrug, Challakere, Hiriyur, Molakalmuru, Davangere, Hosadurga, Holalkere and Jagalur would find labour for a fairly long time. Out of a sum of Rs. 63,000 available at the credit of the Inter-Village Road Fund of the district, a sum of Rs. 25,000 has already been placed at the disposal of the Public Works

Department for road works and the grant of a sum of Rs. 1 lakh for expediting the execution of the Inter-Village Road Works as a measure of relief is recommended. The Government are pleased to accord sanction to a sum of Rs. 1 lakh for being placed at the disposal of the Deputy Commissioner, Chitaldrug District, out of the unspent balance available at the credit of the Inter-Village Road Communications Fund. The Comptroller to Government is requested to take further action accordingly.

As regards Village Improvement Works, the Revenue Commissioner reports that he has already placed a sum of Rs. 15,000 out of the reserve under "Assignments to Village Panchayets" and he proposes to place a further sum of Rs. 40,000 for the same purpose at the disposal of the Deputy Commissioner, Chitaldrug District. The above proposal of the Revenue Commissioner is also approved.

## DEVELOPMENT SECRETARIAT

### Passes orders revising the existing scales of Foodgrain Rations in the State with effect from the 17th February 1946.

READ—

Government Order No. S. D. 7820-30—R. 83-44-4, dated the 9th Jun 1945, revising the scales of foodgrain rations in the State.

ORDER NO. S. D. 5741-52—R. 50-45-14, DATED BANGALORE, THE 14TH FEBRUARY 1946.

Owing to unfavourable seasonal conditions resulting in a serious shortfall in local production and the prevalence of adverse seasonal conditions elsewhere in India which has reduced the expectation of imports, it has become necessary to effect a reduction in the existing scales of foodgrain rations in the State. Government accordingly direct that the scales of rations be revised all over the State as under, with effect from the 17th February 1946 :—

(1) "A" Class ... 9·6 ozs. or one pavu of rice *plus* 2·4 ozs. or ¼ pavu wheat.

(2) "B" Class ... 9·6 ozs. or one pavu of millets *plus* 2·4 ozs. or ¼ pavu of rice or wheat.

(3) Plantation Labour. 9·6 ozs. or one pavu of rice *plus* 2·4 ozs. or ¼ pavu of wheat or broken rice.

Children below eight years of age: Half the above scales.

(4) Heavy manual labour will get the same ration as "B" Class *plus* 2·4 ozs. of additional wheat.

NOTE.—When any of the above grains are not available, substitute articles in the following order of priority may be issued by the sales depots in lieu of the grain: (1) Groundnut, (2) Potato, (3) Sweet potatoes, (4) Bengal gram, (5) Tapioca, (6) Wheat products, (7) Wheat, (8) Broken rice and (9) Rice.

The Director of Food Supplies is requested to take immediate action to give effect to the revised scales of rations throughout the State from the aforementioned date.

## IMPORTANT GOVERNMENT ORDERS

### REVENUE SECRETARIAT

### Confers on the Chamarajanagar Town Municipal Council the privilege of electing a Non-Official President.

READ—

Letter No. D3. C 662—44, dated 23rd January 1946, from the Deputy Commissioner, Mysore District, recommending sanction to the proposal of the Chamarajanagar Town Municipal Council to have the privilege of electing a non-official President to the Municipal Council from among themselves.

ORDER NO. L. 8424-7—ML. 167-45-4, DATED BANGALORE, THE 21ST FEBRUARY 1946.

Under Section 23 (2) (*c*) of the Mysore Town Municipalities Act, 1933, the Government are pleased to confer on the Chamarajanagar Town Municipal Council the privilege of electing a non-official President to the Municipal Council from among themselves.

The Deputy Commissioner, Mysore District, is requested to take further action according to the rules prescribed in this behalf and to submit a report to Government early.

### GENERAL SECRETARIAT

### Passes orders regarding the grant of certain concessions for the Cultivation of Irrigated Ragi in the Irwin Canal Area during the Summer of 1946.

READ—

Letter No. S. M. 177-45-46, dated 24th January 1946, from the Director of Agriculture in Mysore, submitting proposals for cultivation of irrigated ragi in the Irwin Canal area during the ensuing summer.

ORDER NO. A. F. 3841-6—AGRI. 196-45-2, DATED BANGALORE, THE 7TH FEBRUARY 1946.

The Director of Agriculture reports that in view of the serious shortage of ragi in the State owing to unfavourable seasonal conditions, it is necessary to arrange for irrigated ragi cultivation in the Irwin Canal area during the ensuing summer, that the raiyats are generally reluctant to take up to summer cultivation of ragi on the ground that the ragi crop exhausts the soil and reduces the yield of subsequent paddy crop and that with a view to induce them to take up to ragi cultivation they may, as a further concession, be issued seeds and manure free of cost. The Director of Agriculture accordingly recommend :—

(1) that seeds and manure may be issued to the raiyats concerned free of cost. This is expected to cost not more than Rs. 15 per acre to Government calculated at the present concessional price at which manure is sold to raiyats;

(2) with a view to see that the concession is not misused, the Director proposes that the seed and manure be issued in the first instance as an advance. If the cultivator produces not less than five pallas per acre, the issues will be treated as free. In cases where the yield is less, the cost of the seed and manure supplied to him will be recovered as arrears of Land Revenue except in exceptional cases where the Director is satisfied that the short yield (below the five pallas per acre) was due to causes beyond the control of the raiyat and that the manure supplied has actually been used;

(3) that the mutchalikas in the form enclosed be obtained from the raiyats concerned.

Government are pleased to accept the recommendations of the Director detailed above. It is estimated that about 8,000 acres are likely to be brought under cultivation under this scheme and the concessions granted under it may cost not more than Rs. 1,20,000. The expenditure in this behalf will be met out of the provision under "32B-13(a) Grow More Food Campaign—Subsidy for the issue of seeds and manures at reduced rates."

The Director of Agriculture is requested to take necessary further action in this connection immediately.

MOHAMED ISMAIL SHERIFF, *Genl.*

## Approves the Programme of Opening of Veterinary Dispensaries in the State in future.

READ—

1. Letter No. Ec. Agri. 63—45-46, dated the 25th July 1945, from the Secretary, Committee for Agriculture, forwarding a copy of the resolution passed by the Board of Agriculture on the opening of 105 Veterinary Dispensaries in the State in the next five years.

2. Letter . A1-32—45-46, dated the 24th August 1945, from the Superintendent of Veterinary and Animal Husbandry Services, submitting proposals in the matter.

ORDER THEREON No. A. F. 4079-99—A. H. 95-45-3, DATED BANGALORE, THE 18TH FEBRUARY 1946.

There is at present one Veterinary Dispensary in each taluk in the State except Molakalmuru and Periyapatna, the total number of dispensaries being 91 and 3 more have been sanctioned recently making a total of 94 for the State.

The target is to provide one institution to at least every two hoblies, which is in consonance with the report of the Royal Commission on Agriculture according to which there should be a network of Veterinary Dispensaries in India situated at a distance of at least every ten miles.

In order to provide for the Veterinary aid envisaged on the Royal Commission's recommendations and with a view to prevent the large mortality of cattle due to outbreak of rinderpest, etc., it is considered necessary to open at least 105 more dispensaries in the State at strategical places during the next five years.

The Board of Agriculture have examined the scheme and passed a resolution that Government be requested to sanction a scheme for the establishment of 105 Veterinary Dispensaries in the State within the next five years at a cost of Rs. 4,98,015. The Superintendent of Veterinary and Animal Husbandry Services has recommended the adoption of the above scheme in pursuance of which 21 dispensaries will have to be started every year commencing from 1945-46 for a period of five years and estimates the cost of the scheme at Rs. 1,66,005 for the fifth year, when the scheme will have been fully carried out. The details of expenditure are noted in the Superintendent's report enclosed herein.

In the interest of the cattle wealth of the country, Government are pleased to approve of the programme involving a recurring expenditure of Rs. 33,200 per annum, a similar sum spread over a period of five years being added each year and to direct that a beginning may be made in this behalf by undertaking the first year's programme, without any commitments for the succeeding years and further expansion regulated in the light of the experience gained. As a partial set off against this increase in expenditure, Government are pleased to direct that steps be taken to levy a moderate fee for the treatment of cattle belonging to the wealthier classes of raiyats, *viz.*, raiyats paying an assessment of over Rs. 100 or those who pay income-tax to Government. The Superintendent, Veterinary and Animal Husbandry Services, is requested to formulate suitable proposals and submit the same for the approval of Government.

MOHAMED ISMAIL SHERIFF, *Genl. Secy.*

## ANNEXURE.

### PROPOSALS FOR INCREASING THE NUMBER OF VETERINARY DISPENSARIES IN THE STATE.

The Royal Commission on Agriculture in their report of 1927 recommends that in order to provide for adequate veterinary aid to its live-stock wealth there should be a net work of Veterinary Dispensaries in this country situated at a distance of at least every ten miles. It is surmised that with this arrangement there would be provision for one qualified veterinarian for every 25,000 heads of cattle. According to the recent *quinquennial* live-stock census (1945), Mysore State has a cattle census of 49,90,529 and in order to maintain them in health we need at least 199 Veterinary Institutions calculated on the basis of the Royal Commission's recommendations. We have at present 91 dispensaries and Government sanction has already been accorded for opening of three more during the year making a total of 94 Veterinary Institutions which works out to one institution to every 53,000 heads of cattle, which is more than double the number of cattle whose needs could be attended to by one dispensary. In order to provide for the veterinary aid envisaged in the Royal Commission's recommendations, we shall have to open 105 more dispensaries in the State at strategic places.

2. At present, we have Veterinary Institutions in all the taluks and all of them except two, *viz.*, Periyapatna and Molakalmuru, have the dispensaries at the respective taluk headquarters Our ultimate target should be to provide one institution to at least every two hoblis and with 105 new institutions already suggested, a majority of them will have their own dispensaries in five years' time. It is now suggested that in order to reach this target at the end of five years' we shall have to open 21 dispensaries every year commencing from the next official year (1945-46). The following 21 places are selected as the most suitable locations for opening of Veterinary Dispensaries during the first year of the scheme, as they are very inconveniently situated in respect of the already existing institutions, much to the disadvantage and detriment of the live-stock wealth of these areas. The people as well as the local bodies in these areas are anxious to have the dispensaries and have been pressing for them for some time now.

(*a*) *Bangalore District*—

(1) Thyamagondlu, Nelamangala Taluk,
(2) Sarjapura, Anekal Taluk,
(3) Kudur, Magadi Taluk.

(b) *Mysore District*—
(1) Periyapatna,
(2) Kabbahalli, Gundlupet Taluk,
(3) Kaulande, Nanjangud Taluk.

(c) *Tumkur District*—
(1) Hoskote, Pavagada Taluk,
(2) Hagalvadi, Gubbi Taluk.

(d) *Mandya District*—
(1) Bellur, Nagamangala Taluk,
(2) Koppa, Maddur Taluk,
(3) Kikkeri, Krishnarajpet Taluk.

(e) *Chitaldrug District*—
(1) Malebennur, Harihar Taluk,
(2) Bharamasagara, Chitaldrug Taluk.

(f) *Kadur District*—
(1) Ajjampur, Tarikere Taluk,
(2) Balehonnur, Chikmagalur Taluk.

(g) *Shimoga District*—
(1) Bhadravati, Shimoga Taluk,
(2) Santhebennur, Channagiri Taluk,
(3) Anavatti, Sorab Taluk.

(h) *Hassan District*—
(1) Hiresave, Hassan Taluk,
(2) Sravanabelagola, Channarayapatna Taluk,

(i) *Kolar District*—
(1) Vemagal, Kolar Taluk.

Places where Veterinary Institutions are to be opened during the following four years will be selected during the preceding year after ascertaining the needs for such an institution and the willingness of the local bodies and the public for donating necessary buildings and providing other facilities.

3. *Staff and Facilities.*—As regards staff for these institutions to be located in the hoblis mentioned above, it is suggested that a stock-man assisted by a compounder, a dresser and a peon will be quite adequate. It is proposed to train our stock-men in the State, for which the opening of a stock-man's training school is under consideration of the Government. The dresser and a peon are to be employed locally. The stock-man will be under the immediate control of the Veterinary Inspector in charge of the taluk dispensary.

As regards other facilities, it is presumed that the necessary building will be provided by the local bodies either donated or constructed. For this purpose it is not necessary to have in the hoblis the same type design as prescribed for the taluk headquarters, the construction of which is expected to cost Rs. 10,000 according to present rates. A smaller and simpler building at a cost of about Rs. 5,000 would serve the purpose, for which another type design will have to be drawn up. The facilities to be provided for opening of a Veterinary Dispensary as well as for its maintenance will have to be contributed by the District Board and the local Municipal Council or the Village Panchayet. The initial cost for opening a Hobli Dispensary may be fixed at Rs. 750 and the annual recurring maintenance charges at Rs. 500, as against Rs. 1,000 and Rs. 600, respectively, required in connection with a Taluk Dispensary. But the quotas from the respective District Boards and the local Municipal Council or the Village Panchayet will be in the same proportion as for Taluk Dispensaries. These bodies will have to pay, therefore, their quotas of Rs. 750 towards initial cost and Rs. 75 towards annual maintenance charges in the proportion of 2 : 1 respectively, *i.e.*, Rs. 500 and Rs. 250 towards initial cost and Rs. 50 and Rs. 25 towards annual maintenance charges, respectively, the balance of Rs. 225 towards annual maintenance charges being met by Government. As already mentioned, the building either donated or constructed by them has also got to be provided for the purpose.

4. *Financial Implications.*—At present, it is costing the Government Rs. 2,326 to run one Dispensary for a year as per details given hereunder :—

| 1. Establishment— | *Average cost per month* | *Cost per year* |
|---|---|---|
| (a) One Veterinary Inspector on Rs. 50—5/2—90. | 71½ | 856 |
| (b) One Salustry ... | 20 | 240 |
| (c) One Compounder ... | 15 | 160 |
| (d) One Peon ... | 10 | 120 |
| Charge allowance to Veterinary Inspector. | 10 | 120 |
| Total ... | | 1,516 |
| 2. Travelling allowance ... | | 300 |
| 3. Contingencies ... | | 60 |
| 4. Maintenance charges ... | | 450 |
| Grand Total ... | | 2,326 |

On the other hand the dispensaries to be opened in future in the hoblis are expected to cost Rs. 1,581 each for a year towards maintenance as per details given below :—

| 1. Establisement— | *Average cost per month* | *Cost per year* |
|---|---|---|
| (a) One stockman in grade 30—3/2—45. | 39 | 468 |
| (b) Charge allowance to above at Rs. 5 per month. | 5 | 60 |
| (c) One compounder on Rs. 15–1–20. | 18½ | 220 |
| (d) One Dresser on Rs. 10—1—15... | 13½ | 159 |
| (e) One Peon on Rs. 10—1—15 ... | 13½ | 159 |
| Total ... | | 1,066 |
| 2. Travelling allowance ... | | 240 |
| 3. Contingencies ... | | 50 |
| 4. Maintenance charges towards three-fourths contribution. | | 225 |
| Grand Total ... | | 1,581 |

By this arrangement therefore savings of about Rs. 750 a year is effected on each of the newly proposed dispensaries. For opening 21 dispensaries of this kind, it would involve an expenditure of Rs. 33,201 a year. The details of financial implications for opening of 105 dispensaries at the rate of 21 dispensaries a year is given in the statement below for five years :—

| Items | 1st year 1945-46 | 2nd year 1946-47 | 3rd year 1947-48 | 4th year 1948-49 | 5th year 1949-50 |

## DEVELOPMENT SECRETARIAT

### Report on the working of the Industries and Commerce Department for the year 1944-45.

READ—

Correspondence ending with letter No. B. 86—45-46, dated 19th November 1945, from the Director of Industries and Commerce in Mysore, forwarding the report on the working of the Industries and Commerce Department for the year 1944-45.

ORDER NO. D. 5811-80—I. & C. 243-45-7, DATED BANGALORE, THE 12TH FEBRUARY 1946.

Recorded.

2. *Large Industrial Establishments.*—There were 313 (330) large Industrial Establishments working in the State during the year under report, employing on an average 81,154 (86,202) persons. Of these establishments, 283 (299) were perennial and the remaining 30 (31) were seasonal.

The number of cotton mills working in the State remained the same as in the last year, *viz.*, nine. Of these, four were engaged in producing cotton yarn and piece-goods, three in the production of cotton yarn and one in the manufacture of hosiery. There were five woollen mills working in the State with 9,002 (9,415) spindles and 165 (167) looms and the total quantity of goods produced amounted to lbs. 98,97,483 (lbs. 10,296,301) valued at Rs. 88,48,504 (Rs. 20,76,162).

3. *Financial and other Assistance to Industries.*—The department continued to render assistance in various ways for the starting and development of large and small scale industries. In addition to the grant of loans under the industrial loan rules, a sum of Rs. 26,000 was sanctioned during the year under review for rendering financial assistance to educated unemployed persons to start industries of their own. Technical assistance by way of erection and repairs of industrial plant and machinery belonging to private industrial concerns was also continued, as also the supply of rectified spirit, either duty free or at concession rates.

4. *Industrial Concerns worked by the Department*—(*a*) *The Government Central Industrial Workshop.*—As in previous years, the Central Industrial Workshop was engaged in catering for the needs of the several departments, the Government aided industrial concerns and private parties in respect of all kinds of repairs, manufacture and supply of simple machinery and agricultural implements. During the period under report, the production and sales amounted to Rs. 1,66,282 (1,82,000) and Rs. 1,70,000 respectively.

(*b*) *Sri Chamarajendra Technical Institute, Mysore.*—The Institute imparted training, as in previous years, in high class fine arts modelling, metal work, inlay work, ivory, sandalwood carving, etc. There were 165 (262) students under training and of these, 148 (122) received scholarships of the total value of Rs. 8,278 (8,248). The value of the articles produced amounted to Rs. 56,714 (Rs. 1,13,911) and the sales amounted to Rs. 82,962 (Rs. 1,71,720). The fall in production and sales was due to the difficulty of getting raw materials, dearth of skilled labour and want of transport facilities.

(*c*) *The District Industrial Workshop, Shimoga.*—The total production and sales amounted to Rs. 4,639 (2,602) and Rs. 4,477 respectively.

(*d*) *The Arts and Crafts Depot, Bangalore.*—The value of stocks handled during the year under report was Rs. 79,098 (Rs. 1,94,037). Even with the inadequate supplies of stock, the sales amounted to Rs. 1,37,621 (Rs. 1,25,017).

5. *Rural and Cottage Industries.*—The department continued to pay special attention to intensify the work of the existing centres and the opening of new centres. Nineteen new centres were started during the year, bringing the total number of centres to 45 at the end of the year. A brief account of work done in some of the important centres is given below :—

(*a*) *Hand-paper Making Centres.*—Work was continued in the existing centres at Hossur and Badanaval and two centres—one at Bangalore and the other at Hassan—started work during the year. The output and sales of all the centres amounted to Rs. 5,358 (Rs. 3,243) and Rs. 4,036 (Rs. 2,536), respectively.

(*b*) *Leather-stitching and Button-making Centres at Doddasiddavvanahalli.*—Articles of the value of Rs. 3,900 and Rs. 340 were produced in the leather-stitching and the button-making sections, respectively, and the sales of both the sections amounted to Rs. 1,300.

(*c*) *Pottery and Smithy Centres.*—Work was continued at the pottery centres at Closepet, Dodballapur and Chikmagalur and the smithy centres at Closepet and Kunigal. The production and sales in the Pottery Centre at Closepet amounted to Rs. 2,500 and Rs. 968, respectively, while the smithy centre in the same place produced articles worth Rs. 11,130 and sold articles of the value of Rs. 7,960.

(*d*) *Mat Weaving.*—The mat weaving centres at Badanaval and Hiriyur continued to work and the centres at Dodballapur Town and at the Dodballapur Rural Welfare Centre re-started work in the year. New centres were started in certain other places, *viz.*, Belagodu, Giddobanahalli, the Labour Colony in Bangalore, Mahila Samajas at Chikmagalur and Hassan, the Labour Colony in Kolar Gold Fields, the Central Industrial Workshop, Bangalore, and at Nagamangala, etc.

(*e*) *Brass Work at Nagamangala.*—The centre continued to manufacture furniture fittings, door handles, etc. The production and sales amounted to Rs. 630 and Rs. 2,350 (including old stock), respectively.

(*f*) *Other Cottage Industries.*—The Carpentry Centre at Ankanahalli, the volegari work at Chennapatna, the rattan work in the Industrial Schools at Shimoga and Hassan and the coir industry at Adivala, Malgal and Arsikere were continued during the year.

(*g*) *Tile-making.*—Two tile-making centres—one at Bellur and the other at Bagepalli—were sanctioned during the year and necessary action is being taken to start them early.

6. *Proposals for the development of Cottage Industries.*—With a view to organising rural and cottage industries on a large scale and also co-ordinating the work of the cottage industries with the activities of the rural development drive, proposals are under consideration for the formation of a suitable organisation. Certain cottage industries, *e.g.*, button-making, basket-making, mat-weaving, etc., are proposed to be started in the Rural Welfare Centre at Anandapuram at a cost of Rs. 21,000. Proposals are under consideration for the development of the coir industry in the State. Government have sanctioned the award of scholarships of the value of Rs. 25 per mensem to depressed class students for undergoing training in various cottage industries such as, carpentry, smithy, leather-stitching, etc. Fifty-one candidates are reported to be under training.

7. *Industrial Schools.*—The number of industrial schools under the control of the department remained the same, as in the last year, namely, nine. Besides these, two private industrial schools, the S. L. N. Industrial School, Bangalore, and the Methodist Mission Industrial School, Tumkur, and 23 home industries classes received grants-in-aid from the department. The total number of students undergoing training during the year was 1,939 (2,006) and the total expenditure was Rs. 1,41,700 (1,49,556), of which Rs. 1,24,808 was spent on Government industrial schools, Rs. 11,400 on home industries classes and Rs. 5,412 on private industrial schools. The Zenana Home Industries Institute, Chennapatna, continued to impart training to gosha women in tailoring, lace and lacquer work. There were 60 students undergoing training in the beginning of the year. In order to enable students to undergo training in industrial subjects in recognised institutions outside the State, scholarships amounting to Rs. 1,200 were continued.

8. *Administration of Special Acts and Control Orders*—(*a*) *The Mysore Weights and Measures Act.*—The department sold weights and measures of the value of Rs. 4,901 to the public, 17,542 (17,753) units of weights and measures were tested and a sum of Rs. 1,165 (Rs. 1,198) was realised as testing fees. Prosecution proceedings were instituted in 67 (81) cases and a sum of Rs. 791 was recovered as fine.

(*b*) *The Mysore Patent and Designs Act.*—The number of applications filed for patents was 29 (30). Six of these originated in Mysore, 19 in India and 4 from abroad. The income realised from fees was Rs. 3,324 (Rs. 3,203). All the three applications received for registration of designs originated in Mysore.

(*c*) *The Mysore Factories Act.*—The total number of notified factories stood at 413 (394) at the end of the year; of these, 377 were perennial and 36 seasonal factories. The average daily number of workers employed in all the notified factories stood at 57,600 (53,007). The health of the employees in almost all the factories continued to be generally good throughout the year. There were 1,171 (1,167) recorded accidents; of these, seven were fatal, nine serious and the rest minor accidents. There was only one case of prosecution for non-submission of annual returns and it was withdrawn on the party giving an assurance of timely submission of the return in future.

(*d*) *The Mysore Cotton Ginning and Pressing Factories Act.*—There were 23 (31) ginning factories working at the beginning of the year. The total quantity of cotton pressed during the year was 27,796 (18,456) bales of 400 lbs. each. All the factories were inspected during the year.

(*e*) *The Mysore Maternity Benefit Act.*—The total number of women employed in the several industrial concerns was 6,635 (5,430) and a sum of Rs. 7,458 was paid to 665 women as maternity benefits.

(*f*) *Steam Boiler and Prime Movers Act.*—The total number of boilers at the end of the year was 286 (276), of which 276 were in commission and ten were not working. Two hundred and seventy-six boilers were inspected during the year. There were neither boiler accidents nor prosecutions in the period under review.

9. *Post and Telegraph Offices.*—At the end of the year 1943, there were in all 587 (584) post offices in the State, of which four were head offices, 85 (84) combined offices, 47 (46) sub-offices and 461 (450) branch offices, inclusive of the two new post offices opened during the year. The number of telegraph offices was 85 (84), of which 18 (18) was guaranted telegraph offices and the remaining 67 non-guaranteed ones.

10. *Wireless Licenses.*—The number of radio licenses during the year under report was 4,430 (4,343) and the fees collected amounted to Rs. 49,976 (51,806). Two prosecutions were launched and these were compounded on payment of the surcharge.

The administration of the department continued to be satisfactory.

## EDUCATION SECRETARIAT

**Issues certain instructions with a view to afford relief to the Graduate Officials working in old classes I and II appointments, mitigating the hardship caused to them consequent upon the re-classification of appointments.**

READ—

Government Order No. 6-105—C. R. B. 1-34-1, dated 3rd July 1934, issuing Revised Rules of Recruitment to the subordinate services of Government.

2. Government Order No. E. 1204-84—R. & P. S. 26-44-7, dated the 18th September 1945, issuing orders regarding the re-classification of appointments in the subordinate superior services of Government from two to three classes.

3. Letter No. 3211, dated the 10th December 1945, from the Public Service Commissioner, submitting *inter alia* certain proposals for mitigating hardship caused to the officials working in old classes I and II consequent upon the re-classification of appointments.

4. The Resolution of the Standing Advisory Committee for Recruitment passed at its meeting held on 12th December 1945 in the matter.

ORDER NO. E. 4567-619—R. & P S. 40-45-3, DATED BANGALORE, THE 11TH FEBRUARY 1946.

In the Government Order of 3rd July 1934 read above, all appointments in the subordinate superior services of Government were divided in two classes :—Graduates being assigned for class I appointments carrying a pay of Rs. 35 and above and S.S.L.C. holders for class II carrying a pay of less than Rs. 35. This classification which was in force from 1934 was revised in the Government Order of 18th September 1945, as a result of which all appointments are now divided into three classes as follows :—

(*i*) Appointments carrying a minimum of Rs. 50 and above and graded appointments, the minimum pay of which is less than Rs. 50 but the maximum is more than Rs. 70 which are treated as Class I appointments, the minimum qualification prescribed for this class being a degree of the Mysore University or any other recognised University.

(*ii*) Appointments carrying a minimum pay of more than Rs. 25 but less than Rs. 50 and all graded appointments the minimum pay of which is Rs. 25 and the maximum pay of which does not exceed Rs. 70 which are treated as Class II appointments, the minimum qualification prescribed therefor being S.S.L.C.

(*iii*) Appointments carrying a fixed pay of Rs. 25 and below and appointments on a progressive scale, the minimum of which is less than Rs. 25 and the maximum pay less than Rs. 50 which are treated as Class III, the minimum qualification prescribed therefor being a pass in the M. S. examination.

The Public Service Commissioner has brought to the notice of Government among other things that the Government Order, dated 18th September 1945, would work as a hardship to the graduates who were regularly appointed on a lesser pay in old class I appointments according to the Government Order, dated 3rd July 1934, read above and now working in the re-classified class II appointments and has suggested that all graduates who were regularly appointed in the old class might be promoted in the new class I in preference to fresh candidates.

This proposal was considered by the Standing Advisory Committee for Recruitment at its meeting held on 12th December 1945, when the following resolution was passed :—

"Resolved that graduates in service who are regularly appointed by direct recruitment in old classes I and II might be promoted to vacancies in new class I, in preference to fresh candidates, after classification of the vacancies into special and general, officials belonging to Backward Classes being promoted in special vacancies, general vacancies being filled up by promotion of the seniormost qualified officials working in the lower grades at the time and that while filling up such vacancies in class I appointments in each unit office, 25 per cent may be reserved for direct recruitment of candidates from approved lists and 75 per cent for promotion of graduate officials in lower grades."

Agreeing with the Standing Advisory Committee for Recruitment, Government are pleased to issue the following instructions with a view to afford relief to the graduates already entertained in the old classes of appointments prior to the issue of Government Order, dated 18th September 1945. These instructions will not be applicable in the case of graduates entertained subsequent to the Government Order dated 18th September 1945.

In each Unit Office, 25 per cent of the direct recruitment vacancies occurring in class I appointments under the rules recently revised, after classification into general and special, should be reserved for appointment of recruits whose names have been assigned to that unit by the Public Service Commissioner, every fourth direct recruitment vacancy only being utilised for the purpose.

The remaining 75 per cent of direct recruitment vacancies, *viz.*, the first three out of every set of four direct recruitment vacancies after classification into General and Special, should be filled up as indicated hereunder. The graduate officials belonging to Backward Communities entertained in old class I appointments and continued at present in the same appointments which have been now converted into class II appointments as a result of the issue of Government Order, dated 18th September 1945, shall be appointed in the order of their seniority in service in the special vacancies referred to above. The seniormost qualified graduate among all the officials working in the unit office at the time shall be appointed irrespective of community, in the General vacancies only.

The general rules regarding disposal of promotional vacancies in the above class I appointments will remain unaffected by these instructions.

Government Order No. 6-105—C. R. B. 1-34-1, dated 3rd July 1934, issuing the revised rules of recruitment in the Subordinate Superior Services of Government.

2. Correspondence ending with letter No. 869, dated 1st September 1945, from the Public Service Commissioner for Mysore, seeking instructions of Government in the matter of the employment of lady candidates in Government service.

ORDER No. E. 4934-5016—R. & P. S. 2-45-12, DATED BANGALORE, THE 21ST FEBRUARY 1946.

The Public Service Commissioner brought to the notice of Government that applications from several lady candidates are being received in his office seeking appointments that fall under the note to Rule 15 of the revised rules of recruitment. The subject was considered at the IX Meeting of the Standing Advisory Committee for Recruitment held on 12th December 1945. After careful consideration of the question, the following resolution was passed by the Committee :—

"Resolved that qualified women might be freely employed in the Education, Medical and Public Health Departments wherever they are not considered unsuitable and that they may be employed as Steno-typists in Headquarter Offices and certain other offices in Headquarter Towns such as Bangalore, which employ a large number of hands and in all institutions run and managed exclusively by women."

Government are pleased to approve the above resolution of the Standing Advisory Committee for Recruitment.

## ANNEXURE.

### PROCEDURE FOR ACCEPTING NATIONAL SAVINGS CERTIFICATES AS SECURITY.

The National Savings Certificates can be accepted as security by the Comptroller to Government. If a person wishes to pledge his certificates as security, the following procedure shall be adopted :—

(1) The pledgee should obtain a written authority from the Comptroller to pledge the certificates as security to the Comptroller in his official capacity.

(2) If the pledger has not yet purchased the certificates, he should mention above his signature in the application form for purchase of Certificates (Form No. N. C. 1) "pledged to Comptroller *vide* authority attached, and to be issued to him in his official capacity."

(3) If the pledger is already in possession of the certificates, he must present at the Post Office along with the written authority to pledge, the prescribed form for transfer (copy enclosed) applying for transfer of the certificates to the Comptroller.

**Sanctions delegation of power to the Comptroller to Government in respect of Commutation of Pensions up to certain limits.**

ORDER No. Fl. 6135-6220—S. & A. 93-45-2, DATED BANGALORE, THE 18TH FEBRUARY 1946.

According to the existing rules regulating the grant of Commutation of Pensions sanctioned in Government Order No. Fl. 71-120—S. & A. 1-27-1, dated the 4th July 1927, all applications for commutation of pensions are to be made in the form appended to the Government Order and addressed to the Financial Secretary to Government. With a view to expedite disposal of these applications, Government consider that it is desirable to delegate the power of sanctioning commutation of pensions in respect of certain classes of officers, to the Comptroller to Government in order to avoid unnecessary delay and they are accordingly pleased to direct that with effect from 1st March 1946, all applications for commutation of pensions shall be made in the prescribed form and addressed to the Comptroller to Government in the first instance.

The Comptroller will scrutinise the applications, take necessary further action in the matter and dispose of all cases relating to non-gazetted officers where the claims are clearly admissible under the rules. The cases of gazetted officers and such other cases that may require sanction of Government may be forwarded to Government for orders along with the medical reports.

Necessary amendments to the Mysore Service Regulations will issue separately.

## IMPORTANT GOVERNMENT ORDERS

### REVENUE SECRETARIAT

### Reviews the report on the working of the Revenue Department for the year ended with 30th June 1945.

READ—

Letter No. A1. of 1944-45, dated 25th October 1945, from the Revenue Commissioner in Mysore, submitting a report on the administration of the Revenue Department during the year ended with 30th June 1945.

ORDER NO. R. 5872-79—L. R. 222-45-4, DATED BANGALORE, THE 23RD FEBRUARY 1946.

*Rajasévaprasakta* Mr. M. Seshadri, M.A., continued to be in charge of the department during the year.

2. *District, Sub-Division and Taluk Charges.*—There were changes in the personnel of Deputy Commissioners of Bangalore, Kolar, Tumkur, Mandya and Shimoga Districts. The Special Land Acquisition Office for Hirebhasgar was abolished with effect from 1st July 1944 and the Mandya Sub-Division was made permanent. The posts of Special Land Acquisition Officers for Krishnarajasagar and Irwin Canal Area and for acquisition of properties for Bangalore City and of Personal Assistants to the Deputy Commissioners of Tumkur, Hassan and Shimoga were continued during the year.

3. *Rainfall and Seasonal Conditions.*—The rainfall during the year was generally timely and well distributed except in parts of Mandya, Kadur and Chitaldrug Districts. The failure of *mungar* rains in parts of the Mandya District resulted in the partial failure of the jola crop. Standing crops of the Irwin Canal Area suffered for want of supply of water on account of the low water level in Krishnarajasagara and for the same reason, no water was allowed for raising irrigated ragi and jola crop. Most of the tanks in the State received a good supply of water but some tanks in Sira and Madhugiri Taluks of Tumkur District did not receive sufficient supply, and seasonal remissions to the extent of Rs. 4,285 were therefore sanctioned in these taluks during the year and proposals for a further remission of Rs. 24,535 under 97 tanks in Madhugiri Taluk were under consideration.

The agricultural stock was generally healthy and water and fodder were available all over the State.

The area under occupation as also the acreage under principal crops showed an increase over the figures of the preceding year and the outturn of the crops was generally satisfactory. The prices of essential foodgrains continued to be high.

On the whole, the seasonal conditions were satisfactory during the year and the general condition of the agriculturist continued to be fairly prosperous. Labour was generally available. The rates of wages for both skilled and unskilled labour showed a further increase due to war conditions.

4. *Cultivation.*—An extent of 61,602 acres and 37½ guntas bearing an assessment of Rs. 76,893-14-7 was taken up for cultivation during the year as against 50,047 acres and 32 guntas with an assessment of Rs. 76,111-5-3 in the previous year. Deducting the area relinquished, the net increase in the area under occupation was 56,673 acres and 8¾ guntas with an assessment of Rs. 70,077-11-7.

The total area under occupation during the year was 81,67,651 acres (80,83,699) showing a net increase of 83,952 acres. The area cropped was 66,65,816 acres (67,21,442), Chitaldrug District contributing to the bulk of the decrease, *viz.*, 1,04,527 due to scanty and untimely rains. The percentage of fallows to the area under occupation rose from 15·5 in the preceding year to 19·10 during the year under report. Hosdurga had the largest percentage, *viz.*, 51·9 the least (0·7) being in the Honnali Taluk.

5. *Darkhasts.*—Out of 19,704 darkhasts for disposal during the year, 14,370 (8,579 by grant and 5,791 by rejection) were disposed of, leaving a balance of 5,334 at the end of the year. The area granted was 38,320 acres and 38 guntas (37,744 acres and 2 guntas) realising a sum of Rs. 3,26,601-11-10 (Rs. 2,26,336-15-5). Although the percentage of darkhasts disposed of during the year was 72 (67·22), the pendency for more than two and three years was heavy in Bangalore, Mandya, Mysore and Tumkur Districts. The Deputy Commissioners concerned should pay greater attention to the disposal of all cases pending for over six months.

Under the Grow More Food Schmee, an extent of 234,040 acres and 20 guntas (18,878 acres and 13 guntas wet and 215,162 acres and 7 guntas dry) of land was granted for cultivation from the commencement of the scheme to the end of the

year. The extent brought under the plough was only 1,36,676 acres and 12 guntas (10,330 acres and 24 guntas wet and 126,3 45 acres and 28 guntas dry). The Deputy Commissioners should see that all the lands granted are brought under the plough, penal action to resume the lands being taken on failure to comply with the conditions of grant.

Out of an extent of 2,416 acres and 26 guntas of Amrit Mahal lands surrendered to the department during the year, 1,769 acres and 1 gunta of land were disposed of for a sum of Rs. 2,025-3-0, the assessment levied thereon being Rs. 131-12-0. Instructions have since been issued for the proper utilisation of the lands still remaining undisposed of.

6. *Cultivation under Special Projects.*—(i) *Vani Vilas Sagar, Hiriyur Taluk.*—The area under occupation at the end of the year was 9,142 acres and 8 guntas (8,761 acres and 30 guntas), the area cropped under "Karthika" and "Vaishaki" respectively was 7,781 acres and 2 guntas and 5,279 acres, a total of 13,060 acres and 2 guntas (11,304 acres and 12 guntas).

(ii) *Markonahalli Reservoir in Kunigal Taluk.*—The area under occupation at the end of the year was 8,308 acres (8,063) against an irrigable extent of 10,432 acres. The arrears of contribution and water rate left uncollected at the close of the year were, respectively, Rs. 4,91,762-1-10 and Rs. 1,18,498-9-9. Prompt action should be taken to recover all recoverable arrears and to bring the remaining irrigable lands included in the atchkat under cultivation.

(iii) *Irvin Canal.*—The total area under paddy, sugarcane and cotton in the area was 88,266 acres (83,559 acres and 20 guntas). The area under paddy and sugarcane showed a further increase due to the propaganda of the Revenue and Agricultural Departments under the Grow More Food Scheme and the Mysore Sugar Company, and the area under cotton showed a decrease over last year's acreage. Owing to low storage of water in Krishnarajsagar, no water could be made available for growing irrigated ragi and jola in the area during summer months.

Against a recoverable demand of Rs. 76,81,341 under contribution, water-rate and cesses in the Irwin Canal area, a sum of Rs. 13,70,562 was collected during the year. The percentage of collection was Rs. 17·3 (14·8). The collections are very poor and it is hoped that the special scheme of entrusting collection work to the Amildars of taluks with additional staff sanctioned during the year will improve the collections.

(iv) *Bhadra Right Bank Channel (Shimoga).*—The area under occupation at the end of the year was 8,399 acres and 20 guntas (8,417 acres and 4 guntas). An additional extent of 965 acres is expected to come under cultivation by allowing water up to 46th mile.

The scheme of shifting villages as an anti-malarial measure is under progress and the Health Department is taking necessary measures to combat the prevalence of malaria.

(v) *Anianapur Reservoir (Shimoga District).*—An extent of 10,922 acres and 16 guntas was brought under irrigation during the year as against 9,962 acres and 26 guntas in the preceding year. An additional extent of 2,650 acres will come under irrigation by the extension of the Right Bank Channel beyond Begur, which work is in progress. The condition of the crops in the Channel area was better during the year than in the previous year.

7. *Demand, Collection and Balance of Land Revenue.*—The demand under Land Revenue including Land Revenue Miscellaneous for the year was Rs. 1,46,20,649 (Rs. 1,45,30,502) and a sum of Rs. 1,32,88,686 (Rs. 1,29,93,152) was collected excluding Rs. 1,83,656 (Rs. 3,41,005) which was remitted or written off as irrecoverable. The balance outstanding at the end of the year was Rs. 11,48,307 (11,96,345). The percentage of actual collection to net recoverable demand was 92·5 (91·5) which cannot be said to be satisfactory particularly at a time when prices were ruling high. These arrears were the heaviest as in previous year, in the Tumkur District.

There was a net increase in Demand under Land Revenue and Land Revenue Miscellaneous during the year by Rs. 90,532 and Rs. 1,40,093, respectively.

8. *Coercive Processes.*—The number of processes of all kinds served during the year was 94,311 (1,13,097) and the amount realised thereby was Rs. 10,01,730 (Rs. 12,76,078).

9. *Loans and Advances.*—Out of a total amount of Rs. 3,45,500 provided in the budget for grant of Land Improvement, Taccavi and Fruit Culture loans, a sum of Rs. 1,01,800 was actually disbursed during the year.

(i) *Taccavi Loans.*—There were 861 applications for Taccavi loans for an aggregate amount of Rs. 1,97,635, 482 applications involving Rs. 88,305 were sanctioned and excluding those rejected, there remained 81 applications for a sum of Rs. 18,675 at the end of the year.

Out of a sum of Rs. 1,87,148-0-10 that fell due towards instalments, Rs. 86,736-3-4 was recovered during the year, leaving a balance of Rs. 1,00,411-3-6. The percentage of collection to demand was 49·7 (42·56). The arrears are very heavy and efforts should be made to recover all the recoverable arrears.

(ii) *Land Improvement Loans.*—Out of 206 applications for Rs. 63,850, 92 applications for a sum of Rs. 16,150 were sanctioned during the year, leaving 26 applications for Rs. 10,800 at the close of the year.

Against a sum of Rs. 1,26,993-6-10 that was due towards instalments, Rs. 89,895-5-1 was actually recovered during the year, leaving a balance of Rs. 1,07,098-1-9 at the end of the year. Better exertions in the recovery of the arrears should have been shown particularly at a time when the raiyat population were comparatively well off.

(iii) *Loans to Coffee Planters.*—The special scheme for grant of loans to Coffee Planters was continued during the year. Out of a provision of Rs. 35,000 allotted for the purpose, a total sum of Rs. 15,593-5-0 was actually disbursed.

10. *Takrar Takthas.*—There were 43,677 (46,335) cases for disposal, of which 35,204 (37,889) were disposed of leaving 8,473 (8,446) at the end of the year. The pendency is very heavy in Bangalore, Mysore and Mandya, being 2,393, 1,713, 1,527, respectively. The percentage of disposals was highest in Shimoga District and lowest in Bangalore District, *viz.*, 97 and 61.

11. *Execution of Co-operative Decrees.*—There were 5,826 decrees involving Rs. 8,43,627-1-9 for execution during the year. Two thousand four hundred and ninety-seven decrees were disposed of and a sum of Rs. 3,33,528 was recovered. There were 3,329 decrees for an aggregate amount of Rs. 5,10,098-15-10 pending at the end of the year. The pendency was heaviest in Bangalore District being 1,202 for Rs. 1,72,770. The arrears continue to be heavy. The Revenue Commissioner is requested to expedite his proposals for reducing the arrears.

12. *Tanks.*—Eighty-eight major tanks and 117 minor tanks were restored during the year. Three hundred and thirty-two major and 1,351 minor tanks were reported to be in urgent need of repairs. The special Range formed for expediting restoration of minor tanks in Thirthahalli Taluk was continued during the year and 30 tanks were restored at a total cost of Rs. 93,783. The formation of a similar Range for the Taluks of Shikarpur and Sorab was sanctioned during the year. It is hoped that, as already observed, the work of restoration of tanks will receive better attention at the hands of the Public Works Department authorities and special measures devised for speeding up the restoration of a larger number of tanks.

13. *Record of Rights.*—The introduction of the Records of Rights Scheme into the Yelandur Jahgir during the year under report completes the extension of the scheme to all the taluks and sub-taluks in the State. The scheme has reached the maintenance stage in all taluks and sub-taluks except in, Heggaddevankote, Hunsur, Periyapatna, Yelandur Jahgir, Krishnarajapet, Kankanhalli, Hoskote and Devanhalli.

Out of a total demand of Rs. 50,90,714 under Record of Rights fees, a sum of Rs. 41,53,281 was collected during the year, leaving Rs. 9,43,433 at the end of the year. Out of a total demand of Rs. 9,82,915 booked under Mutation fee, a sum of Rs. 6,96,090 was collected during the year leaving a balance of Rs. 2,97,327 at the end of the year. The total expenditure incurred till the end of the year on the Record of Rights Scheme was Rs. 14,09,002-12-0.

14. *Debt Conciliation Scheme.*—The scheme has been in force in 29 taluks and the personnel of the Boards were reconstituded during the year. Due to improved economic condition as a result of high prices for agricultural produce, the beneficial provisions of the Debt Conciliation Boards Act

were not freely availed of by the raiyats. The question of the future policy to be adopted in regard to the continuance of the scheme is under examination.

15. *Amelioration of Depressed Classes.*—The question of amelioration of the condition of depressed classes continued to receive the attention of the department. In addition to nine special officers for depressed classes, a special Organiser for attending to the needs of the Banajara people in Shimoga and Chitaldrug Districts was appointed with Headquarters at Shimoga. On the suggestion of the Central Depressed Class Committee, a special scheme for amelioration of the depressed classes under several objects was initiated with an allotment of Rs. 75,000 for the year, which has been raised to Rs. 2 lakhs for 1945-46.

Separate village extensions for Adikarnatakas are being formed where necessary and possible. The Village Panchayets are being encouraged to contribute liberally from their funds for the acquisition of lands for this purpose.

In 1,998 villages, separate drinking water wells for depressed classes were provided up to the end of June 1945.

16. *Tours and Inspections.*—The Revenue Commissioner toured for 103 days and inspected besides 20 Muzrai Institutions, all the District Offices, 10 Sub-Division Offices and 18 Taluk Offices. All the Deputy Commissioners toured for the required number of days. The Deputy Commissioners of Kadur and Shimoga toured for the largest number of days, *viz.*, 187 days, while the Deputy Commissioner, Tumkur, toured the least number of days, *viz.*, 134. The Deputy Commissioners of Bangalore and Chitaldrug Districts inspected the largest number of villages, *viz.*, 773 and 555, respectively, and the Deputy Commissioner, Shimoga District, the least, *viz.*, 130. The inspection of interior villages certainly admits of improvement. All the Sub-Division Officers toured for the prescribed minimum days. The number of villages (road side and interior) inspected by the Sub-Division Officer, Chikballapur, was the largest being 1,395 while the least number, *viz.*, 190 was inspected by the Sub-Division Officer, Mandya.

The working of the department during the year was generally satisfactory.

## Reviews the Administration Report of the Department of Sericulture for 1944-45.

READ—

Report on the working of the Sericultural Department during the year 1944-45, from the Superintendent of Sericulture, with his letter No. 255, dated 8th December 1945.

ORDER NO. D. 6627-39—SERI. 140-45-3, DATED BANGALORE, THE 27TH FEBRUARY 1946.

1. Recorded.

2. *Market Condition of Silk Industry.*—The price of standard quality cocoons yielding a renditta of 18·1 was fixed at Re. 1-1-0 a lb. during June 1944. This price was revised from time to time on the basis of the cost of living index and it was raised to Re. 1-2-9 per lb. during June 1945.

3. *Expansion of Mulberry Cultivation.*—The area under mulberry in the State stood at nearly 71,000 acres during the year 1944-45. Expansion of area under mulberry had to be regulated to ensure that the area under the staple food crops is not reduced. Groundnut-cake powder became popular as manure and arrangements were made to supply this powder to the sericulturists.

4. *Research Experiments and Propaganda.*—The Harijan sericultural colonies at Chikammanagudde, Channapatna Taluk, Alakere, Bilidevalaya and Hasige Kavalu did good work and supplied good Mysore race seed cocoons and disease-free layings. The mulberry gardens in these colonies were maintained in good condition. Seed campaign work was newly started in Kestur area, Maddur Taluk, during the year with a view to coping with the increasing demand for Mysore seed cocoons.

Mysore seed cocoons were taken up for use in Kollegal area of the Madras Presidency. Silk worm eggs of pure univoltine and bivoltine continued to be reared, yielding good results. To ensure good supply of hill reared races of these varieties, it is proposed to start a hill station on the K. R. Hills, Tarikere Taluk.

Sericultural education received good attention. Among the students under training in the Government Central Farms at the end of the year under report, one came from Nepal and another from Ceylon. Intensive work was done in the Sericultural villages of the Rural Welfare Centres at Closepet and Dodballapur.

*The Silk Conditioning and Testing House at Channapatna.*—The building for silk conditioning and testing house was nearly completed at Channapatna. All the filature raw silk supplied to the Government of India by the Filatures was tested in the Silk Testing Section of the House.

*Special Features during the year under Report.*—(*a*) The scheme of the filature expansion which was undertaken at the instance of the Government of India continued during the year.

(*b*) The control orders, *viz.*, the Mysore Cocoon Control Order of 1943 and the Mysore Silk Control Order of 1943 continued to operate and the former helped in steadying the prices of reeling cocoons. Under the scheme of distribution of the surplus realised from the sale of silk in auctions under the Silk Control Order, the rearers who sold their cocoons through the Government cocoon markets received from about three annas to about six annas and nine pies a pound in addition to the basic price.

### EDUCATION SECRETARIAT

## Sanctions the proposals of the Director of Public Instruction for opening of New Range Offices in connection with the enforcement of compulsory Attendance Scheme during the year 1945-46.

READ—

Government Order No. E. 415 26—Edn. 139 44-2, dated 28th July 1945, passing orders on the proposals of the Director of Public Instruction in Mysore, to implement the provisions of the Scheme of Compulsory Attendance under the Elementary Education Amendment Act, 1944, the proposals being given effect to from the school-year 1945-46, beginning with one taluk in each district, as detailed below during the year :—

2. Letter No. P4. 839-35—44-45, dated 30th November 1945, from the Director of Public Instruction in Mysore, regarding the extra cost required for starting 30 additional Range Offices for the enforcement of Compulsory Attendance Scheme during the current year (1945-46) and the jurisdiction of the Assistant Inspectors in charge of them.

ORDER NO. E. 4921-32—EDN. 103-45-3, DATED BANGALORE, THE 21ST FEBRUARY 1946.

The Director of Public Instruction in Mysore states that a recurring cost of only Rs. 43,200 per annum has been sanctioned in the Government Order read above, on the basis of the appointment of 30 Assistant Inspectors of Education at an average cost of Rs. 60 each per mensem and their staff, peons and committees at Rs. 60 per mensem, although the actual cost required in respect of all these, except the committees, as per standard scales detailed in the two statements numbers 1 and 2 appended hereto would be Rs. 72,294 per annum recurring and Rs. 24,600 per annum non-recurring for equipment and transmission of records. It is stated that a sum of Rs. 9,720 per annum, as detailed in Statement No. 3, would also be required for payment of contingent grant to 1,584 Village Panchayets in the nine taluks at annas 8 per mensem per Village Panchayet and to nine municipalities in these nine taluks at Rs. 2 per mensem per municipality. The extra provision required over and above that sanctioned in the Government Order read above is Rs. 38,814 per annum recurring and Rs. 24,600 non-recurring, as detailed below. The Director requests sanction for this extra provision in connection with the formation of 30 Additional ranges—27 Kannada and 3 Urdu—as shown in the Statements A and B, the cost during the current year being met out of the probable savings in the departmental budget and necessary

provision being made in the budgets of the next and subsequent years.

| | | |
|---|---|---|
| *A. Recurring* — | Rs. | |
| 1. For Assistant Inspectors' Offices ... | 72,294 | per annum. |
| 2. For contingent grant to Village Panchayets and Municipalities functioning as attendance committees ... | 9,720 | ,, |

| Provision already sanctioned ... | 43,200 | ,, |
| Extra provision required ... | 38,814 | ,, |
| *B. Non-recurring* ... | 24,600 | ,, |

Government consider that the house rent of Rs. 15 per mensem proposed to each of the offices of the Assistant Inspectors is high and that the same be fixed at Rs. 10 per mensem each. Again as the jurisdiction of each Assistant Inspector of Education is only two hoblis, a fixed travelling allowance of Rs. 25 per mensem, instead of Rs. 40 per mensem is sanctioned to each of these offices. With the above modifications, the proposals of the Director of Public Instruction in Mysore are sanctioned. The cost required this year will be met from the sanctioned grants of the department and necessary provision will be made in the budgets of the subsequent years.

As regards the headquarters of the new ranges and the area covered by each, the Director has forwarded Statement A which indicates 27 places where the new Kannada ranges have to come into existence in addition to the existing nine ranges in all the nine selected taluks and Statement B which shows where the three new Urdu ranges have to be started. The jurisdiction of all the Kannada Assistant Inspectors is limited to one or two hoblis at the most with about 40 schools on an average per range. The Director states that on account of the difficulty of securing suitable men for appointment as Assistant Inspectors and suitable buildings for Range Offices and also on account of the fact that seven places in Statement A have too small a number of schools to justify the formation of a range in each of those places, just at present, action will be taken now to open only 20 new Kannada Ranges in addition to nine old Kannada Ranges as detailed in Statement C and three new Urdu Ranges as in Statement B, the remaining seven ranges being started as more and more schools are given to those areas and the number of schools comes to about 40 in each range and requests approval to the distribution of the ranges, as in Statements A and B and sanction for the opening of the Range Offices as indicated in Statements B and C to start with. These proposals of the Director of Public Instruction are also approved.

## PUBLIC WORKS SECRETARIAT

### Reviews the Administration Report of the Electrical Department for the year 1944-45.

READ—

Letter No. 10390, dated the 19—24th October 1945, from the Chief Electrical Engineer, submitting the Administration Report of the Electrica Department for the year 1944-45.

ORDER NO. EDS. 1908-26, DATED BANGALORE, THE 21ST FEBRUARY 1946.

*Demand, Collection and Balance.*—The gross demand for the year was Rs. 95,33,547, including the previous arrears of Rs. 3,98,999 against the Budget and Revised Estimates of Rs. 1,02,61,000 and Rs. 91,67,000 respectively. Under "Receipts" the actual collection amounted to Rs. 93,71,759. The accumulated balance at the end of the year was Rs. 5,60,787. The increase in arrears is due to non-recovery of arrears outstanding in the previous year in addition to arrears outstanding from other Government Departments, Municipalities, Village Panchayets and Military Departments during the current year. Steps should be taken by the department for the early recovery of the outstandings.

2. *Working Expenses.*—The working expenses including the contributions to Depreciation Fund and Provident Fund under "Power" and "Telephones" amounted to Rs. 38,13,349 and Rs. 39,281, respectively, as against Rs. 33,16,479 and Rs. 43,235 in the previous year. The percentage of working expenses to revenue worked out to 41·07 per cent as against 32·86 per cent in the previous year.

3. *Revenue Receipts.*—The net revenue for the year amounted to Rs. 55,19,128, after adjusting the contribution to the Depreciation Fund and the Provident Fund and Pension Fund, against Rs. 71,14,218 and Rs. 59,34,239 during the years 1943-44 and 1942-43.

4. *Capital Outlay.*—The total capital outlay during the year under "Power" including Stock and Suspense amounted to Rs. 22,44,813 against the revised estimate of Rs. 89,13,500. The heavy lapse under the grant is stated to be due to progress of large works like Mysore-Bhadravathi Second Circuit Transmission Line being slow due to paucity of materials and other unforeseen labour difficulties that arose on account of the international situation.

The capital outlay incurred during the year on automatic telephones was Rs. 69,584 against a revised grant of Rs. 1,52,300. The work of extending the Bangalore Telephone Exchange by additional 400 lines was under progress.

5. *Total Capital Expenditure.*—The total capital expenditure on the Hydro-Electric Works and Telephones to end of the year under review was Rs. 6,63,23,656.

6. *Electrification of Towns and Villages.*—A total expenditure of Rs. 3,30,835 was incurred on the electrification of towns and villages during the year. Power supply was arranged during the year under review to Kadur, Birur and Ajjampur. The total expenditure on the rural electrification schemes was Rs. 48,79,230.

7. *Irrigation Pumps.*—An expenditure of Rs. 25,483 was incurred on the work of extending power lines to serve irrigation pumps. The total number of irrigation pumps at the end of year was 707 as against 690 in the previous year.

8. *Power Generated.*—The total energy generated in Kilowatt hours was 285,989,000 as against 303,105,600 in the previous year. The maximum demand on the Generating Stations at Sivasamudram and Shimshapura went up to 66,086 H. P.

The total energy consumed during the year was 220,722,860 units as against 237,285,328 units in 1943-44.

The *per capita* consumption of electrical energy in the State during the year was 30 units as against 32 units in the previous year.

9. *Power and Lighting Installations.*—At the end of the year under review, there were 6,906 power installations and 53,261 lighting installations as against 6,220 and 50,044 during 1943-44.

10. *Depreciation Fund.*—The amount credited to the Depreciation Fund was Rs. 14,45,686 including a sum of Rs. 1,30,000 for the Krishnarajasagar Dam and the total amount that stood at the credit of the fund was Rs. 1,37,03,321.

11. *Stores.*—The total value of stores purchased during the year under review was Rs. 84,73,633 as against Rs. 30,70,766 in the previous year and Rs. 17,24,786 during 1942-43. A sum of Rs. 73,41,271 was spent on foreign purchases and Rs. 11,32,362 on local purchases.

12. *Inspections.*—Out of 11 Sectional and 61 Sub-Sectional Offices which had to be inspected during the year under review, 6 Sectional Offices and 32 Sub-Sectional Offices were inspected by the Auditor and his Assistants.

13. *Accidents.*—There were 10 cases of fatal accidents, out of which 4 related to departmental employees and 6 to non-departmental men.

14. *Interruptions.*—There was one pre-arranged shut-down lasting for about 7 hours and 23 minutes on the Kolar and Mysore Transmission and Bangalore Transmission systems.

15. The control of the Jog Hydro-Electric Works (electrical portion) was transferred from the General Superintendent, Jog Power Scheme, to the Chief Electrical Engineer with effect from 15th January 1945 and the outlay incurred on electrical works of the project was Rs. 3,94,553.

16 The working of the department continued to be satisfactory throughout the year under review.

## IMPORTANT GOVERNMENT ORDERS

### REVENUE SECRETARIAT

### Sanctions grant of a subsidy not exceeding 50 per cent of the estimated cost of irrigation wells subject to a maximum of Rs. 500 per well in connection with Distress Relief.

ORDER NO. R. 6349-62—R. M. 37-45-152, DATED BANGALORE, THE 12TH MARCH 1946.

In view of the adverse seasonal conditions and the consequent distress prevailing in the State, particularly in the Districts of Chitaldrug, Kolar and Tumkur, Government consider that some special measures are necessary to stimulate food production and that greater inducement should be held out to the raiyats to sink irrigation wells for raising food crop. Government are accordingly pleased to direct that a subsidy not exceeding 50 per cent of the estimated cost of such irrigation wells be given for sinking irrigation wells subject to a maximum of Rs. 500 per well. The grant of subsidy will be subject to the following conditions :—

(1) The wells should be completed before the end of June 1946 and only food crops will be permitted to be raised under these wells during the next three years commencing from 1945-46.

(2) One-half of the subsidy will be paid when the well work is taken up and the other half will be treated as a loan and will be written off if the well is completed by the 30th June 1946.

(3) If the conditions of the grant are violated, the entire amount advanced including the amounts granted as a subsidy will be recoverable immediately as an arrear of Land Revenue Demand.

(4) If the raiyat requires financial assistance under the Land Improvement Loan Rules to meet the balance, if any, of cost of the well, a loan to the extent necessary will be granted under the normal rules. These loans will be free of interest for the first year and will bear a low rate of interest of 2 per cent per annum from the second year onwards.

The benefit of a similar subsidy will be extended in the case of irrigation wells sunk on or after 1st April 1946 in other districts of the State with the modification that the amount of subsidy in these cases will be limited to 25 per cent out of which 12½ per cent will be paid at the commencement of the work and the balance after the work is completed.

2. An additional allotment of Rs. 2 lakhs is sanctioned for the purpose. The Revenue Commissioner is requested to distribute this amount among the several districts in proportion to the demand therein. A supplementary demand for the above amount will be placed before the Legislative Council in due course.

3. The Revenue Commissioner may also contact the Military authorities as they are in a position to help in the matter of sinking and deepening of wells.

4. The Revenue Commissioner is requested to issue suitable instructions to the Deputy Commissioners to ensure that proper advantage is taken of the above concessions and that a large number of irrigation wells are sunk before the end of the official year. He is also requested to submit proposals for special staff, if any, which may be necessary for attending to the work connected with the scheme.

5. The concession will also apply to those cases which involve deepening of existing wells.

### CHIEF SECRETARIAT

### Reviews the Report on the Administration of the Police Department for the year 1944-45.

READ—

Letter No. C. 1—45, dated the 9th November 1945, from the Inspector-General of Police in Mysore, submitting the report on the Administration of the Police Department for the year 1944-45.

ORDER NO. P. 5000-5010—Pol. 88-45-2, DATED BANGALORE, THE 13TH FEBRUARY 1946.

Mr. S. Narayana Rao, M.A. (Hons.), was in charge of the department throughout the year.

The total sanctioned strength of the Police Force during the year under report was 10,808 officers and men, of whom 6,960 were permanent and 3,858 temporary. The total cost of the Force under all heads was Rs. 34,28,000.

Of 8,695 constables, 6,831 were literate. One thousand and twenty-three recruits were enlisted to the constabulary during the year. It is reported that, as candidates of the right type were not always available, a large number of vacancies were left unfilled. This difficulty is attributed to conditions arising out of the war, and it is expected, now that the war is over, that a better type of personnel will be available, for recruitment in future. As a rule, every effort should be made to recruit to the subordinate ranks literate persons with good character and antecedents.

The Fire Brigade rendered valuable service in bringing under control four large fires which occurred during the year. The biggest of these were the fires at the Bamboo Bazaar, Bangalore City, on 23rd March 1945, which gutted almost the entire Bazaar causing damage to the extent of about Rs. 35 lakhs; and the fire resulting from the crash of an aeroplane in Kogilur village in Bangalore Taluk on 29th June 1945 resulting in the death of 45 persons.

There was appreciable decrease in the number of grave crimes from 7,664 in the previous year to 6,235. The decrease is attributed mostly to conditions brought about by the war which provided increased facility for employment for all, including even those with criminal propensities. The decrease occurred under all heads of grave crimes, except under murder and dacoity, the number of cases of robbery falling from 89 in the previous year to 63, of house-breaking and theft from 2,270 to 2,024, of cattle thefts from 600 to 538 and of ordinary thefts from 4,590 to 3,455. Murders however rose from 99 to 122, and cases of dacoity from 16 to 33. The reasons for the increase under murder and dacoity are not quite clear. Preventive action should be more effective and security sections of the Criminal Procedure Code should be better utilized.

There was a decrease in the total number of true cognisable cases under the Indian Penal Code from 7,513 to 7,049. The number of cases reported under Special and Local Laws was 10,112 while in 1939-40 it stood at 18,748. Such a marked and substantial decrease in five years requires some explanation (which has not however been furnished in the report) as it would otherwise imply laxity on the part of the police in the enforcement of those laws.

The number of cases reported under the Defence of India Rules as applied to Mysore rose from 5,044 in the previous year to 5,833. One thousand three hundred and five cases were pending in the courts and 415 with the Police at the end of the year. The pendency is very large, considering that cases under the Defence of India Rules require to be dealt with promptly and expeditiously and every effort should be made to reduce the pendency.

The total value of property reported as lost rose from Rs. 6,26,639 in 6,408 cases in the previous year to Rs. 7,19,624 in 5,512 cases during the year under report. There was also a corresponding increase in the value of property recovered during the year from Rs. 2,37,662 in the previous year to Rs. 3,44,169. The percentage of the value of property recovered to that lost was 47·8, as compared with 37·9 in the previous year. Though there was thus an increase in the percentage of the value of property recovered for the entire State, the percentage for the Districts of Hassan and Kolar was only 32, and 27·3 which is not quite satisfactory. In fact, better detective work all round is indicated.

The total number of cases disposed of under Class I to V was 8,307, and the percentage of conviction to cases disposed of was 25·38, which shows a decrease of nearly 4·5 per cent, from last year's figures which in itself fell much short of the percentage of 41·8 reached in the year 1942-43. This is not quite satisfactory.

The Criminal Intelligence Department is reported to have carried on as usual the compilation of the Criminal Intelligence Gazette and the collection and dissemination of useful information regarding professional crime and criminals. The staff was entrusted with the collection of information in some important dacoity cases.

The Finger Print Bureau continued to function satisfactorily. The Inspector-General of Police reports that the question of introducing the single print system and the training of a Foot Print Expert will be taken up later on.

Two hundred and nineteen persons were put up under the Security Provisions of the Criminal Procedure Code, as compared with 83 in 1942-43. The reasons for such a high increase should have been indicated in the report. Cases involving 58 persons were still pending at the close of the year, the volume of pendency being heaviest in Mandya District, where cases in respect of 27 persons were awaiting disposal.

Six hundred and forty-eight accidents were caused by motor vehicles, of which 515 were caused by military vehicles. Eighty-five accidents resulted in loss of life, of which 60 were due to military vehicles.

The information furnished in the report regarding the work done by the Police under the Motor Vehicles and Taxation Act is somewhat meagre. Government desire that in all future reports full information may be furnished in regard to the number of prosecutions and convictions for rash and negligent driving and the number of prosecutions and convictions under each head of offence under the Motor Vehicles and Taxation Act separately, in respect of the Cities of Bangalore and Mysore and the Districts.

The Government desire that all ranks of Police force should aim at developing cordial relations with the public and enlisting non-official co-operation to the maximum extent possible in the prevention and detection of crime.

The working of the department during the year was generally satisfactory.

## EDUCATION SECRETARIAT

### Reviews the Report on Public Instruction for the year ending 30th June 1945.

READ—

Letters No. G2. 3522-151 of 44-45. dated 11th December 1945 and No. G2. 3522-151 of 44-45, dated 9th January 1946, from the Director of Public Instruction, submitting the Report on Public Instruction for the year ending 30th June 1945 and his concluding remarks thereon, respectively.

ORDER No. E. 5493-564—EDN. 106-45-3, DATED BANGALORE, THE 11TH MARCH 1946.

Recorded.

2. *Direction.*—Mr. M. Sultan Mohiyuddin, M.A., LL.B., M.Ed., was in charge of the department throughout the year except for a period of five days from 18th December 1944 to 22nd December 1944 when he was on privilege leave with permission to avail himself of the Christmas and General Holidays from 23rd December 1944 to 1st January 1945. Mr. P. M. Somasundaran, M.A., L.T., First Assistant to the Director of Public Instruction, was looking after the current duties of the Director during the period.

Consequent on the starting of a large number of Primary Schools under the Expansion Scheme, the number of Primary Schools under the direct charge of certain Assistant Inspectors had increased and in addition the Assistant Inspectors had to organise and inspect adult literacy classes and conduct also literacy examinations before grant of literacy certificates. In order to provide for the effective administration and supervision of primary schools, twelve additional posts of Assistant Inspectors (11 for Kannada Schools and 1 for Urdu Schools) were sanctioned with the consequent re-arrangement of jurisdictions among the 80 Assistant Inspectors. Four additional posts of Assistant Inspectors were also sanctioned in connection with the opening of 400 Primary Schools during the year 1945-46.

3. *Touring and Inspection.*—The Director toured for 86 days, visited or inspected 475 institutions and offices and attended 157 meetings. The inspection and itineration of District Educational Officers was generally adequate and satisfactory. The inspection work of the Assistant Inspector, Mudigere Range, the Assistant Inspector of Urdu Schools, Mysore, and the Assistant Inspectress of Urdu Girls' Schools, Hassan, was capable of improvement.

4. *Statistics.*—The following statement shows the number of public institutions, classified according to management and their strength on 1st March 1944 and 1st March 1945:—

| Management | 1st March 1944 | | 1st March 1945 | |

| Total ... | 89,72,775 | 104,11,745 | 100·00 | 100·00 |

The direct expenditure (*i.e.*, excluding the cost of buildings, direction, inspection, equipment and scholarships) was Rs. 77,15,054 and the indirect expenditure Rs. 26,96,691. The total expenditure on Aided Institutions was Rs. 6,48,844 of which a sum of Rs. 2,71,153 was contributed from State Funds. The average cost of education per head of population was Rs. 1-7-3 (Rs. 1-4-0), of which a sum of Rs. 1-2-7 (Re. 0-15-8) was met from State Funds. A total expenditure of Rs. 5,44,344 was incurred from State Funds on educational buildings excluding those under the University.

6. *Secondary Education.*—On 1st March 1945, there were 80 High Schools with the total strength of 20,314 as against 62 High Schools with 18,009 pupils in the previous year. The total number of pupils increased by 2,305 or 12·7 per cent. The number of High Schools by management was as follows:—

| | | |
|---|---|---|
| (a) Government | ... ... | 25 |
| (b) Municipal | ... ... | 23 |
| (c) Private:— | | |
| 1. Aided | ... ... | 17 |
| 2. Un-aided | ... ... | 15 |
| | Total ... | 80 |

About the close of the official year, nine High Schools were sanctioned to work from the school year 1945-46, of which one was a Government High School for boys at Mandya and eight Municipal High Schools at Jagalur, Harihar, Honnali, Nyamathi, Shiralkoppa, Magadi, Closept and Malur. Permission was also granted to the Oriental Education Society to start a Private High School at Mamoolpet, Bangalore City.

A total number of 6,464 students appeared for the S.S.L.C. Examination of 1945, of whom 6,292 were examined. Of these, 5,615 were ordinary candidates and 677 supplementary candidates. The number of passes among the ordinary candidates was 3,033 giving a percentage of 54 (69·9). Two thousand four hundred and thirty-nine candidates were declared eligible for College Courses out of ordinary and supplementary examined giving a percentage of 38·7 (42·54).

7. *Middle School Education.*—There were 490 Middle Schools with the total strength of 72,960 as against 447 schools with 68,063 pupils in the previous year. To meet the growing demand for Middle School Education, sanction was accorded for the opening of 34 New Middle Schools with effect from the school year 1945-46.

The Scheme of conversion of Upper Primary Schools into Middle Schools of the rural type was continued. There were 336 such New Type Middle Schools working during the year.

Out of 14,534 candidates registered for the Middle School Examination of 1945, 14,173 sat and of these, 8,227 were successful, giving a percentage of 58·0 (57·4).

8. *Primary Education.*—The total number of Primary Schools increased from 7,304 to 7,756 and the total enrolment from 331,770 to 361,304. The four-year programme of expansion of Elementary Education initiated in the year 1941-42 stipulated that all villages or groups of villages with a population of 500 and above in the maidan and 300 and above in the malnad should be provided with primary schools. Though the target fixed under the scheme was the opening of 1,000 Primary Schools by the end of the fourth year, 1,096 schools were opened during the first three years and sanction was also accorded to the opening of 400 schools during the year under review. The Director of Public Instruction reported that there were still about 400 schools to be opened before the objective of providing a school in each of the villages or groups of villages with a population of 500 and above can be said to have been reached and sought sanction of Government for the opening of 400 Primary Schools during the year 1945-46. This was also sanctioned during the current year.

9. *Adult Education.*—The number of Adult Night Schools subsidised by the department during the year was 67 (82). The Mysore State Adult Education Council continued to do useful work in promoting adult literacy. The council conducted 2,073 (1,891 Kannada and 182 Urdu) literacy classes in the several parts of the State and made 29,250 adults literate. Besides, they opened 425 Libraries and 63 Ladies' Clubs during the year. The Government grant of Rs. 20,000 was enhanced during the year to Rs. 30,000. In addition to his amount, a sum of Rs. 1,44,000 was sanctioned to the ouncil for carrying on literacy work in the selected hoblis C the State under the Rural Reconstruction Scheme.

10. *Special Institutions.*—There were two institutions that provided training of the Secondary Grade. Training of the Primary Grade was provided in six institutions. Sanction was accorded for the increase of the provision for the training of graduate teachers from Municipal and Aided High Schools on a grant-in-aid basis from 2 to 5 with effect from the academic year 1945-46.

The number of Commercial Institutions was 25 (30)—9 aided and 16 un-aided. There were 77 (76) pupils on the rolls of the School for Deaf and Blind Boys, Mysore. Sandal-stick making and basket making were the new industries introduced in the industrial section of the school in addition to rattan work and weaving. The strength of the Municipal School for the Deaf-Mutes, Bangalore, remained the same as in the previous year, *viz.*, 16.

11. *Sanskrit Education.*—On 1st March 1945, there were 86 Sanskrit and Veda Patasalas including the Sanskrit Patasalas at Melkote and Siddaganga with the total strength of 2,264 pupils, as against 85 with a total strength of 2,117 in the previous year. Of these, 45 were Sanskrit Patasalas and 41 Veda Patasalas. There were 4,135 boys and 773 girls who were studying Sanskrit in general schools.

12. *Women's Education.*—There were 19 High Schools for Girls with the total strength of 2,270, as against 15 schools with 1,997 pupils in the previous year. In addition, there were 743 girls studying in Boys' High Schools making a total of 3,013 (2,603) in High School classes.

The number of Middle Schools for girls was 79 (66). In addition to these, sanction was accorded to the opening of 5 Government Kannada Girls' Middle Schools at the close of the year under report. The total number of girls in the Middle School classes during the year was 14,787, as against 13,420 in the previous year.

There were 450 Lower Primary, 23 Upper Primary and 30 New Type Middle Schools for girls. The number of girls in these types of schools was 122,436 (113,109).

On 1st March 1945, there were 142,184 (130,992) girls in all grades of institutions including Colleges and Special Schools. It is gratifying to note that the number of girl pupils is steadily increasing.

13. *Education of European and Anglo-Indians.*—The number of institutions increased from 5 to 6, but the strength decreased from 869 to 516. The number of European and Anglo-Indian pupils on the rolls was 266. In addition, there were 310 pupils belonging to these communities in the other educational institutions in the State.

14. *Education of Muslims.*—The number of separate institutions for the education of Muslim boys and girls was 1,109 with the total enrolment of 54,290 as against 1,055 institutions with 50,437 in the previous year. Of the 54,290 pupils in Urdu Schools, 54,211 were Muslims and 79 Non-Muslims. Besides, there were 9,342 Muslim pupils studying in general schools, making a total of 66,553 Muslim pupils under instruction, as against 59,472 in the previous year.

15. *Education of Depressed Classes.*—On 1st March 1945, there were 411 separate schools for the depressed classes with the total strength of 13,618 pupils, as against 406 schools with 12,151 pupils in the previous year. Of these, 8,883 pupils belonged to the depressed classes. In addition, there were 27,928 pupils of these classes on the rolls of general institutions intended for all classes of pupils.

The number of Hostels and Boarding Homes intended for boys and girls of the depressed classes stood at 39 (37). Of these, 10 were Government Hostels, and 29 aided.

16. *Scholarships and Free-studentships.*—A total sum of Rs. 1,90,436 was distributed to students by way of scholarships. Out of 16,866 pupils in High School classes on 1st January 1945, 2,117 enjoyed full fee concessions either as recipients of scholarships or as belonging to specified communities, and 2,001 pupils were exempted from payment of half the fees as belonging to certain specified communities. In addition, 659 free-studentships and 5,380 half free-studentships or 3,349 in the aggregate in terms of full free-studentships were awarded to pupils other than scholarship holders in High School Classes.

17. *Libraries.*—The total number of Libraries aided by the department was 44 as against 42 in the previous year, the total grant sanctioned being Rs. 14,004-11-0.

18. *Scout Movement.*—The total strength of the movement under the various branches of scouting as on 1st March 1945 was 31,015 as against 27,012 in the previous year. The Girl Guide Movement worked satisfactorily.

19. *Medical Inspection.*—Medical Inspection was conducted in all the Government schools in the Cities of Bangalore and Mysore, and in schools at 62 centres in the mofussil areas. Pupils in all the seven Government Girls' High Schools and girls studying in 26 High Schools for Boys were also examined.

20. *General.*—In order to check effectively wastage in Primary Schools, the Elementary Education (Amendment) Act of 1944 was passed, imposing upon parents and guardians who voluntarily admit their children into primary schools, the obligation of not withdrawing them until the completion of the primary school course of four years. With a view to implementing the provisions of this Act, the scheme of compulsory attendance on a ten-year plan basis involving an expenditure of Rs. 3,72,910 (Rs. 1,31,910) per annum recurring and Rs. 2,41,000 non-recurring) in the first year has been ordered to be introduced as the first year's programme in nine taluk Headquarters in the State with effect from the school year 1945-46. Rules governing the working of the Attendance Committees were approved.

A Special Officer with a separate staff was sanctioned to review the progress of education from 1931-32 to 1943-44. Sanction was also accorded for the appointment of another Special Officer with a separate staff for working out detailed schemes to implement the resolutions of the Board of Education on the various problems of Post-war Educational Development.

With a view to stimulating public benefactions and private charity, Government directed that wherever an endowment for provision of mid-day meals in schools exceeded Rs. 1,000, a sum equal to the interest realised thereon be paid as grant.

The work of the department during the year was satisfactory.

## FINANCIAL SECRETARIAT

### Records the Report on the working of the Insurance Department for the year 1944-45.

READ—

Letter No. General 1893, dated the 6th December 1945, from the Secretary Mysore Government Life Insurance Department, forwarding the Annual Report on the working of the department for the year 1944-45.

ORDER NO. Fl. 6818-20—G. F. 16-45-4, DATED BANGALORE, THE 13TH MARCH 1946.

Recorded.

2. During the year under review, 1,359 proposals were accepted in the official branch, out of which 1,202 resulted in the issue of policies for an assurance of Rs. 7,53,866. In the Public Branch, there has been a very heavy increase both in the number of proposals and number of acceptances. The total number of proposals received during the year was 11,011. Of these, 9,557 have been accepted and 8,463 proposals have resulted in policies assuring Rs. 95,04,600 as against 5,664 policies for Rs. 64,73,100 in the previous year.

3. With a view to make the Public Branch more popular, action was taken during the year under review for simplifying the rules in certain respects and for affording better facilities to the public for insurance in the Public Branch. The scales of fees payable to the examining medical officers were suitably revised and action was taken to remedy certain defects in the working of the automatic non-forfeiture scheme to make it more popular. Certain additional machines were installed in the office for simplifying and for speeding up the disposal of work. Additional powers were also delegated to the President, the Secretary and the Deputy Secretary, and to the Assistant Secretaries of the Insurance Department.

4. Intensive propaganda work was also done by the staff of the department by delivering lectures at the District and Taluk Conferences and by screening advertisement slides in Cinema Theatres.

5. The Quinquennial valuation of the department for the period ending 30th June 1943 was completed during the year and orders of Government have since been issued, sanctioning a simple reversionary and interim bonus at Rs. 15 per thousand per annum on the policies of the Official Branch and at Rs. 18 per thousand per annum on the policies of the Public Branch.

6. The working of the department during the year under review was quite satisfactory.

3. The figures show an increase under bulls and bullocks, cows and cow-buffaloes, while there has been a considerable decrease under "Young stock" sheep, goats and poultry. The increase under the three heads is, as pointed out by the Superintendent of Veterinary and Animal Husbandry Services, more illusory than real, as it is far below the increases from quinquennium to quinquennium and even the little increase is due to the preponderance of scrub cattle over useful ones. The small increase in cows is due to the prosperous milk trade, particularly in the Cities and round about the Military camps. During the latter part of the quinquennium, action was taken to regulate by order, under the Defence of India Rules, the movement and export of cattle and the slaughter of cattle and to control the consumption of meat by a special Control Order. The decrease under sheep, goats and poultry is said to be due to the increased demands for consumption particularly by the Military Authorities.

4. The position in regard to cattle in the State was rapidly surveyed by Major Simpson and Government have passed their orders in Government Order No. S. D. 781-91—C. 120-44-47, dated 1st August 1945, approving of some of his recommendations with a view to arresting the further deterioration of the cattle wealth in the State and to improving and conserving the really useful stock. The main recommendations approved by Government were the following :—

(1) The minimum slaughter age of cows and the buffaloes was raised to fifteen years.

(2) Bulls, bullocks and he-buffaloes under ten years of age were permitted to be slaughtered on the certificate of a Veterinary Officer that they are unfit for any other purpose.

(3) The ban on the export of working aminals was continued.

(4) About a dozen cattle fairs were ordered to be held every year at suitable time and places, sales at these fairs being registered.

(5) The movement of cattle from the interior of the State to the border taluks were ordered to be controlled.

5. The increase under iron ploughs though not marked is a satisfactory feature, being due to the propaganda carried on by the Agricultural Department and the example set by persons who have taken to more advanced methods of cultivation.

6. It is noteworthy that there is a marked increase in the case of tractors and power-worked sugarcane crushers.

### Sanctions the proposal of the Director of Public Health for the establishment of a Health Unit in Sowlanga, Honnali Taluk.

READ—

Letter No. C. 170—44-45, dated the 9th November 1944, from the President, District Board, Shimoga, forwarding a copy of the resolution of the Health Committee of the Board requesting sanction for the establishment of a Health Unit at Sowlanga, Honnali Taluk.

2. Correspondence ending with letter No. B. M. 478, dated the 6th October 1945, from the Director of Public Health submitting proposals for the establishment of a Health Unit at Sowlanga.

ORDER NO. M. 10379-89—P. H. 89-44-6, DATED BANGALORE, THE 25TH MARCH 1946.

The President of the District Board, Shimoga, forwarded a copy of the resolution of the Health Committee of the Board requesting sanction for the establishment of a Health Unit at Sowlanga, Honnali Taluk, as the villages round about were in the irrigated channel area and malaria was prevalent in those villages throughout the year. The Director of Public Health, who was consulted in the matter, reported that as a result of a Malaria Survey of the villages round about Sowlanga within a radius of four miles it was found that the villages in the area are situated under semi-malnad conditions with channel irrigation and that the conditions in the area were so bad that the establishment of a Health Unit at the place was an urgent necessity. He has, therefore, submitted proposals for the establishment of a Health Unit at Sowlanga to serve a group of 38 villages in the area at a cost of about Rs. 18,895 or Rs. 19,000 in round figures.

Government are pleased to sanction the proposal of the Director of Public Health for the formation of the Health Unit at Sowlanga, Honnali Taluk, with certain modifications in the suggested scales of pay and allowances in order to bring them into line with those allowed in other units at a total cost of about Rs. 17,638 (Rupees seventeen thousand six hundred and thirty-eight only) for a period of three years in the first instance. The expenditure during the current year will be met out of the sanctioned grants of the department by reappropriation, if necessary, and necessary provision will be made in future budgets.

## IMPORTANT GOVERNMENT ORDERS

### REVENUE SECRETARIAT

### Permits the District Board to retain the Railway Cess Collections in the Shimoga District with effect from 1945-46.

READ—

Government Order No. L. 4321-3—L. B. 32-15-21, dated 10th January 1917, sanctioning the levy of a Railway Cess of three pies in the rupee in the Shimoga District.

2. Government Order No. L. 4763-75—L. B 101-21-18, dated 22nd January 1927, directing among others, that the realisations from the Railway Cess should be paid for a period of 25 years, *i.e.*, up to 1952, towards the capital cost of the construction of the Shimoga-Arasalu Railway line.

3. Letter No. C. 72—45-46, dated 24th August 1945, from the President, District Board, Shimoga District, regarding the improvement of the finances of the Board.

ORDER NO. L. 9928-33—L. B. 71-45-2, DATED BANGALORE, THE 27TH MARCH 1946.

The President and some members of the Shimoga District Board waited in deputation to the Dewan and the Minister for Revenue on 16th November 1945, in connection with the discussion of proposals for the improvement of the financial positions of the Board. They represented, among other things, that the Railway Cess collections in the Shimoga District which amount to Rs. 34,000 a year may be made over to the Board with effect from 1944-45.

2. It is seen from the correspondence that the Shimoga District Board have, in pursuance of the Government Orders read above, paid a sum of Rs. 9,65,266 being the Railway cess collections up to 1944-45, towards the capital cost of the Shimoga-Arasalu Railway line. According to the terms of the Government Order, dated 22nd January 1927, the realisations from the Railway cess in the district have to be paid towards the above Railway undertaking up to the year 1952.

3. It is now reported that the Board's finances are meagre and that they have many additional commitments to meet and are also anxious to provide more amenities to the rural population in the Malnad area. It is represented that, with a view to enable the Board to tide over the present financial crisis, they may be relieved from the obligation to make any further contribution towards the expenditure on the abovesaid Railway line.

4. On a careful consideration of the case, Government are pleased to direct that the Shimoga District Board may retain the proceeds of the Railway cess with effect from the year 1945-46.

5. As an additional step towards the improvement of the Board's finances, Government direct that the question of enhancing the levy of special cess of three pies in the rupee to six pies may also be taken up and necessary proposals submitted for the orders of Government very early.

## GENERAL SECRETARIAT

### Passes orders sanctioning the purchase of 100 Sindhi Cows and 4 Bulls from Sindh at a cost of Rs. 80,000 for the Veterinary Department to form the nucleus of a Sindhi herd at Hessarghatta.

READ—

Correspondence ending with the Un-Official Note No. 23, dated 10th January 1946, from the Superintendent of Veterinary and Animal Husbandry Services in Mysore, submitting proposals for the purchase of cattle from the Sindh Government to start a Dairy Farm at Hessarghatta.

ORDER NO. A. F. 4881-86—A. H. 72-44-6, DATED BANGALORE, THE 21ST MARCH 1946.

In view of the acute shortage of milk that is generally being felt throughout the State and in order to increase the production of this most essential "Protective food" for human consumption, the Live-stock Sub-Committee of the Board of Agriculture, which met on 8th July 1944, considered at length several measures that were required to be adopted to achieve this object and recommended, among other things, the starting of three dairy farms in the State at different centres. These recommendations were adopted without any modifications by the Board of Agriculture of the Economic Conference, at their meeting held on 28th October 1944. The Superintendent of Veterinary and Animal Husbandry Services accordingly formulated a skeleton scheme for the starting of three dairies in the State. These schemes are separately under examination.

2. The Superintendent of Veterinary and Animal Husbandry Services, however, mentions that the Sindh Government have permitted the export of Sindh Cows and Bulls and allotted a quota to this State and proposed that this opportunity may be availed of to get them in the interest of dairy development of the State. He further states that these animals when received will constitute a nucleus for the building up of a progeny-tested foundation stock of commercial dairy animals acclimatised to the conditions in the State and maintained on a Government managed dairy farm proposed to be started in Hessarghatta. He adds that on this dairy, breeding of high milk yielding strains of cattle will be undertaken on scientific lines and that the surplus female progeny resulting from such fastidious breeding will constitute the foundation stock for future Government, Municipal or private commercial dairies throughout the State. The progeny tested male calves, whose potentialities are ascertained on the Government Dairy Farm, will be distributed in the State for grading up work.

3. The Superintendent further states that the income from the sale of milk will be secondary, as the primary object is to build up a sound commercial dairy herd in the State which in course of time would pay back many-fold the expenditure involved, by raising the nutritional level of the State's populace through increased milk production and that nevertheless there is a ready market for all the surplus milk of the dairy in the several Government Hospitals in Bangalore.

4. Pending consideration and orders on the scheme proposed by him, the Superintendent requests sanction to purchase 100 cows and 4 bulls during this year, 25 cows being added on every year during the next four years. The cost of 100 Sindhi cows and 4 bulls is stated to be about Rs. 80,000 as detailed below:—

| | Rs. |
|---|---|
| Cost of 100 Sindhi cows and 4 bulls at Rs. 750 each F.O.R. ... | 78,000 |
| T. A. and Contingencies ... ... ... | 2,000 |
| Total ... ... ... | 80,000 |

5. After a careful consideration of all the aspects of the case, Government are pleased to sanction, in the first instance, the purchase of 100 Sindhi cows and 4 bulls from Sindh at a cost of about Rs. 80,000. The animals now proposed to be purchased will form the nucleus of the Sindhi herd proposed to be located at Hessarghatta.

6. The Superintendent of Veterinary and Animal Husbandry Services is requested to take necessary further action to purchase the cows and bulls. Details for the staff and other maintenance charges needed to take care of the animals may be submitted to Government for sanction.

7. A demand for this grant will be placed for this purpose before the Legislative Council in due course.

### The report on the Working of the Department of Textiles for the year 1944-45.

READ—

Letter No. B1-330, dated the 8th October 1945, from the Director of Textiles in Mysore submitting his report on the working of the Department of Textiles for the year 1944-45.

ORDER NO. D. 6884-94—I. & C. 243-45-9, DATED BANGALORE, THE 11TH MARCH 1946.

1. Recorded.

2. With a view to making satisfactory arrangements for the supply of yarn to handloom weavers, and protecting, in general, the Cottage Weaving Industry, a separate department called the Department of Textiles was created in Government Order No. D. 7844-7910—I. & C. 601-43-1, dated the 8th June 1944. The department was placed under the control of the Director of Textiles.

*Weaving Demonstration Section.*—There were 30 yarn depots and 9 relief centres during the year. Yarn to the extent of Rs. 3 lakhs in value was sold through the depots at moderate rates. The relief centres took up the manufacture of shirtings, coatings, towels, bed-sheets, etc. Proposals for the increase in the number of yarn depots and relief centres are under the consideration of Government.

*Badanval Spinning Centre.*—This centre with its eight branches in various districts produced "khadi" of the value of Rs. 1,64,892. In addition, it also engaged itself in the manufacture of hand-made paper, "Kamblies", "Chappals", mats and pottery. Three new centres were opened during the year at Chicknaikanahalli, Holenarasipur and Shantigrama. Proposals for introducing wool spinning at Badanval and Turuvanur are under the consideration of Government.

*Kolar Wool Spinning Centre.*—This centre manufactured goods to the value of Rs. 10,757-14-0. One of its products, the double colour Italian type of blanket, was awarded a gold medal at the Dasara Exhibition. A scheme for the expansion of the centre by installing a carding machine is under the consideration of Government.

*Government Silk Weaving Factory.*—This Factory was mainly occupied during the year in the manufacture of parachute components for the Supply Department of the Government of India. Towards the close of the year, however, this work was suspended and the Factory was enabled to turn its attention to the increasing civil demand for its products. The sales during the year amounted to over Rs. 4½ lakhs.

The work of the department was generally satisfactory.

### Sanctions the proposal of the Director of Public Health for the formation of Health Units in Kadur District.

READ—

Letter No. B. M. 19, dated 14th July 1944, from the Director of Public Health in Mysore, forwarding a copy of the letter from the Revenue Commissioner in Mysore for undertaking measures for the prevention of Malaria in Kadur District.

2. Correspondence ending with letter No. B. M. 1250-2, dated 12/19th February 1945, from the same officer submitting proposals for the formation of Health Units in Kadur District.

3. Further correspondence ending with letter No. B. M. 450, dated 29th September 1945—6th October 1945, from the same officer furnishing additional information in respect of the above proposal.

ORDER NO. M. 10677-83—P. H. 6-44-6, DATED BANGALORE, THE 1ST APRIL 1946.

On the receipt of reports from the Revenue Commissioner and the Director of Public Health that malaria was prevailing in an acute form in almost all the parts of Kadur District and that it was necessary to introduce immediately effective anti-malaria measures, the Director of Public Health was requested to submit necessary proposals for the prevention of malaria in the affected areas. He has accordingly submitted proposals for the formation of Health Units in 11 places comprising of 226 villages at an estimated cost of Rs. 97,495 per annum inclusive of the cost of the maintenance of the existing dispensaries and malaria control units amounting to Rs. 34,368 which are proposed to be transferred to the control of the Public Health Department and merged in the proposed scheme.

The proposal involves in addition (1) the formation of two Sub-Divisional Offices each in charge of a Health Probationer with the required staff, (2) the grant of a uniform scale of pay of Rs. 75-5-150 to all the Sub-Assistant Surgeons proposed to be transferred to the Public Health Department and also to the men to be posted for the proposed two additional units, (3) the enhancement of the F.T.A. and the grant of Special Allowance of Rs. 10 to the Midwives and Compounders in the proposed units, and (4) the grant of a House Rent allowance to the junior Sanitary Inspectors, Midwives and Compounders.

Government consider that there is no need for the formation of two Sub-Divisional Offices and that the existing scales of pay and allowances may be continued in the case of Sub-Assistant Surgeons, Midwives and Compounders and the men to be posted to the additional Sub-Units as Medical Officers of Health also be given the same grade and allowance as the other Sub-Assistant Surgeons. With these modifications, the total cost involved will amount to Rs. 72,554. Exclusive of the cost of the existing dispensaries and malaria control units amounting to Rs. 34,368 for which provision has been made in the current year's budget, the net extra cost involved would amount to Rs. 38,186 per annum as shown in the statement annexed.

Government are pleased to sanction the proposal of the Director of Public Health with the modifications referred to above for a period of three years in the first instance, the extra cost during the current year being met by an additional grant. Necessary provision will be made in the Budget of the Public Health Department in future years.

**Extends the concessions granted in G. O. No. A. F. 3841-6—Agri. 196-45-2, dated 7th February 1946, to areas all over the State wherever irrigated ragi is grown during the summer of 1946.**

READ—

Government Order No. A. F. 3841-6—Agri. 196-45-2. dated 7th February 1946, sanctioning in view of the serious shortage of ragi in the State owing to unfavourable seasonal conditions, the issue of seeds and manure free of cost to the raiyats as a further concession under the following conditions, to induce them to take to irrigated ragi cultivation in the Irwin Canal area during the summer of 1946, as they are generally reluctant to take up to summer cultivation of ragi on the ground that the ragi crop exhausts the soil and reduces the yield of subsequent paddy crop:—

(a) the issue of seeds and manures to the raiyats concerned free of cost is expected to cost not more than Rs. 15 per acre to Government calculated at the present concessional price at which manure is sold to raiyats;

(b) with a view to see that the concession is not misused, the seed and manure be issued in the first instance as an advance. If the cultivator produces not less than five pallas per acre, the issues will be treated as free. In cases where the yield is less, the cost of the seed and manure supplied to him will be recovered as arrears of land revenue except in exceptional cases, where the Director of Agriculture is satisfied that the short yield (below the five pallas per acre) was due to causes beyond the control of the raiyat and that the manure supplied has actually been used;

(c) the mutchalikas in the form prescribed be obtained from the raiyats concerned.

2. Letter No. Sm. 177—45-46, dated 26th February 1946 and No. Sm. 177—45-46, dated 18th March 1946, from the Director of Agriculture, requesting under the circumstances explained therein, the extension of the concessions granted to the Irwin Canal area in the Government Order read above, to certain other areas also in Tumkur, Kolar, Mandya, Bangalore, Shimoga and Hassan Districts where irrigated ragi is grown during the summer of 1946 so that as large an area as possible may be brought under ragi crop.

ORDER NO. A. F. 5308-31—AGRI. 208-45-4, DATED BANGALORE, THE 11TH APRIL 1946.

Government are pleased to extend the concessions granted in Government Order No. A. F. 3841-6—Agri. 196-45-2, dated 7th February 1946, to areas all over the State wherever irrigated ragi is grown during the summer of 1946. The expenditure in this behalf will be met under "52-B 13 (a) Grow More Food Campaign—Subsidy' for the issue of seeds and the manures at reduced rates."

**Sanctions the Amendment of Rule 23 and Rule 21 of the Official and Public Branches respectively of the Insurance Department.**

READ—

Letter No. A. V. G. 270, dated 22nd February 1946, from the Secretary, Mysore Government Life Insurance Department, proposing amendments to Rule 23 of the Official Branch and Rule 21 of the Public Branch consequent on the amendment of Section 3 of the Insurance Act by Act II of 1946 and requesting approval of his proposal.

ORDER NO. FL. 7178-80—G. F. 17-45-8, DATED BANGALORE, THE 11TH APRIL 1946.

Under Section 3 of the Mysore State Life Insurance Act, 1917, as amended by Act II of 1946, "When an insured dies without making any nomination in accordance with the rules any officer duly empowered under the rules may, if the total amount due does not exceed Rs. 5,000 and after such enquiry as he considers necessary, pay the same to the person found by him to be entitled to receive it."

The Secretary, Mysore Government Life Insurance, has accordingly submitted for approval of Government the following amendments to the Insurance Rules, empowering the Deputy Secretary and Secretary of the Insurance to deal with such cases falling within the money limits noted below:—

| | | Rs. |
|---|---|---|
| Deputy Secretary up to | ... | 1,000 |
| Secretary up to | ... | 2,500 |

Government are pleased to accept the above proposals and to direct that the necessary amendment in the rules both of the Official and Public Branches be made as indicated below:—

I. *Official Branch.*—Substitute the following for the existing Rule 23, para 2.

"If no such nomination has been made and the sum assured payable exceeds five thousand rupees, it will be paid to the person or persons, declared by a competent Court of Law in the Mysore State to be entitled to receive it, but if the sum assured does not exceed five thousand rupees and no notice from any Civil Court to withhold payment has been received, it will be paid as noted below to the person or persons whom the President of the Insurance Committee or the Secretary or the Deputy Secretary of the Insurance Department, as the case may be, after reasonable enquiry, finds to be entitled to receive the same subject to the limits noted below:—

| | | Rs. |
|---|---|---|
| By the Deputy Secretary: | Up to the limit of | 1,000 |
| By the Secretary: | Sums exceeding | 1,000 and not exceeding 2,500. |
| By the President: | Sums exceeding | 2,500 and not exceeding 5,000. |

II. *Public Branch.*—Substitute the following for the proviso under Rule 21:—

"Provided that in the event of the death of the insured before an assignment or nomination in respect of the policy has been registered by the Secretary under Rule 22 or Rule 22-A, and the sum payable does not exceed Rs. 5,000 the payment may be authorised to such person or persons as the President of the Insurance Committee or the Secretary or the Deputy Secretary of the Insurance Department, as the case may be, after reasonable enquiry, finds entitled to the claim subject to the limits noted below:—

| | | Rs. |
|---|---|---|
| By the Deputy Secretary: | Up to a limit of | 1,000 |
| By the Secretary: | Sums exceeding | 1,000 and not exceeding 2,500. |
| By the President: | Sums exceeding | 2,500 and not exceeding 5,000. |

**Directs the levy of uniform rates of interest on the several classes of loans, advances, etc., granted by Government.**

READ—

Note No. 26—S. F. O., dated 8th September 1945, from the Special Finance Officer, offering suggestions for the levy of uniform rates of interest as far as possible on the several kinds of loans and advances made by Government.

2. Proceedings of the meeting of the Finance and Taxation Committee held on the 19th November 1945.

ORDER NO. FL. 7192-7280—G. F. 281-45-2, DATED BANGALORE, THE 12TH APRIL 1946.

At present, varying rates of interest are charged on loans and advances made by Government. The Special Finance Officer, who reviewed the position, has suggested that it is desirable to have uniform rates of interest as far as possible. After considering the opinion of the Special Finance Officer and obtaining the approval of the Finance and Taxation Committee, Government are pleased to direct that with effect *from 1st April* 1946, the following rates of interest be levied on the Loans and Advances granted by Government as indicated below:—

| *Nature of Loan or Advance* | *Rates of interest to be levied* |
|---|---|
| 1. Land Improvement, Takavi, Sericultural and Fruit Cultural Loans, Loans to District Boards and Municipalities, Loans to Coffee Planters, Industrial Loans, Loans for purchase of Machinery and Loans to Co-operative Societies ... ... | 4 per cent. |
| 2. House-building and Purchase Advances— | |
| (a) Officers on salaries above Rs. 250. | 4 per cent. |
| (b) Officers on salaries of Rs. 250 and below ... ... | 3 per cent. |
| 3. Cash loans, arrear premiums and automatic non-forfeiture advances of the Insurance Department ... | 5 per cent interest (compounded) half-yearly. |
| 4. Penal interest ... ... | 6¼ per cent in all cases. |

Necessary action will be taken separately to issue correction slips to departmental Codes and the Mysore Civil Account Code.

**Directs that in respect of foodcrops grown on areas irrigated by electric pumping sets an increase of Rs. 2 per palla over the existing purchase rates be paid to the growers.**

ORDER NO. S. D. 7548-71—C. 80-45-36, DATED BANGALORE, THE 18TH APRIL 1946.

At the meeting of the Lift Irrigation Sub-Committee of the Board of Agriculture held on 31st October 1945, the Sub-Committee, in considering the measures to be adopted for encouraging the raiyats to grow more food crops in the present acute food position in the State, was of the opinion that the concessions granted to the raiyats in the matter of issue of electric pumping sets were not sufficiently attractive and that they should be further liberalised and accordingly recommended, among other things, that only 75 per cent of the cost price of the pumping sets may be recovered from the raiyats and the remaining 25 per cent treated as subsidy. While the Government agree with the Sub-Committee as regards the need for further concessions to induce the raiyats to put up electric pumping sets and grow more foodgrains, they consider that no subsidy is called for, but that a suitable increase over the existing purchase prices of foodgrains may be allowed in respect of foodgrains grown on areas irrigated by electric pumps. Government are accordingly pleased to direct that in respect of food crops grown on areas irrigated by electric pumping sets an increase of Rs. 2 per palla over the existing purchase rates be paid to the growers.

**Passes orders on the Report of the Public Accounts Committee on the Audit Report and Appropriation Accounts for the year 1943-44.**

READ—

Audit Report and Appropriation Accounts for the year 1943-44, received from the Comptroller to Government.

2. Report of the Public Accounts Committee thereon.

ORDER NO. Fl. 7284-7370—G. F. 156-44-6, DATED BANGALORE, HE 12TH APRIL 1946.

Recorded

2. Appropriation Accounts :—

The percentage of total savings under voted grants during 1943-44 was 23·09 against 21·94 during the previous year As in the previous year, the savings were mostly due to non-availability of materials and labour and in one particular case, it was due to work not being completed within the year as originally contemplated.

3. Excesses over grants were reported under seven voted heads, the aggregated amount of the excesses being Rs. 85,81,657 which represents 20·55 per cent of the total appropriation against 24·30 in the previous year. Excluding the contributions to funds (which are not real items of expenditure), the percentage of excess under actual expenditure will be much less. The large excesses under Forest—working expenses and other charges and Railways worked by Government were necessary on account of operations which resulted in increase of revenue also.

The Committee have also examined the causes for the excesses under the several heads and recommended that the excesses be passed. A schedule of demands for excess grants on account of the above was accordingly presented to the Legislative Council at its Session during December 1945 and all the demands were passed.

4. With regard to the excess expenditure reported under non-voted heads, Government direct that the excesses as under be passed :—

| | | | Rs. |
|---|---|---|---|
| 1. | 15 Pensions and Allowances | ... | 38,441 |
| 2. | 26 Education | ... | 10,000 |
| 3. | 32-B. Expenditure connected with the War, 1939 | ... | 11,552 |
| 4. | Extraordinary Expenditure | ... | 20 |
| | Total | ... | 60,013 |

5. As regards the supplementary grants stated to have been obtained unnecessarily, the practice has all along been that when a new scheme is taken up, the whole amount required for the entire scheme is asked for, instead of limiting the expenditure to the amount likely to be spent during the year and this results in large savings under these heads. Government direct that in future when demands for such expenditure are placed before the Legislative Council, the amount should be limited to that which is likely to be spent during the course of that year. Of course, an indication must be given regarding the extent of commitments involved.

6. *Audit Report.*—Expenditure without estimates, excess of expenditure over the sanctioned estimates and inordinate delay in sending completion reports :—

Government regret to note that in spite of repeated instructions, the percentage of expenditure placed under objection which was 18·6 per cent in 1941-42 and 16·5 per cent in 1942-43 had risen to 29·3 per cent during the year under report, in the Public Works Department. It is reported that part of the expenditure relates to want of estimates with respect to maintenance. It has been suggested that in a good number of these cases, it is possible to have standard estimates prepared which might be sanctioned at the beginning of the year, revised estimates being submitted in cases where there are large variations. The Comptroller and the Chief Engineer are requested to examine this question and send up a report.

It would also be useful, if the Chief Engineers make a detailed review of the items placed under objection by the Comptroller once a quarter, and send a copy of the review to Government. A para may be included in the review to indicate the action taken on the previous reviews.

Government trust that with the adoption of the above proposals the volume of items under objections could be avoided or at least minimised.

The Comptroller is also requested to separate in future reports, items of "want of estimates" from "want of revised estimates."

As regards the delay in the completion of old works, it is observed that though the works had been completed in many of these cases, they were shown as incomplete for want of completion reports. There should ordinarily be no delay in sending up completion reports. The Comptroller is also requested in future to show under this head only real cases of delay in completion of works, a separate para being put up for noting abnormal delays in submission of completion reports.

## Fixes the limit of advances to the employees of the Industrial Concerns out of their Provident Fund Accounts.

ORDER NO. FL. 7387-95—G. F. 283-45-2, DATED BANGALORE, THE 16TH APRIL 1946.

Government consider that it is necessary to have one uniform set of rules regulating the grant of advances to members, who are subscribers to the compulsory scheme of Provident Funds of the several Industrial Concerns and they are accordingly pleased to direct that when the pecuniary circumstances of a member are such that the indulgence is absolutely necessary, a temporary advance from the *compulsory* subscriptions of the member may be allowed, the amount of advance being limited to a maximum of four months' pay of the employee.

A rule to this effect should be incorporated in the Provident Fund Rules of the Industrial Concerns.

## IMPORTANT GOVERNMENT ORDERS

### GENERAL SECRETARIAT

### Increased Representation of Labour on Public Bodies.

ORDER NO. S. R. 5148-5227—L. W. 41-44-9, DATED BANGALORE, THE 30TH APRIL 1946.

Representations have been made time and again about the desirability of giving increased representation for labour interest in various official and quasi-official bodies and committees. Government have always examined such suggestions with great sympathy. They have also taken note of the recent trends in this direction and the fact that the Government of India have also been taking steps as a matter of general policy, to secure increased representation of labour on such official and non-official bodies. Government observe that the Department of Labour in Mysore State has already adequate representation on the various committees that are functioning in the department. Representation has also been given to labour in the Representative Assembly and Legislative Council.

Government are therefore pleased to direct that the principle of giving adequate representation to labour on various committees be recognised and kept in view while proposing nominations to various *ad-hoc* committees, local and rural bodies. For this purpose, the Labour Associations recognised under the Labour Act may also be made use of, as far as possible, to ensure that suitable men are selected who can be trusted to safeguard the interests of labour while serving on such committees.

### Approves of the Rules for the Management of the Olympic Stadium, Bangalore City.

READ—

Government Order No. E. 1598-1600—Edn. 64-45-32, dated 26th September 1945, sanctioning the erection of an Olympic Stadium in the Sampegay Tank Bed, Bangalore City, and a grant of Rs. 25,000 for holding the XII All India Olymic Games in Bangalore City early in February 1946 pending sanction of detailed estimates in that connection.

2. Proceedings dated 15th March 1946 of the Committee appointed for the purpose of formulating definite proposals for the management of, and for regulating the use of the Olympic Stadium in Bangalore City.

ORDER NO. E. 6304-12—Edn. 64-45-70, DATED BANGALORE, THE 13TH APRIL 1946.

Government are pleased to approve of the set of rules framed by the Committee for the management of the Olympic Stadium in Bangalore City as appended to this order for a period of one year in the first instance. The Stadium should be managed by a Committee consisting of seven members as detailed in the rules and the following general principles will be kept in view for the guidance of the said Committee :—

(i) The realisations from the lease of the Stadium shall be kept in a fund at the disposal of the Committee. The amount so accrued shall be utilised in the following manner in the order of priority.

(ii) The maintenance of the Stadium including the pay of establishment employed ; the balance, if any, shall be utilised for the improvements of the Stadium including its conversion into a pucca structure and for the development of sports, athletics and physical culture in the State.

## IMPORTANT GOVERNMENT ORDERS

### CHIEF SECRETARIAT

### Directs that the Kannada Examination for Gazetted Officers be held twice every year.

READ—

Government Order No. 1697-1726—E. A. G., dated the 2nd May 1921, directing that an examination for Proficiency in Kannada, for Gazetted Officers, be held annually in August of each year or such other date as Government may fix.

ORDER NO. 4082-4142—C. B. 214-45-3, DATED BANGALORE, THE 2ND MAY 1946.

In modification of the order read above, Government are pleased to direct that the above examination be held twice every year in the months of May and November, provided there are candidates ready to take the examination.

All officers who are prepared to sit for the examination should apply to the Revenue Commissioner by 1st April and 1st October, respectively, for admission to the examination.

V. VEDAVYASACHARYA, *Chief Secy.*

### GENERAL SECRETARIAT

### Reviews the Administration Report on the Working of the Department of Co-operative Societies during 1944-45.

READ—

Letter No. 9058 C. S., dated 24th January 1946, from the Registrar of Co-operative Societies in Mysore forwarding the report on the working of the Department of Co-operative Societies during 1944-45.

ORDER NO. A. F. 5794-809—C. B. 54-45-2, DATED BANGALORE, THE 3RD MAY 1946.

Recorded.

Mr. M. D. Venkate Urs, B.A., was in charge of the department during the year. An additional Assistant Registrar's post was sanctioned temporarily for the Small Savings Scheme and Mr. B. Suryanarayana Rao, B.A., was posted as Special Officer from 21st March 1945.

The number of societies of all classes at the close of the year was 2,500 (2,407), the net increase during the year being 93(316). The progress achieved by the societies during the year is reflected in the increase in membership, paid-up share capital, seserve fund and net profits. There was decrease in the working capital of the societies during the year, which is reported to be due mostly, to the refund of deposits and also to the repayment of the amounts due to the central financing institutions. The prevailing better prices for the agricultural commodities were taken advantage of by the members of all classes of societies to pay off most of their outstandings. The increase in the net profits of agricultural and non-agricultural societies is attributed to the undertaking by many of the societies of the purchase and sale of essential goods and food commodities in larger quantities by them.

*Central Societies.*—There were at the end of the year four Central Banks. As in the previous year, the Apex Bank continued to be the sole agency for the grant of short and intermediate term credits to the affiliated primary societies and for financing all House Building Societies in the State. The working of this Bank showed appreciable improvement during the year, particularly under paid-up share capital and deposits held and loans and cash credits issued.

*Primary Societies, Agricultural.*—The number of societies belonging to this category was 1,763 (1,697) excluding the 75 Land Mortgage Co-operative Societies. Out of these, 1,624 were ordinary credit societies, 27 were agricultural supply societies, 46 marketing societies, 33 grain banks and 33 miscellaneous societies. Of the Marketing Societies, the malnad areca marketing society, Shimoga, the Anchanahally Cardamom Co-operative Society, the Saklespur Bee-keeping Co-operative Society, the Arsikere Cocoanut and Copra Marketing Co-operative Society, the Arsikere Cotton Marketing Co-operative Society, and the Ganjam Fig Marketing Co-operative Society, Seringapatam, deserve special mention. The working of the Grain Banks is reported to be not satisfactory owing to unfavourable seasonal conditions and the passing of grain procurement orders in connection with Food Control Schemes.

*Non-Agricultural Societies.*—The total number of these societies at the end of the year was 657(635) including 417 credit institutions, 166 consumers' societies, 68 weavers societies and other industrial societies and six miscellaneous institutions. Besides the consumers' societies as many as 577 ordinary credit societies, both in urban and rural areas, undertook the distribution of controlled articles and food grains. The departments of Food and Civil Supplies have recognised these societies as suitable agencies for the distribution of consumers' goods to the public. The appreciation by the public of the services rendered by these institutions as evidenced by the incessant demand for membership in the well established consumers' societies and for more societies of this type even in the rural areas is a hopeful augury for the expansion and development of distributive co-operation.

The employees of co-operative societies also did good work in this direction during the year. The value of stores sold by them during the year was about 39 lakhs. Of the depressed class societies, the Chikkanaikanahally Cobblers Co-operative Society, the Doddasiddavvanahally and Sondekola Adikarnataka Societies have registered good progress during the year. Some of these societies deputed their members to the Bangalore Industrial School for training in manufacture of leather goods.

*Land Mortgage Scheme.*—Besides the Central Co-operative Land Mortgage Bank, 75 Primary Land Mortgage Societies were functioning at the close of the year in 72 taluks, 3 sub-taluks and portion of a taluk. Both the Bank and the societies have worked satisfactorily during the year, in spite of there being no good response from the raiyats to borrow money on account of the rise in the prices of agricultural commodities which improved considerably their financial condition.

*Disputes and Litigations.*—The percentage of disputes to the total number for disposal was 77·7 as against 81·7 in the previous year. In spite of the special staff sanctioned by the Revenue Commissioner for the execution of the co-operative society decrees in certain taluks, the progress achieved in this direction was not quite satisfactory. The number of decrees pending execution at the end of the year was 6,997 as against 7,485 of the previous year. Government observe that it is necessary that more vigorous steps should be taken by the Co-operative and Revenue Departments to reduce the pendency under these heads.

*Small Savings Scheme.*—This scheme was introduced from August 1944 and an Assistant Registrar was appointed to assist the Registrar in the work connected with the scheme. This scheme proved successful as evidenced by the purchases of National Savings Certificate to the value of Rs. 17,40,880 during the year.

*Cost of Administration.*—The Government have incurred an expenditure of Rs. 1,69,872 during the year for this department. The societies have spent a sum of Rs. 6,85,481 for the management charges.

The working of the department during the year was on the whole satisfactory. Government are glad to observe that the co-operative movement is gaining ground in the State steadily both in rural and urban areas.

MOHAMED ISMAIL SHERIFF, *Genl. Secy.*

## Reviews the Administration Report on the Working of the Agricultural Department for the year 1944-45.

READ—

Correspondence ending with Letter No. H. C. Gl. 13057—45-46, dated the 7th March 1946, from the Director of Agriculture in Mysore, submitting the Administration Report of the Department of Agriculture for the year 1944-45.

ORDER No. A. F. 5728-87—AGRI. 134-45-5, DATED BANGALORE, THE 2ND MAY 1946.

Recorded.

2. *Personnel.*—Mr. M. J. Narasimhan, B.A., was in charge of the department. Consequent on the re-organisation of the Horticultural Department, a portion of the Horticultural Department with the Vegetable Sections and Fruit Research Station at Hessarghatta was transferred to the control of the Director of Agriculture.

The Department of Veterinary and Animal Husbandry Services was separated from the Agricultural Department with effect from 1st July 1945 and placed under the Superintendent, Veterinary and Animal Husbandry Services, independently.

3. *Grow More Food Campaign.*—This continued to be one of the most important activities of this department, with a view to enhance production of food crops and reduce the shortage of food.

The rainfall during the year was not even and in many places the monsoon was a failure and the tanks did not get water and hence the cropping programme suffered to some extent. Eleven thousand and four hundred and five pallas of improved seed paddy, 747 pallas of improved varieties of ragi and 155 pallas of jola seed were distributed to the cultivators for seed purposes. Groundnut cake to the extent of 4,444 tons and other manures amounting to 986 tons were supplied at concessional rates. An outstanding feature of the work this year was the introduction of a new system of raising paddy nurseries by the "Rab" method with a view to get higher yields.

*District Work.*—The number of hoblis in which intensive work was carried on increased from 81 to 162.

Implements worth Rs. 1,59,214, cart materials, etc., worth Rs. 2,67,131, oil-cakes worth Rs. 99,450, other manures worth Rs. 1,22,419 and seed stock worth Rs. 55,130 were sold through the Depots of the department during the year under Rural Reconstruction Scheme.

*Scientific Sections.*—Four schemes subsidised by the Imperial Council of Agricultural Research and one financed by the Indian Central Cotton Committee and the Fruit Research Scheme transferred from the Gardens Department were under operation in the Botanical Section during the year.

4. *Sugarcane.*—Promising seedling canes were multiplied and varietal tests conducted on the farms to ascertain the merits of selected varieties. Encouraging results were obtained in inter-cropping of sugarcane with onions.

5. *Cotton.*—American cotton has done exceedingly well in the Irwin Canal Area and Arsikere. Giza 12 cotton has given the highest yield at Irwin Canal Farm amongst the Egyptian Cottons.

6. *Ragi.*—The new Ragi Selection R. 0862 was the most promising. South African ragi varieties are under trial.

7. *Paddy.*—This was the fourth year under the paddy expansion scheme. Encouraging results have been achieved with new strains. One strain S. 213 gave more than 2,500 seers of grain per acre. In Mandya District, S. 749 (Ratnachoodi) has practically replaced the local kaddi sanna.

8. Preparing crystal sugar as a cottage industry has been successfully demonstrated by the Chemical Section. Thirty-five Sanitary Inspectors were trained in compost making. Twenty-seven Municipalities were engaged in the preparation of compost and in all over 16,000 tons of compost was produced during the year.

9. *Experimental Farms.*—Work in the various Experimental Farms was continued during the year. In Hebbal Farm, results under ragi indicated that a 5-ton dose of compost would suit our soils. In Irwin Canal Farm, ragi as a dry crop was a failure and irrigated ragi was satisfactory.

At Nagenahalli Farm paddy breeding work was continued and a total yield of 53,156 seers of paddy was obtained and seeds were distributed as usual to subvention farms and central seed plots.

At the Balehonnur Coffee Experimental Farm, the experiments with seedlings were in progress. Experiments on "Nurseries Practices" have given useful indications at the Cardamom Research Station, Kadamane.

10. *Vegetable Production Scheme.*—In order to meet the shortage of vegetables, both indigenous and foreign, a scheme or increasing the production of vegetables in the State for meeting the needs of the army and civil population was sanctioned in January 1944 and an officer with necessary staff was specially appointed for these purposes. An approximate area of 420 acres was brought under vegetable cultivation yielding 440,000 lbs. of vegetables worth Rs. 2,25,000

in addition to 120 acres under cultivation in all the Government Farms. Vegetable seeds worth Rs. 11,179 were sold to growers at cost prices. A total quantity of 29,500 maunds of seed potatoes worth Rs. 2,60,000 were secured for the growers from Simla in December 1944 and January 1945.

The total supply of vegetables to the civil population by the Government Farms amounted to 400,000 lbs. The department arranged the sale of vegetables worth Rs. 15,17,340 to the Military.

11. *Agricultural Education.*—The total strength of the Hebbal Agricultural School was 73. Thirty-five students appeared for the final diploma examination and 26 were declared eligible for the award of L.Ag. diploma. The Ramakrishna Krishi Sala, S. K. V. D. Patasala and Somanahalli Agricultural School had a strength of 8, 11 and 11 students, respectively. Special classes in bee-keeping were held. A short course of practical training in vegetable culture was given to 135 Gramasudharakas at the Sunkal and Koramangala Farms.

12. *Agricultural Colonies.*—The three colonies in the Irwin Canal Area and the colony at Marconahalli worked satisfactorily with 29 and 16 colonists, respectively.

13. *Agricultural Engineering.*—Large quantities of agricultural implements and cart tyres were made available to the raiyats at favourable prices through the Agricultural Depots. The total value of the materials and implements distributed from this section aggregated to Rs. 17,32,925.

The tractors of the department negotiated about 587 acres of land.

14. *Other Activities.*—Study of various selection of ground-nut, different pulses, small millets, was continued. Trials in tobacco cultivation and important varieties of fruits were also continued. Analytical work in connection with Vani Vilas Sagara Soil Survey was carried on. Investigations were started for the full utilisation of the food constituents contained in silk worm residues.

Several postwar schemes have been engaging the attention of the Department.

15. *General.*—The work of the Department was on the whole satisfactory.

MOHAMED ISMAIL SHERIFF, *Genl. Secy.*

### Sanctions the purchase of Rubber Stamps by offices from private firms.

READ—

Government Order No. A. F. 4278-358—P. & S. 54-42-2, dated 12th February 1943, sanctioning the supply of rubber stamps from the Government Press to such of the Departments of Government as are getting free supply of stationery articles from the Government Stationery Depot.

2. Letter No. F. 2867, dated 23rd March 1946, from the Superintendent, Government Printing, stating that due to non-availability of rubber stamp materials, particularly plaster of paris, it is found difficult to prepare and supply rubber stamps in time to the departments and offices concerned, that complaints regarding the supply of rubber stamps are on the increase and requesting therefore sanction to permit the Heads of Departments to purchase their requirements from private firms up to the end of the current calendar year.

ORDER NO. M. 11728-820—P. & S. 71-45-2, DATED BANGALORE THE 2ND MAY 1946.

The proposal of the Superintendent is sanctioned.

### Sanctions inclusion of the names of communities to which the officers belong in the Civil List.

READ—

Letter No. 133—G. A. D., dated the 14th November 1945, from the Comptroller to Government, suggesting the desirability of indicating in the Civil List the names of communities to which the officers belong and requesting that the appointing authorities may be instructed to furnish in future to the Audit Office the names of communities, date of birth, etc., of the officers newly appointed so as to avoid inaccuracies arising in the Civil List.

2. Un-official Note dated 21st February 1946, from the Public Service Commissioner, agreeing to the proposal of the Comptroller and suggesting that it would be enough if the Civil List indicates the communities to which the officers belong by clubbing them into 18 groups in accordance with the Government Order No. E. 2701-60—R. & P. S. 23-42-9, dated 21st December 1943.

ORDER NO. Fl. 7678-7738—G. F. 292-45-2, DATED BANGALORE, THE 2ND MAY 1946.

Government are pleased to approve of the proposals of the Comptroller and direct that action may be taken to indicate in the Civil List the communities to which the officers belong classified under 18 groups as indicated in the annexure to this order.

2. The Heads of Departments and Secretaries to Government are requested to furnish the Audit Office with all particulars relating to the group of communities, date of birth, etc., of the newly appointed officers at the time of issue of notifications sanctioning the appointments.

### FINANCIAL SECRETARIAT

### Sanctions the enhancement of maximum limits of assurance on single life.

READ—

Letter No. A. V. G 325, dated the 5th March 1946, from the Secretary, Mysore Government Life Insurance Department, proposing to raise the maximum limits of assurance to Rs 20,000 for male lives and Rs. 10,000 for female lives in respect of first class lives and to fix the maximum sum at Rs. 10,000 in respect of second class lives, which may however be raised, in any case, on the advice of the departmental actuary, and requesting sanction, in the circumstances mentioned, for substituting the following rules in place of Rule 7, Para 1 and Rule 7, Note 3 of the Public Branch :—

*Rule 7, Para 1—*

"Any person may, subject to the following provisions, obtain Insurance Policies on his or her own life for a minimum of Rs. 100 or multiples thereof up to a maximum of Rs. 10,000 according to one or more of the schemes shown in Tables I to IV appended hereto."

"ಯಾವ ಪುರುಷನಾಗಲೀ, ಸ್ತ್ರೀಯಾಗಲಿ ಇದಕ್ಕೆ ಲಗತ್ತಿಸಿರುವ I. ### Sanctions certain revised rates and conditions for power supply to irrigation pumps with effect from 1st November 1945.

READ—

Government Order No. EDS. 1061-81, dated the 29th December 1943, sanctioning certain rates and conditions for power supply to irrigation pumps.

2. Government Order No. EDS. 2931-73, dated the 21st February 1945, sanctioning certain proposals of the Chief Electrical Engineer regarding modifications in the Hire Purchase System.

3. Letter No. 25525, dated the 20th March 1946, from the Chief Electrical Engineer, recommending, for the reasons set forth therein, the undermentioned proposals in connection with "Grow More Food" Campaign for power supply to irrigation pumps and supply of pumps on hire purchase system to be given effect to from 1st November 1945:—

(1) Power supply to irrigation pumps be arranged only after obtaining an agreement from the consumer that power supply will be taken for a continuous period of five years and the applicant guaranteeing to pay the horse power minimum specified in the schedule of rates, so long as the cost of power supply to each 3 H.P. pumping set does not exceed Rs. 3,000.

(2) Whenever the cost per pumping set exceeds Rs. 3,000 but is within Rs. 5,000, a guaranteed return of 8 per cent on the capital cost be insisted upon.

(3) Whenever the cost exceeds Rs. 5,000, which indicates that the distance from the existing power line is very far, the power supply need not be given just at present in order to conserve materials and power for utilisation where it could be utilised economically as above.

(4) The department at the request of the consumer will get the pumping set installed at departmental cost and the consumer be required to deposit 1/5th of the total cost before taking up the work and for the payment of the balance of 4/5th an agreement be obtained for its payment in four equal annual instalments. The consumer should obtain the necessary solvency certificate for advance of this amount from the Deputy Commissioner of the district concerned.

(5) The levy of 18 per cent tools and plant and supervision charges to be levied by the department on the above works be waived in respect of installation of irrigation pumping sets.

ORDER NO. EDS. 2561-87—115-45-3, DATED BANGALORE, THE 4TH MAY 1946.

With a view to encourage the agriculturists to grow more food crops, Government are pleased to sanction the proposals of the Chief Electrical Engineer read in para 3 above for a period of two years with effect from the 1st November 1945. The Chief Electrical Engineer is requested to give due publicity in the newspapers to the above concessions by the issue of a Press Note.

### GENERAL SECRETARIAT

**Sanctions the issue of the eighth series of debentures by the Mysore Central Co-operative Land Mortgage Bank, Ltd., of the value of rupees 10 lakhs, subject to certain conditions.**

READ—

Letter No. 6906—C. S., dated 19th November 1945, from the Registrar of Co-operative Societies, recommending that the Mysore Central Co-operative Land Mortgage Bank, Ltd., be permitted to float eighth series of debentures of the value of rupees 10 lakhs carrying interest at 3 per cent per annum.

ORDER NO. A. F. 5898-900—C. S. 14-45-2, DATED BANGALORE, THE 11TH MAY 1946.

The Mysore Central Co-operative Land Mortgage Bank, Ltd., Bangalore, was permitted in the Government Orders noted below to float seven series of debentures at varying rates of interest and subject to certain conditions. The bank has issued debentures in all the seven series to the extent of Rs. 24,08,000 at rates of interest varying from 5 per cent to 3 per cent, of which debentures to the extent of Rs. 3,87,500 have been redeemed.

1. G. 6941—L. M. 14-29-1, dated 4th December 1929.
2. G. 12215-8—L. M. 21-29-2, dated 11th April 1930.
3. D. 2624-7—L. M. 2-33-7, dated 30th November 1933.
4. D. 4535-8—L. M. 16-34-3, dated 18th January 1935.

5. D. 4189-92—L. M. 7-36-22, dated 6—7th January 1937.
6. A. F. 284-5—L. M. 21-38-2, dated 7th January 1939.
7. A. F. 7144-5—C. S. 46-40-5, dated 10th April 1941.
8. A. F. 662-3—C. S. 85-42-7, dated 5th August 1943.

With the increase in the number of Land Mortgage Societies from 65 to 75 and the gradual extension of the Land Mortgage Scheme to 73 taluks and 3 sub-taluks, the Central Land Mortgage Bank is reported to be in need of additional funds to finance a large number of transactions involved as well as to meet the demand for loans already sanctioned and the loans that may be sanctioned in respect of pending and future applications.

The bank has accordingly requested permission to float the eighth series of debentures of the value of rupees 10 lakhs carrying interest at 3 per cent per annum free of income-tax and redeemable at par not later than 20 years from the date of floatation, Government guaranteeing the repayment of principal and interest and promising to subscribe to the extent of two lakhs in this issue.

The Registrar of Co-operative Societies, while forwarding the proposals of the President of the bank, has reported that according to the bye-laws of the bank, debentures of the value of rupees 30 lakhs may be raised by that institution and has recommended the acceptance of the proposals of the bank subject to the condition that Rs. 20,500 be redeemed by the bank by the end of December 1945 as promised by the President of the bank.

In the circumstances represented, Government are pleased to direct that the Mysore Central Co-operative Land Mortgage Bank, Ltd., be permitted to float the eighth series of debentures of the value of rupees 10 lakhs subject to the condition stated by the Registrar of Co-operative Societies carrying interest at 3 per cent per annum and redeemable at par not later than 20 years from the date of floatation, Government guaranteeing the repayment of the principal and interest and agreeing to subscribe in this issue to the extent of rupees 2 lakhs limiting the same to the extent of the public subscription falling short of the full value of the issue.

The debentures will not be free from income-tax and should be issued from time to time up to the extent necessary and according to the needs, to guard against accumulation of large and idle funds in the bank.

The debentures are exempt from stamp duty. The bonds shall be deemed to be negotiable instruments to which the provisions of the Mysore Negotiable Instruments Regulation, 1917, apply and shall be included amongst securities in which a trustee may invest trust funds under any law for the time being in force in Mysore.

## DEVELOPMENT SECRETARIAT

### Passes orders reviewing the report on the working of the Food Supplies Department during the year ended June 1945.

READ—

Correspondence ending with letter No. nil, dated the 17th October 1945, from the Director of Food Supplies, submitting the report on the working of the Food Supplies Department during the year ended June 1945.

ORDER NO. S. D. 7683-702—A. 28-45-4, DATED BANGALORE, THE 24TH APRIL 1946.

Recorded.

2. *Administration.*—Mr. B. S. Raghavendra Rao, M.A. (Hons), continued to be the Director of Food Supplies till the 7th October 1944, from which date he went on leave. Mr. K. Srinivasan, B.Sc., Special Officer, Food Supplies, acted as Director till the 11th November 1944, when Mr. G. Sundara Rao, B.A., assumed charge as Director and Mr. K. Srinivasan was appointed as the Additional Director of Food Supplies.

3. *Procurement of Foodgrains.*—As the Articles of Food Acquisition (Harvest) Order, 1943, applied only to the harvest of 1943, the new "Articles of Food Acquisition (Harvest) Order, 1944" was promulgated, making provision for the acquisition not only of the harvest of 1944 but also of subsequent harvests.

The quantities of foodgrains acquired under the above order up to the end of the year under report were as under:—

| | | | *Pallas* |
|---|---|---|---|
| 1. | Paddy | ... | 1,872,235 |
| 2. | Ragi | ... | 568,088 |
| 3. | Jola | ... | 53,911 |
| 4. | Wheat | ... | 462 |
| 5. | Other millets | ... | 19,138 |

4. *Imports from outside.*—The following quantities of foodgrains were imported from outside the State up to the end of June 1945:—

| | | | *Tons* |
|---|---|---|---|
| 1. | Rice (including broken rice) | ... | 29,604 |
| 2. | Millets | ... | 5,354 |
| 3. | Wheat | ... | 10,109½ |
| 4. | Wheat products | ... | 4,218 |
| 5. | Pulses | ... | 3,219 |

5. *Distribution of Foodgrains.*—The distribution of foodgrains was arranged for through Government depots, co-operative societies and depots run by village panchayets and municipalities, except in the rationed areas where private merchants were licensed to deal in rationed articles under strictly controlled conditions. The number of depots selling foodgrains was 1,610 as under:—

| | | |
|---|---|---|
| Government depots | ... | 307 |
| Village Panchayet depots | ... | 636 |
| Co-operative Society depots | .. | 624 |
| Municipal depots | ... | 43 |
| | | 1,610 |

In addition to the direct distribution of foodgrains to consumers through the depots, arrangements were made through large employers of labour, organised departmental stores, and planters to supply foodgrains required by their labour. Bulk supplies were also made to the Mysore State Railway which had its own organisation for the distribution of foodgrains to its employees.

*Rationing.*—Statutory rationing was extended to Davangere and Harihar towns. Preliminary action to introduce regular rationing into Chikmagalur, Channapatna and Mandya towns was also completed during the year under review. The scale of rations continued to be the same as during 1943-44 except for the addition of one-fourth pavu of wheat or wheat products per day, between the end of November 1944 and April 1945, which was however suspended from May 1945 onwards in the case of "B" class card-holders whose staple diet is millets.

6. *Storage of Foodgrains.*—Private buildings taken on rent having been found inadequate for the storage of the large quantities of foodgrains that came into the possession of Government through acquisition in the State or imports from outside, it became necessary for Government to take up the construction of godowns. The construction of three godowns one each at important rail-heads of Bhadravati, Sagar and Shimoga was sanctioned at a total cost of Rs. 1,65,000. These were in various stages of progress at the end of the year. Six rat-proof military type structures known as twin "Nissen huts" having a floor space of 108×75 square feet each, were purchased from the British Military Authorities at a total cost of Rs. 47,500. Five of these have been installed near the Bangalore City Railway Station, the remaining one being lent to the Civil and Military Station, Bangalore.

7. *Preservation of Foodgrains.*—It is observed from the report that the Foodgrains Preservation Committee met 12 times during the year and that the work of sanitation and pest control, and the periodical fumigation of godowns received attention and that experiments were carried out regarding the processing of paddy and the best methods of fumigation without affecting the edibility or wholesomeness of the grain. Government desire to emphasise the importance of regular and frequent inspections of storage godowns by the officers concerned.

8. *Sugar, Jaggery, Kerosene and other Miscellaneous Controlled Articles.*—In addition to the principal foodgrains, the procurement and distribution of which forms the main concern of the Food Department, the control of the commodities noted below also came under the purview of the department :—

*Sugar.*—The total quantity of sugar produced by the Mysore Sugar Company, Ltd., during the season ending the 19th May 1945, was 17,322 tons, of which 5,664 tons were exported from the State, leaving a balance of 14,072 tons for consumption in the State, including 2,414 tons in stock at the commencement of the season.

*Jaggery.*—As jaggery was found to be in surplus and large stocks were available in the market, all restrictions regarding movement of jaggery within the State were removed and a quantity of 3,250 tons was allowed to be exported from the State.

*Kerosene.*—There was an improvement in the supply of kerosene, the releases to the State having been increased by 9 per cent of the 1941 supplies.

9. *Other Controlled Commodities.*—The department continued to exercise control over the export of tamarind, chillies, coriander, potatoes, onions, sweet potatoes, vegetable oils and oil seeds of all kinds. For this purpose the above commodities were classified as (1) articles in respect of which the State is deficit, (2) articles which are surplus in the State, *viz.*, groundnut seed, cotton seed, tamarind, horsegram, gingelly or "achellu." The export of the articles coming under the first category was absolutely prohibited and that of articles under the second category limited to the surplus available. It is observed from the report that the Director of Food Supplies has addressed the Industries and Commerce Department in the matter of encouraging the oil crushing industry, so that all the gingelly oil seed produced in the State may be crushed in the State and only the oil exported from the State. The Director of Industries and Commerce is requested to take necessary action in this direction early.

10. *Fuel Supplies.*—To prevent the recurrence of the fuel crisis that occurred during the early part of 1944 in Bangalore City, the supply and distribution of fuel and charcoal was taken over by Government and a Special Officer for Fuel Supplies was appointed. Reserves were built up and distribution through Government depots, co-operative societies and licensed dealers was arranged. When the position had been brought under control, the procurement of firewood was entrusted to a private company and the arrangement is stated to be working satisfactorily.

11. *Food Councils and Food Wardens.*—The several Food Councils in the State met at intervals and extended their help and co-operation in the day to day administration of food problems.

12. *Cattle, Sheep and Goats.*—The Food Supplies Department was also entrusted with the work of regulating the movement of cattle from the State to the adjoining areas, which in normal times used to get their supplies from Mysore. Owing to the depletion of the cattle wealth of the State on account of mortality due to rinderpest and the demands of the Army stationed in Mysore, Major Simpson, retired Superintendent of the Veterinary Department, was placed on special duty to review the cattle position in the State and suggest the means of arresting further depletion and improving the cattle wealth of the State. The Government have since passed orders on his report prohibiting the slaughter of cows and buffaloes below 15 years of age and of bulls, bullocks and he-buffaloes below 10 years of age. The export of cattle, sheep and goats from the State is controlled by permits and is limited to the quotas sanctioned by Government.

The export of poultry from the State was prohibited except under permits issued by the Deputy Commissioners of Districts.

*The Joint Defence Co-ordination Committee and the Combined Cattle Board.*—Both the above bodies were set up by the Government of India and the Director of Food Supplies represented the State on them. The Joint Defence Co-ordination Committee dealt with measures for co-ordinating the purchase of protective foodstuffs for the use of the military in civil markets. On the recommendation of this committee, the purchase of fresh milk by contractors for supplies to military camps within the limits of the Bangalore City Municipality and five miles beyond was prohibited by the Army authorities to relieve the strain on fresh milk supply to the citizens. Vegetables in surplus with the Military were released for civilian consumption at low prices. A sub-committee of the Joint Defence Co-ordination Committee was formed for the Mysore State, of which the Director of Food Supplies was the Chairman, and having on it representatives of the Southern Army Headquarters in Bangalore, the Civil and Military Station and the Regional Food Commissioner, Madras Region, to consider problems relating to restrictions on the slaughter of cattle and the supplies of fuel, potatoes, onions, etc., to the Army. On the recommendation of this sub-committee, surveys of the potato and minor crops were conducted and supplies to the Army were regulated on the basis of these surveys.

13. *Standard Cloth.*—The Director of Textiles in Mysore continued to be in charge of the Standard Cloth Scheme as Secretary to the Standard Cloth Advisory Committee functioning under Food Supplies Department. This arrangement was continued till the 14th November 1944, when the Director of Textiles was appointed as Chairman of the Standard Cloth Advisory Committee and in sole administrative charge of the scheme.

Including the balance of the previous year, 10,293,665 yards of standard cloth were offered for sale, of which 8,638,420 yards were sold during the year through Government depots, Co-operative Societies and licensed cloth dealers of repute.

14. Government are glad to observe that the administration of the department during 1944-45 was satisfactory.

### REVENUE SECRETARIAT

### Reviews the Report on the Administration of the Excise Department.

READ—

Letter No. B. 3-367—45, dated 16th November 1945, from the Excise Commissioner in Mysore forwarding report on the Administration of the Excise Department for the year 1944-45 together with the prescribed statistical statements.

ORDER NO. S. R. 4986-97—EX. 5-45-2, DATED BANGALORE, THE 22ND APRIL 1946.

Recorded.

*Country Spirits.*— The contract of the Mysore Sugar Co., Ltd., Bangalore, for the manufacture and supply of liquors from their Distillery at Mandya having expired on 30th September 1944, it was further extended till the end of June 1945.

The number of shops licensed for the retail sale of country arrack was 528 (526) and the issues to them were 3[illegible],612 (366,629) gallons. Two shops, one in Mysore District and the other in Chitaldrug District, were newly opened. There was an increase of 4,983 gallons which was contributed by the Districts of Bangalore and Mandya while there was a fall in consumption in the other districts. The increase in Bangalore was due to the continuance of the military camps and the influx of labour population. The marked decrease in the Districts of Shimoga, Mysore, Kolar and Hassan was accounted for partly by the high vend rates prevailing in these places and partly by the increase in the consumption of toddy. The total issues of rectified spirits from the Distillery were 13,474 (19,646) gallons and of this quantity, 11,156 (7,206) gallons was issued to local licensees and industrial concerns and the balance of 2,318 (12,440) gallons for export outside the State. The decrease in exports was attributed to the paucity of molasses in the Distillery. The issues of denatured spirits from the Distillery for local consumption were 3,349·0 (10,546·3) gallons and the quantity exported was 395 gallons. The number of shops licensed for the sale of special liquors and jaggery arrack was 28, the same as in the previous year.

*Toddy.*—There were 1,819 (1,822) shops for the sale of date and cocoanut toddy and 363 (364) for the sale of bagani toddy. The number of toddy yielding trees licensed both in the State and outside was 345,065 (339,501).

*Malt Liquors and Foreign Spirits.*—The number of licenses issued exclusively for the sale of country beer continued to be three. The consumption of beer amounted to 188,410 gallons, of which 152,786 gallons were consumed in Military Canteens and the remaining 35,624 gallons were sold by the several licensees in the State. The revenue derived from malt liquors was Rs. 62,069. The consumption of foreign liquors was 9,789 (5,410) gallons. The revenue realised therefrom was Rs. 59,016.

*Ganja and Opium.*—There were 260 (259) shops licensed for the sale of Ganja. The consumption was 8,935 (8,805) seers. The revenue derived from Ganja and Opium amounted to Rs. 9,83,526 and Rs. 1,24,265, respectively. The number of shops licensed for the sale of opium continued to be 85 and the consumption was 452 (654) seers.

*Excise Offences.*—The number of cases relating to illicit distillation and kindred offences increased from 197 to 289 during the year, the largest number of cases being reported from the Shimoga District. Four thousand six hundred and forty-nine (4,966) cases reported under the Excise Opium Laws were registered during the year. Including the pending cases, the total number of cases for disposal was 5,033 (5,406). Of these, 4,305 cases were disposed of departmentally and 397 were sent up for trial in Courts leaving 333 cases pending disposal at the end of the year. Fines or composition fees were levied in 3,949 cases and the realisations on this account amounted to Rs. 18,341. The expenditure incurred under "Secret Service and Rewards" amounted to Rs. 555. The periodical publication of the Excise Supplement of the *Mysore Gazette* was continued.

*Licenses for Rectified Spirit.*—The number of licenses issued to Chemists and Druggists and charitable institutions and industrial concerns was 4[illegible]6.

*Finances.*—The total demand under Excise revenue inclusive of the arrears of Rs. 13,827 amounted to Rs. 1,78,89,460 of which a sum of Rs. 1,78,07,107 (Rs. 1,24,14,911) towards current demand and a sum of Rs. 4,961 (Rs. 11,133) towards old arrears were collected and a sum of Rs. 4,214 was remitted, leaving a balance of Rs. 73,178 at the end of the year. The expenditure of the department amounted to Rs. 4,85,030 (Rs. 4,45,016). The incidence of taxation per head of the population was Rs. 2-5-7 (Rs. 1-10-5). The amount refunded to privileged inamdars on account of toddy revenue was Rs. 62,432 (Rs. 85,893).

*Prohibition.*—The experimental scheme of prohibition in the Rural Welfare Centre of Closepet and Chennapatna Taluks was continued during the year. The shops in this area were gradually closed as a result of which there were no shops in Channapatna Taluk. There were only one arrack, one Ganja and two toddy shops in Closepet Taluk.

*General.*—The Act providing for the levy of excise duties on betelnut, coffee and tea was passed in August 1944. Three District Excise Officers were appointed with necessary subordinate staff to deal with the work connected with this Act.

The rates for the price and duty payable by the licensees and the retail selling rates of special liquors prescribed by Government in March 1944 were continued during the year. The duty on Ganja was further enhanced to Rs. 55 per seer of 80 tolas from the 1st July 1945 and the minimum selling price was enhanced to Re 0-14-8 per tola. The issue price of Ganja fixed at Rs. 2-8-0 per seer of 80 tolas continued to be in force. The issue price of molasses arrack of 35° U. P. fixed at Rs. 2-8-0 per gallon continued to be in force. The issue price of opium was raised to Rs. 140 per seer of 80 tolas from 1st July 1945 and the minimum selling rate of the same was fixed at Rs. 2-4-0 per tola. The duty on imports of Indian-made foreign liquors was enhanced to Rs. 30 per proof gallon.

*Observation.*—The working of the department was generally satisfactory.

J. B. MALLARADHYA, *Rev. Secy.*

### Opening an Agricultural Experimental Farm at Anandapuram.

READ—

Letter No. Fl. 96—45-46, dated 23rd February 1945, from the Director of Agriculture in Mysore, submitting proposals for opening an Agricultural Experimental Farm at Kenchigepura Yadehalli near Anandapuram, Shimoga District.

2. Correspondence ending with letter No. L. Dis. C. 3355—44-45, dated 30th June 1945, from the Revenue Commissioner in Mysore, stating that S. Nos. 165, 167 and 168 of Kenchigepura Yadehalli in Sagar Taluk are available for being placed at the disposal of the Agricultural Department for opening an Agricultural Experimental Farm.

3. Un-official Note No. E. C. F. 906, dated 3rd December 1945, from the Commissioner of Economic Development and Planning, forwarding the resolution of the Board of Agriculture of the Economic Conference held on 8th November 1945 regarding the opening of an experimental farm at Anandapuram.

ORDER No. A. F. 6060-65—AGRI. 194-44-4, DATED BANGALORE, THE 21ST MAY 1946.

It is reported by the Director of Agriculture that out of the total area of about 7½ lakhs of acres under paddy cultivation in the State more than half the area lies in the malnad districts of Shimoga, Kadur and Hassan, the cultivation of which depends mainly on the seasonal rainfall. The average production per acre of paddy in this area has not been more than five pallas per acre at any time. The experience gained by the department during the preceding years in the malnad tracts has revealed that there are many possibilities of increasing the yield of paddy per acre by using suitable strains. Some of the strains evolved on the Bikli Paddy Experimental Station have given consistently good yields varying from 18 to 22 pallas per acre. It has been further discovered that any one strain suited for a particular locality cannot be automatically recommended for all the localities comprising the Malnad as the seasonal conditions, soil classification and other governing causes and rainfall and altitude are not all quite similar and react differently to various strains. The Director has therefore proposed the opening of an Experimental Farm on an area of about 30 acres of Government lands, both wet and dry, in Survey Nos. 165, 167 and 168 of Kenchigepura Yadehalli near Anandapuram, Shimoga District, at a recurring cost of Rs. 6,300 and a non-recurring expenditure of Rs. 18,750 as detailed in the appended statement.

The Revenue Commissioner who was consulted has stated that these S. Nos. are available for this purpose. The Board of Agriculture have approved of the scheme and recommended its adoption.

In the circumstances mentioned, Government are pleased to accord sanction to the above scheme.

The expenditure on this account during the current year will be met from the provision of Rs. 20,000 made under "27. Agril.—Demonstration and Experiments—Additional Paddy Breeding Stations."

The Comptroller to Government is requested to make necessary provision in this account in the budget of 1946-47 and following years.

The Revenue Commissioner is requested to hand over possession of the S. Nos. 165, 167 and 168 of Kenchigepura Yadehalli near Anandapuram, Shimoga District, to the Agricultural Department forthwith.

MOHAMED ISMAIL SHERIFF, *Genl. Secy.*

## EDUCATION SECRETARIAT

### Directs the payment of half the actual rates of dearness allowances sanctioned by the managements of certain Aided Institutions subject to a maximum of Rs. 5 per head.

READ—

Government Order No. E. 5947-8—Edn. 42-42-104, dated 27th May 1944, sanctioning, among others, payment of grant towards dearness allowance from 1st January 1944 to the end of June 1944, to the training substitutes, employees of Government Hostels, Municipal High Schools, Aided Institutions under Private Management and *Sanskrit Patasalas* in the State subject to certain conditions.

2. The undermentioned Government Orders, sanctioning the continuance, from time to time until further orders, of the payment of grant towards dearness allowance sanctioned in the Government Order read above,—

(1) Government Order No. E. 533-4 Edn. 42-42-106, dated 27th July 1944.
(2) Government Order No. E. 3791-2—Edn. 135-44-2, dated 1st February 1945.
(3) Government Order No. E. 5305-6—Edn. 135-44-6, dated 30th April 1945.
3. Government Order No. Fl. 4152-1215—S. & A. 160 44-1, dated 27th March 1945, sanctioning, among others, enhanced rates of dearness allowance to employees in the several Departments of Government with effect from 1st January 1945 until further orders.
4. Government Order No. E. 2035-36—Edn. 135-44-10, dated 18th October 1945, sanctioning the enhancement of the rate of grant towards dearness allowance to the employees, referred to in the Government Order, dated 27th May 1944 read above, by rupee one per head per mensem uniformly with effect from 1st January 1945 subject to the conditions specified in the Government Orders read above.
5. Letter No. D1. 2803-105 of 45-46, dated 16th March 1946, from the Director of Public Instruction, in the matter of enhancement of the rate of grant towards dearness allowance to the employees of schools under private managements.

ORDER NO. E. 7235-6—EDN. 110-45-30, DATED BANGALORE, THE 21ST MAY 1946.

The Director reports that while teachers in aided institutions are asking for higher rates of dearness allowance, the managements are unable to pay the dearness allowance at the rates sanctioned to Government employees as their share of the cost with the existing rates of grants for the purpose will be too heavy for them to bear. He states that it is desirable that the grant towards dearness allowance should be at least half the actual cost, so that the managements may be encouraged thereby to meet the reasonable demand made by their employees for enhancement of the dearness allowance.

The Director, therefore, recommends sanction to the payment, with effect from 1st January 1946, of grant towards dearness allowance to the employees of all the types of aided institutions, referred to in the Government Order, dated 27th May 1944 read above, at half the actual rates of allowances sanctioned by the managements subject to the limit of the maximum of the scales sanctioned to Government employees at Bangalore and other places, the other conditions specified in the Government Orders read above being observed. The extra cost on this account is estimated to be Rs. 36,000 (rupees thirty-six thousand only) per annum.

Government are pleased to sanction the recommendation of the Director of Public Instruction to pay half the actual rates of dearness allowances sanctioned by the managements subject to a maximum of Rs. 5 (rupees five only) per head. The extra cost during the current year will be met from the general savings in the budget of the department and necessary provision will be made in the budget of the next year.

Letter No. D 3—C 2645 of 46-47, dated the 18th March 1946, from the Deputy Commissioner, Mysore District, Mysore, forwarding the resolution of the Town Municipal Council, Chamarajanagar, recommending the grant of House Building Advance up to two years' pay to the officials of Chamarajanagar Town similar to the concessions allowed to officers residing in the cities like Mysore and towns like Krishnarajanagar.

ORDER NO. FL. 8516-80—G. F. 309-45-2, DATED BANGALORE, THE 29TH MAY 1946.

According to the existing rules, advances up to oney ear's pay are admissible to all officers of Government for building or purchasing houses for their residence in all places in the State, where no suitable houses are available or where house rent is exceptionally high.

In the case of a few places like Bangalore City, Mysore, Krishnarajanagar and Chitaldrug, advances are allowed to officers up to a limit of two years' pay to build houses in the extensions of these towns and cities.

As Government consider that it is desirable to encourage the construction of houses in all the important towns throughout the State, they are pleased to extend the benefit of granting advances for building houses up to two years' pay in respect of all the Taluk and District Headquarters of the State.

The Comptroller to Government is requested to issue necessary amendments to Mysore Civil Account Code, Volume I.

## PUBLIC WORKS SECRETARIAT

**Reviews the report on the working of the Public Works Department pertaining to Roads and Buildings for the year 1944-45.**

READ—

Report on the working of the Public Works Department pertaining to Roads and Buildings for the year 1944-45 received from the Chief Engineer for Roads and Buildings with his letter No. 3570, dated 1st November 1945.

ORDER No. P. W. 7985-8005—R. & B. 78-45-2, DATED BANGALORE, THE 13TH MAY 1946.

Recorded.

2. *Rajasevasakta* N. V. Bapat, B.A., C.E., continued as Chief Engineer for Roads and Buildings throughout the year except for a period of 15 days from 21st May 1945 when he proceeded on privilege leave. During this period, Mr. M. Narasimhaiya, B.A., C.E., M.I.E. (Ind.), Chief Engineer for Irrigation, was in charge of the Office of the Chief Engineer for Roads and Buildings also.

Dr. O. H. Koenigsberger, Dipl. Eng., Dr. Eng. (Berlin), continued to be the Architect throughout the year except for a period of 20 days from 9th June 1945 when he proceeded on privilege leave. During this period, Mr. M. Ramachandra Rao, G.D. Arch., A.I.I.A., Acting Assistant Architect, was in charge of the Office of the Architect.

*Grant and Outlay.*—The final grant for the several works, the execution of which was entrusted to the Public Works Department (Roads and Buildings), was Rs. 1,12,59,696 as against the grant of Rs. 67,70,880 during 1943-44. An outlay of Rs. 1,14,04,603 was incurred during the year, including the expenditure on contribution works and those pertaining to the District Boards. The expenditure was more than the grant by Rs. 1,44,907.

The aggregate grant from State Funds for works proper was Rs. 75,95,500 against which an outlay of Rs. 70,23,972 was incurred resulting in a lapse of Rs. 5,71,528.

*Buildings.*—The expenditure on buildings amounted to Rs. 13,66,441, of which Rs. 10,53,093 was on original works and Rs. 2,57,775 on repairs.

About 900 drawings were prepared by the Architect's Section at an average of three drawings per design in addition to the preparation and scrutiny of designs for several buildings of all the departments. Several important major schemes under Town Planning were also dealt with.

The important building works completed during the year or nearing completion and in progress were the following :—

Construction of living quarters in the Provincial Reserve Police Lines at Bangalore, Tuberculosis Sanatorium near the Mental Hospital, Bangalore, Sri Jayachamarajendra Institute of Indian Medicine at Bangalore, Sri Jayachamarajendra Victory Hall at Bangalore, Sri Jayachamarajendra Occupational Institute at Bangalore, Transformer Hall in the Government Electric Factory at Bangalore, Factory Type Machine Shed in the Government Printing Press at Bangalore, New Infantry Lines at Mysore, Canopy over the statue of His Highness the late Maharaja of Mysore, Extension of the Administrative Block of P. K. Sanatorium at Mysore, Construction of Nurses' quarters attached to Sri Krishnarajendra Hospital at Mysore, General Hospital at Tumkur, Infantry Lines at Bhadravati, Food Godowns at Shimoga, Sagar and Bhadravati, Sri Chamarajendra Hospital at Hassan, Col. Crawford Hospital at Saklespur, and the Radio Broadcasting Station at Mysore.

The progress on building works was impeded to a certain extent by the prevalence of war conditions, resulting in the scarcity and high cost of building materials and dearth of both skilled and unskilled labour.

Donations to the extent of Rs. 1,65,596 were received from philanthropists during the year on the construction of public buildings, such as, hospitals, dispensaries and maternity homes.

*Communications—Roads and Bridges.*—The expenditure under this head amounted to Rs. 44,74,909, of which a sum of Rs. 37,69,906 was spent on ordinary and special repairs of roads and bridges.

A total length of 2,675 9/16 miles of State Fund Roads was maintained during the year, of which 2,243½ miles are metalled roads. The expenditure incurred on annual maintenance and special repairs of these roads was Rs. 20,88,9 The average cost of maintenance works out to Rs. 781 per mile.

A total length of 1,788¼ miles of Marketing roads was maintained, of which 1,586 3/8 miles are metalled roads. The outlay incurred on annual maintenance of these roads was Rs. 6,04,912. The average cost per mile is Rs. 338.

The total length of District Fund Roads maintained during the year was 1,810¾ miles, of which 1,222 3/8 miles are metalled roads. The outlay incurred on annual maintenance and special repairs of these roads was Rs. 2,91,932. The average cost of maintenance amounted to Rs. 161 per mile.

Owing to abnormal increase in traffic, particularly of military vehicles on all the roads especially round Bangalore, the roads got deteriorated considerably and due to the restricted supply of bitumen it was not possible to maintain the tarred surface to the required standard. The priority roads of strategic importance were taken up for reconditioning at a total cost of Rs. 2,117 lakhs (half the cost being borne by the Government of India) and the work was in progress.

*Cement Concreting of Roads.*—A length of 152 miles of important trunk roads has been arranged to be cement-concreted on a five-year programme. The work was in progress on the Bangalore-Tumkur road and on the Bangalore-Mysore road, the total length concreted on both the roads being about 10 miles.

*Aerodromes.*—The formation of an Aerodrome near Mandakally on Bangalore-Nilgiri Road was completed in all respects.

*Inter-village Roads.*—A total length of 457 miles had been formed to end of the year under Inter-village Communications.

*Bridges.*—The important bridge works that were in progress during the year were the following :—

Construction of (1) a bridge across the Bhadra river near Kalasa, (2) bridge across the Bhadra river near Holehonnur, and (3) bridge across Nelligundihalla on Jaipur-Sringeri Road.

The construction of a bridge across the Arkavathi river near Kankanhalli was sanctioned and the foundation stone for the bridge was graciously laid by His Highness the Maharaja in December 1944.

*Bureau of Sanitary Engineering.*—Twenty-six works relating to drainage were in progress, the outlay incurred thereon being Rs. 3,12,080. Thirty-nine items relating to sanitary fittings to buildings were also completed with a total outlay of Rs. 36,179.

*Revenue.*—The revenue realised during the year under XIX Civil Works was Rs. 1,29,448 in respect of rent of buildings, staging bungalow fees, etc.

*Condition of Accounts.*—The condition of accounts in the several divisions of the Mysore Circle and in the Cement Concreting and Roads Conditioning Divisions was fairly satisfactory. The accounts works in Shimoga, Kadur and Chitaldrug Divisions were in heavy arrears due to inadequate and inexperienced staff. Steps should be taken to clear the arrears early and bring the accounts in the Divisions up-to-date.

*Schedule of Rates.*—In the Mysore and Shimoga Circles, revised schedule of rates were got up and approved by the Chief Engineer.

*Work of the Department.*—In spite of several adverse circumstances on account of war conditions, the work of the department continued to be generally satisfactory.

## IMPORTANT GOVERNMENT ORDERS

### GENERAL DEPARTMENT

### Reviews the Annual Report on the Administration of the Labour Department during the year ended 30th June 1945.

READ—

Letter No. A. 1196—44-45, dated 17th December 1945, from the Commissioner of Labour in Mysore, submitting a report on the administration of the Labour Department during the year ended with 30th June 1945.

ORDER NO. S. R. 5697-99—LAW. 71-45-2, DATED BANGALORE, THE 5TH JUNE 1946.

Recorded.

*General.*—Labour conditions in the State were generally peaceful except in the Kolar Gold Field where the employees numbering about 18,000 went on strike for about a month from the third week of May 1945 as a result of the failure of conciliation proceedings regarding their demands for increased rate of wages, service gratuity and a change in the Standing Orders. The employees resumed work, following the reference of the dispute to a Court of Arbitration.

*Damage at Sivasamudram.*—The conditions of depression caused by the stoppage of electric power due to the damage to the generating station at Sivasamudram during the close of the year 1943-44 showed rapid revival with the expeditious repair of the power plant at Sivasamudram and restoration of power supply. By the end of December 1944, most of the thrown-out employees had resumed their original occupations in the several industrial undertakings. The unemployed workers of the Kolar Gold Field numbering about 1,500 who had been sent to the collieries in Bihar and Orissa also returned to the fields at the commencement of the year and resumed their employment.

*Employment Exchange.*—The Employment Exchange started in June 1944 has been found to be greatly useful in supplying the required men to the industrial concerns engaged in War effort and in serving as an Information Bureau to both the workers and employers. The number of persons registered at the Exchange was 1,043, the number of demands placed by the employing agencies was 1,481 and the number of persons referred to employers was 919. Definite programmes with regard to the absorption of the ex-service men and demobilised personnel have been chalked out and will be put into operation on the lines indicated by the Government of India.

The Unskilled Labour Committee gave useful suggestions or recruitment of unskilled labour for military works.

*Labour Welfare.*—The provision of amenities and welfare measures continued to receive the constant attention of the employers of labour in the State, as a result of intervention and guidance of the department. Some of the welfare measures recommended by the department were the following:—

(1) Starting of industrial canteens for the supply of healthy cooked food either free or on the basis of payment (payment meaning supply of food at net cost).

(2) Housing.

(3) Concessions in the matter of service taxes to canteens run departmentally by the industrial workers and free supply of electricity to canteens, tea-rooms, refreshment rooms, tiffin rooms, and lunch rooms, according to the procedure followed by the Government of India.

(4) Free Medical Aid.

(5) Co-operative Societies attached to industrial concerns for supply of food grains.

(6) Recreation and Sports Club.

(7) Free Reading Rooms and Library.

In addition to the welfare amenities provided by the industrial concerns, the two model labour recreation centres run by the department in the working class areas in Bangalore City continued to attract about 800 to 1,000 labourers every day. Indoor games, Bhajana parties, reading rooms and libraries provided at each centre are growing in popularity. As a result, the registered labour associations are coming forward to start similar centres under their auspices, and have represented the need for and grant of subsidies as funds at their disposal are inadequate.

*Labour Associations.*—At the beginning of the year, there were fifty-two associations of employees registered under the Mysore Labour Act. During the year, six more associations were registered, bringing the total number of associations to 58 at the close of the year, with a total membership of 27,962. Of these, 12 associations belonged to Government Industrial Concerns and 46 to private concerns run on joint-stock basis.

The total receipts of Labour Associations amounted to Rs. 49,209-12-8 and expenditure to Rs. 2,662-1-2 during the year under report, as against Rs. 51,742-0-0 and Rs. 34,374-3-11, respectively, during the previous year.

*Standing Orders.*—Standing Orders in respect of 52 industrial undertakings had been settled and in respect of six Labour Associations registered during the year were under settlement.

*Industrial Disputes.*—Seven industrial disputes were pending with the Chief Conciliator at the beginning of the year. During the year, 48 cases were referred to him, thus bringing the total number of cases for disposal to 55. Out of these, settlements were reached in three cases, four cases were withdrawn, failure reports were published in 20 cases and 28 cases were pending. Four industrial disputes in which conciliation proceedings failed were referred to the Court of Arbitration.

*Workmen's Compensation Act.*—There were in all 3,278 (3,329) cases of injuries by accidents during the year in respect of which compensation paid under the Mysore Workmen's Compensation Act amounted to Rs. 3,73,838 (Rs. 1,97,929). Out of these, compensation paid in respect of occupational diseases, particularly silicosis in the Kolar Gold Fields, amounted to Rs. 2,72,124. The question of appointing a medical officer for conducting survey of occupational diseases is under the consideration of Government.

*Maternity Benefit Act.*—The provisions of the Mysore Maternity Benefit Act were extended to the Mining Areas also during the year under report.

*Labour Welfare Board.*—The Labour Welfare Board met twice during the year and reviewed the labour conditions. The following were some of the important subjects considered by the Board :—

(1) Starting of industrial canteens either free or on the basis of payment at net cost in such of the industrial concerns as had not started industrial canteens.

(2) Starting of a labour journal.

(3) Training classes in spinning and mat weaving at Kolar Gold Fields.

(4) Housing of industrial labour in Bangalore and Mysore Cities.

(5) Introduction of legislation to fix minimum wage to workers engaged in sweated industries.

(6) Compulsory insurance of liability under the Workmen's Compensation Act.

(7) Revision of the Indian Trade Disputes Act.

(8) Participation of States in the Sickness Insurance Scheme for industrial labour in India.

(9) Organisation of employment in the transition period from war to peace.

(10) Concessions in the matter of service taxes to canteens run departmentally.

*Labour Legislation.*—The enactment of legislation regarding the employment of children in factories, the amendment of labour laws and the question of conducting a survey of occupational diseases in the State with a view to extending legislation are among the items engaging the attention of Government.

A committee has been appointed to consider the amendment of labour laws in certain respects. The committee is also considering proposals for unemployment insurance.

*War Production.*—The value of war orders received by the several industrial concerns engaged in war production during the year amounted to Rs. 1·91 crores. Industrial workers were given facilities in securing food grains through the Co-operative Societies functioning under the control of the arge industrial undertakings.

There was appreciable improvement in the earnings of industrial workers.

*Labour Conference.*—The department took part in the deliberations of the All-India Labour Conference and Standing Labour Committee convened by the Government of India at New Delhi.

With the reorganisation of the department on a permanent basis, it is hoped that it will tackle all post-war labour problems, and bridge the gulf between the labour and capital by creating harmony and amicability between the two.

## EDUCATION SECRETARIAT

### Sanctions the opening of a Municipal High School at Vadigenahalli, Devanahalli Taluk, with effect from the school year 1946-47.

READ—

Letter No. Dl. 2697-96—45-46, dated the 21st March 1946, from the Director of Public Instruction in Mysore regarding the opening of a Municipal High School at Vadigenahalli, Devanahalli Taluk.

ORDER NO. E. 7456-7—EDN. 44-45-24, DATED BANGALORE, THE 27TH MAY 1946.

The Director of Public Instruction, agreeing with the Deputy Commissioner, Bangalore District, states that there is need for a High School at Vadigenahalli, Devanahalli Taluk. The Municipal Council, Vadigenahalli, are agreeable to meet their share of the recurring and non-recurring cost of the school. They have also agreed to deposit the guarantee fund of Rs. 5,000. The District Board, Bangalore District, have agreed to make a contribution of Rs. 300 during 1946-47, Rs. 400 during 1947-48 and Rs. 500 during 1948-49 for the High School.

A sum of Rs. 25,000 has already been collected from public subscriptions for putting up a suitable building for the school and a further sum of Rs. 5,000 is proposed to be collected for the purpose. Till the new building is constructed, the Municipal Council are agreeable to take up a building on rent for housing the school and to meet the cost thereof.

In the circumstances, the Director of Public Instruction recommends that a Municipal High School with only one section in the First year class may be sanctioned to Vadigenahalli with effect from the school year 1946-47, the second and the third year classes being opened during the years 1947-48 and 1948-49, respectively.

The recommendation of the Director of Public Instruction is sanctioned. The cost during the year 1946-47, namely, Rs. 960 (Rupees nine hundred and sixty) per annum recurring and Rs. 1,500 (Rupees one thousand and five hundred) non-recurring will be met from the lumpsum provision that will be made in the budget for the purpose and necessary provision will be made in the budgets of the subsequent years. The details of the classes to be started, expenditure, fee income, grants from Government, etc., are shown in the statement appended hereto.

3. Government Order No. P. 5477-8—Pol. 106-37-5, dated 2nd April 1938, sanctioning *inter alia* an incremental scale of pay to the Provincial Reserve Police Constables from Rs. 15 to Rs 18.

4. Government Order No. P. 6081-90—Pol. 42-38-5, dated 16th June 1939, sanctioning the same incremental scale of pay to the Regular Constables.

5. Correspondence ending with Letters No. A. C. 1805—45-46, dated 14th March 1946 and 2nd April 1946, from the Inspector-General of Police, forwarding detailed proposals for the revision of the scales of pay of the subordinate Police Staff.

ORDER No. P. 6829-39—POL. 175-45-8, DATED BANGALORE, THE 11TH JUNE 1946.

The scales of pay of the subordinate Police Staff were last revised and improved in 1932 and the pay of the Constables was further improved in 1938 and 1939 providing an incremental scale of pay from Rs. 15 to Rs. 18. Several representations have since been made that the existing scales of pay are very low and that with a view to inducing the subordinate staff to take more interest in their work, the scales of pay should be suitably raised so as to make them more attractive and keep the executive staff of the department contented and above temptation. The Inspector-General of Police was requested to examine the question and send up suitable proposals for the consideration of Government.

The permanent and temporary strength of the Civil and Armed Police Force is as follows :—

CIVIL POLICE.

| | Police Constables | Daffedars | Jamedars | Sub-Inspectors | Traffic Head Constables | Sergeants | Police Inspectors |
|---|---|---|---|---|---|---|---|
| Permanent ... | 5,225 | 632 | 43 | 213 | 11 | 5 | 105 |
| Temporary ... | 1,945 | 248 | 15 | 86 | ... | 2 | 21 |

RESERVE POLICE.

| | Police Constables | Naiks | Havildars | Subedars | Sub-Major | Police Inspectors |
|---|---|---|---|---|---|---|
| Permanent ... | 641 | 51 | 31 | 9 | 3 | 4 |
| Temporary ... | 1,211 | 94 | 57 | 42 | 8 | 9 |

The Inspector-General of Police has submitted the following proposals for the revision of the scales of pay of the subordinate staff in the different cadres.

I. CIVIL POLICE.

*Constables.*—The present scale of pay of the constables is Rs. 15 on entertainment, Rs. 16 after 7 years of service, Rs. 17 after 13 years of service and Rs. 18 after a service of 20 years.

The Inspector-General of Police proposes that the basic pay of the constable should be raised from Rs. 15 to Rs. 18 with an increment of Re. 1 after every three years of approved service till a maximum of Rs. 22 is reached ; and

that the local allowance of Re. 1 per mensem now paid to the constables of the Bangalore and Mysore City Police and such of the men of Bangalore and Mysore Districts and the Railway Police who have their Headquarters at Bangalore and Mysore should be raised to Rs. 2 per mensem, this allowance being termed as 'City allowance'. It is also proposed to grant the constables an allowance of Re. 1 per mensem for the upkeep of their uniform. The house rent of Rs. 3 per mensem now paid to the constables in Bangalore City in lieu of free quarters is proposed to be extended to the constables in Mysore City and Kolar Gold Fields including Bowringpet Town and to the Railway Police Constables in these places. The local allowance of Re. 1 per mensem now paid in all other localities such as Davangere Taluk, Harihar Taluk, Krishnarajasagar and the Malnad and Ghat batta is proposed to be discontinued.

*Daffedars.*—This cadre of officers now consists of five grades on Rs. 21, Rs. 23, Rs. 25, Rs. 27 and Rs. 30, the number in each grade being in the ratio 5½ : 4 : 3 : 2 : 1. The Inspector-General of Police proposes to have only three grades of this class of officers on a pay of Rs. 25, Rs. 30 and Rs. 35 in the ratio 3 : 2 : 1. It is proposed to pay them an allowance of Rs. 2 per mensem for the upkeep of their uniform. It is further suggested that the house rent of Rs. 3 that is now being paid to Daffedars in Bangalore City who are not provided with quarters be increased to Rs. 5 and that this concession be extended also to such of the Daffedars in Mysore City and Kolar Gold Fields (including Bowringpet Town) as are not provided with quarters including Railway Police Daffedars in these places.

The local allowance of Rs. 2 per mensem now paid to them in Bangalore and Mysore Cities and other places and the Malnad and Ghat batta paid in other localities is proposed to be discontinued.

*Jamedars.*—The total number of Jamedars on Rs. 32 and Rs. 35 (who are divided into two grades) is 43. It is proposed to raise their pay to Rs. 40 per mensem.

*Sub-Inspectors.*—They are now in four grades on a pay of Rs. 50, Rs. 60, Rs. 70 and Rs. 80, their proportion in each grade being 4 : 3 : 2 : 1. The Inspector-General of Police suggests that their minimum pay may be increased from Rs. 50 to Rs. 60 and spread over four grades on Rs. 60, Rs. 70, Rs. 80 and Rs. 90 in the proportion of 4 : 3 : 2 : 1.

*Police Inspectors.*—There are three grades in the Inspectorate on Rs. 100, Rs. 125 and Rs. 150, respectively. It is proposed that these may be revised to Rs. 125, Rs. 150 and Rs. 175, respectively, the number in each grade being fixed in the ratio of 3 : 2 : 1.

II. ARMED RESERVE POLICE.

*Constables.*—The same scale of pay together with the local and uniform allowances of Rs. 2 and Re. 1, respectively, as suggested in the case of the Civil Police is recommended for the Constabulary in the Armed Reserve with an addition of Rs. 5 as Special Armed Reserve allowance. The local allowance of Rs. 2 is proposed to be continued irrespective of the places in which the constables are stationed and a house rent allowance of Rs. 3 per mensem is proposed to be granted to such of them as are not provided with free quarters.

*Naiks.*—The present scale of pay for Naiks is Rs. 23. It is proposed to raise this to Rs. 30 as in the case of Daffedars of the 2nd grade with a uniform allowance of Rs. 2, the house rent allowance of Rs. 3 now paid being enhanced to Rs. 5 and to grant them an Armed Reserve allowance of Rs. 5 per mensem in addition.

*Havildars.*—The present scale of pay of the Havildars is Rs. 25. It is proposed to enhance this to Rs. 35 to correspond with the pay of 1st grade Daffedars with a uniform allowance of Rs. 2, the house rent allowance being enhanced to Rs. 5 and to grant them in addition Armed Reserve allowance of Rs. 5 per mensem.

*Subedars.*—The present scale of pay is Rs. 30–1–35. It is proposed to raise it to Rs. 40–1–50.

*Subedars-Major.*—The scale is Rs. 50–5–80 corresponding to that of Sub-Inspectors. It is proposed to raise it to Rs. 60–5–90.

III. TRAFFIC POLICE.

*Traffic Sergeants.*—The present scale of pay is Rs. 50–5–80. It is proposed to be revised in the same manner as that of Subedars-Major of the Armed Reserve Police to Rs. 60–5–90.

*Traffic Head Constables.*—The scale of pay at present is Rs. 30–32–1–40. It is proposed to raise this to Rs. 40–1–50 and place this cadre on a par with that of Subedars in the Armed Reserve.

The total average extra expenditure involved in these proposals will be Rs. 8,37,623 per annum as detailed below:—

| | | |
|---|---|---|
| Total—Permanent force | ... | Rs. 5,58,315 |
| Temporary force | ... | ,, 2,79,308 |

After examining the various aspects of the proposals of the Inspector-General of Police as set forth above, Government are pleased to sanction the proposals of the Inspector-General of Police with the following modifications :—

1. The Armed Reserve allowance may be reduced from Rs. 5 to Rs. 3 payable after one full year of service.
2. The scale of pay of the 2nd and the 1st grade Sub-Inspectors may be raised from Rs. 80 and Rs. 90 to Rs. 85 and Rs. 100, respectively.

The Inspector-General of Police is requested to give effect to the proposals immediately.

### Issues orders for grant of half the cost of running Free Kitchens under non-official auspices

READ—

Government Order No. SD 3287-95—A 139-43-3, dated the 19th November 1943, issuing instructions regarding the opening of free kitchens in the State with a view to help the poorest and the destitutes among the population.

2. Report No. B1. C 3440/45-15, dated the 29th May 1946, from the Director of Food Supplies recommending payment of half the cost of expenditure incurred in respect of free kitchens opened under non-official auspices.

ORDER NO. R. 9310-16—R. M. 73-45-16, DATED BANGALORE, THE 5TH JUNE 1946.

Representations have been made to Government for the starting of a larger number of Free Kitchens in the areas affected by distress for the benefit of the poor and the destitute.

2. It is reported that the working of the Free Kitchens started in the Districts of Chitaldrug, Tumkur and Kolar is satisfactory. With a view to afford further relief and encourage the starting of Free Kitchens, Government are pleased to authorise Deputy Commissioners of Districts to sanction a grant equal to half the cost of running these Free Kitchens, started under non-official auspices, subject to a maximum of Rs. 1-8-0 per head per month. The expenditure on this behalf will be met out of the grant under "25 (B) Famine Relief."

3. The Deputy Commissioners will satisfy themselves, before disbursing the amount, that the kitchens are run satisfactorily and that proper accounts are maintained.

### Sanctions the opening of a Government Girls' High School in Basavangudi, Bangalore City, with effect from the school year 1946-47.

READ—

Letters dated 22nd May 1944, 29th May 1945 and 25th September 1945, from *Dharmaprakasa* Mr. B. M. Srinivasaiah of the Mysore Chemical and Soap Works, Bombay, offering a donation of Rs. 50,000 towards the construction of a building for a Girls' High School in Basavangudi (near Sri Anjaneya Swami Temple), Bangalore City, with a request that the school be named after his parents.

2. Correspondence ending with letter No. B2 2007-81 of 1945-46, dated 11th March 1946, from the Director of Public Instruction regarding the opening of a Girls' High School at Basavangudi, Bangalore City.

ORDER NO. E. 7525-8—EDN. 199-43-15, DATED BANGALORE, THE 1ST JUNE 1946.

The Director of Public Instruction, who was consulted as to the need for a Government Girls' High School in Basavangudi, states that the enrolment in the Vani Vilas Institute and the Mahila Seva Samaj High Schools is in excess of the maximum number prescribed by the rules for the present number of sections and that at least a hundred girls can be withdrawn from these schools and admitted into the High School proposed to be opened at Basavangudi, besides a fairly large number of girls attending the Acharya Patasala. He, therefore, recommends that a High School for girls be opened in Basavangudi with all the three classes from the school year 1946-47 involving an expenditure of Rs. 8,650 per annum recurring and Rs. 6,000 non-recurring, as detailed in the statement appended. It is also stated that the donor Mr. B. M. Srinivasaiah is agreeable to provide suitable temporary accommodation in the locality for starting the Girls' High School in June 1946.

In the circumstances, the recommendation of the Director of Public Instruction is sanctioned. Necessary provision will be made in the budgets of the next and subsequent years.

The Director is requested to expedite the submission of the plan and estimate for the building to be constructed for the High School.

### Procedure in the method of presentation of Audit and Appropriation Report.

READ—

Government Order No. Fl. 266-306—G. F. 153-40-2, dated the 15th July 1941, directing that in addition to the Audit and Appropriation Report which is to be forwarded by the Comptroller for being placed before the Public Accounts Committee, an Audit Report may be submitted to Government containing a collective review of the results of audit.

2. Government Order No. Fl. 5512-15—G. F. 78-41-5, dated 28th February 1942, directing, among other things, that a half-yearly report should be forwarded to Government showing the state of work of the Central Audit Office.

3. Letter No. Fl. 2378—G. F. 149-44-2, dated 13th December 1944, to the Comptroller issuing further instructions in the matter of presenting the Audit and Appropriation Report to the Public Accounts Committee.

4. Letter No. 260—B. II, dated the 22nd November 1944, from the Comptroller to Government suggesting, for reasons stated, therein, that the Audit Report to the Executive Government may be discontinued.

5. U. O. No. 3771—Es., dated 4th June 1945, of the Comptroller on the same to Government.

ORDER NO. FL. 8840-8900—G. F. 149-44-4, DATED BANGALORE, THE 15TH JUNE 1946.

The Comptroller at present is submitting two reports to Government, *viz.*, (1) Audit Report and Appropriation Accounts for being placed before the Public Accounts Committee of the Legislative Council, and (2) Audit Report to the Executive Government containing a collective review of the results of audit. It is reported that the existing form of Audit Report to the Executive Government is too bulky and does not appear to serve any useful purpose, especially as every individual irregularity which is considered to be of sufficient importance is reported to Government by the Comptroller and orders are passed on each such individual case.

2. The following items are being included at present in the report to the Executive Government:—

(*a*) Inspection by Comptroller, Auditors of Railway and Electrical Departments and the Financial Assistant to the Education Department.

(*b*) Individual cases of financial irregularities.

(*c*) Special features relating to work of the Audit Department.

(*d*) Analysis of objections showing list of inspection reports pending for over a year, loss on account of loans, statement showing by works expenditure in excess and without estimates, etc.

3. In addition to these two reports, the Comptroller is also submitting the following reports:—

(i) Half-yearly report of the state of work in the Comptroller's Office.

(ii) Annual reports of the state work in the Railway and Electrical Audit Offices.

(iii) Administration report showing the salient features of working of the entire department submitted each half-yearly.

4. After a careful consideration of the proposals, Government agree with the opinion of the Comptroller that the Audit Report to the Executive Government in its present form be abolished and direct that in lieu of the present report and the other half-yearly and yearly reports and the administration report that are now being submitted as detailed above, the Comptroller should submit to Government not later than the 15th of February and the 15th August a report for the previous half-year, incorporating the following:—

(*a*) State of work in the central audit and subordinate audit offices—Electrical, Railways, Jog, Food Supplies and Education Departments and salient features of the administration of the departments.

The original reports of the officers concerned should also be sent up to Government with the review of the Comptroller, so that special attention may be paid to the work that is being done in these offices.

(*b*) Special features of local audit and other audit activities.

(*c*) Brief paras relating to Industrial Concerns, Higher Audit and Audit of Special schemes, etc.

5. Regarding individual cases of financial irregularities, as each individual case of sufficient consequence would have been reported to Government, it would be enough if an enclosure is included in the report giving a list of such cases and the action taken thereon.

6. The above relate only to the working of the department during the half years. In order to enable Government to have an idea of the working of the department during the year as a whole, an annual report would still be necessary. As there would, however, be no point in covering the same ground as has been set forth in the half-yearly reports, Government consider that it would be enough if the annual report is merely a brief summary of the two half-yearly reports which would have been sent in advance to Government. A skeleton form in which this report is to be submitted will separately be prescribed.

The Comptroller is also requested to send half-yearly a separate brief report in which the salient features of current revenue and expenditure should be reviewed and Revenue position summarised. Such observation as may be thought necessary should also be made in respect of any Capital or Major Head of account or on the productivity or otherwise of the outlay as may be deemed necessary.

The existing procedure regarding the preparation and submission of Audit Report and Appropriation Accounts to the Public Accounts Committee will continue.

Government Order No. E. 5-6—Edn. 142-40, dated Camp Mysore, the 13th June 1941, sanctioning among others, revision of the scales of pay of teachers of Middle Schools in the State.

2. Government Order No. E. 3783-84—Edn. 133-44-12, dated the 10th January 1946, sanctioning the conversion of the scales of pay of Primary School Teachers from Rs. 15—1—20 and Rs. 17—1—20 to Rs. 20 (fixed) per mensem.

3. Letter No. A8 2466-146—44-45, dated the 14th April 1945, from the Director of Public Instruction, regarding raising the minimum pay of Non-Graduate Teachers in Middle Schools to Rs. 25.

ORDER No. E. 7619-20—Edn. 199-44-2, DATED BANGALORE, THE 6TH JUNE 1946.

The lowest scale of pay of Non-Graduate Teachers in Middle Schools at present is Rs 20—1—25 per mensem as per Government Order of 13th June 1941 read above. There are also 25 temporary posts on Rs. 0 per mensem fixed. But the scales of pay of Primary School Teachers have been converted from Rs. 15—1—20 and Rs. 17—1—20 to Rs. 20 (fixed) per mensem as per Government Order, dated 10th January 1946, read above.

The Director of Public Instruction states that, in view of the fact that the minimum qualification prescribed for the Non-Graduate Teachers in Middle Schools is S.S.L.C. as against Vernacular Upper Primary examination for Primary School teachers and that the Middle School teachers have to do work of an advanced nature, it is necessary to raise the minimum pay of Non-Graduate Teachers in Middle Schools to Rs. 25 per mensem. He, therefore, recommends that the existing 1,781 posts of Non-Graduate Teachers on Rs. 20—1—35 be converted into posts of grade Rs. 25—1—35 and that 25 temporary posts on Rs. 20 fixed be converted into those on Rs. 25 fixed, the revision being given effect to from 1st June 1945. The extra cost involved in the proposal is Rs. 60,866-2/3 (Rupees sixty thousand eight hundred and sixty-six and two-thirds) per annum.

The recommendation of the Director of Public Instruction is sanctioned. The cost during the current year (1945-46) will be met from the sanctioned grants of the department and necessary provision will be made in the budgets of the next and subsequent years.

## Sanctions the opening of the Agricultural College from the academic year 1946-47.

READ—

Correspondence ending with letter No. F. A. 3-12—45-46, dated the 8th October 1945, from the Director of Agriculture forwarding proposals regarding starting of an Agricultural College at Bangalore.

2. Letter No. A. 100-45-46, dated the 4th January 1946, from the Superintendent, Veterinary and Animal Husbandry Services in Mysore, Bangalore, on the subject.

ORDER No. E. 7730-6—UNI. 29-45-7, DATED BANGALORE, THE 14TH JUNE 1946.

The question of inaugurating a Faculty of Agriculture and starting a College of Agriculture has been engaging the attention of the University and the Government.

2. The demand for trained personnel in the field of Agriculture has increased so greatly that it has become necessary to take up the question immediately. Among the schemes of Post-war Development, those sponsored by the Department of Agriculture, are naturally taking a very important part, and the need for highly qualified and trained men, not only to fill the higher technical posts in the department but also to raise the standards of agricultural methods and practice in the rural areas, has become more than ever imperative.

3. The time has therefore come to take up the question of starting an Agricultural College as an emergent post-war development scheme. The Director of Agriculture, who was requested to prepare a scheme, has submitted one which was considered at a meeting held on the 7th May 1946 in the Chambers of the Minister for Agriculture which was attended by the officers noted below :—

1. The Minister for Agriculture (*Chairman*).
2. The Vice-Chancellor, Mysore University.
3. The Director of Agriculture.
4. The Superintendent of Veterinary and Animal Husbandry Services.
5. *Rajasevasakta* Mr. A. K. Yegnanarayana Iyer.
6. The Secretary to Government, Education Department.

4. The following decisions were arrived at as a result of the discussion :—

(1) That an Agricultural College be started from 24th June 1946.

(2) That a wing for Veterinary Science and Animal Husbandry be also added—to commence work from the academic year 1947-48.

(3) That, while the degree in Agriculture may be conferred at the end of the College Course, the present diploma of the Agricultural School be also awarded by the University.

(4) That the University be requested to expedite the drawing up of the curriculum and scheme of examination for the College.

(5) That the course of training in the existing Vernacular Agricultural Schools in the State be uniformly fixed to spread over a period of two years, that an attempt be made to give an agricultural bias in the Secondary Education; and that in the Intermediate Colleges, subjects leading to the study of Agriculture be introduced as a part of the course of studies.

(6) That proceedings for the acquisition of 20 acres of land required in connection with the housing of, and other activities pertaining to the College be pushed through at once.

(7) That as regards permanent accommodation, plans be drawn up by the Director of Agriculture and scrutinised by the Chief Engineer for Roads and Buildings, keeping in view the need for economy consistent with efficiency, and that necessary provisions be made for the purpose in the next year's budget.

(8) That, pending the construction of permanent buildings, accommodation be immediately found for starting the College by locating it in four "Lahore" sheds to be ordered at once at a cost of Rs. 24,000 (two to be used for Hostel purposes and two for Lecture Halls, and that all the sheds be located in consultation with the Director of Agriculture in the vicinity of the Hebbal School, and

Each shed measuring 100 ft. in length, 38½ ft. in width and 17½ ft. in height and costing Rs. 6,000, Ex-Military Depot, Bangalore or Whitefield.

(9) That for the purpose of transport facilities for the staff and the students every day, to and from the Agricultural College at Hebbal and the Agricultural Laboratory situated in the City, four lorries at an approximate cost of Rs. 20,000 be indented for and converted into buses.

5. The scheme as proposed involves a non-recurring expenditure of Rs. 9,55,000 and a net recurring expenditure of Rs. 58,852 per annum as detailed in the statement appended hereto, and detailed proposals in that behalf will be further examined in due course. Government are pleased to sanction the scheme and direct that the Agricultural College be opened with effect from 24th June 1946. They are also pleased to sanction the incurring immediate y of the following items of expenditure aggregating Rs. 70,000 (approximately) :—

(1) Purchase of four "Lahore" sheds for temporarily accommodating the College Classes and Hostel at Hebbal.

(2) Purchase of four lorries for daily transport facilities to the staff and the students, to and from the College at Hebbal and the Agricultural Laborary in Bangalore City.

(3) Urgent equipment for the College, and

(4) Entertainment of minimum staff required for College work.

The amount will be met from the general savings of the sanctioned funds of the department of Agriculture during the current year.

6. Separate orders will issue as regards the management of the College and the staff, etc., required for the purpose.

7. The Department of Agriculture will at once make arrangements to affiliate the College to the University in consultation with the authorities of the University.

ORDER No. R. 9680-91 - R. M. 116-45-4, DATED BANGALORE, THE 29TH JUNE 1946.

Government are pleased to sanction the following concessions during the year 1945-46 :—

1. All Notice and Isthihar fees to be invariably remitted if the arrears are paid before the end of the official year, the power to remit such fees being vested in the Amildar.

2. In cases where lands have been brought to sale and resumed to Government for want of bids and the parties after payment of all arrears and costs, apply for restoration of khate within a reasonable time, no penalty by way of levy of an upset price or otherwise to be recovered for such restoration.

3. Forfeiture of lands for arrears of land revenue to be confined to those survey numbers in a khate on which arrears are known to have accrued.

4. Where lands are resumed to Government after forfeiture and the khatedar or other person interested applies for the restoration of one or more of the survey number or numbers, such restoration to be permitted even if the arrears on the remaining survey numbers in the khate were not cleared.

5. Deputy Commissioners to make a liberal use of the powers vested in them under Rule 35 of the rules under the Land Revenue Code as regards the remission of arrears without recourse to further process by distraint of moveables or by proceeding against the other properties of the defaulter in cases where a holding which has been forfeited for default in payment of land revenue due thereon is not sold or when the sale proceeds thereof are not sufficient to meet the arrears.

6. Notice fee leviable under Section 158, Land Revenue Code, to be fixed at four annas irrespective of the amount of revenue due.

7. Time to be allowed at the discretion of the Deputy Commissioners for the payment of land revenue in the case of persons who have to make large payments.

8. In regard to the recovery of contribution for tank restoration, where it has to be paid in instalments and also of tank maintenance advances, the Deputy Commissioners may consider the question of giving time for payment in deserving cases.

### EDUCATION SECRETARIAT

**Sanctions the opening of a Municipal High School at Mulbagal with effect from the academic year 1946-47.**

READ—

Correspondence ending with letter No. D1. 1925-72 of 45-46, dated 18th March 1946, from the Director of Public Instruction, to the Secretary to Government, Revenue Department, in the matter of opening a Municipal High School at Mulbagal.

ORDER No. E. 7862-64—EDN. 44-45-25, DATED BANGALORE, THE 22ND JUNE 1946.

It is reported that the residents of Mulbagal Town have collected from subscriptions a sum of Rs. 24,000 and a further sum of Rs. 7,000 is expected to be collected for the purpose of a Municipal High School at the place. A building at an estimated cost of Rs. 25,000 is proposed to be put up for housing the school, the cost to the extent of Rs. 15,000 being met from the subscriptions collected and from the contribution of Rs. 10,000 agreed to be made by the District Board, Kolar, for the purpose. Temporary accommodation is proposed to be provided for the school till a new building is constructed.

The Municipal Council, Mulbagal Town, have agreed to deposit a sum of Rs. 5,000 to secure the financial stability of the High School. The non-recurring cost of Rs. 3,000 required for initial equipment is proposed to be met out of the contribution of Rs. 2,000 agreed to be paid by the District Board,

Kolar, and of the subscriptions collected. The recurring cost required over and above the grant payable by the department is proposed to be met from the Municipal Funds and the contribution of Rs. 100 per mensem agreed to be paid by the District Board, Kolar.

The Director states that the Town Municipal Council, Mulbagal, have proposed to invest under Charitable Endowment Deposits a sum of Rs. 15,000 out of the total anticipated subscription of Rs. 31,000 with a view to meet a portion of the recurring cost of the school out of the annual interest derived therefrom and that this proposal may be accepted.

The Director of Public Instruction, agreeing with the Deputy Commissioner, Kolar District, that there is need for a High School at Mulbagal Town, recommends that a Municipal High School may be sanctioned to the place with effect from the school year 1946-47, first year class being opened during the year 1946-47 and the second and the third year classes during the years 1947-48 and 1948-49, respectively.

The recommendations of the Director of Public Instruction are approved. The cost on account of grant payable during the year 1946-47 will be met out of the provision of Rs. 25,000 made for payment of grants to new High Schools started during the year. Necessary provision will be made in the budgets of the subsequent years.

A statement showing details of expenditure and of income from fees of the Municipal High School and the amounts of grants payable by the department is appended hereto.

**Sanctions the grant of loans on paid-up policies up to a limit of 60 per cent of the surrender value.**

READ—

Letter No. A. V. G.—883, dated the 11th June 1946, from the Secretary, Mysore Government Life Insurance Department, forwarding copy of the resolution of the Insurance Committee on the subject relating to the grant of loans on paid-up policies and fixing a minimum for the issue of paid-up policies of the Public Branch and requesting sanction thereto.

ORDER NO. Fl. 9394-5—G. F. 816-45-2, DATED BANGALORE, THE 26TH JUNE 1946.

The Secretary, Insurance Department, states that according to existing practice, loans are granted on the security of Public Branch policies so as not to exceed 90 per cent of the surrender value and that no loans are granted on paid-up policies. It is now proposed to grant loans on such paid-up policies also up to a limit of 60 per cent of the surrender value and to insist on prompt payment of loan interest with a stipulation that the paid-up policy will be treated as surrendered immediately the loan and loan interest equal the surrender value and also to fix the minimum amount for the issue of paid-up policies of the Public Branch at Rs. 50.

The Secretary requests sanction for the above proposals which have been approved by the Insurance Committee and also for making the consequential changes in the rules of the Public Branch.

Government are pleased to accord sanction to the above proposals.

### EDUCATION SECRETARIAT

### Sanctions the creation of the post of Director, Efficiency Audit, for Efficiency Audit and Anti-Corruption Measures in the State.

READ—

Government Order No. M. 1477-538—G. M. 33-45-1, dated the 21st August 1945, constituting a Special Committee to consider and report upon the desirability of taking further steps in the matter of putting down corruption in the public services.

Letter No. 1400—A.C. 1-45-18, dated 1st—4th March 1946, from the Secretary of the Anti-Corruption Measures Investigation Committee, forwarding the report of the Committee.

ORDER No. 52-112—C. B. 29-46-1, DATED BANGALORE, THE 4TH JULY 1946.

In response to repeated representations made in the two Houses of Legislature and elsewhere, a Committee under the Chairmanship of *Rajamantradhurina* Sir Albion Rajkumar Banerji, C.S.I., C.I.E., was constituted to examine the desirability of taking further steps for putting down corruption in the public services. The Committee have gone exhaustively

into the question and have submitted an interesting report which covers all aspects of the matters under consideration. Government desire to place on record their appreciation of the thoroughness and care with which the report has been prepared under the able direction of Sir Albion Banerji and the other members of the Committee.

The measures recommended by the Committee are of two categories—statutory and administrative. The most important recommendations under the former head are :—

(1) Making offences under Sections 161, 164 and 165, Indian Penal Code, cognizable.

(2) Shifting the burden of proving innocence on to the accused in cases in which money has passed between a public servant and a member of the public with whom he has any official relations.

(3) Amendment of the penal provisions of Sections 161, 164 and 165 of the Indian Penal Code to permit the imposition of additional fines at least equivalent to the amount obtained by means of the offences.

Among the administrative measures recommended, the most important is the creation of the post of a Special Officer for Efficiency Audit and Anti-corruption Measures for a period of five years in the first instance. This officer will have two branches working under him : one an Efficiency Audit Branch and the other an Anti-corruption Branch, each of which will be under the immediate charge of an officer of status not less than that of a Deputy Commissioner. The Committee have made certain suggestions as to the duties of the Special Officer on the side of efficiency audit as well as of anti-corruption measures. With a view to enable him to carry out these duties effectively they have proposed to invest him with the powers mentioned in Para 144 of the Report. The procedure to be adopted during investigation has also been indicated. In addition the Committee have recommended several other measures of an administrative nature the most important of which are an investigation into the pay and allowances of the subordinate ranks in the public services, formation of central and district vigilance committees and the creation of an Audit Department independent of the Executive Government to scrutinize post-war expenditure with a view to avoid leakages.

It will be evident from this resume that many of the recommendations of the Committee involve drastic changes both in law and practice which require thorough examination At the same time Government agree that it is necessary to set up immediately a separate agency which will be in charge of a system of efficiency audit and of anti-corruption measures. They are, therefore, pleased to sanction the appointment of a Special Officer, with the designation "Director, Efficiency Audit". Separate orders will issue regarding the powers and duties of the Special Officer, the staff to work under him and regarding the other recommendations made by the Anti-corruption Measures Investigation Committee.

## Issues instructions for the Prompt and Efficient distribution of Text-Books.

ORDER NO. E. 129-32—Edn. 61-46-1. DATED BANGALORE, THE 5TH JULY 1946.

The attention of Government was drawn to the serious shortage of some text-books and to the difficulties caused to the student population at a discussion of the subject in the Budget Session of the Legislative Council this year.

2. This matter was further discussed at a meeting with the Director of Public Instruction in Mysore, and the Superintendent, Government Printing. It was then considered that two points arise in this connection :—

(1) Production of increased number of text-books.
(2) Proper distribution of Text-books.

As regards (2) *viz.*, distribution of text-books in a prompt and efficient manner.

As regards (2) above, it is agreed that a good deal of the alleged scarcity is due to book-sellers not dealing out their stocks quickly and at fixed rate. It is therefore considered necessary to devise some measure by which there would be an agency which would make available text-books for sale in each District Headquarter and elsewhere promptly and at correct rates. This would automatically bring out stocks that might be available with the book-sellers and to that extent would relieve the situation. The Director of Public Instruction has suggested that the District Educational Officers of Districts may be authorised to stock some of the text-books which in their opinion are in short supply at District Headquarters. He has also suggested that in the interests of economy and an experimental measure, the sales work may be entrusted to a competent hand of the office of the District Educational Officer, with a part-time allowance of Rs. 15 per mensem. The entire expenditure on this account would be covered by the 15 per cent commission that is now being given to book-sellers and the proposal does not involve any extra cost to Government.

In the circumstances, Government are pleased to accord permission for the immediate present, to the sale of text-books as proposed by the Director of Public Instruction with the allowance to the staff as suggested by him with the modification that to enable stocks to be easily available in the taluks, Assistant Inspectors of Education may also stock and have these text-books sold. This order will be in force till the end of September 1946 but will not apply to Bangalore City District and the Bangalore District where the Government Central Book Depot has itself made arrangements for retail sales of text-books. The Director is requested to issue circular instructions to the District Educational Officers to keep in close touch with the text-book supply situation in the respective areas and to keep Government informed in the matter from time to time.

The Director and the Superintendent, Government Book Depot, are requested to give widest publicity to these arrangements.

Government Order No. 2415-74—C. B. 147-37-1, dated 14th March 1938, appointing a Committee for examining and making recommendations upon matters pertaining to the provisions of the Government of India Act of 1935, relating to Federation and questions incidental or auxiliary to it.

ORDER NO. 196-255—C. B. 32-46-1, DATED BANGALORE, THE 10TH JULY 1946.

Government direct that the Committee referred to in the Government Order read above, which has not been functioning for a considerable time past, be dissolved.

### REVENUE SECRETARIAT

### Amendment to Rule 43 of the Rules under the Mysore Land Revenue Code.

READ—

Government Order No. R. 2590-9—L. R. 453-37-7, dated the 26th November 1938, directing that in the case of darkhastdars belonging to poorer classes, lands containing sandal trees may at the discretion of Deputy Commissioners be granted for cultivation without recovering the present value of bonus in respect of sandal trees on the land.

2. Government Order No. R. 6861-72—L. R. 289-40-4, dated the 9th April 1941, directing, among other things, that the benefit of the provisions of the above Government Order be extended to all classes of darkhastdars.

3. Letter No. R. Dis. 204-40, dated 21st July 1944, from the Chief Conservator of Forests in Mysore, proposing certain amendments to Rule 43 (9) of the Rules under the Mysore Land Revenue Code regarding the disposal of lands containing sandal trees and seeking clarification of the Government Order dated 9th April 1941 referred to above in the matter of payment of bonus in respect of sandal trees on lands granted for agricultural purposes.

4. Correspondence ending with letter No. C. I. 1307—44-45, dated the 1st September 1945, from the Revenue Commissioner in Mysore, furnishing his views on the subject.

ORDER NO. R. 320-31—L. R. 492-45-2, DATED BANGALORE, THE 9TH JULY 1946.

Under Rule 43 (9) of the Rules under the Mysore Land Revenue Code, the Forest Department should be consulted before any land containing a large number of sandal trees is granted for cultivation. Under sub-rule (10) of the same rule any land which contains ten or more sandal trees of over 12″ girth per acre is considered as having a large number of sandal trees and such land should be reserved.

The Chief Conservator of Forests who, in pursuance of the Government Order dated 9th April 1941 referred to above, was requested to submit to Government necessary amendment to the relevant provisions in the Forest Manual, has stated that the Land Revenue Rule quoted above is defective inasmuch as in all cases of disposal of lands containing even a single tree of over 12 inches girth the forest officers have to be invariably consulted, which involves delay in the disposals and unnecessary correspondence; and that in order to facilitate expeditious disposal of such darkhasts, has proposed that the existing rules may be modified as under:—

(*a*) Land containing 10 or more sandal trees of 12 inches and above in girth per acre should be reserved to Government or disposed of only in consultation with the Forest Department.

(*b*) Lands containing a smaller number of such developed trees may be granted for cultivation under the orders of the Deputy Commissioner who, before passing orders, should get a complete list of both trees and plants of sandal on the land and consider the desirability or otherwise of granting the said land, keeping in view the intention of Government to reserve all lands containing thick sandal growth.

The Chief Conservator of Forests has also raised certain doubts about the correct interpretation of the Government Order dated 9th April 1941 regarding the payment of bonus in respect of sandal trees standing on lands granted for agricultural purposes.

The Revenue Commissioner who was consulted in the matter, while agreeing with the modifications proposed by the Chief Conservator of Forests to the rule relating to the disposal of lands containing sandal trees, states that the question of recovery of bonus does not seem to arise at all as the system of recovery of malki and payment of sandal bonus was abolished in pursuance of Chief Conservator of Forest's suggestion on the ground that it is defective and that the existing penalties for damage to sandal trees are quite ample for their safe preservation, and requests that the Government Order may however be clarified.

Government, after examining all aspects of the case, are pleased to approve of the modifications to the said rule (*viz.*, Rule 43 of Land Revenue Rules under the Mysore Land Revenue Code) proposed by the Chief Conservator of Forests and agreed to by the Revenue Commissioner and direct that the Land Revenue Rules be amended accordingly.

Government in clarification of the Government Order dated 9th April 1941 referred to above, further direct (i) that there will be no recovery of malki or payment of bonus in cases of sandal trees on lands granted for cultivation after the issue of the said Government Order and (ii) that bonus will be paid at the reduced rate indicated in the Government Order in respect of sandal trees on lands in private holding on the date of the issue of the said Government Order provided that no such bonus shall be paid to those who had definitely waived their claim for it in consideration of the non-recovery of malki at the time the lands were granted to them.

M. 15-43-1, dated 16th July 1943 read above, on lands grown with ragi crops in the water receded area of the Krishnaraja Sagara reservoir.

6. Government Order No. A. F. 3841-6—Agri. 196-45-2, dated 7th February 1946, directing the grant of certain concessions for the cultivation of irrigated ragi in the Irwin Canal area during the summer of 1946.

7. Government Order No A. F. 4332-46—Agri. 164-45-4, dated 28th February 1946, extending the concession sanctioned in the order of 22nd December 1945, read above, to lands on the margins of lakes, such as Kanva, Marconhalli and Vani Vilasa Sagara.

8. Government Order No. R. 6349-62—R. M. 37-45-152, dated 12th March 1946, sanctioning the grant of a subsidy not exceeding 50 per cent of the estimated cost of irrigation wells subject to a maximum of Rs. 500 per well in connection with Distress relief.

9. Government Order No. S. D. 7548-71—C. 80-45-36, dated 18th—22nd April 1946, sanctioning an increase of Rs. 2 per Palla over the prices fixed in the notification read above, in respect of foodgrains grown on areas irrigated by electric pumps as an inducement to the raiyats to put up electric pumping sets and grow more foodgrains.

10. Government Order No. A. F. 5625-9—Agri. 227-45-2, dated 27th April 1946, sanctioning certain concessions to *bona fide* raiyats cultivating irrigated ragi under the Bhadra Channel.

ORDER NO. S. D. 121-42—C. 80-45-53, DATED BANGALORE, THE 5—8TH JULY 1946.

As a measure of further encouragement to the raiyats for raising special crops, Government are pleased to direct that in the case of millets and food-grains other than paddy, grown as a summer crop under wells, tanks, channels and tank beds and harvested after the end of May 1946, a bonus of Rs. 2 per palla be paid as a special case for grains delivered to Government.

The increase of Rs. 2 per palla sanctioned in the order dated the 18th—22nd April 1946 read above, in respect of crops grown on pump irrigated lands and the concessions sanctioned already in the Government Orders read above will be merged in the bonus sanctioned under this order.

### EDUCATION SECRETARIAT

### Sanctions the opening of a Municipal High School at Devanahalli with effect from the school year 1946-47.

READ—

Correspondence ending with letter. No D. 3777-135 of 45-46, dated 6th May 1946, from the Director of Public Instruction in Mysore, regarding the opening of a Municipal High School at Devanahalli.

ORDER NO. E. 292-94—EDN. 44-45-26, DATED BANGALORE, THE 12TH JULY 1946.

Both the Director of Public Instruction and the Deputy Commissioner, Bangalore District, report that there is a need for starting a High School at Devanahalli.

The Municipal Council, Devanahalli, are agreeable to deposit a guarantee fund of Rs. 5,000 and to meet their share of the recurring and non-recurring expenditure of the school.

It is reported that the Public of Devanahalli have collected a sum of Rs. 25,000 and have promised to collect a further sum of Rs. 5,000, towards the construction of a building for the High School. The School is proposed to be housed in the Town Hall temporarily till a building is constructed for its permanent accommodation.

The Director of Public Instruction recommends that a Municipal High School may be opened at Devanahalli from the school year 1946-47 with only one section in the first year class, the second and the third year classes being opened during the years 1947-48 and 1948-49, respectively.

The recommendation of the Director of Public Instruction is sanctioned. The Departmental share of the cost during the year 1946-47 will be met out of the lumpsum provision of Rs. 25,000 made in the budget for payment of grants to new High Schools started during the year. Necessary provision will be made in the budgets of the subsequent years.

A statement showing details of expenditure and income from fees of the Municipal High School and the amounts of grants payable by the Department is appended hereto.

N. S. HIRANNAYYA, *Edn. Secy.*

## Sanctions increased rates of Travelling Allowance to Members of the Representative Assembly.

READ—

Government Order No Fl. 14-15—S. & A. 94-45-1, dated the 21st October 1945, directing that the rate of daily allowance payable to the members of the Representative Assembly be the same as that payable to members of the Legislativo Council with effect from 1st October 1945.

2. Letter No. 2072-75—R.A., dated 24th September 1945, from the Secretary, Mysore Legislature, forwarding a copy of resolution passed by the House Committee, Representative Assembly, at a meeting held on the 5th September 1945, stating that there should be no disparity between members of the Representative Assembly and Legislative Council in respect of Travelling Allowance and Daily Allowance granted to them.

ORDER No. FL. 445-510—S. & A. 9-16-2, DATED BANGALORE, THE 17TH JULY 1946.

Government are pleased to direct that, in future, members of the Representative Assembly be allowed the same rates of travelling allowance as are allowed to members of the Legislative Council when they attend the meetings of the Representative Assembly and the Committees elected by the Representative Assembly.

Necessary amendment to the Mysore Service Regulations will issue separately.

## Directs that the rates of Dearness and High Price (War) Allowances be increased by 50 per cent in the case of all Non-Gazetted Staff.

READ—

Government Order No. Fl. 4152-4215—S. & A., 160-44-1, dated the 27th March 1945, sanctioning the grant of Dearness and War Allowances with effect fr m 1st January 1945 to the employees of Government, drawing Rs. 800 and below per mensem.

ORDER No. Fl. C. 1-64—S. & A., DATED (CAMP) MYSORE, THE 20TH JULY 1946.

In the Government Order read above, Dearness and War Allowances at enhanced rates were granted to Government servants on account of increased cost of living from 1st January 1945 and this concession was also extended in respect of Government servants, drawing salary up to Rs. 800 per mensem.

Since then repeated representations are being made that, with the termination of hostilities, the cost of living has not decreased, but has, in fact, increased due to steepening of the price levels and that a greater measure of relief than is at present afforded, is necessary. This subject was also raised on the floors of both the Representative Assembly and the Legislative Council.

2. Taking all the circumstances into consideration, Government are pleased to direct that the existing rates of Dearness and High Price (War) Allowances be increased by 50 per cent in the case of *all Non-Gazetted Staff*, with effect from 1st July 1946, until further orders.

3. The extra cost involved on this account is estimated to amount to Rs. 36·5 lakhs per annum and a demand for an additional grant to the extent necessary will be placed before the next Session of the Legislative Council.

## IMPORTANT GOVERNMENT ORDERS

### GENERAL SECRETARIAT

### Passes orders in the matter of issue of manures to the raiyats on a credit basis.

READ—

Government Order No. A. F. 427-30—Agri. 283-43-7, dated the 19th July 1944, sanctioning the issue of rules *re* : supply of manures for food crops on credit basis up to a maximum limit of Rs. 100 to the raiyats.

ORDER NO. A. F. 386-99—AGRI. 7-46-1, DATED BANGALORE, THE 17TH JULY 1946.

Under the terms of the Government Order read above the manures stocked at the Agricultural Depots for sale to raiyats who grow food crops are being issued in all deserving cases on credit up to a maximum limit of Rs. 100 to any one raiyat on production of a solvency certificate from the Amildar of the taluk in which the lands are situated or in the case of declared holders on production of a certificate from the concerned shanbhogue regarding the extent of lands owned on which food crops are grown.

It has been represented that the present procedure of issue of manures under the terms of the Government Order dated 19th July 1944 read above on production of solvency certificate is working as a hardship in certain cases as solvency certificates cannot always be obtained expeditiously and that a further liberalisation of the concessions particularly in respect of issue of the manures to actual growers is very desirable.

With a view to meet this request, Government are pleased to direct, in further elucidation of the Government Order dated 19th July 1944, that the issue of manures from Agricultural Depots for sale to raiyats who grow food crops be made to the extent of actual requirements of the land up to a maximum of Rs. 100 to any one raiyat on credit on production of a certificate about the area of land of food crops in the actual possession of the raiyat from any of the village officers concerned or in the case of declared holders also on production of certificate from any village officer concerned regarding the extent of lands owned on which food crops are grown. The recovery of the cost of manures so issued will be effected either in cash or in kind after the crop is harvested by the Amildar of the taluk to whom a list of all those people to whom this advance is made will be forwarded by the agricultural officer of the district.

The Director of Agriculture is requested to take further necessary action to give wide publicity to this concession and assist the needy raiyats liberally.

MOHAMED ISMAIL SHERIFF, *Genl. Secy*

### Reviews the Administration Report of the Department of Veterinary and Animal Husbandry Services in Mysore for the year 1944-45.

READ—

Letter No. A. 7-34—45-6, dated the 15th December 1945, from the Superintendent, Veterinary and Animal Husbandry Services in Mysore, forwarding the administration Report of the Department of the Veterinary and Animal Husbandry Services in Mysore for the year 1944-45.

ORDER NO. A. F. 468-528—A. H. 59-45-4, DATED BANGALORE, THE 19TH JULY 1946.

Recorded.

2. *Civil Veterinary Section.*—This department was separated from the Agricultural Department in accordance with Government Order No. A. F. 5304-83—A. H. 178-43-5, dated the 17th May 1945, and Dr. P. M. Narayanaswami Naidu assumed charge of the Department on 30th June 1945.

There was a considerable decrease in the mortality from Rinderpest during the year, while the mortality under Blackquarter, Anthrax and Sheep-pox was slightly on the increase. Owing to the prevalence of Rinderpest in all the districts of the State, all cattle fairs and shows were stopped during the

year. The total number of outbreaks registered was 1,168 (44-45). The number of animals protected by preventive inoculation was 2,58,114 (10,28,102). The number outbreaks of anthrax was 1,033 (1,051) and the number of animals protected was 8,153 (7,173). Nine hundred and thirty cases of blackquarter were registered and 67,054 (33,556) inoculations were performed. The incidence of hæmorrhagic septicæmia was on the decline. Two hundred and fifty-nine (320) outbreaks were registered and 16,906 (2,30,300) inoculations were performed. The Liver Fluke disease control scheme in the Irwin Canal Farm area continued to be popular and its activities were extended to parts of Maddur and French-Rocks Taluks. Treatment was undertaken in 728 villages (189) and 1,26,545 (60,878) animals were treated.

The total number of Veterinary Institutions at the beginning of the year was 89. Three new dispensaries at Bannur, Ramanathapur and Mayakonda were opened during the year, bringing the total number of Veterinary Institutions in the State to 92. Sanction of Government was accorded to the opening of three more dispensaries at Kulambi, Shiralkoppa and Ajjampur, but these were not opened during the year. The total number of fresh cases admitted for treatment was 3,38,031 (4,02,862) and the number of operations and castrations conducted was 25,504 (23,481) and 61,164 (54,391) respectively. Fifty-six thousand four hundred and twenty-one cases (71,586) were treated and 52,622 castrations (35,198) were performed by the staff during their tours.

Thirty-five (28) Municipalities employed the local veterinary staff for inspection of animals meant for slaughter. The Bangalore City Municipality employed a full-time Veterinary Inspector for this work and the Mysore City Municipality is about to do so. It is hoped that other Municipalities will also take advantage of the services of the veterinary staff for this purpose as early as possible.

*Amrit Mahal and Live-stock Section.*—Amrit Mahal:—With a view to providing better supervision over the activities of the Amrit Mahal Section, the Range at Tiptur was bifurcated into two Ranges, *viz.*, Tiptur and Holalkere and each was placed in charge of a daroga. The strength of the four Amrit Mahal herds was 873 (936). The total demand in respect of the Amrit Mahal Section under all heads, inclusive of arrears, amounted to Rs. 87,975 (Rs. 79,363). A sum of Rs. 19,180 (Rs. 25,077) was collected, leaving a balance of Rs. 68,796 (Rs. 54,287) The collection was poor and the Superintendent is requested to see that strenuous efforts are made to recover the arrears.

An extent of 3,541-24 acres (6,295-18) of land was leased out for the cultivation of gram. An area of 371 (3,795) of Amrit Mahal Kaval Lands was surrendered to the Revenue Department and 50 acres 10 guntas to the Palace Department.

The total number of the animals in all the five cattle breeding stations and four Amrit Mahal Herds, including the Hebbal Dairy Farm was 2,035 (2,936). One hundred and seventy animals were sold during the year.

*Breeding Bulls.*—There were 15 stud bulls and 6 buffalo bulls at the close of the year. In addition, 170 Amrit Mahal bulls and bull-calves were supplied to the approved breeders and Village Panchayets during this year.

*Sheep Breeding.*—The six Sheep Breeders' Associations continued to work during the year. The total number of members of all the Associations at the end of the year was 1,991. One hundred and fifty suitable stud rams were distributed through these Associations and 580 scrubs and undesirable rams among the members' flocks were castrated. An improved method of sheep clipping by machine was popularised on a large scale. The total quantity of wool collected was 10,269 lbs. In addition, under the auspices of the Associations at Kolar and Closepet, woollen fabrics of different grades continued to be manufactured. Two hundred and fifty-three fabrics valued at Rs. 3,128 were manufactured and 332 fabrics valued at Rs. 4,507 were sold.

There were five Government sheep farms, one each at Hebbal, Yalachihalli, Hunsur, Garudapalya and Doddaballapur at the beginning of the year. Four new farms were established at Padavalpatna (Nagamangala Taluk), Honnenahalli (Sira Taluk), Kurikaval (Channarayapatna Taluk), and Halaganahalli (Goribidnur Taluk), the last one being run as a subsidised subvention scheme at Yelachihalli which started working in November 1940 and was subsidised by Imperial Council of Agricultural Research, was terminated in March 1945 and a regular sheep farm is being continued in its place.

A small consignment of 80 Bikanir sheep from Hissar and surroundings was imported into the State with a view to studying their suitability and acclimatisation under Mysore conditions and to finding out their suitability to grade up local inferior breeds.

*Poultry Farms.*—There were 9 poultry units at the beginning of the year. One more poultry unit was started at the C. B. Station, Ajjampur, with 200 white Leghorn pullets to start with. The unit at Hassan was completely wiped out with Ranikhet disease. The units at Shimoga, Nagenahalli and Chikkanahalli were merged in other units as they were uneconomical. The total receipts of the farm including the value of the stock on hand raised during the year, amounted to Rs. 13,966 against an expenditure of Rs. 18,327. The second batch of "Gramasudharakas" was trained in poultry farming at the Dodballapur Poultry Unit for a period of five weeks during May and June 1945. Improved poultry and eggs were exhibited at the Dasara Exhibition at Mysore and the District Conferences held at Chikmagalur and Tumkur and at the Bangalore City Market Show.

*The Serum Institute.*—The Institute continued to manufacture the several biological products employed in the control of Epizootics among live-stock. A total quantity of 13,98,318 (22,28,550) doses of biologicals was issued. Of this, 6,10,883 (19,28,255) doses were issued to the Civil Veterinary Department of the State and 7,17,435 (3,00,000) doses to places outside the State. The total revenue amounted to Rs. 2,63,948 (Rs. 4,63,697) and the total expenditure to Rs. 1,28,669 (Rs. 2,18,310), resulting in a net profit of Rs. 1,35,281 (Rs. 2,45,388).

6. The proposals formulated in regard to the improvement of the Veterinary and Animal Husbandry Services in the State include the starting of 105 new Veterinary Dispensaries during the next five years, the supply of 150 bulls of good varieties every year free of cost to selected breeders, the starting of several cattle breeding stations including one for malnad cattle and the development of the Serum Institute.

The Veterinary Research Section was engaged in the investigation of Johne's disease, poultry diseases, sheep and goat diseases and liver fluke infestation. A scheme for the control of tuberculosis among cattle has been sanctioned.

In connection with the development of the dairy industry in the State, a proposal has been sanctioned to depute every year five students to undergo a post-graduate course at the Imperial Dairy Research Institute. Twenty-five candidates are proposed to be deputed each year to the various Veterinary Colleges in India for training. A school has been started for the training of veterinary stockmen. Schemes for the free grant of Amrit Mahal, Hallikar and Sindhi Bulls and Murrah Buffaloes to qualified raiyats and for the grant of premia to individuals and Panchayets maintaining breeding bulls in selected villages have been sanctioned at a cost of Rs. 66,000 per annum. The Fisheries Section is being developed.

Dr. P. M. Narayanaswamy Naidu was placed on special duty for 9 months in all for studying the present position of Animal Husbandry in the State and submitting comprehensive schemes for the improvement of live-stock.

Several schemes have been formulated for cattle improvement and welfare. Some of these have been sanctioned and others engaging the attention of the Government.

The administration of the Department continued to be satisfactory.

### Passes orders regarding the working and development of the Oriental Research Institute, Mysore.

READ—

Government Order No. 4566-8—Edn. 69-14-4, dated 10th November 1917, passing orders on the re-organisation of the Oriental Library, Mysore.

2. Government Order No. E. 5638-9—Uni. 11-43-8, dated 11th May 1944, sanctioning among others the following recommendation of the Mysore University:—

(i) to change the name of the "Oriental Library" Mysore, into "Oriental Research Institute", Mysore;

(ii) to appoint Dr. M. H. Krishna as Director of the above Institute on an allowance of Rs. 50 per mensem; and

(iii) to appoint two Assistant Curators each in grade Rs. 150—10—200 per mensem, one for Kannada and the other Sanskrit, in lieu of the existing two posts of one Curator and one Assistant Curator, the existing post of Curator being abolished.

3. Correspondence ending with letter No. A1-836—42, dated 6th March 1945, from the Registrar, Mysore University, furnishing a note regarding History of and Policy pursued in respect of the Oriental Research Institute, Mysore.

4. Correspondence ending with letter No. 14, dated 3rd July 1945, from the Director of Archæology in Mysore, on the subject.

5. Further correspondence ending with D. O. letter No. A1-836—42, dated 23rd July 1945, from the Vice-Chancellor, Mysore University, furnishing, among others, a copy of the report of the Special Committee appointed to consider the Re-organisation of the Oriental Research Institute (Oriental Library, Mysore.)

ORDER No. E. 446-49—UNI. 19-44-10, DATED BANGALORE, THE 19TH JULY 1946.

The question of the working and development of the Oriental Research Institute, Mysore (Oriental Library, Mysore) has been under the consideration of Government for some time past. The name of the "Oriental Library, Mysore," was changed into "The Oriental Research Institute, Mysore," under the Government Order dated 11th May 1944. In June 1944, the University of Mysore brought to the notice of Government that, in view of the fact that the Archæological Department had become independent of the University, it was not administratively desirable that the Director of Archæology should also be the Director of the Oriental Research Institute.

On further examination of the question, the University reported that any arrangement to keep the Research Institute under the control of the Director of Archæology would be detrimental to the interests of both the University and the Oriental Research Institute alike and it would be decidedly advantageous to continue it under the University, and made the following suggestions for the development of the work of the Institute on proper lines :—

(1) A planned survey for the acquisition of the manuscripts and preparation of a census of manuscripts in the State;

(2) appointment of two qualified graduates—one for Kannada and the other for Sanskrit—for the preparation and publication of descriptive catalogue of manuscripts ;

(3) compilation and publication of Sanskrit-Kannada, and Kannada-Kannada Dictionaries ;

(4) Translation into Kannada of select Sanskrit works on Philosophy, Law, Ayurveda and other sciences and books in English ;

(5) periodical publication of Bulletins ;

(6) Enlargement and equipment of the Library of the Institute with books and journals pertaining to Oriental Studies ;

(7) appointment of a Director who has specialised in Sanskrit for the Institute ;

(8) purchase of a Camera for microfilming manuscripts, a reading lens and a photo-stand ;

(9) obtaining on loan, books and manuscripts of other institutions.

On a careful consideration of all aspects of the question, Government are pleased to approve of the above suggestions of the University with the modifications mentioned below :—

(*a*) the question of appointing a Director is reserved for separate orders ;

(*b*) the Oriental Library will be called "The Oriental Research Institute" and will be continued under the University for the time being ;

(*c*) the Advisory Committee will be enlarged so as to include the present Professors of Kannada and Sanskrit and two or three others who are likely to take interest in Oriental studies ;

(*d*) the compilation of catalogues and the printing and publication of selected manuscripts should be expedited, by enhancing the present allotment for printing if it is found insufficient ;

(*e*) the sanskrit works in manuscript on Philosophy, Law, Ayurveda and other sciences may be selected for translation into either English or Kannada ;

(*f*) the question of undertaking the compilation of Sanskrit-Kannada, and Kannada-Kannada Dictionaries may be examined further ;

(*g*) steps may be taken to shift the Archæological Department to another building so as to provide more room for the Library and Research Institute.

Detailed proposals with a statement of financial implications of the above directions may be submitted by the University early.

### Directs the revision of limit of advance for purchase of Motor Cars.

READ—

Government Order No. Fl. 4067-4127—G. F. 146-44-4, dated the 22nd March 1945, enhancing the maximum limits of advances admissible to Government servants for purchase of Motor Cars, Motor Cycles and Bicycles, for the duration of the War.

2. Government Order No. Fl. 3121-3190—G. F. 155-45-2, dated the 13th November 1945, sanctioning the continuance of the maximum limits of advances fixed in the Government Order read above till 1st July 1946.

ORDER No. FL. 835-900—G. F. 56-46-2, DATED BANGALORE, THE 27TH JULY 1946.

The maximum limit of advance admissible for purchase of motor cars sanctioned in the Government Order dated the 22nd March 1945, is Rs. 5,000 or six months' pay whichever is less. As the price of motor cars continues to be high and exceeds the limit of advance fixed in the Government Order dated the 22nd March 1945, read above, Government are pleased to direct that the maximum limit of advance for purchase of motor cars be raised to Rs. 7,000 or six months' pay whichever is less, subject to the condition that amount of advance shall not exceed the value of the car purchased.

The rate of recovery will continue to be 1/9 of the salary of the officer per mensem.

This order will remain in force till 1st July 1947.

### Sanctions the post of a Whole-time Secretary to the Mysore Government Insurance Department.

READ—

Letter from the Secretary, Mysore Government Life Insurance Department, received on 5th March 1946, forwarding proposals for creating a post of whole-time Secretary to the Insurance Department.

ORDER No. FL. 982-4—G. F. 251-45-2, DATED BANGALORE, THE 30TH JULY 1946.

From the inception of the Insurance Scheme introduced in the year 1891, the Comptroller to Government has been the *Ex-officio* Secretary, Insurance Department, by virtue of his intimate connection with financial and accounts matters. In 1916, this beneficent measure was thrown open to the public by the introduction of the Public Branch. The work of this Department has since increased enormously, both in the volume of the business done as well as in its complexity, the volume of business done being as noted below :—

| Year | No. of Policies | | Premium income | |
|---|---|---|---|---|
| | Public Branch | Official Branch | Public Branch | Official Branch |
| | | | Rs. | Rs. |
| 1925 ... | 4,230 | 34,900 | 1,76,581 | 7,77,030 |
| 1935 ... | 28,216 | 50,242 | 10,01,313 | 10,10,450 |
| 1945 ... | 87,934 | 63,883 | 26,86,745 | 10,37,646 |

The volume of business done in 1945-46 exceeds Rs. 1,50,00,000.

The work of the Audit and Accounts Department in its turn is also increasing from day to day, with the result that the Comptroller who is the head of the Audit Department, is not in a position to devote sufficient attention to the work of the Insurance Department in addition to his own. Under these circumstances, the Insurance Committee has recommended to Government the desirability of having a whole-time Secretary who can devote his attention completely to the Department.

Government agree with the Insurance Committee that the need for a whole-time Secretary has become an urgent administrative necessity and are accordingly pleased to sanction the post of a whole-time Secretary to the Insurance Department carrying a scale pay of Rs. 800—50—1,200. This will be in addition to the existing post of the Deputy Secretary.

The cost on this account will be met from Insurance Funds.

**Sanctioning the grant of Bonus and enhanced rates of Dearness and War Allowances to Non-Gazetted Staff of Railway Department.**

READ—

Government Order No. Fl. 4152-4215—S. & A. 160-44-1, dated the 27th March 1945, sanctioning the grant of Dearness and War Allowances with effect from 1st January 1945, to the employees of Government (including Railway Department) drawing Rs. 800 and below per mensem.

2. Correspondence ending with letter No. 317, dated the 25th June 1946, from the General Manager, Mysore State Railway, recommending the grant of a month's pay or wages as War Bonus to the employees of the Railway Department in addition to a month's pay or wages as Victory Bonus, besides the grant of enhanced Dearness Allowance by at least 75 per cent of the present rates.

ORDER NO. FL. 991-4, DATED BANGALORE, THE 30TH JULY 1946.

On account of the increased cost of living Government were pleased to sanction enhanced rates of allowances with effect from 1st January 1945, to all the employees of Government (including the Railway Department) drawing a salary of Rs. 800 and below per mensem.

The General Manager, Mysore State Railway, has brought to the notice of Government the need for the grant of a War and Victory Bonus to the employees of the Railway Department and for enhancing the present rates of Dearness Allowance to the staff of the Railway Department in view of the inadequacy of the prevailing rates of Dearness Allowance, especially as compared with other Railways.

After taking into consideration all the circumstances of the case, Government are pleased to direct that all the Non-Gazetted staff of the Railway Department be granted a month's pay or wages as War Bonus.

The grant of bonus is subject to the following conditions:—

(1) A War Bonus equivalent to one-twelfth of the total earnings of the employees in the period 1st July 1945 to 30th June 1946 inclusive, will be granted to all Non-Gazetted employees who were on the rolls on 1st July 1946 and who continued to be in the service of Railway Department till the date of payment with the exception of those who have worked for less than an aggregate period of 75 days in the said period;

(2) This bonus will be calculated on earnings exclusive of dearness allowance, bonus or any other allowance;

(3) This bonus will not be given to officers of Government whose services have been lent to the Railway Department.

The existing rates of Dearness and War Allowances will in the case of all Non-Gazetted staff be also increased by 50 per cent over the rates sanctioned in Government Order No. Fl. 4152-4215—S. & A. dated 27th March 1945, with effect from *1st June 1946*, until further orders.

### Directs the continuance of the Rural Water Supply Scheme, for a further period of three years from 1946-47.

READ—

1. Government Order No. L. 9479-99—V. P. 63-36-27, dated the 23rd May 1938, according sanction to the five-year scheme of Rural Water Supply with a view to provide drinking water facilities in all the villages in the State, a sum of Rs. 3 lakhs being provided therefor every year by the Government.

2. Government Order No. L. 12470-91—V. P. 27-42-36, dated the 24th June 1943, directing the continuance of the scheme for a period of three years from 1943-44.

3. Correspondence ending with letter No. A5. 3208-45-46, dated 14th May 1946, from the Revenue Commissioner in Mysore, recommending the continuance of the scheme for a further period of three years from the year 1946-47 with an annual provision of Rs. 5 lakhs.

ORDER No. L. 1458-82—V. P. 16-45-23, DATED BANGALORE, THE 31ST JULY—2ND AUGUST 1946.

With a view to providing an adequate number of drinking water wells in the State, a comprehensive scheme of Rural Water Supply was sanctioned in the Government Order read above. Owing to the several difficulties relating to labour and materials, adequate progress was not secured. The scheme was extended for a period of three years from 1943-44.

2. The Revenue Commissioner reports that there are still as many as 3,712 incomplete well works to be completed and as many as 3,299 villages are still remaining without drinking water wells, and that adequate progress could not be secured for want of contractors and conditions obtaining out of war. It is further reported, that with the advent of the Rural Drive Scheme, the Village Panchayets have to contribute towards the execution of various improvement works and that they are not in a position to pay the full share of their contribution towards the drinking water wells also and he recommends that the scheme may be extended for a further period of three years from 1946-47 with an annual provision of Rs. 5 lakhs instead of 3 lakhs.

3. Having regard to the number of villages yet to be provided with wells and the repeated representations from the villagers for drinking water wells, Government consider that it is necessary to extend the scheme for a further period of three years. They are accordingly pleased to direct that the scheme be extended by a period of three years from 1946-47 with a budget grant of Rs. 5 lakhs for the year 1946-47 and Rs. 4 lakhs for each of the next two years.

4. Sanction is also accorded to the continuance of the existing staff employed in this behalf in the several districts for a period of three years from 1946-47. The Chief Engineer for Irrigation is requested to see that Sub-Overseers are posted to all the taluks, where there are no Sub-Overseers at present.

5. Now that District Development Officers have been posted to all the Districts for the Rural Development work, the Deputy Commissioners are requested to impress upon them and the local Revenue Officers the necessity for achieving rapid progress in this direction, so as to see that all the villages are provided with drinking water facilities before the expiry of the period. Special attention should be paid to see that the wells intended for the members of the depressed classes are completed as expeditiously as possible.

### Sanctions the opening of a Municipal High School at Hunsur with effect from the school year 1946-47.

READ—

Correspondence ending with letter No D1. 3804-138 of 45-46, dated 14th May 1946, regarding the opening of a Municipal High School at Hunsur.

ORDER NO. E. 566-68—EDN. 44-45-28, DATED BANGALORE, THE 26TH JULY 1946.

Both the Director of Public Instruction and the Deputy Commissioner, Mysore District, state that there is need for a High School at Hunsur. It is reported that the Municipal Council, Hunsur, are agreeable to meet their share of the recurring and non-recurring cost of the High School and have already deposited the guarantee fund of Rs. 5,000.

2. A sum of Rs. 16,396-6-0 has been collected from public subscriptions towards the construction of a building for the school and the entire balance of the amount required for the building is proposed to be met from the Municipal funds, if further subscriptions cannot be raised. Pending construction of a building the High School is proposed to be housed in a Municipal building.

3. In the circumstances, the Director of Public Instruction recommends that sanction may be accorded to the opening of a Municipal High School at Hunsur with effect from the academic year 1946-47 with the first year class, the second and third year classes being opened during the years 1947-48 and 1948-49, respectively.

4. The recommendation of the Director of Public Instruction is sanctioned. The cost during the year 1946-47 will be met out of the provision of Rs. 25,000 made in the budget of that year for payment of grants to the new High Schools to be started during the year and necessary provision will be made in the budgets of the next and subsequent years.

5. A statement showing the details of expenditure of the Municipal High School, the income from fees and grants payable, etc., is appended hereto.

### Exempting mothers from executing Security Bonds with sureties in respect of Compassionate Gratuity.

READ—

Government Order No. Fl. 859-900—S. & A. 466-30-2, dated the 4th August 1931, directing that whenever payment of a compassionate gratuity is sanctioned to the guardian of the minor heir of a deceased employee a security bond should, unless otherwise specified in the order of sanction, be invariably got executed by the payee and a solvent person before payment is made.

2. Government Order No. Fl. 2467-70—G. F. 78-41—8, dated the 2nd October 1942, delegating to the Comptroller the power to waive the production of security bonds in cases in which the amount of compassionate gratuity payable is less than Rs. 150 and the same is payable to the parents of the minors only.

3. Letter No. 867—Pen. dated the 16th March 1946, from the Comptroller, recommending in the circumstances mentioned that mothers who are the natural guardians of the minor heirs be exempted from executing security bonds irrespective of the amount of gratuity payable.

ORDER NO. FL. 915-80—S. & A. 149-45-2, DATED BANGALORE, THE 30TH JULY 1946.

It has been explained by the Comptroller that in actual practice it is very difficult for a widow with minor children to produce the security bonds for obtaining payment of compassionate gratuity. As mothers are the natural guardians of minor children, Government are pleased to direct that in such cases payments may be authorised by the Comptroller on the execution of a simple security bond by the mother herself without calling for production of security bonds with sureties, unless for any reasons he considers that in any particular case, proper sureties should be obtained.

Necessary amendment to the Appendix Q of the Mysore Service Regulations will be issued separately.

## Special addition of Service in the cases of District Judges recruited from the Bar.

ORDER NO. FL. 1138-40—S. & A. 19-46-2, DATED BANGALORE, THE 3RD AUGUST 1946.

Under Article 262 of the Mysore Service Regulations, a member of the Bar, who is directly appointed as a Subordinate Judge or First Class Magistrate, or to a higher post in the Judicial Department, and whose whole pensionable service is passed in that Department, if appointed at an age exceeding 25 years, is allowed to reckon as service qualifying for superannuation pension, an addition up to a maximum of 5 years. No officer can claim the benefit of this article unless his actual qualifying service at the time he actually quits Government Service is not less than *ten* years. In practice it is observed that this stipulation acts as a hardship in the case of the members of the Bar who are directly appointed as District Judges.

Government are, therefore, pleased to direct that the minimum number of years of actual qualifying service necessary to claim the benefit of addition to the service be reduced from ten to five years in the case of District Judges. Necessary amendments to the Mysore Service Regulations will issue separately.

B. S. RAGHAVENDRA RAO. *Finl. Secy.*

## Special Rules relating to Pension to the Judges of the High Court.

ORDER NO. FL. 1142-4—S. & A. 19-46-3, DATED BANGALORE, THE 3RD AUGUST 1946.

At present, the scale of pension to be granted to the Judges of the High Court is regulated by the ordinary rules of the Mysore Service Regulations. But a member of the Bar who is directly appointed as a Subordinate Judge, First Class Magistrate, or to a higher post in the Judicial Department and whose whole pensionable service is passed in that Department, if appointed at an age exceeding 25 years, is allowed to reckon as service qualifying for superannuation pension, an addition up to a maximum of 5 years of service.

As it is considered necessary to liberalise the pension rules in respect of the Judges of the High Court, the accompanying special rules are issued in respect of these officers.

Necessary amendments to the Mysore Service Regulations will issue separately.

### ANNEXURE.

*Special Rules governing the scales of Pension to the Judges of the High Court.*

Subject to the general rules contained in the Mysore Service Regulations, the following special rules are laid down in respect of the pension of the Judges of the High Court :—

(1) A Judge of the High Court shall be entitled to retire voluntarily from the Public Service on full pension after he has put in an active service of ten years on the High Court Bench.

NOTE.—"Active Service" as a Judge for purposes of these rules includes service either as acting or temporary Judge of the High Court, whether immediately followed by confirmation or not. The period passed on privilege leave or furlough not exceeding one year shall count for pension. If a Judge of the High Court is required to do any other work outside the High Court, the period occupied in such work may count for active service so long as he retains a lien on his substantive post as a Judge of the High Court.

(2) A Judge of the High Court other than a Chief Justice shall, after an active service of not less than 5 years, receive, according to the length of his service for pension, a pension corresponding to the rates specified in the table herein below :—

| *Years of completed Active Service.* | *Rate Rupees per month.* |
|---|---|
| (1) 5 | ... 250 |
| (2) 6 | ... 300 |
| (3) 7 | ... 350 |
| (4) 8 | ... 400 |
| (5) 9 | ... 450 |
| (6) 10 and above | ... 500 |

(3) The Chief Justice shall receive a minimum pension of Rs. 350 per mensem for a completed active service of 5 years, and for each subsequent completed year, a sum of Rs. 60, subject to a maximum of Rs. 650 per mensem.

(4) A Judge of the High Court who is entitled to pension under the ordinary provisions of the Mysore Service Regulations, may, at his option, elect, in lieu of the pension claimable under those rules, to receive the pension admissible under these rules.

(5) Upon any condition which they deem fit to impose, Government may condone a deficiency in service not exceeding 12 months for the purposes of these rules.

(6) Notwithstanding anything contained in these rules, Government may in special cases and under special circumstances grant such pension as they deem fit.

B. S. RAGHAVENDRA RAO, *Finl. Secy.*

**Sanctions the opening of a Municipal High School at Maddur with effect from the school year 1946-47.**

READ—

Correspondence ending with letter No. D1. 3914-149—45-46, dated 6th May 1946, from the Director of Public Instruction in Mysore, regarding the opening of a Municipal High School at Maddur.

ORDER NO. E. 747-49—EDN. 44-45-30, DATED BANGALORE, THE 31ST JULY 1946.

The Director of Public Instruction reports that there is a need for starting a High School at Maddur and the Municipal Council, Maddur, are agreeable to meet their share of the cost.

2. It is reported that the public of Maddur have collected a sum of Rs. 25,000 in addition to Rs. 2,000 agreed to be contributed by the Local Municipality and a further sum of Rs. 11,000 is expected to be collected shortly from public subscriptions. Out of the total collection of Rs. 38,000 a sum of Rs. 30,000 is proposed to be utilised for the construction of a building for the High School, Rs. 5,000 towards the guarantee fund and Rs. 3,000 for the equipment.

3. The Director recommends that a Municipal High School may be opened at Maddur from the school year 1946-47, subject to the conditions that the Municipality should deposit the full amount of Rs. 38,000 referred to above before the school is actually opened and that they should find a suitable building for housing the school temporarily, pending construction of a building for the school, the expenditure on account of rent being met from their funds.

4. The recommendation of the Director of Public Instruction is sanctioned. The departmental share of the cost during the year 1946-47 will be met from the lumpsum provision of Rs. 25,000 made in the budget of that year for payment of grants to the new High Schools to be opened during the year, and necessary provision will be made in the budgets of the subsequent years.

A statement indicating the details of expenditure of the school, the income from fees and the grants payable is appended hereto.

### FOOD SECRETARIAT

**Passes orders revising the composition of Foodgrain Rations with effect from the 20th August 1946.**

READ—

Government Order No. SD. 5741-52—R. 50-45-14, dated the 14th February 1946, revising the scale of foodgrain rations throughout the State.

2. Letter No. B1-P. R. 89—46-7, dated the 1st August 1946, from the Director of Food Supplies, proposing a slight revision in the composition of the rations fixed in the above Government Order having regard to the grains expected to be received under the allotments to be made by the Government of India.

ORDER NO. S. D. 1663-73—R. 55-46-3, DATED BANGALORE, THE 14TH AUGUST 1946.

Government are pleased to direct that the composition of the rations fixed under the Government Order of 14th February 1946, read above, be revised as under, with effect from the 20th of August 1946 :—

| Areas | Card-holders | Rice ozs. | Scale of rations per adult per day: Wheat ozs. | Millets ozs. | Total ozs. |
|---|---|---|---|---|---|
| Rationed .. | "A" Class | 7·2 | 4·8 | ... | 12 |
| | "B" ,, | 2·4 | 2·4 | 7·2 | 12 |
| Non-Rationed urban areas. | "A" ,, | 7·2 | 4·8 | ... | 12 |
| | "B" ,, | 2·4 | 2·4 | 7·2 | 12 |
| Rural ... | "A" ,, | 2·4 rice or | 7·2 | 2·4 | 12 |
| | "B" ,, | 2.4 millets. | 4·8 | 4·8 | 12 |

(i) Children below eight years of age will be allowed half the above scales of rations.
(ii) Heavy manual labourers will get the same ration as "B" Class *plus* 2·4 ozs. of additional wheat or wheat products.

As the total quantities of the kinds of grains received under the allotments made by the Government of India vary from time to time, the Director of Food Supplies is empowered to vary the composition of the rations, when necessary. The overall rations should, however, be maintained at not less than 12 ozs. throughout the State including the rural areas and the rice rations for "A" class card-holders in the first two categories should not fall below 7·2 ozs. If, for extraordinary reasons this were not possible, prior approval of Government should be obtained to reduce the overall ration or the rice component.

GENERAL SECRETARIAT

**Passes orders regarding the continuance of the Stockmen's Training School at Hebbal for another year (1946-47).**

READ—

Government Order No. A. F. 556-7—A. H. 28-44-2, dated 25th May 1945, sanctioning a scheme for starting a school for the training of Veterinary Stockmen at Hebbal for one year from 1st July 1945.

2. Letter No. C. 2-3—45-46, dated 7th May 1946, from the Superintendent, Veterinary and Animal Husbandry Services, proposing the continuance of the Stockmen's Training School at Hebbal for another year (1946-47).

ORDER NO. A. F. 720-31—A. H. 202-45-2, DATED BANGALORE, THE 29TH JULY 1946.

The Superintendent, Veterinary and Animal Husbandry Services, states that at present 48 candidates are undergoing training and that the successful candidates will be available by about the beginning of July 1946 for being appointed in the department. He further states that with the launching of the several schemes envisaging the expansion of the live-stock improvement work in the State, a large number of these trained men will be required for being appointed in the rural Veterinary Dispensaries, Cattle, Sheep and Poultry Farms as also in the Laboratories of the Mysore Serum Institute and Research Section and that it is therefore advisable that the scheme should be continued for at least five years more, by which time it is hoped that all the men required for staffing the lower subordinate technical staff will have been trained. He adds that the scheme was considered by the Board of Agriculture and also the Finance and Co-ordination Committee of the Mysore Economic Conference. The Superintendent accordingly proposes that the scheme may be extended for another year, *viz.*, 1946-47 in the first instance at a capital expenditure of Rs. 10,000 and a recurring expenditure of Rs. 25,094. He also adds that a provision of Rs. 7,000 is made for providing hostel facilities to the students in the light of last year's experience and that as most of the students coming, as they do, from the moffusil find it hard to find suitable accommodation and food in Bangalore within the stipend given to them, hostel accommodation is necessary and may be provided, the Reserve Depot of the Mysore Serum Institute being converted temporarily into a hostel for the present and utensils being purchased to the value of about Rs. 1,000 for the hostel.

The proposal of the Superintendent, Veterinary and Animal Husbandry Services, as detailed above is sanctioned subject to the condition that the places of 3 Veterinary Inspectors and 12 Salustries, who are drafted for teaching work and who have been included in the Scheme, may be kept vacant in the original places.

A statement showing the financial implications of the scheme for the continuance of Stockmen's Training Schoo during 1946-47 is appended to this order.

**Sanctions the opening of a Municipal High School at Hoskote with effect from the school year 1946-47.**

READ—

Correspondence ending with letter No. H3. 3684-19 of 1945-46, dated 4th June 1946, from the Director of Public Instruction in Mysore, regarding the opening of a Municipal High School at Hoskote, Bangalore District.

ORDER No. E. 874-76—EDN. 44-45-32, DATED BANGALORE, THE 8TH AUGUST 1946.

Both the Director of Public Instruction and the Deputy Commissioner, Bangalore District, state that there is need for a High School at Hoskote. The Municipal Council, Hoskote, have agreed to meet their share of the recurring cost and also to pay Rs. 5,000 for the guarantee fund and Rs. 3,000 for initial equipment for the school. It is stated that the District Board, Bangalore District, will contribute Rs. 300 in the first year, Rs. 400 in the second year and Rs. 500 in the third year towards the recurring charges of the High School.

2. It is reported that the local High School Committee has so far collected from public subscriptions a sum of Rs. 22,000 towards the construction of a building for housing the school and a further sum of Rs. 5,000 is expected to be collected for the purpose. The Municipal Council, Hoskote, have consented to meet the balance of the amount required for the building, if further subscriptions for the purpose cannot be raised. Till the building is constructed, it is proposed to house the school in the local District Board Musafirkhana building.

3. In the circumstances, the Director of Public Instruction recommends that a Municipal High School may be opened at Hoskote with effect from the school year 1946-47. The recommendation of the Director is sanctioned. The grants payable by the department during the year 1946-47 will be met out of the lumpsum provision of Rs. 25,000 made in the budget of that year for payment of grants to Aided High Schools and necessary provision will be made in the budgets of the subsequent years.

4. The details regarding the classes to be opened, the fee income expected, the expenditure to be incurred, the grants to be paid by the Government, etc., in regard to the school are as shown in the statement appended to this order.

### GENERAL SECRETARIAT

### Sanctions a scheme for the boarding of 100 Dry Cows at Hessarghatta.

READ—

Correspondence ending with the letter No. C5-1139—43, dated 31st December 1945, from the Chief Commandant submitting a scheme for the boarding of dry cows at Hessarghatta Grass Farm.

2. Correspondence ending with U. O. Note No. 28—45-46, dated 21st April 1946, from the Superintendent, Veterinary and Animal Husbandry Services, submitting a detailed revised scheme for establishing a temporary dry cattle farm at Hessarghatta.

ORDER No. A. F. 1255-57—A. H. 59-44-4, DATED BANGALORE, THE 17TH AUGUST 1946.

Major Simpson reported that stall fed animals did not thrive when turned out to graze, especially if the grazing was poor, unless they were given, in addition, concentrates, green grass or ragi straw in liberal quantities. He also found that dry cows were invariably turned over to grazers to graze in the outskirts of towns or to Adikarnatakas in villages resulting as it did, in the cows dying of starvation or diseases or straying from the herds and born to any of such surviving cows were worth nothing.

With a view to improving the milk yield of the cows and to ensuring the existing stock of good milk cows in the State by discriminate and systematic breeding and early care and feeding of the calves, Major Simpson submitted for consideration of the Government a scheme called "Care and grazing of dry cows" involving a total expenditure of nearly Rs. 2 lakhs.

Government considered that the scheme for boarding of dry cows was of considerable importance in the improvement of cattle wealth of the State and that this question might be pursued. The Special Officer for Animal Husbandry (the Superintendent of Veterinary and Animal Husbandry Services now) was consulted in the matter. He, in concurrence with the Superintendent of Hessarghatta Grass Farm, has accordingly submitted a scheme for the establishment of a temporary dry cattle farm at Hessarghatta in the immediate future so as to accommodate 100 dry cows in the first instance, to be transferred later to some other convenient place to be selected for the purpose in the suburbs of Bangalore City. The total expenditure on the scheme, according to the revised proposals of the Superintendent, comes to Rs. 49,300 (Rs. 35,000 non-recurring and Rs. 14,300 recurring). The Superintendent, Veterinary and Animal Husbandry Services, states that the scheme provides for the boarding of 100 dry cows, adequate veterinary aid and the services of two breeding bulls—Scindhi and Hallikar bulls as well as feeding of each animal with 1 lb. concentrate and 80 lbs. green grass. The Superintendent also recommends that each of the boarding dry cows should be charged a boarding fee of at least Rs. 10 per mensem and expects that a sum of Rs. 12,600 per annum could be realised by way of fees.

The revised scheme submitted by the Superintendent Veterinary and Animal Husbandry Services, was examined and the latter was requested to re-examine the scheme and report to Government whether any reduction in the estimate of expenditure could be made and whether it would not

possible to provide for 150 dry cows instead of 100, with the same establishment proposed to be sanctioned, so that the scheme might be self-supporting.

The Superintendent, Veterinary and Animal Husbandry Services, in consultation with the Special Officer, Vegetable Production Scheme, and the Superintendent, Government Grass Farm, have re-examined the whole question and reported to Government that a reduction of Rs. 5,000 and Rs. 1,000 could be made in the estimates under non-recurring expenditure and recurring expenditure items respectively and that it is not possible to increase the number of dry cows to 150 without increasing the establishment proportionately.

After a careful consideration of the matter, Government are pleased to sanction the scheme for the boarding of 100 dry cows at Hessarghatta with certain modifications at a total non-recurring expenditure of Rs. 30,000 and a recurring expenditure of Rs. 12,260. The details of the estimates of expenditure on the scheme sanctioned are as follows :—

### Revised rules relating to building grants to High and Middle Schools managed by private bodies.

READ—

Correspondence ending with letter No. D2. 2119-136 of 45-46, dated 1st May 1946, from the Director of Public Instruction in Mysore, submitting for sanction proposals for the revision of the rules relating to building grants to High and Middle Schools managed by private bodies.

ORDER No. E. 1375-76—EDN. 138-45-2, DATED BANGALORE, THE 26TH AUGUST 1946.

The building grants to aided Middle and High Schools are at present regulated by Rule 2 of the Rules under Chapter VI of the Grant-in-aid Code, Edl. Manual, Vol. VII, which reads as follows :—

"Such grants shall not ordinarily exceed one-third of the total expenditure in the case of buildings for High and Middle Schools or one-half in the case of other institutions."

The Director of Public Instruction, whose report was called for on a representation received for increase of grants under the above rule, is of the opinion that the existing scale of Government grant for High and Middle School buildings is not liberal enough and that it is necessary to provide adequate help to the managements of aided High and Middle Schools as well as to the Municipal High Schools in order to encourage private enterprise to start more aided institutions. He therefore recommends the amendment of the Rule 2, referred to above as follows raising the present limit of one-third of the total expenditure to one-half.

"Such grants shall not ordinarily exceed one-half of the total estimated expenditure, the grant being limited to Rs. 50,000 in the case of High Schools and Rs. 25,000 in the case of Middle Schools."

The Director has also suggested consequential amendment to the second sentence in Rule 7 (Page 16 of the Edl. Vol. VII) as noted below :—

"The amount finally disbursed shall not exceed one-half of the cost of the completed work as per approved estimate."

In the circumstances, Government are pleased to sanction the proposal of the Director of Public Instruction, the grants being, however, limited to the funds available in any particular year.

## FINANCIAL SECRETARIAT

### Passes orders on the Report of the Public Accounts Committee on the Audit Report and Appropriation Accounts for the year 1944-45.

READ—

Audit Report and Appropriation Accounts for the year 1944-45, received from the Comptroller to Government with his letters No. S. 360—B. ii, dated 23rd February 1946 and S. No. 573—B. ii, dated 12th June 1946.

2. Report of the Public Accounts Committee thereon.

ORDER No. Fl. 1883-1933—G. F. 266-45-4, DATED BANGALORE, THE 2ND SEPTEMBER 1946.

Recorded.

2. *Appropriation Accounts.*—The percentage of total savings under voted grants during 1944-45 was 22·81 against 23·09 during the previous year. As in the previous year, the savings were mostly due to want of personnel, dearth of labour, want of materials and works not being taken up during the year.

3. Excesses over grants were reported under ten voted heads, the aggregate amount of the excesses being Rs. 91,80,142, which represents 16·33 per cent of the total appropriation against 20·55 per cent in the previous year. Excluding the contributions to funds (which are not real items of expenditure), the percentage of excess under actual expenditure will be very much less. The large excess under Railways worked by Government was due to larger operations which resulted in increase of revenues also.

The Committee have also examined the causes for the excesses under the several heads and recommended that the excesses be passed. A schedule of demands for excess grants on account of the above was accordingly presented to the Legislative Council at its session during June-July 1946 and all the demands were passed.

4. With regard to the excess expenditure reported under non-voted heads, Government direct that the excesses as under be passed :—

| | | |
|---|---|---|
| 1. | 15 Pensions and allowances | ... Rs. 32,298 |
| 2. | 17 Miscellaneous | ... „ 4,938 |
| 3. | Extraordinary Expenditure | ... „ 20 |
| | Total | ... „ 37,256 |

In this connection, Government observe that the review of expenditure against grants now conducted by Heads of Departments does not appear to be satisfactory with the result that surrenders as per Art. 204, M.C.A.C., Volume I, are not effected in time and in several cases additional grants are asked for even though as it subsequently happens no additional grant was necessary at all. Government, therefore, direct that Heads of Departments should take prompt measures to see that grants allotted are utilised for the purpose for which they are earmarked and that no grants are asked for, which are not likely to be spent before the close of the year. They should examine the balance of grants under each head periodically and take steps to surrender all surplus grants well before the year is over.

*Audit Report.*—Expenditure without estimates and excess of expenditure over the sanctioned estimate.

Government regret to note that in spite of repeated instructions, the percentage of expenditure placed under objection has risen from 29·3 per cent in 1943-44 to 39·6 per cent in 1944-45. The percentage under objection could be considerably reduced if standard estimates as suggested in Government Order No. Fl. 7284-7370—G. F. 156-44-6, dated the 12th April 1946 are adopted.

The Chief Engineers are requested to issue instructions to all the disbursing officers under their control that no work should in future be put through without sanctioned estimates and that the personal responsibility of the officers concerned would be fixed if works are undertaken without sanctioned estimates. Even in the case of road works, they should not be proceeded with without having at least a rough preliminary working estimate.

As regards counting certificates, Government view with severe displeasure that counting certificates were not fowarded to the Comptroller on the due dates by the Executive Engineers in charge of Chitaldrug, Kadur, Water Supply, Building, Cement Concrete Divisions and Bureau of Sanitary Engineering. The Chief Engineers are requested to issue needful instructions to the concerned officers to avoid such omissions in future.

As regards the differences between the book balances and counted stocks under materials at site of works, Government direct that all the differences should be adjusted within the next six months and a report submitted to Government.

It has been reported to the Public Accounts Committee that certain works could not be closed and these accounts had to be kept open for including the acquisition charges regarding which there were cases in Court. Government consider that the work accounts need not be kept open merely on this account and that they may be closed with charges as per original awards being booked. If any subsequent alteration big enough to be included in the accounts of the work has to be incorporated later, the account may be reopened as provided for *vide* Articles 446 and 450 of the Mysore Public Works Accounts Code and necessary entries made.

### GENERAL SECRETARIAT

### Passes orders regarding the starting of more centres for the training of Veterinary Compounders.

READ—

Government Order No. A. F. 875-6—A. H. 9-45-2, dated 1st September 1945, sanctioning the training of 15 private and 5 departmental candidates, in all 20 persons, as Veterinary Compounders for the Veterinary Training Course commencing from 15th July 1945.

2. Correspondence ending with letter No. A1-107—45-46, dated 28th May 1946, from the Superintendent, Veterinary and Animal Husbandry Services, submitting proposals for the starting of more training centres of Veterinary Compounders in the State.

ORDER NO. A. F. 1554-5—A. H. 9-45-7, DATED BANGALORE, THE 4TH SEPTEMBER 1946.

In Government Order dated 1st September 1945 read above, sanction was accorded for the training of 15 private and 5 departmental candidates, in all 20 persons, for the Veterinary Training course commencing from 15th July 1945. The Superintendent, Veterinary and Animal Husbandry Services, reported that out of 15 private candidates selected, only 6 reported themselves for training course and that even out of these six persons, 4 dropped off gradually and only two remained and that there is poor response from candidates owing to the insufficiency of the amount of scholarship, *viz.*, Rs. 15 granted to them and also to the poor prospects offered to compounders. The question of the revision of the grades of compounders is separately under consideration. As regards the question of the insufficiency of the scholarship of Rs. 15, it was considered by Government that the amount could not be enhanced as at present the pay of the last class compounders was Rs. 15 but that it was possible to minimise expense to the candidates if one or two more training centres (nearer home to candidates), one in the Malnad (Shimoga) and another in Mysore, were opened. The Superintendent, Veterinary and Animal Husbandry Services, has accordingly submitted detailed proposals for the training of Veterinary Compounders in two centres in

the Maidan parts, *viz.*, at Tumkur and Mandya and two in the Malnad parts, *viz.*, at Shimoga and Hassan, involving an expenditure of Rs. 8,928 for the training of 80 compounders. The Superintendent has also proposed to train two batches of candidates as compounders every year in each of these centres, each batch being trained for a period of six months commencing from 15th July 1946 and 15th January 1947, respectively, and 10 candidates in each batch (8 private candidates and 2 from the department) being trained. In the circumstances mentioned and with a view to meeting the needs of the programme of expansion of Veterinary Department which has been recently sanctioned by Government, Government are pleased to sanction the proposals of the Superintendent, Veterinary and Animal Husbandry Services.

A statement showing the details of the financial implications of the scheme is appended to this order.

*Training of one batch of 10 students in each of the 4 centres for 6 months.*

| | | Rs. |
|---|---|---|
| 1. | Scholarships at Rs. 15 each for 8 private candidates for 6 months in all the 4 centres. | 2,800 |
| 2. | Pay of 2 compounders to be appointed in place of 2 deputed for training from the departmental men for 6 months at Rs. 15 plus Rs. 8 D. A. | 1,104 |
| 3. | Teaching allowance at Rs. 10 each per mensem for one District Veterinary and Livestock Officer and one Veterinary Inspector in each of the 4 centres for 6 months. | 480 |
| | Total for one batch ... | 4,464 |
| | Total for two batches ... | 8,928 |

## Passes orders regarding the hostel facilities to the students of the Stockmen Training School at Hebbal.

READ—

Government Order No. A. F. 556-7—A. H. 128-44-4, dated the 25th May 1946, sanctioning a scheme for starting a school for the training of Veterinary Stockmen at Hebbal for one year from 1st July 1945.

2. Government Order No. A. F. 730-31—A. H. 202-45-2, dated the 29th July 1946, sanctioning the continuance of the school for the training of Veterinary Stockmen at Hebbal during the current year 1946-47.

3. Letter No. C. 2-4—45-46, dated the 11th July 1946, from the Superintendent, Veterinary and Animal Husbandry Services, submitting proposals for the provision of hostel facilities to the students of the Stockmen Training School at Hebbal.

ORDER NO. A. F. 1556-7—A. H. 202-45-4, DATED BANGALORE, THE 4TH SEPTEMBER 1946.

The Stockmen's Training School, which was started last year at Hebbal, has been continued during this year also. The Superintendent of Veterinary and Animal Husbandry Services reports that last year the authorities of the Hebbal Agricultural School accommodated the Stockmen Students, that they have pleaded their inability to do so during the current year, as they have to provide accommodation to the fresh batch of students of the Agricultural School as well as to the students of the Agricultural College that has come into existence this year.

The Superintendent, therefore, states that with a view to providing immediate facilities to these students he has arranged, in consultation with the Executive Engineer, Bangalore, to go in for some Nissen Huts from the Army and fix them up at an approximate cost of Rs. 8,750 as detailed below, for accommodating the present batch of students.

| | Rs. |
|---|---|
| Cost of 5 Nissen huts at Rs. 900 each ... | 4,500 |
| Erection charges at Rs. 500 each ... | 2,500 |
| Alterations to the Johnes Shed to provide kitchen, dining room and bath room. | 1,000 |
| Purchase of vessels for the Hostel ... | 750 |
| Total ... | 8,750 |

He further states that the huts will be erected on the premises of the Mysore Serum Institute as an adjunct to the present Johne's Disease Shed which will be suitably alterated to provide facilities for kitchen, dining room and bath rooms at an additional cost of about Rs. 1,000 and that as regards the recurring expenditure for the maintenance of the hostel an allowance of Rs. 50 per mensem may be paid to the Warden of the hostel and that a cook on Rs. 30 and two servants on Rs. 12 per mensem each may be provided temporarily at a cost of Rs. 1,248 per annum as detailed below :—

| | Rs. |
|---|---|
| Allowance to Warden at Rs. 50 per mensem. | 600 |
| Pay of cook at Rs. 30 per mensem ... | 360 |
| Pay of 2 servants at Rs. 12 per mensem ... | 288 |
| Total ... | 1,248 |

The Superintendent adds that in view of the urgency of the matter he has, in anticipation of Government sanction, requested the Executive Engineer, Bangalore, to obtain necessary huts and proceed with the erection work immediately.

In the circumstances, Government are pleased to sanction the proposals of the Superintendent of Veterinary and Animal Husbandry Services, with the modification that the allowance to the Warden may be limited to Rs. 30, the pay of the servants to Rs. 11 each and that of the cook to Rs. 20 as in the case of Agricultural School Hostel at Hebbal.

The action taken by the Superintendent, Veterinary and Animal Husbandry Services in this connection in anticipation of Government sanction, is also approved.

### EDUCATION SECRETARIAT

## Sanctions the opening of 400 New Primary Schools during the year 1946-47.

READ—

Government Order No. E. 5790-91—Edn. 93-44-6, dated 26th May 1945, sanctioning, *inter alia* the opening of four hundred New Primary Schools in the State during the year 1945-46.

2. Letter No. P4. 3018-197 of 45-46, dated 1st June 1946, from the Director of Public Instruction in Mysore requesting sanction for the opening of 400 New Primary Schools during the year 1946-47.

ORDER NO. E. 1626-28—Edn. 147-45-3, DATED BANGALORE, THE 3RD SEPTEMBER 1946.

The four-year programme of expansion of Elementary Education initiated in the year 1941-42 stipulated that all villages or groups of villages with a population of 500 and above in the maidan and 300 and above in the malnad should be provided with Primary Schools by the end of the fourth year. During the first three years alone, 1,096 Primary Schools were opened and sanction was accorded to the opening of 400 more Primary Schools in each of the years 1944-45 and 1945-46, the total number of schools opened during the last five years being 1,896.

The Director of Public Instruction states that there are still many villages with a population ranging from 300 to 500 in the maidan and 200 to 300 in the malnad without schools, that there is demand for more Primary Schools in the Rural Welfare Centres at Closepet, Dodballapur and Anandapura and also in the 164 hoblis selected for Rural Development work and that there is large demand for Primary Schools from the people in the countryside as a result of their realisation of the value of education.

In the circumstances, the Director recommends the opening of 400 New Primary Schools during the year 1946-47 involving an expenditure of Rs. 1,61,400 (rupees one lakh sixty-one thousand and four hundred per annum recurring and rupees sixty thousand non-recurring) as detailed below :—

| *Details of cost* | *Per annum* |
|---|---|
| 400 teachers at Rs. 20 per mensem ... | Rs. 8,000 per mensem or Rs. 96,000 |
| S. L. A. for 100 teachers at Rs. 1-8-0 per head. | Rs. 150 per mensem or Rs. 1,800. |
| Contingent grant at Re. 0-8-0 per teacher per mensem for 400 teachers. | Rs. 200 per mensem or Rs. 2,400. |
| Money order commission, annas four per teacher for 400 teachers. | Rs. 100 per mensem or Rs. 1,200. |
| | Total recurring Rs. 1,01,400. per annum |

*Non-recurring charges.*

For articles of furniture and other equipment at Rs. 150 per school for 400 schools Rs. 60,000.

The recommendation of the Director of Public Instruction is sanctioned. The cost required during the year 1946-47 will be met out of the sum of Rs. 3,00,000 provided in the current year's budget (Appendix S) for post-war scheme under Primary Education and necessary provision will be made in the budgets of the succeeding years.

Letter No. P4-2995-192 of 45-46, dated 21st March 1946, from the Director of Public Instruction in Mysore, regarding the selection of a second set of nine taluks for the introduction during the year 1946-47 of the scheme of Compulsory Attendance under the Elementary Education Amendment Act, 1944.

ORDER NO. E. 1547-58—Edn. 126-45-7, DATED BANGALORE, THE 31ST AUGUST 1946.

In accordance with the Elementary Education Amendment Act, 1944, the scheme of compulsory attendance has to be introduced in one taluk in each district every year so as to bring the whole State under the operation of the scheme within a period of ten years. The scheme was introduced in nine taluks during the year 1945-46 as per Government Order read above. The Director of Public Instruction has now recommended that the scheme be extended to the undermentioned nine taluks during the year 1946-47. The proposal involves an expenditure of Rs. 1,68,462 per annum recurring and Rs. 2,65,600 non-recurring as detailed in the statements appended.

1 Closepet Taluk.
2 Maddur Taluk.
3 Chamarajanagar Taluk.
4 Belur Taluk.
5 Sagar Taluk.
6 Kadur Taluk.
7 Davangere Taluk.
8 Koratagere Taluk.
9 Bowringpet Taluk.

The recommendation of the Director of Public Instruction is sanctioned. The cost to the extent of Rs. 3,23,000 will be met out of the provision made for the purpose under "26 Edn. 6 Primary Education—III Grants to Elementary Education Funds" in the current year's budget and the balance from the sum of rupees three lakhs provided under "Post-War Schemes" in Appendix "S" of the Budget for 1946-47. Necessary provision will be made in the budgets of the Education Department for the subsequent years.

## Sanctions the revival of Five-year Fixed Deposit Scheme.

READ—

Government Order No. Fl. 3881-3941—G. F. 196-43-2, dated the 24th February 1944, reducing among other items the rate of interest on Fixed Deposits to 2 per cent.

Government Order No. Fl. 4803-64—G. F. 245-44-2, dated the 15th May 1945, directing the temporary suspension of the Mysore Government Savings Bank Fixed Deposits.

Correspondence ending with U. O. No. 1662—Books dated the 1st April 1946, from the Comptroller regarding the revival of the scheme.

ORDER NO. Fl. 2093-2160—G. F. 91-46-2, DATED BANGALORE, THE 5TH SEPTEMBER 1946.

Government are pleased to direct that the order suspending the scheme temporarily be withdrawn and that the Mysore Government Five-Year Fixed Deposit Scheme be revived with effect from 1st September 1946, subject to the conditions noted below :—

(1) Fixed Deposits for Five Years will be received from any person—whether a Savings Bank depositor or not—in all District and Taluk Treasuries, which carry on Savings Bank Transactions.

(2) There is no maximum or minimum limit to the amount of deposits, but they should be in even hundreds of rupees. A person may make any number of deposits.

(3) Each depositor will be given a Fixed Deposit Receipt in Form 16, which should be carefully preserved and which should be presented at the Treasury, when interest is claimed and which should be surrendered to the treasury, duly acknowledged when repayment is required.

(4) Interest will be paid at two per cent per annum half-yearly, calculated from the date of deposit and is exempt from the provisions of the Mysore Income-tax Act. The amount of such deposits may be withdrawn for being invested in a long-term loan which Government may float in future. The amount so withdrawn, interest at one-and-three-quarters per cent will be allowed up to, but exclusive of date of withdrawal.

(5) If payment is desired before the expiry of five years from the date of deposit, it may be allowed in special cases at the discretion of the Comptroller and subject to the condition that the amount of interest payable will be the rate of interest allowed from time to time for complete years and months as if the amount was under Savings Bank Current Deposits. Excess interest paid for previous periods, if any will be adjusted at the time of repayment from the amount.

(6) The Fixed Deposit Receipt will be not negotiable and payment of interest and principal will ordinarily be made only in the treasury in which the deposit is accepted. The Comptroller may, however, on application, order the transfer of the deposit from one treasury to another. The Comptroller is also authorised to sub-divide Savings Bank Fixed Deposit receipts on the application of parties subject to payment of Re. 1 (one) for each new scrip issued.

NOTE.—Arrangements will be made to pay interest on due dates to depositors living outside the State by sending cheques or drafts on the nearest Imperial Bank if they send their Fixed Deposit Receipts and Interest Vouchers to the Comptroller's Office on due dates or if they deposit the Fixed Deposit Receipts in the Comptroller's Office for safe custody. In the latter case, a receipt for the safe custody of the Fixed Deposit Receipt will be given to them.

(7) Depositors may register the names of nominees to whom interest and principal may be paid in case of death, in the same manner as nominations are made for Savings Bank Accounts subject to the provisions in Rules 96 and 106 of Savings Bank Rules.

## Increasing the existing rates of Dearness Allowance to Pensioners by fifty per cent.

READ—

Government Order No. Fl. 229-300—S. & A. 6-46-2, dated 5th July 1946, sanctioning the continuance of the grant of Dearness Allowance on a sliding scale ranging from Rs. 3 to Rs. 4 per mensem to the retired employees of Government in receipt of pensions not exceeding Rs. 40 per mensem till the end of December 1946.

ORDER NO. FL. 2022-2087—S. & A. 36-46-2, DATED BANGALORE, THE 4TH SEPTEMBER 1946.

Repeated representations are being made to Government by retired employees to the effect that the relief now afforded to them by way of the grant of dearness allowance is too inadequate in view of the steepening of prices since the termination of hostilities. Government are therefore pleased to direct that the rates of allowances sanctioned to the retired employees of Government in receipt of pensions of Rs. 40 and below per mensem be enhanced by fifty per cent of the existing rates, with effect from 1st July 1946 until further orders.

3. Government Order No. S. D. 121-42—C. 80-45-53, dated 8th July 1946, sanctioning the payment of a bonus of Rs. 2 per palla of Kar-grains delivered to Government.

4. Correspondence ending with letter No. A. 9-1436—45-46, dated 16th August 1946, from the Deputy Commissioner, Mandya District, suggesting a scheme for the distribution of prizes to the best growers of Kar Ragi in the Irwin Canal area.

5. Correspondence ending with letter No. S. M. 177—45-46, dated 16th August 1946, from the Director of Agriculture on the subject.

6. Letter No. C. 5-692—46-47, dated 26th August 1946, from the Revenue Commissioner on the same subject.

ORDER NO. A. F. 1653-58—Agri. 52-46-3, DATED BANGALORE, THE 6TH SEPTEMBER 1946.

The Deputy Commissioner, Mandya District, has brought to the notice of Government that as a result of the special efforts put forth by the officers of Government to induce raiyats to take up summer cultivation in the Irwin Canal area, nearly 8,000 acres of land yielding about 26,000 pallas of Kar Ragi were brought under cultivation during the summer of this year and propose that prizes of the value of Rs. 10,000 may be awarded to the best growers of Kar Ragi in the area both as a measure of stimulus to deserving raiyats and of stimulating the increased production of food grains in the State. The Director of Agriculture and the Revenue Commissioner support the above proposal.

Government agree that the idea sponsored by the Deputy Commissioner, Mandya District, and supported by the Director and the Revenue Commissioner, is one deserving of encouragement and are accordingly pleased to sanction a sum of Rs. 4,000 (rupees four thousand) only for awarding prizes to the best growers of Kar Ragi in the Irwin Canal area. The prizes may be of the value of Rs. 150, 100 and 50. The Deputy Commissioner, Mandya District, is requested to make necessary arrangements, in consultation with the Director of Agriculture, for giving wide publicity to this measure and frame suitable rules for the award and distribution of these prizes.

The Comptroller to Government is requested to place the amount at the disposal of the Deputy Commissioner, Mandya District.

The Director of Agriculture is requested to point out direct to the Comptroller the source from which the cost has to be met.

## EDUCATION SECRETARIAT

### Sanctions the opening of a Municipal High School at Gundlupet, Mysore District.

READ—

Correspondence ending with Letter No. H3. 2067-30 of 45-46, dated 14th June 1946, from the Director of Public Instruction in Mysore, regarding the opening of a Municipal High School at Gundlupet, Mysore District.

ORDER NO. E. 1809-11—EDN. 44-45-36, DATED BANGALORE, THE 6TH SEPTEMBER 1946.

Both the Deputy Commissioner, Mysore District, and the Director of Public Instruction state that there is a great need for a High School at Gundlupet. The Municipal Council, Gundlupet, are agreeable to deposit the guarantee fund of Rs. 5,000 and also to meet their share of the recurring and non-recurring expenditure of the school out of the funds of the Municipality.

It is reported that Mr. Doddahundi Bhogappa, landlord, Bogayyanahundi, Gundlupet Taluk, has offered a donation of Rs. 25,000 towards the construction of a building for the Municipal High School at the place on the undermentioned conditions and that the offer has been accepted by the Municipal Council, Gundlupet. A building costing Rs. 30,000 is proposed to be built for the school, the amount required over and above the donation of Rs. 25,000 being met from the subscriptions to be collected and from the Municipal Funds. The school is proposed to be housed in the Town Hall till a building is constructed :—

1. That the institution should be named as Doddahundi Bhogappa Municipal High School.
2. That the donor's portrait and a tablet in his name should be put up in a prominent place of the building.
3. That all documents of the High School shall bear the name of the institution, *i.e.*, "Sri Doddahundi Bhogappa Municipal High School."
4. That a seat in the Managing Committee of the Municipal High School shall be reserved to the Donor, his successor or nominee, and
5. That the Management of the institution will vest in the Municipality.

In the circumstances, the Director of Public Instruction requests that the donor's wishes may be accepted and that sanction may be accorded for the opening of a Municipal High School at Gundlupet, with effect from the school year 1946-47. The proposals of the Director of Public Instruction are sanctioned. The departmental share of the cost during the year 1946-47 will be met out of the lumpsum provision of Rs. 25,000 made in the budget for payment of grant to the new High Schools to be opened during the year and necessary provision will be made in the budgets of the succeeding years.

A statement showing details regarding the classes to be started, the fee income expected, the expenditure to be incurred, the grants to be paid by Government, etc., is appended hereto.

### Sanctions the opening of a Municipal High School at Chennagiri, Shimoga District.

READ—

Correspondence ending with letter No. H-3. 4860-67—45-46, dated 18th June 1946, from the Director of Public Instruction regarding the opening of a Municipal High School at Chennagiri, Shimoga District.

ORDER No. E. 2013-15—EDN. 44-45-38, DATED BANGALORE, THE 6TH SEPTEMBER 1946.

Both the Deputy Commissioner, Shimoga District, and the Director of Public Instruction are of opinion that there is need for a High School at Chennagiri.

A sum of Rs. 30,001 has been collected by way of donations. Out of this amount, a sum of Rs. 25,000 is proposed to be set apart for the building of the High School, the balance of Rs. 5,000 being kept as stability fund. The Municipal Council, Chennagiri, is agreeable to meet its quota of the recurring expenditure and also to find funds required for the equipment of the High School. The school is proposed to be located in the Municipal building till a building is constructed for it.

The Science Hall of the High School is proposed to be named as "Sriman Basalingappa Srimathi Mahadevamma Hall" as desired by Mr. Basalingappa of Hire Uda who has donated a sum of Rs. 5,001 for the school.

The Director of Public Instruction recommends sanction to the opening of a Municipal High School at Chennagiri from the school year 1946-47 on the conditions detailed below.* He also states that the proposal of the Municipal Council to name the Science Hall of the High School as "Sriman Basalingappa Srimathi Mahadevamma Hall" may be approved.

*(1) That the local Municipal Council should set apart for the building fund the entire collection of Rs. 30,000 so far made, and arrange to deposit a separate sum of Rs. 5,000 to constitute the stability fund of the school.

(2) That the Municipality should not request either the Government or the department at any time in future for the conversion of the school into a Government one.

The proposals of the Director of Public Instruction are sanctioned. The Government share of the cost during the year 1946-47 will be met from the sanctioned grants of the Education Department for that year and necessary provision will be made in the budgets of the succeeding years.

A statement showing details regarding the classes to be started, the fee income expected, the expenditure to be incurred and the grants to be paid by the Government, etc., is appended hereto.

### Passes orders prescribing a revised procedure with a view to enable the speedy disposal of Phodi Records.

READ—

Government Order No. R. 2948-58—L. S. 29-26, dated 23rd November 1926, approving of the memo of instructions issued by the Survey Superintendent regarding the items of work to be attended to by the District Circle Officers and the Fieldmen working under them.

2. Government Order No. R. 4130-40—L. S. 27-26-4, dated 17th January 1927, approving the proposals of the Survey Superintendent for the co-ordination of work between the Revenue and Survey Departments.

3. Government Order No. R. 7744-55—L. S. 71-40-2, dated 14th May 1941, issuing instructions in the matter of simplification of the procedure for the erection of boundary marks.

4. Letter No. Sec. 95, dated 19th June 1946, from the Commissioner for Settlement and Land Records, requesting sanction of the revised procedure so as to enable the speedy disposal of Phodi Records in the Department of Land Records.

5. Unofficial Note No. C. 8-4496—45, dated 8th August 1946, from the Revenue Commissioner in the matter.

ORDER NO. R. 2406-17—L. S. 2-46-2, DATED BANGALORE, THE 9TH SEPTEMBER 1946.

With a view to enable the speedy disposal of Phodi Records, the Commissioner for Settlement and Land Records suggests the following procedure :—

(i) As soon as the lands are disposed of for cultivation and saguvali chits are issued to the parties subject to the condition of paying temporary assessment, the concerned darkhast record should, instead of being given to the Surveyor, be sent to the District Survey Officers of the District in future.

(ii) The District Survey Officer on obtaining the records from the taluk should himself frame a programme for the guidance of the Taluk Surveyor and send only as many records as are necessary for one month, with the requisite tippan copies and other reference, if any, needed for the purpose, at least ten days before the commencement of the month for which programme is drawn up.

(iii) The records should be attended to by the Surveyor according to that programme by the issue of notices through the taluk well in advance and the worked-up records should be sent to the District Survey Office along with the monthly diaries. The District Survey Officer and his Supervisor should scrutinise the out-turn with reference to the records and return such of the records on which action has to be taken in the Revenue Department to the Taluk Office, direct with his definite suggestions on each file.

(iv) Such records which are in a fit state of being sent to durasti should be checked in the office promptly and carefully and sent to the Central Office for akarband durasti.

(v) On receipt of the records together with the rectified akarbands, in the District Survey Office, the District Survey Officer will arrange to send them to the concerned taluk for making necessary entries in the Phodi Register and the Akarband Durasti Check Register.

The proposals of the Commissioner for Settlement and Land Records have been generally agreed to by the Revenue Commissioner. The Revenue Commissioner is however of the opinion that since the Phodi work is almost entirely one of the Land Records Department and the Surveyors are working under the District Survey Officer, the preparation of a programme of work to be turned out by the Staff may be left to the District Survey Officer, who may be required to give due weight to the references received from the Amildars explaining the urgency of work in any case.

Government consider that the procedure indicated by the Commissioner for Settlement and Land Records and agreed to by the Revenue Commissioner has the advantage of holding some officer responsible for securing a standard out-turn of work and for expeditious despatch of business in the department and they are accordingly pleased to approve of the above proposals.

### GENERAL SECRETARIAT

**Sanctions the continuance of the Compost Scheme for a period of three years from 1st August 1945, as a Post-War Scheme.**

READ—

Government Order No. A. F. 3459-61—Agri. 245-42-20, dated the 20th January 1944, sanctioning a scheme for composting town refuse into manure for a period of two years from 1st August 1943, the cost being borne by the Imperial Council of Agricultural Research and the Government in a certain agreed proportion.

2. Correspondence ending with Un-official Note, dated the 8th May 1946, from the Director of Agriculture requesting sanction to the continuance of the scheme for a further period of three years from 1st August 1945, the cost being met entirely by the Mysore Government.

ORDER NO. A. F. 1797-8—Agri. 257-45-12, DATED BANGALORE, THE 17TH SEPTEMBER 1946.

The scheme for the composting of town refuse into manure, sponsored by the Imperial Council of Agricultural Research, came to a close from 1st August 1945. The Director has submitted proposals for the continuance of the scheme for a further period of three years at an estimated cost of Rs. 46,800. Meanwhile the Central Government have stated that the scheme has passed beyond the experimental stage and that the Government of Mysore may themselves finance any work conducted from 1st August 1945, as the result will be of permanent benefit to the State cultivators.

2. Considering the importance of the scheme in its bearing on the "Grow More Food" campaign and the need for the satisfactory utilisation of town refuse from the economic point of view, Government are of opinion that the training of Sanitary Inspectors under the scheme should be speeded up and the organisation of "Compost" production in all the towns of the State taken up and pursued with vigour.

3. Government are accordingly pleased to sanction the continuance of the scheme for a further period of three years from the 1st August 1945, with the existing staff as detailed in Statement I. The total cost of the scheme is estimated to be Rs. 46,800 spread over a period of three years.

4. A programme of work is detailed in Statement II.

6. The cost of the scheme will be met from the provision of Rs. 8 lakhs made in the Budget of the Agricultural Department under Post-war Schemes.

**Sanctions the opening of a Municipal High School at Arkalgud, Hassan District.**

READ—

Letter No. H3. 5052-111 of 45-46, dated 26th June 1946, from the Director of Public Instruction in Mysore, Bangalore, regarding the opening of a Municipal High School at Arkalgud, Hassan District.

ORDER NO. E. 2198-200—EDN. 44-45-40, DATED BANGALORE, THE 18TH SEPTEMBER 1946.

The Municipal Council, Arkalgud, is agreeable to meet its share of the recurring and non-recurring expenditure of the Municipal High School proposed to be opened at the place and to deposit a sum of Rs. 25,000 as an endowment, the interest thereof being set apart for meeting the recurring charges of the school. The Municipal Council further propose to collect Rs. 20,000 within a year to form the building fund and to provide a building, free of rent, for housing the High School temporarily until a building is constructed. The Hassan District Board has agreed to pay an annual grant of Rs. 1,000 for the High School till the finances of the Municipality improve.

The Director of Public Instruction states that there is need for a High School at Arkalgud and recommends that the proposal of the Municipal Council, Arkalgud, to deposit Rs. 25,000 as a Charitable Endowment may be accepted and sanction may be accorded for the opening of a Municipal High School at the place from the school year 1946-47 temporarily on condition that the Municipal Council should provide immediately a suitable building, free of rent, to house the High School till a building is constructed and so augment their finances as to be able to meet their full quota of the recurring charges and raise a building fund of Rs. 25,000.

The recommendation of the Director of Public Instruction is sanctioned on the distinct understanding that, if the building fund is not collected by 1st March 1947, the school will be closed. The departmental share of the cost during the year 1946-47 will be met from the sanctioned grants of the department for that year and necessary provision will be made in the budgets of the succeeding years.

The details regarding the classes to be started, the fee income expected, expenditure to be incurred, the grants to be paid by the Government, etc., are shown in the statement appended.

**Sanctions the opening of a Municipal High School at Konanur, Arkalgud Taluk.**

READ—

Correspondence ending with letter No. H3. 5343-156 of 1945-46 of 28th June 1946 from the Director of Public Instruction in Mysore, regarding the opening of a Municipal High School at Konanur, Arkalgud Taluk.

ORDER No. E. 2221-23—Edn. 44-45-46, DATED BANGALORE, THE 13TH SEPTEMBER 1946.

It is reported that the public of Konanur, Arkalgud Taluk, have collected a sum of Rs. 30,000 for the purpose of a High School at their place and have proposed to make a further collection of Rs. 15,000 for the same purpose. The Hassan District Board are agreeable to contribute Rs. 1,000 annual for a period of three years towards recurring charges and the Municipal Council of Konanur are willing to meet their quota of recurring expenditure.

The Director of Public Instruction states that since Mr. Chinnaiah Setty has donated a sum of Rs. 15,000 towards the building fund and would further raise his donation by Rs. 5,000, the school may be named after the donor and the following concessions may be granted to him. He also recommends that a Municipal High School may be sanctioned to Konanur from the school-year 1946-47, subject to the conditions that the Municipal Council should arrange to deposit Rs. 25,000 as a charitable endowment; that they should provide a suitable building, free of rent, to house the High School till a building is constructed, that they should raise a building fund of Rs. 25,000 and that they should increase their resources to be able to meet their quota of the recurring expenditure :—

1. That the institution should be named after the donor;
2. That a portrait of the donor and a tablet in his name should be put up in a prominent place of the building;
3. That all documents of the High School shall bear the name of the institution;
4. That the management of the institution will vest in the Municipality;
5. That a seat shall be reserved in the Managing Committee of the High School to the donor, his successor or his nominee.

The proposals of the Director of Public Instruction are sanctioned with the modification that Rs. 25,000 of the subscription should be set apart as a building fund, Rs. 8,000 towards guarantee fund and equipment charges and the balance as an endowment fund. The Government share of the cost during the year 1946-47 will be met out of the sanctioned grants of the department and necessary provision will be made in the budgets of the succeeding years.

The details regarding the classes to be started, the fee income expected, the expenditure to be incurred, the grants to be paid by the Government, etc., in regard to the school are shown in the Annexure.

## FINANCIAL SECRETARIAT

### Directs the Constitution of an Independent Audit and Accounts Branch in the Public Works Department.

READ—

Letter No. 3463—E. S., dated the 16th May 1945, from the Comptroller to Government recommending the decentralisation of the Public Works Audit and Accounts work and constitution of an Independent Audit and Accounts Branch for the Public Works Department.

2. Government Order No. Fl. 7833-7—G. F. 261-44-4, dated the 29th April 1946, constituting a committee to consider the preliminaries and other details for the constitution of an audit and accounts office to the Public Works Department.

3. Letter No. Nil, dated the 27th July 1946, from the Secretary to the above committee forwarding a report containing the recommendations of the Committee on the constitution of an Independent Audit and Accounts Branch for the Public Works Department.

ORDER NO. FL. 1525-95—G. F. 261-44-6, DATED BANGALORE, THE 27TH AUGUST 1946.

After a review of the existing system of audit and accounting of transactions of the Public Works Department, Government considered that the state of account work in the Divisional offices and of inspection and audit work in the Central and Local Audit Offices was far from satisfactory and that a closer and more effective and concentrated attention in the financial transactions was necessary. The Public Accounts Committee was also of unanimous opinion that it was essential to constitute a separate Audit and Accounts Branch for the Public Works Department. Government therefore in their order of 29th April 1946, while accepting in principle the need for immediate formation of an Independent Audit and Accounts Branch under the control of a Deputy Comptroller who would also work as a financial adviser to the two Chief Engineers so as to secure an effective and organised control of the huge financial transactions of the Public Works Department, directed that the detailed examination of the procedure, etc., may be investigated by a Committee as constituted in that order. The Committee was in particular requested to report regarding :—

(1) the minimum staff required for the formation of an Independent Audit and Accounts Section under the Deputy Comptroller for the Public Works Department ;

(2) the powers and functions of the audit officer in charge of the new Audit and Accounts Branch and his relationship to the two Chief Engineers and the Comptroller;

(3) mode of recruitment, promotions and examinations for the Public Works Audit and Accounts Staff;

(4) the desirability of subjecting all final bills to pre-audit by the Audit Officer;

(5) scrutiny of estimates sanctioned by the Chief Engineers and those submitted to Government;

(6) the preparation of annual schedule of rates;

(7) procedure for maintenance and accounts of stock especially in respect of large capital works; and

(8) simplification and revision of the processes of Audit and Accounts.

The Committee have given an unanimous report (printed as Annexure A) except that the Chief Engineers are of opinion that it need not be one of the duties of the Auditor to scrutinise the estimates.

After carefully considering the report of the Committee, Government are pleased to direct the immediate constitution of an independent Audit and Accounts Branch in the Public Works Department as indicated in the Annexure B.

The other recommendations of the Committee are approved subject to the following modifications:—

*Scrutiny of Estimates*:—Though the Chief Engineers have differed from the views of the other committee members, Government consider that in order to have an effective check over the estimates in all its aspects, a scrutiny by the Accounts Officer who will have a detailed knowledge of the working of the department is necessary. They therefore direct that in respect of estimates requiring sanction of Government or of the Chief Engineers they should be got scrutinised by the Auditor and certified before sanctioning and that a similar procedure may be adopted in the case of the estimates requiring sanction of the Superintending Engineer or Executive Engineer, such estimates being scrutinised and certified by the Divisional Accountant.

*Introduction of Pre-audit.*—Government agree with the Committee that the Auditor should investigate the possibility of introducing the pre-audit system and submit a separate report in consultation with the Chief Engineers through the Comptroller.

*Stock Accounts.*—Government agree that the existing rules in the Public Works Accounts Code relating to stores are not complete. As recommended by the Committee, the Auditor may, in consultation with the Chief Engineers, suggest necessary changes on the analogy of the procedure obtaining in the Electrical Department.

*Simplification and Revision of the Public Works Department Audit and Accounts.*—As suggested by the Committee, the Auditor will investigate as to how far any further simplification in the accounting and audit procedure in respect of work bills of the Public Works Department is possible and submit a special report.

*Recruitment.*—The Committee has recommended that in order to overcome the deficiency in the existing strength to facilitate an efficient and timely audit the existing rules of recruitment require modification at least on a temporary basis. Government consider that this matter may be examined further and separate proposals submitted.

*Divisional Staff.*—The Committee is of opinion that the strength of the Divisional Accounts Staff which was fixed years ago requires to be permanently increased. This is a matter which the Auditor may take up after the new office has worked for some time and he may submit suitable proposals in consultation with the Chief Engineers.

*Minimum Extra Staff for the Audit and Accounts Department.*—The Committee has recommended that the existing staff attached to the Audit Office for Public Works Audit and Accounts may be transferred to the control of the Auditor. According to the Committee's proposals, the following Gazetted staff is stated to be necessary:—

| | | |
|---|---|---|
| One Deputy Comptroller | ... | Rs. 500—50/2—750 |
| Two-Assistant Comptrollers | ... | ,, 250—40/2—450 |
| One Chief Superintendent | ... | ,, 250 |

The Comptroller has already agreed to spare the services of one Assistant Comptroller now attached to the work audit sections. With the recent formation of the District Treasury at Bangalore, the work in the State Huzur Treasury has considerably reduced, and after the transfer of the audit and inspection work relating to Public Works Department to the new Audit Office, the inspection work in the Local Audit Circles and work in the Central Offices would also be considerably reduced. Government therefore consider that the existing three local audit circles may be reduced to two, and one more Assistant Comptroller attached to the local audit transferred to the Public Works Department Audit Office and one Chief Superintendent on Rs. 160—10—250 *plus* Rs. 20 duty allowance may also be released and transferred to the Public Works Department Audit and Accounts Office. The additional gazetted staff to be sanctioned will therefore consist only of the Deputy Comptroller on Rs. 500—50/2—750

As regards non-gazetted staff, the Comptroller will arrange for the release of the superintendents, clerks, leave reserves and menial staff, pertaining to Public Works Audit now attached to the work audit sections, local audit and other sections. The following additional staff as proposed by the Committee is sanctioned in addition to the staff to be released by the Comptroller:—

(*i*) One First Grade Superintendent on Rs. 160-10-250 to supervise the new section to be formed in the Audit Office to attend to disposal of unofficial references, verification of estimates and schedule of rates, audit of salary and travelling allowance bills, disposal of inspection reports, typing tappals and other miscellaneous items of work.

| | | Rs. |
|---|---|---|
| (*ii*) Two first grade clerks | ... | 40—3—70—5—100 |
| (*iii*) Eight second grade clerks | ... | 25—2½—50 |
| (*iv*) One typist | ... | 30—3—60—5—100 |
| (*v*) One daffedar | ... | 15—1/2 years—18 |
| (*vi*) Five peons | ... | 11—1/2 years—15 |

A consolidated statement of the staff sanctioned for the Public Works Audit and Accounts Office is appended to the order as Annexure C.

*Staff for Arrear Work.*—It is reported that the work in this branch is at present heavily in arrears. Government consider that effective steps should be taken to clear all the arrears and are accordingly pleased to sanction additional staff as noted in the margin for a period of one year for the clearance of arrear work. The Auditor should see that special attention is paid to this item and that arrears are cleared immediately.

One Superintendent in grade Rs. 160—10—250
Six Clerks in grade Rs. 40—3—70—5—100
(*Vide* also Annexure C.)

The extra cost involved on account of additional staff sanctioned during the current year may be met out of the provision made for the purpose in the Budget.

The Comptroller is requested to take immediate action for the formation of the audit branch and for the transfer of the necessary grants under travelling allowance, contingencies, books, periodicals, rent, etc., to the new office.

Separate orders will issue regarding the posting of an officer as Auditor, Public Works Audit and Accounts Office.

B. S. RAGHAVENDRA RAO,
*Secretary to Government,*
*Financial Department.*

## ANNEXURE A.

Report of the Committee appointed by Government in Government Order No. Fl. 7833-7—G. F.261-44-4, dated 29th April 1944, in connection with the formation of an Audit and Account Office in the Public Works Department.

The Committee was required to examine and report on the following matters :—

(1) The minimum staff required for the formation of an independent Audit and Accounts Section under the Deputy Comptroller for the Public Works Department.

(2) The powers and functions of the Audit Officer in charge of the new Audit and Accounts Branch and his relationship to the two Chief Engineers and the Comptroller.

(3) Mode of recruitment, promotions and examinations for the Public Audit and Accounts staff.

(4) The desirability of subjecting all final bills to pre-audit by the Audit Officer.

(5) Scrutiny of estimates sanctioned by the Chief Engineers and those submitted to Government.

(6) The verification of Annual Schedule of Rates.

(7) Procedure for the maintenance of accounts of stock, especially in respect of large Capital works, and

(8) Simplification and revision of the processes of Audit and Accounts,

2. The Committee discussed these matters in detail and have arrived at the following conclusions :—

(i) The designation of the Audit and Accounts Office (to be newly formed) may be "THE PUBLIC WORKS DEPARTMENT AUDIT AND ACCOUNTS OFFICE,"

(ii) The designation of the head of the Public Works Department Audit and Accounts Office may be "THE AUDITOR, PUBLIC WORKS DEPARTMENT" and that of his Assistants "ASSISTANT AUDITOR, PUBLIC WORKS DEPARTMENT."

(iii) *Location of the Office.*—When a new building is taken for housing the offices of the Chief Engineers, accommodation may be provided therein for the Public Works Department Audit and Accounts Office also and, for the time being, this office may be located in the Insurance Office Building where the Work Audit Sections are at present located.

(iv) *Auditor's powers and relationship with the Chief Engineers and the Comptroller* :—

(*a*) The Auditor, Public Works Department, will in addition to being the principal Audit and Accounts Officer for the Department afford financial advice and assistance to the Departmental Officers and see that objections are avoided or cleared immediately in consultation with the Chief Engineers. He is also expected to take all necessary steps for the improvement of the procedure relating to the accounting of receipts and expenditure.

(*b*) The Comptroller as the Head of the Accounts Department will exercise all powers in regard to general supervision over the Public Works Department Audit and Accounts Office. He will inspect the Audit Office once in two years. He should submit a report to Government at the end of the first year regarding the working of the new Audit Office.

(*c*) All appointments in the Public Works Department Audit and Accounts Office above Rs. 100 will be borne in the cadre of the Comptroller's Office. All appointments on Rs. 100 and below including the Divisional Accounts staff will be formed into a separate cadre and the Auditor, Public Works Department, will be the Unit Officer and the Chief Engineer will be the Conptrolling Officer in respect of these appointments. Officials working in the departments other than the Audit and Accounts Office may also be transferred to the Public Works Department Audit and Accounts Office provided they are qualified according to rules.

(*d*) When there is any difference of opinion between the Auditor and the Chief Engineers, the matter may be referred to the Comptroller for decision. But if the Chief Engineers are unable to accept the Comptroller's decision, they may address Government for final orders. All Government Orders over-ruling audit views shall invariably issue through the Financial Department.

(*e*) In routine matters like furnishing figures, leave certificates, etc., the Auditor may correspond direct with Government. The Auditor may exercise the powers delegated to the Auditor, Electrical Department, in regard to appointments, transfers, postings, etc.

(v) The records of the Audit Office should be maintained separately and should not be mixed up with the records of the Administrative Sections.

(vi) *Scrutiny of Estimates.*—In respect of estimates that require sanction of Government or the Chief Engineers, the estimates will be scrutinised by the Auditor before they are submitted for sanction and certified to be correct regarding grants, etc. The Divisional Accountants will also similarly scrutinise and certify the estimates sanctioned by the Executive Engineers,

(NOTE.—The two Chief Engineers consider that this para may be deleted).

3. **Introduction of the pre-audit system in respect of works and other bills of the Public Works Department.**

After considerable discussion on the subject, it was decided that for the present the audit procedure obtaining in the Comptroller's Office regarding the Public Works Department may continue and that in the meanwhile, the Auditor shall investigate, in consultation with the Chief Engineers, the possibility of introducing a system of pre-audit in the department after the new Audit Office has worked for some time and furnish a report to Government through the Comptroller.

4. **Simplification and revision of the processes of Audit and Accounts.**

It was brought to the notice of the members that the Special Finance Officer (Mr. M. Subramanyam, I.C.E., Retired Accountant-General, Madras) who has pressed this point has not given a detailed note regarding the methods of simplification, and that in respect of establishment, salary and travelling allowance bills, some of his suggestions have already been accepted by Government. It was therefore decided that the Chief Engineers and the Comptroller may submit a suitable proposal to Government after the new Audit Office has worked for some time.

5. **Maintenance of Accounts relating to Stock.**

It was considered that the present rules in the Public Works Account Code relating to purchase of stores with reference to estimates and requirements, issue of purchase orders, verification of indents are not complete and that the Auditor may, in consultation with the Chief Engineers, suggest necessary changes preferably on the lines existing in the Electrical Department with modifications.

6. **Preparation of Annual Schedule of Rates and their verification.**

It was considered that though it may be desirable that the Annual Schedule of Rates should be verified by the Auditor before it is approved by the Chief Engineers no change in the existing procedure is necessary as the present time is very inopportune and the rates are widely fluctuating after the war.

7. **Mode of recruitment for the Public Works Department Audit and Accounts Office.**

It was considered that unless the existing recruitment rules are modified at least temporarily the advantages of the

new Audit Office will not be realised since most of the Divisions and Audit Sections are very badly understaffed for want of adequate personnel and even if additional staff is sanctioned by Government, no purpose will be served if the posts are not filled in and hands are not available.

8. **Divisional Staff.**

It was pointed out by the Chief Engineer for Irrigation that the scale of Accounts Establishment in the Divisions as also the Public Works Department Clerical Establishment which was fixed long back should be permanently increased and the Committee considered that detailed proposals in the matter may be separately worked out by the Auditor in consultation with the Chief Engineers.

9. **The minimum staff required for the Audit and Accounts Office.**

(*a*) *Gazetted Officers.*—The committee considers that the following gazetted officers are necessary for the new office.

1 Deputy Comptroller on Rs. 500—50/2—750.
2 Assistant Comptrollers on Rs. 250—40/2—450.
1 Gazetted Chief Superintendent on Rs. 250.

The Comptroller has agreed to release one Assistant Comptroller who is now attached to the Work Audit Sections in his Establishment (*vide* his letter No. 3413, dated 16th May 1945). Government has recently sanctioned the formation of a District Treasury and a separate Gazetted Officer for it, thereby reducing the work in the State Huzur Treasury considerably. After the transfer of the Audit and Inspection work relating to the Public Works Department and Agricultural Offices to the New Financial Branches attached to these departments, there will be considerable reduction in the inspection work of the Central Office and also in the Audit work of the Gazetted and Travelling Allowance Sections and in the Establishment and Pay Sections of the Central Office. The Committee therefore considers that the existing three Local Audit Circles may be two and one more Assistant Comptroller on Rs. 250—40/2—450 and one Chief Superintendent on Rs. 160—10—250 plus D.A. Rs. 20 may also be released by Comptroller from his staff. The two Assistant Comptrollers and the Chief Superintendent may be released immediately.

(*b*) *Superintendents.*—At present, there are four sections working in the Work Audit Group of the Comptroller's Office and Comptroller has agreed to transfer the four Superintendents and the staff working or sanctioned for these sections. An additional section has to be formed in the new office to attend to the disposal of unofficial references from the Chief Engineers and Government, verification of estimates and schedules of rates, audit of salary and travelling allowance bills, frequent inspections and proper disposal of inspections, typing, tappals, despatch and other miscellaneous items of work now being done in the Comptroller's Office in separate sections. An additional Superintendent on Rs. 160 - 10—250 may therefore be sanctioned by Government for this section as proposed by the Comptroller.

(*c*) *Arrear Work.*—The work in the Comptroller's Office is heavily in arrears. One of the main reasons for the formation of the new office is to improve work and avoid such arrears at least in future. The Committee considers that a special staff of one Superintendent on Rs. 160—10—250 and six Accounts Clerks on Rs. 40—3—70—5—100 may be sanctioned temporarily for a period of one year to clear the arrears, conducting a test audit wherever feasible and desirable under the instructions of the Deputy Comptroller. The extra cost on this account may be met out of the General Savings in the sanctioned expenditure of the Comptroller's Office where vacancies are still not filled up for want of suitable hands under the Recruitment Rules.

(*d*) *Accountants and Menials.*—In addition to the staff referred to in para (*b*) above, the Comptroller has agreed during the discussions at the Committee meeting to release two more Accounts Clerks on Rs. 40—3—70—5—100 now working in the sections of his office other than the Work Audit Group. The Committee considers that the following *additional* clerical and menial establishment may be sanctioned by Government for the increased work referred to in para (*b*) above.

Eight additional II Grade Clerks on Rs. 25—2½—50 and two I Grade Clerks on Rs. 40—3—70—5—100 against 10 first grade Accounts Clerks and 3 second grade accounts clerks proposed by the Comptroller.

One typist on Rs. 30—3—60—5—100 (against Rs. 30—3—60) proposed by the Comptroller.

One Daffedar on Rs. 15—1/2 yrs.—18.

Five Menials on Rs. 11—1/2 yrs.—15.

*Note.*—Regarding Jog, the above proposals do not take into account the amalgamation of the Jog Audit Office with that of the Auditor, Public Works Department. The Auditor will send up separate proposals for this after the Audit Office is formed. The two Chief Engineers consider that a separate Auditor at Jog for Civil Engineering Works is not necessary and that two Assistant Auditors at the place in lieu of one Deputy Comptroller and one Assistant Auditor is more than ample.

(*e*). To sum up the Gazetted Officers and other officials to be transferred by the Comptroller from his establishment and the extra staff to be sanctioned by the Government are noted below :—

**Establishment to be transferred by the Comptroller.**

### Constitution of the Public Works Audit and Accounts Office.

**1. Office.**

The office shall be called "The Public Works Department Audit and Accounts Office."

**2. Officers.**

The designation of the Head of the Public Works Audit and Accounts Office shall be "The Auditor, Public Works Department" and that of his gazetted assistants "Assistant Auditor, Public Works Department."

**3. Location.**

The office may be located in the Government Insurance Buildings and as soon as possible located in the same building as that of the office of the Chief Engineers.

**4. Powers of the Auditor and his relationship with the Comptroller.**

The Comptroller as the head of the Audit and Accounts Department will exercise general supervision over this office. He will inspect the audit office once in two years. The Auditor may dispose of all routine questions arising in the course of audit, etc., he being guided by the Audit and Accounts Codes of the Department and circulars and instructions of the Comptroller. All important questions in regard to Audit and Accounts will be decided by the Comptroller, if necessary, by personal discussion with the Auditor. References to Government by the Auditor will be made in consultation with and through the Comptroller except in routine matters like furnishing figures, leave certificates, etc. The Auditor will exercise the powers delegated to the Auditor, Electrical Department, in regard to appointments, transfers, postings, etc.

**5. Auditor's relationship with the Chief Engineers.**

The Auditor will be the Financial Adviser to the Chief Engineers in all the matters ralating to Finance and Accounts and the Auditor should be consulted freely in all matters by the Chief Engineers in order to minimise subsequent audit objections. The Auditor will dispose of all questions arising in the course of audit according to rules, difficult and doubtful points being referred to the Comptroller for orders. Before referring any such matter to the Comptroller, the Auditor should obtain a statement of the case signed by the Chief Engineer and record his views. When the Chief Engineers are unable to accept the Comptroller's decision, they may address the Government in the Administrative Department for final orders. All Government Orders over-ruling audit shall invariably issue through the Finance Department.

*Accounts of the Department.*—The Divisional Officers will as hitherto continue to be independent accounting units and forward their monthly accounts to the Public Works Department Audit and Accounts Officer for audit and consolidation of accounts for the whole of the Public Works Department and their transmission to Comptroller.

*Staff.*—The staff to the Public Works Audit and Accounts Office will include (1) the audit and accounts staff now working in the divisions, (2) staff to be released by the Comptroller and extra staff as now sanctioned. (*Vide* Annexure C.)

(*b*) All appointments in the Public Works Department Audit and Accounts Office above Rs. 100 will be borne in the cadre of the Comptroller's Office. All appointments on Rs. 100 and below including divisional accounts staff will be formed into a separate cadre and the Auditor, Public Works Department, will be the Unit Officer and the Chief Engineers will be the controlling officers in respect of these appointments. Officials who are working in other departments may also be transferred to the Public Works Department Audit and Accounts Office against posts of Rs. 100 and below provided they are qualified.

### EDUCATION SECRETARIAT

## Sanctions the opening of a Municipal High School at Hiriyur, Chitaldrug District.

READ—

Correspondence ending with letter No. H-3. 4077-72—45-46, dated 21st June 1946, from the Director of Public Instruction regarding the opening of a Municipal High School at Hiriyur, Chitaldrug District.

ORDER No. E. 2218-20—EDN. 44-45-44, DATED BANGALORE, THE 18TH SEPTEMBER 1946.

Both the Deputy Commissioner, Chitaldrug District, and the Director of Public Instruction state that there is necessity for a High School at Hiriyur. The Municipal Council, Hiriyur, is agreeable to deposit the guarantee fund of Rs. 5,000 and to meet its quota of the recurring and non-recurring expenditure of the school.

It is reported that a sum of Rs. 28,046-13-9 has been collected for the construction of a building for the school and that an additional sum of Rs. 2,000 is proposed to be collected for the purpose early. Till a building is constructed for the school, it is proposed to house the school temporarily in the building Sri Girisha Veerasaiva Hostel.

The Director of Public Instruction recommends that a Municipal High School may be started at Hiriyur with effect from the school year 1946-47 on condition that the Municipal Council should arrange to deposit early the balance amount towards the building fund of Rs. 30,000. The recommendation of the Director of Public Instruction is sanctioned. The Government share of the cost during the year 1946-47 will be met out of the sanctioned grants of the Education Department for that year and necessary provision will be made in the budgets of the succeeding years.

The details regarding the classes to be started, the fee income expected, the expenditure to be incurred, the grants to be paid by the Government, etc., are shown in the statement appended.

### Sanctions the opening of a Municipal High School at Hosadurga, Chitaldrug District.

READ—

Correspondence ending with letter No. H3. 3934-24 of 1945-46, dated 20th June 1946, from the Director of Public Instruction in Mysore in the matter of opening a Municipal High School at Hosadurga, Chitaldrug District.

ORDER NO. E. 2224-26—Edn. 44-45-42, DATED BANGALORE, THE 13TH SEPTEMBER 1946.

The Municipal Council, Hosadurga, is agreeable to deposit a sum of Rs. 5,000 towards the stability fund and to pay Rs. 3,000 for equipment of the High School proposed to be opened at Hosadurga. It is also agreeable to meet its share of the recurring expenditure of the school. The District Board, Chitaldrug, is stated to be willing to contribute Rs. 500 per annum towards the recurring charges of the school.

A sum of Rs. 28,000 has been collected by public subscriptions, out of which a sum of Rs. 25,000 is proposed to be constituted into a building fund and the Municipal Council has agreed to raise the building fund to Rs. 30,000 if necessity arises for the same. The school is proposed to be housed in the Town Hall till a building is constructed.

The Director states that there is need for a High School at Hosadurga and recommends the opening of a Municipal High School at the place from the school year 1946-47. The recommendation of the Director of Public Instruction is sanctioned. The departmental share of the cost during the year 1946-47 will be met out of the sanctioned grants of the department for that year and necessary provision will be made in the budgets of the succeeding years.

The details regarding the classes to be opened, the fee-income expected, the expenditure to be incurred, the grants to be paid by Government, etc., are shown in the statement appended.

### Sanctions the grant of enhanced bonus and certain other concessions to Non-Gazetted Staff of Railway Department.

READ—

Government Order No. Fl. 991-4—S. & A. 14-46-2, dated 31st July 1946, according sanction to the grant of a month's pay or wages as War Bonus to all the non-gazetted staff of the Mysore State Railway Department subject to certain conditions and grant of a 50 per cent increase of Dearness Allowance over the then existing rates with effect from 1st June 1946 in the case of all non-gazetted staff of the Railways.

2. Correspondence ending with letter No. P. C. 90, dated 25th August 1946, from the General Manager, Mysore State Railway, regarding the grant of certain additional concessions to the Railway employees.

ORDER NO. FL. 3-6—S. & A. 14-46-7, DATED (CAMP) MYSORE, THE 30TH SEPTEMBER 1946.

The General Manager, Mysore State Railway, reports that the Railway employees have been persistently demanding through their Associations the grant of further concessions. The most important of the concessions are as under :—

(1) Grant of two months' pay or wages as Victory and War bonus absolutely without any condition attached to the grant, involving a financial commitment of a non-recurring nature of Rs. 2·27 lakhs in addition to the expenditure of Rs. 2·07 lakhs consequent on the grant of one month's pay as War bonus.

(2) Grant of Dearness Allowance at the M. & S. M. Railway rates with retrospective effect from 1st July 1944 entailing an approximate annual recurring expenditure of Rs. 24 lakhs against Rs. 13·82 lakhs expended at present on this account, with an additional sum of about Rs. 28 lakhs to cover the excess over the rates in force from 1st July 1944 to 1st July 1946.

(3) Sale of foodgrains to the Railway employees at subsidised rates as is in force on the M. & S. M. Railway entailing an expenditure of over Rs. 1 lakh per mensem and grant of compensation for the back period from 1st July 1942 at Rs. 10 per unit per annum at an approximate additional expenditure of Rs. 4 lakhs non-recurring per year.

(4) Grant of interim relief as sanctioned by the Railway Board of Rs. 4-8-0 to each of the monthly rated railway employees in receipt of pay not exceeding Rs. 250, and of Re. 0-2-9 per day to each daily rated Railway servant, to take effect from 1st July 1945, pending examination of the question of revising the scales of pay of Railway employees, the cost on this account being about Rs. 5 lakhs per annum.

(5) Grant of concession as is allowed by the M. & S. M. Railway, of an extra day's wages as bonus to all the daily rated employees of the Railway Workshop and Running Sheds for regular attendance in a month.

After giving a most sympathetic consideration to these representations, Government are pleased to accord sanction to the following concessions to Railway employees :—

(1) Two months' pay or wages as War and Victory Bonus in lieu of one month's bonus sanctioned in Government Order of 31st July 1946 read above.

(2) As an interim measure of relief, pending examination of proposals for the revision of the scales of pay of certain classes of establishment of the Railway Department, all employees getting a consolidated pay of Rs. 150 and less may be given an additional pay of Rs. 2-4-0 per mensem and the daily rated employees an additional one anna per day with effect from 1st July 1946.

(3) For regular attendance during the month in the Workshop and Running Sheds, the daily rated employees may be given a day's wages as bonus in addition.

Regarding the other concessions, Government consider that there is no need to give a higher Dearness Allowance or retrospective effect to the enhanced allowance already sanctioned and that as the foodgrains are already supplied at heavily subsidised rates no further subsidies or concessions could be given or shown.

An additional demand for a grant for the expenditure involved will be placed before the Legislative Council at its next session.

### Sanctions the Irrigation Cess Fund Budget Estimates for the year 1946-47.

READ—

Letter No. C. Per. A. 12-45-46, dated 6th May 1946, from the Revenue Commissioner in Mysore, forwarding the budget estimates under Irrigation Cess Fund for the year 1946-47 along with the statement from the Comptroller showing the opening balances, credits, debits and closing balances under District Irrigation Cess Fund for the year 1944-45.

2. U. O. Note No. 3136—S., dated 13th May 1946, from the Chief Engineer for Irrigation on the subject.

ORDER THEREON No. P. W. 1782-96—Irn. 12-45-20, DATED BANGALORE, THE 18TH SEPTEMBER 1946.

A sum of Rs. 3·0 lakhs is provided in the budget for 1946-47 under "23. Irrigation Works" as grant-in-aid to the Irrigation Cess Fund and this amount is shown in column 16 of Annexure I and has been distributed among the several districts consistent with the requirements. Including the sum of Rs. 3·0 lakhs, the receipts during the year are expected to come to Rs. 10,10,014 with the opening balance of Rs. 2,83,141. The anticipated balance on 1st July 1946 and the receipts during 1946-47 together with those of the previous year are shown in columns 13, 17, 3 and 5 of Annexure I, respectively. The figures in column 17 include a contribution of Rs. 89,102 from the State Funds for the maintenance of river-fed channels, which sum will be allotted from the provision in the budget for 1946-47 under "23. Irrigation Works--4 Repairs."

2. The Revenue Commissioner has proposed a programme of works for a total expenditure of Rs. 9,32,237 and the grants applied for by him have been provided with slight modifications ; and out of the grand-in-aid of Rs. 3·0 lakhs, a sum of Rs. 1,06,000 has also been distributed among the districts for repairs to leaky sluices of tanks and other irrigation works, as shown in column 6 of Annexure II. The budget estimates of expenditure as sanctioned will be as shown in column 14 of Annexure II.

3. Every endeavour should be made to have the repairs to all irrigation works attended to during 1946-47 with the grants now sanctioned. Government desire that a progress report of six months work should be submitted during the year (say by 15th February 1947).

4. The closing balance at the end of 1946-47 is estimated at Rs. 1,56,430.

5. The details of receipts and expenditure are shown in Annexure I and II.

### Sanctions the affiliation of the Sri Krishnarajendra Silver Jubilee Technological Institute to the Mysore University for awarding the B.Sc. (Textiles) Degree.

READ—

Correspondence ending with letter No. A1-548, dated 20th May 1946, from the Principal and Joint Secretary, Sri Krishnarajendra Silver Jubilee Technological Institute, Bangalore, regarding the award of "B.Sc. (Tech.)" Degree to students of the Institute who pass Diploma Course in Textile Technology.

Correspondence ending with letter No. Ex. 5-1511—45, dated 6th July 1946, from the Registrar, University of Mysore, stating that the University Council has approved the affiliation of the Sri Krishnarajendra Silver Jubilee Technological Institute for awarding the B.Sc. (Textiles) Degree by the University from 1946-47.

ORDER NO. E. 2875-79—UNI. 10-43-39, DATED CAMP MYSORE, THE 12TH OCTOBER 1946.

The question of institution of B.Sc. (Textiles) Degree in the Sri Krishnarajendra Silver Jubilee Technological Institute, Bangalore, has been under the consideration of Government for some time past. The Diploma course in Textile Technology at the Sri Krishnarajendra Silver Jubilee Technological Institute, Bangalore, extends over a period of three years

followed by an additional six months' practical training in the approved mills and only candidates who have passed Inter Science Examination of the Mysore University or of any recognized University with Physics, Chemistry and Mathematics as optional subjects are eligible for admission to this course and the successful candidates are granted Diplomas in Textiles. The standard of training imparted in this Institute is reported to be much higher than in any of the Textile Schools in India who offer Diplomas in Textiles and where the minimum qualification for admission is only S.S.L.C. The Board of Management consider that the award of a Diploma to the successful students of the Institute who possess higher general qualifications and better training in Textile Technology has placed them under a disadvantage and that it is necessary to grant a degree (B.Sc., Tech.) instead of a Diploma to the students after completing the course in Textile Technology. They have, therefore, resolved at the meeting held on 12th February 1946 that an advanced course for obtaining Degree in Textiles may be started and that the Department of the Institute relating to the Textiles may be called a College for affiliation to the University of Mysore, so that the University of Mysore may confer degree of "B.Sc., Textiles" on the candidates who take up advanced course in Textile Technology at the Sri Krishnarajendra Silver Jubilee Technological Institute. It is stated that with the equipment and the staff available at the Technological Institute the degree course can be started from 1946-47.

The Board of Studies in Engineering and Technology and the Faculty of Engineering and Technology of the University have, after examining the details of curricula of studies and the scheme of examinations of the Institute, agreed to the affiliation of the Institute to the University of Mysore. The University Council at the meeting held on 7th June 1946 have resolved that the Sri Krishnarajendra Silver Jubilee Technological Institute may be affiliated to the University from the year 1946-47 for awarding the B.Sc. (Textiles) Degree.

In the above circumstances, Government are pleased to accord sanction to the affiliation of the Sri Krishnarajendra Silver Jubilee Technological Institute to the Mysore University for awarding the B.Sc. (Textiles) Degree and to the commencement of the Degree Course in the Institute from the academic year 1946-47.

### Sanctions the Reorganisation of the Department of Archæology.

READ—

Correspondence ending with letter No. 788, dated 9th April 1946, from the Director of Archæology in Mysore, submitting for sanction proposals for the reorganisation of the Archæological Department involving an extra cost of Rs. 31,211 per annum.

ORDER No. G. 2794-95—Archly. 2-44-35, DATED CAMP MYSORE, THE 8TH OCTOBER 1946.

The proposals of the Director of Archæology are modified and sanctioned as appended to this order. The sanctioned proposals involve a savings of Rs. 516 per annum.

### Issues instructions regarding waiving of penal interest on overdue loans.

READ—

Letter No. 48—M. A. D., dated 26th August 1946, from the Comptroller to Government, regarding the waiving of penal interest on overdue loans.

ORDER No. Fl. 2651-2720—G.F. 111-46-2, DATED BANGALORE, THE 12TH OCTOBER 1946.

To an enquiry from Government, the Comptroller has reported that according to the existing procedure, if instalments fixed in respect of loans are not paid on the due date, penal interest at the prescribed rate is charged on such overdue instalments and if later on remissions of penal interests are ordered, the whole of such penal interest *which includes ordinary interest is being waived.* This interpretation of Government Orders sanctioning remissions of penal interest is not correct, the sanction accorded being only for waiving the "Penal" interest in such cases and not the ordinary interest. Government are therefore pleased to direct that wherever penal interest is waived it is only the difference between the penal interest and ordinary interest due on the outstanding amounts that should be waived unless it is specifically indicated that ordinary interest also should be exempted.

## ELECTRICAL SCRETARIAT

### Directs that the benefit of the Pension Sceheme be extended to those in service in the Electrical Department and that it be applicable only to those who retire from service after the 1st September 1946.

READ—

Government Order No. E.D.S.—1724-27, dated 14th February 1941, sanctioning the grant of pension to the employees on the regular establishment of the Electrical Department who joined service prior to 18th September 1913.

2. Government Order No. E.D.S.—425-28, dated the 15th August 1941, sanctioning the extension of the benefits of pension to the employees on the regular establishment of the Electrical Department who entered service prior to 1st July 1919 and are still in service and who retired on or after 1st January 1938 and directing that as regards entrants to service on and after 1st July 1919 in the regular establishment, they be granted in addition to the Provident Fund, gratuity on the scale obtaining in the Railway Department.

3. Correspondence ending with D.O. letter No. 4175, dated the 2nd February 1946, from the Chief Electrical Engineer forwarding a note regarding the extension of pension benefits to all the employees of the Electrical Department borne on the regular as well as the permanent work establishment (also called the Maintenance Establishment).

ORDER No. EDS. 898-901—Elec. 320-45-2, DATED BANGALORE, THE 9TH OCTOBER 1946.

In the Government Order dated the 14th February 1941 read above, the officers and staff of the Electrical Department in the regular establishment who joined service before 18th September 1913 were allowed the benefits of pension. This question was further considered and Government in their Order of 14th August 1941 read above directed that the benefits of pension sanctioned in the order of 14th February 1941 be extended to the employees in the regular establishment of the department who entered service prior to 1st July 1919 and who were still in service. As regards the employees who had retired then, it was further directed that such of the employees as entered service prior to 1st July 1919 and retired on or after 1st January 1938 be allowed to come under the pension scheme and pension granted to them from the date of their retirement. Regarding the entrants to service on or after 1st July 1919 in the regular establishment, it was also directed that they might be granted in addition to the Provident Fund, Gratuity on the scale obtaining in the Railway Department. The Chief Electrical Engineer has been urging that these employees also, including those in the 'Maintenance Establishment' of the department be brought under pension scheme to make the department more attractive and afford security in old age.

2. After careful consideration of the matter, Government are pleased to direct that the benefit of the pension scheme be extended to those in service in the Electrical Department. They further direct that this order should have no retrospective effect and be applicable only to those who retire from service after the 1st September 1946.

3. Separate orders will issue *re* the refund of the Provident Fund contributions of the employees of the department and credit to Government of the portion of the Government's contribution.

### REVENUE SECRETARIAT

### Sanctions the Re-organisation of the Department of Sericulture.

READ—

Correspondence ending with letter No. 164, dated the 7th September 1945, from the Superintendent of Sericulture in Mysore, Mysore, submitting proposals for the re-organisation of the Department of Sericulture.

ORDER No. D. 2256-9—SERI. 214-43-7, DATED (CAMP) MYSORE, THE 12TH OCTOBER 1946.

The activities of the Sericultural Department have increased considerably during recent years, especially after the introduction of the Silk Filature Expansion Scheme. The area under mulberry cultivation has considerably increased and the seed supply, farm and research work have therefore to keep pace with this expansion.

Temporary establishments have been sanctioned from time to time to cope with the increased work. As many of the activities of the department are of a permanent nature, proposals for the re-organisation of the staff of the department were called for. The final proposals received from the Superintendent of Sericulture involve an extra cost of Rs. 63,150 per annum.

The views of the Superintendent of Sericulture regarding the necessity for the expansion of the department are generally acceptable. But Government consider it desirable that they should not be committed to such a large increase in recurring expenditure. The revision of the grades of pay in certain cadres of the department as well as increase in the number of posts has, however, been found to be necessary and keeping this object in view, Government are pleased to sanction the following proposals :—

1. EXECUTIVE.

(*a*) To continue the designation of the Superintendent of Sericulture as at present in the existing grade of Rs. 250—25—500.

(*b*) To create one more post of the Assistant Superintendent of Sericulture to be in charge of Mugur Circle and Farm on the present scale of Rs. 150—20—250 against two more such places on Rs. 200—20—400 proposed by the Superintendent of Sericulture. With this addition, there will be three posts of Assistant Superintendents of Sericulture in all.

(*c*) To increase the number of Senior Sericultural Inspectors from 8 to 11 on the existing grade pay of Rs. 90—15/2—150, against the proposed grade of Rs. 100—10—200. The officers to be in charge of Sericultural Farms and Government Grainages.

(*d*) To increase the number of Sericultural Inspectors from 15 to 20 on the existing grade pay of Rs. 50—5/2—75 as against the proposed grade of Rs. 60—4—80.

(*e*) To accept the following proposals of the Superintendent of Sericulture :—

(i) To increase the number of Sericultural Demonstrators from 48 to 50 on an enhanced grade pay of Rs. 30—3—60 as against the existing Rs. 35, and Rs. 35-2-45.

(ii) To increase the number of Sericultural Operatives from 121 to 124 on a grade pay of Rs. 20—2—30 as against the existing several grades.

2. MINISTERIAL ESTABLISHMENT.

(*a*) To make the post of (temporary) Manager permanent on a pay of Rs. 60—5—100.

(*b*) To entertain two clerks on a pay of Rs. 30—3—60 each, four clerks on a pay of Rs. 25—1—30 each, an Accountant on Rs. 45 and a Steno-typist on Rs. 30—3—60 for the Office of the Superintendent; and six Accountants on a pay of Rs. 30—2—40 each, 19 clerks on Rs. 25—1—30 each and three Steno-typists on Rs. 35—3—50 each for three Assistant Superintendents.

3. MENIAL STAFF.

To entertain one Attender on a pay of Rs. 20, one Daffedar on a pay of Rs. 15—½—18 and five peons on Rs. 11—½—15 each with a cycle allowance of Re. one to one of the peons and 26 peons on a pay of Rs. 11—½—15 each.

The Hill allowances will remain unaltered.

A statement indicating the existing and sanctioned scales is appended and the Comptroller to Government is requested to furnish early the extra cost involved in the sanctioned scales and the Superintendent of Sericulture will kindly indicate the source of meeting it.

The Superintendent of Sericulture is requested to re-examine the necessity for revising the grades of the Senior Sericultural Inspectors and Sericultural Inspectors.

J. B. MALLARADHYA, *Rev. Secy.*

GENERAL SECRETARIAT

**Reviews the Report on the Administration of the Forest Department in Mysore for 1944-45.**

READ—

The Report on the Administration of the Forest Department in Mysore for the year 1944-45, received from the Chief Conservator of Forests in Mysore, with his letter No. Pr. 7—45-46, dated 21st December 1945.

ORDER NO. A. F. 2224-83—Ft. 115-45-2, DATED BANGALORE, THE 15TH OCTOBER 1946.

Recorded.

2. *Control.*—Mr. C. Abdul Jabbar (since retired) continued to be in charge of the department throughout the year. He was in additional charge of the duties of the Conservator of Forests, Shimoga Circle, from 6th April 1945 to 19th July 1945, during the latter's absence on leave. He

also continued as the Chairman and Managing Director of the Mysore Match Co., Ltd. Mr P. Krishnaswamy Rao continued as Conservator of Forests, Shimoga Circle, throughout the year except for a period of 3½ months from 6th April 1945 when he was on leave.

3. *Area of State Forests.*—The total area of State Forests and Plantations at the close of the year under report was 3,855·87 sq. miles, as against 3,845·43 sq. miles at the beginning of the year.

4. *Reservation and Settlement.*—173·90 sq. miles of area selected for reservation were pending settlement at the beginning of the year. Two blocks—Girugur block in the Mysore Division and Maskli block in the Bharavati Division—were settled and two areas covering 13·04 sq. miles were notified as State Forests.

5. *Minor Village Forests.*—No new village forests were constituted during the year. The general condition of most of these village forests continued to be unsatisfactory and Government regret to note that some of the village panchayets, to whom the maintenance of these forests is entrusted, are pressing for disafforestation in favour of cultivation. This tendency has to be checked and measures concerted immediately to improve the condition of the village forests and also to impress on the local people the utility of these forests and the importance of their maintenance and development. The Rural Reconstruction Drive sponsored by Government opens out the possibility of a fresh attempt for a general improvement of the condition of these forests which would be valuable to the economic life of the villages.

6. *Forest Surveys and Working Plans.*—Topographical survey of 11 forests, including the most important mixed deciduous forest of Biligirirangan Hill Temple, covering in all an area of 70 sq. miles, was carried out during the year. An extent of 211·65 acres, including 28 acres granted for cinchona cultivation in Chamarajanagar State Forest, was also surveyed. The drawing of a special tracing of the Ghat Forests of Hassan Division leased out to the Plywood Factory, and of a Key map of the firewood forests of Kankanhalli and Closepet Ranges were attended to among other works executed by the Survey Staff.

Three hundred and fifty-three square miles of forests in the Bhadravati Division exploited for supply of fuel to the Mysore Iron and Steel Works were re-examined with a view to determining the possibility of immediate re-exploitation of areas worked in the past and to concerting ways and means of improving the growth. A floristic and utilisation survey covering an area of 120·3 sq. miles was completed. The redrafting of the plan to regulate exploitation of small bamboo in the forests of the Bhadravati Division was necessitated by the unexpected gregarious flowering of small bamboo. The sample plots laid out in Bhadravati Division to study the effect of varying intensity of exploitation on the recuperative capacity of bamboo clumps were continued and useful data collected.

7, *Buildings, Communications and Miscellaneous Works.*—The expenditure incurred on the construction of new buildings and repair of old ones amounted to Rs. 28,837-11-0 and Rs. 7,631, respectively. The expenditure on the construction of new roads and paths and maintenance of existing ones amounted to Rs. 63,682-14-3, as against Rs. 13,344-2-0 in the previous year.

8. *Forest Offences, including Sandal Damage Cases and cases of Sandal Smuggling.*—The total number of forest offence cases for disposal during the year was 1,363, including 72 of last year. Of these, 1,027 cases involving 1,362 persons were compounded, 264 cases eliminated and 72 cases remained pending disposal. A sum of Rs. 25,609-4-6 was realised as compensation, as against Rs. 21,990-14-11 in the previous year. A special staff of forest and police officers for prevention of timber smuggling was sanctioned, and 72 cases were detected by this staff. The progress in respect of this work, however, was not as satisfactory as could be desired.

No cases of sandal smuggling were reported during the year.

The arrangements in the Bangalore and Mysore Cities for checking the import of forest produce into municipal limits continued to work satisfactorily.

9. *Protection from Fire.*—In spite of all necessary precautions, a few serious fires broke out and the total expenditure incurred on fire protection was Rs. 48,172-7-8, as against Rs. 41,290-4-3 in the previous year.

10. *Grazing in State Forests.*—The amount of revenue realised from grazing fees, inclusive of sale proceeds of grass in plantations, was Rs. 66,488 as against Rs. 53,000 approximately in the previous year. Several State forests were thrown open for free grazing owing to failure of rains and scarcity of fodder in certain localities. The amount foregone by the Government on account of this concession and free removal of fodder was about Rs. 47,400.

11. *Spike and other Diseases and Pests.*—There was no further incidence of spike disease during the year.

Defoliation of teak was again heavy though much less severe than in the previous year. Trampling by elephants and nibbling of young shoots by sambhar also continued to be heavy and many well-established patches of regeneration were destroyed by them. Grasshoppers were responsible for extensive damage to young casuarina seedlings in nursery beds.

12. *Silviculture and Afforestation.*—In spite of acute labour shortage, the department managed to form 1,345 acres of new timber and fuel plantations as against 1,143 acres in the previous year.

One hundred and ninety acres of teak plantations were formed during the year under the customary method of clear felling selected areas, burning of debris followed by premonsoon planting, 6,500 potted cinchona seedlings were put out at Kemmangundi and the existing plantations of cinchona in the Kadur Division were extended by six acres. In the Sagar Division, six acres were planted up with root and shoot cutting of Buruga. The Wattle plantations in the Kolar District were further extended by 25 acres. In the Bhadravati Division, only 79½ acres of exploited areas were regenerated owing to the acute shortage of labour and other causes.

In the Bangalore, Kolar and Hassan Divisions, 1,004 acres were stocked under the orthodox method of intensive ploughing of selected areas and planting of six months old nursery raised casuarina. Thirty acres under the Irwin Canal area in the Mysore Division were planted with casuarina and sisoo. The Department of Irrigation proposes to release 503 acres 14 guntas in the Irwin Canal zone for further work in this direction. A scheme to extend the area under pyrethrum to 150 acres was sanctioned. As the scheme was taken up when the planting season was nearly at an end, only 60 acres were planted up.

The condition of areas regenerated was generally satisfactory and all plantations were successfully protected from damage by fire.

All permanent nurseries were maintained in good condition. A large number of ornamental plants and plants of economic species were raised in the nurseries and supplied to village panchayets and other agencies engaged in schemes of rural development.

13. *Exploitation of Timber.*—The indent from the Defence Services was for 85,000 c.ft. of logs and 75,000 c.ft. of sawn sizes and supplies during the year amounted to 1,14,696 c.ft. of logs, 441 poles and 56,396 c.ft. of sawn sizes. As in the previous year, the department undertook, on behalf of the Timber Directorate of the Government of India, the inspection and passing of the timbers to ensure supplies of standard quality.

The total seigniorage value of timbers removed by private agencies amounted to Rs. 45,162-12-0, as against Rs. 43,741-11-10 in the previous year.

14. *Fuel Supply and other Minor Forest Produce.*—A feature of the year's operations was the considerable expansion of fuel exploitation by departmental agency to meet civilian requirements in urban areas. The usual system of lease of fuel coupes to private agencies was largely given up in favour of exploitation by the department. In some areas, coupes were leased out, reserving the right to purchase the outturn at fixed prices. These measures greatly facilitated the supply of fuel to the public in urban areas on an equitable basis and at controlled rates. In all, 153,336·13 tons of fuel and 17,175·8 tons of charcoal were collected and delivered to consumers, as against 75,670·5 tons of fuel and 17,768 tons of charcoal in the previous year.

4,985·17 tons of small bamboos were supplied to the Mysore Paper Mills, Ltd., Bhadravati, and 5,14,561 bamboos of assorted dimensions to the Defence Services. The value of bamboos extracted by private agency increased by Rs. 37,917.

15. *Exploitation of Sandalwood.*—A quantity of 1,586·13 tons of rough wood was collected during the year and added on to the stock of 1,296·16 tons in kotis. 1,729·12 tons were converted, the outturn therefrom being 1,266·8 tons of good wood. One thousand four hundred and ninety-two tons were supplied to the Sandal Oil Factories for distillation purposes and shipment to New York and 247·10 tons were sold in retail and through agents. The rates for sale of sandal were again revised in conformity with the rates fixed by the Madras and Coorg Forest Departments. The revenue realised by the sale of sandalwood improved by Rs. 1·08 lakhs as a result of the enhancement in selling rates and the release of large quantities for sale.

16. *Financial Results.*—The department had once again a very successful year. The revenue, excluding realisations from the sale of sandalwood oil, totalled to Rs. 43·42 lakhs and exceeded that of the previous year by Rs. 10·9 lakhs and was the highest on record. Expenditure for the year amounted to Rs. 23·99 lakhs, being an increase of Rs. 3·8 lakhs over that of the previous year. The net surplus was Rs. 19·42 lakhs, as compared with Rs. 12·24 lakhs in the previous year.

17. *Game and Game Laws.*—Including one case of last year, seven cases under the Game Laws came up for disposal during the year. Five of these ended in conviction and two were pending disposal at the close of the year. All the existing tiger blocks were maintained in good condition and one more tiger block in the Bhadravati Division was notified during the year. The bird sanctuary in Seringapatam Taluk continued to be in charge of Mr. J. De Wet Van Ingen, Honorary Warden of Fisheries, whose term of office was extended by another year from 14th February 1945.

18. *Elephants.*—The strength of elephants at the end of the year stood at 55. The general condition of the elephants was satisfactory and they were, as usual, employed on timber dragging and *shikar* purposes.

Two Kheddas—one in January 1945 and the other in May-June 1945—were staged at Bandipur when 44 elephants were captured. Thirty-one of these and calf of elephant Padmavati were sold for Rs. 80,850. Eleven elephants valued at Rs. 40,000 were retained by the department. The total expenditure on account of the two kheddas was Rs. 20,198-3-0.

As in the previous year, wild elephants caused a considerable amount of damage to standing crops. A special staff consisting of 10 supervisors and 34 catchmen was employed in 14 centres to patrol the affected areas and to drive away the elephants with the assistance of the local raiyats. The operations undertaken during the year involved an expenditure of Rs. 5,018-5-0.

The work of the department continued to be satisfactory.

## ANNEXURE.

### Rules of Grant-in-Aid for the administration of the Scheme of Mid-day Lunch in Schools.

1. The Scheme of Grant-in-Aid for Mid-day Lunch in schools is constituted with a view mainly to provide lunch to deserving and poor pupils.

2. A lumpsum provision will be made in the departmental budgets every year for distribution as grant-in-aid to the committees undertaking the mid-day lunch arrangement. This provision shall be distributed by the Director of Public Instruction among all the districts in the proportion he considers necessary. The Director shall also have the power to reappropriate the amounts so allotted from one district to another.

3. The District Educational Officers shall award grants to such of the schools as have started the Mid-day Meal Scheme subject to the following rules.

4. The Management of the Mid-day Meal Scheme for each school shall vest in a Committee consisting of the Head Master, Two Assistant Masters, a local Medical Officer (if available), three influential non-officials. The Head Master shall be the Secretary and the District Educational Officer shall appoint one of the non-officials as Chairman of the Committee. The Committee shall be constituted once in three years by the Inspecting Officer in charge of school on the recommendation of the Head Master of the school concerned.

5. The Government grant to each school in respect of this scheme shall ordinarily be not more than one-half of the actual cost. The balance of expenditure shall be met by the Managing Committees, out of contributions from public bodies like the local Municipality, District Board, and donations and subscriptions from the general public either in kind or coin and out of the interest on endowments wherever such endowments exist. In the case of compulsory attendance areas and harijan and slum areas in towns and cities, the entire cost of Mid-day Meals may be met by the department out of the allotment made.

6. Wherever the Managing Committees of the Mid-day Lunch Scheme constitute an endowment of Rs. 1,000 and above, the Government grant shall be equal to the interest realised on the endowment or half the actual cost of the scheme as laid down in paragraph 5 supra, whichever is more.

7. The amount of Government grant will depend upon the sanctioned provision in the Departmental Budget and cannot be claimed as a matter of right.

8. The grant sanctioned to a school in a particular year shall lapse if it is not drawn before the close of that year.

9. The accounts relating to receipts and expenditure in respect of mid-day meal arrangement shall be maintained by the Secretary of the Committee separately without mixing them up with the school accounts.

10. All amounts received in the shape of donations, subscriptions, etc., shall be deposited in a Government or Postal Savings Bank in the name of the Secretary and should be drawn when required.

11. Every expenditure shall be incurred by the Secretary as per resolutions of the Committee and proper vouchers therefor maintained.

12. The Committee shall meet once a month and scrutinise the accounts and transact other business in regard to the administration of the scheme. The minutes of all the meetings of the Committee shall be recorded in a book and the extracts sent to the Inspecting Officer in charge of the institution regularly.

13. The accounts shall be audited every month by one of the Members of the Committee.

14. A half-yearly return of the amounts collected and the expenditure incurred should be submitted in the following form by the Secretary to the Inspecting Officer in charge of the school.—

(*a*) Opening balance.
(*b*) Receipts during the half year.
(*c*) Total.
(*d*) Expenditure during the half year.
(*e*) Balance :—In savings Bank. On hand.

15. The committees concerned shall apply not later than the end of August every year to the District Educational Officer concerned for grant-in-aid, furnishing the necessary information.

16. The committee shall make available all the account books to the Inspecting Officer at the time of the annual inspection for scrutiny.

17. The menu for the mid-day meal shall consist of healthy items and be prescribed by the Managing Committees according to circumstances and needs of the time or requirements of the place, as conditions vary from place to place.

## FINANCIAL SECRETARIAT

### Sanctions revised rules for granting allowances to Typists and Steno-typists in lieu of special scales of pay.

ORDER No. Fl. 2815-85-S. & A. 56-46-2, DATED BANGALORE, THE 17TH OCTOBER 1946.

The question of regulating the scales of pay and promotion of Stenographers and Typists on some uniform basis has been under the consideration of Government for some time past, there being wide disparties at present in the scales allowed from office to office and from department to department. This lack of uniformity has given room for recommendations being made by Heads of offices and departments for revision of scales of pay or for special promotion in individual cases.

2. On a careful examination of all aspects of the case, Government consider that there is no need for the existence of separate scales of pay for clerks on the one hand and of typists and steno-typists on the other, and that it would adequately meet the requirements if an allowance is given to officials who may be detailed for work as typists and steno-typists on account of their possessing the necessary additional typewriting and shorthand qualifications, their scales of pay being the same as that of clerks of the corresponding cadre. Government also consider that the grant of such an allowance might prove an incentive to clerks qualifying themselves as steno-tyists.

3. The following rules are accordingly laid down regarding the appointment of Typists and Steno-typists in future.

(*a*) There will be no separate cadre of Typists or Steno-typists as such in the several offices. But instead, the existing number of typists would be included in the clerical grades of each office.

(*b*) The Head of the office will select from among his clerks, the required number of Typists and Steno-typists, who have duly qualified themselves by passing the technical examinations, and the clerks so selected will be given allowances at the following rates, in addition to their pay, as long as they continue to discharge the duties of Typists and Steno-typists.

### STENO-TYPISTS.

#### Headquarters of Districts.

| | | Rs. | a. | p. |
|---|---|---|---|---|

| 3. | Officials who have passed Junior Examinations in Shorthand and Typewriting ... | 5 | | 0 |

(*c*) Hereafter, recruitment should be first to the clerical cadre in each department, according to the general qualification of the candidates and the clerks so recruited and drafted for typing or steno-typist work according to their additional technical qualifications will be given the allowances as prescribed above, the number of allowances in the case of each establishment being restricted to the total number of posts of typists and steno-typists as in the present sanctioned scale, future additions being regulated according to orders of Government.

(*d*) The present incumbents who have been recruited as Typists and Steno-typists will be counted under the corresponding cadres of clerks in each office, or, at their option allowed to retain their existing special grades of pay, if any.

### GENERAL SECRETARIAT

### Records the annual report on the administration of the Mysore Workmen's Compensation Act for the year 1944-45.

READ—

Letter No. 656—46-47, dated 27th September 1946, from the Commissioner of Labour in Mysore forwarding the annual report on the Administration of the Mysore Workmen's Compensation Act for the year 1944-45 (with its enclosures printed as annexure).

ORDER No. S. R. 1657-68—L. W. 57-46-2, DATED BANGALORE, THE 29TH OCTOBER 1946.

*Proceedings before the Commissioners for Workmen's Compensation.*—There were 24 cases (13 fatal, 11 non-fatal) pending disposal in the Courts of the Commissioners for Workmen's Compensation at the beginning of the year under report. During the year, 873 were filed, of which 34 related to fatal accidents, 54 to non-fatal cases and 785 to memorandum of agreements, as against 340 cases in the year 1943-44 (64 fatal, 38 nonfatal and 238 memorandum of agreements). Of the 873 cases, as many as 794 cases were filed in the Court of the Commissioner for Workmen's Compensation, Kolar District, Champion Reefs. The total number of cases for disposal during the year including the cases pending at the commencement of the year was 897 (47 cases relating to fatal accidents, 65 to non-fatal and 785 to memorandum of agreements), of which 885 were disposed of during the year (fatal 40, non-fatal 60 and memorandum of agreements 785).

The total number of contested cases was 63, out of which 58 cases were disposed of, 9 in favour of claimants, 22 in compromise and 27 being dismissed. In all the dismissed cases, the claimants were the applicants under Mysore Silicosis Rules and in 14 cases, the parties were not able to establish their claims through proper evidence and in the remaining 13 cases, orders of dismissal were based on the opinion furnished by the Medical Bureau constituted under section 8 of the Mysore Silicosis Rules. The Medical Bureau met four times during the year under report in K. G. F. Hospital, Champion Reefs, and examined the claimants clinically and radiologically and gave their opinion.

Particulars of cases filed, disposed of and pending are furnished in Statement I.

*Distribution proceedings.*—The total amount of compensation deposited in the Courts of Commissioners for Workmen's Compensation during the year amounted to Rs. 33,650—4—3 and a sum of Rs. 10,832 was pending distribution at the beginning of the year under report making a total of Rs. 44,482—4—3 for distribution. During the year, a sum of Rs. 34,182—4—3 was distributed leaving a balance of Rs. 10,300 pending distribution at the close of the year. The figures in the statement refer only to deposits made in the Courts of the Commissioners for Workmen's Compensation. In all memorandum of agreements and non-fatal cases where deposits in courts is not compulsory, the injured persons are paid directly by the employers.

Particulars of compensation money deposited in the Courts of the Commissioners for Workmen's Compensation, sums distributed in fatal and non-fatal cases and the amount pending disposal at the end of the year are furnished in statement II.

Annual return under section 15 of Mysore Workmen's Compensation Act is sent separately.

*Court fees.*—The court fees collected during the year in respect of proceedings in courts amounted to Rs. 123—3—0 as against Rs. 342—6—0 in the previous year.

*Compensation money invested in Savings Banks for the benefit of minor dependents, etc.*—A sum of Rs. 23,277—10—5 was in deposit in Savings Bank at the beginning of the year and during the year, an amount of Rs. 3,376—5—5 only was invested in Savings Bank thus bringing the total amount in deposit to Rs. 26,653—15—10. The amount of interest accrued was Rs. 9—0—8 raising the deposit in the Savings Bank to Rs. 26,663—0—6. The amount drawn and distributed to parties was Rs. 3,472—2—3 only, having a balance of Rs. 20,190—14—3 in deposit at the end of the year.

The Mining Companies in the Kolar Gold Fields continued to account for a large number of cases and for deposit of amount of compensation under the Act.

The number of cases dealt with by the Commissioner for Workmen's Compensation, Kolar District, rose from 38 in the year 1928-29 to 319 in the year 1943-44 while the institution of cases in the year under report registered a still higher figure of 802 including 13 cases pending at the beginning of the year.

During the year under report, the number of cases referred under Silicosis rose to 702 as against 194 in the previous year.

**Directs that the Efficiency Audit and Anti-Corruption Sections will work under the direct charge of a Minister and as separate branches of the General and Revenue Secretariat.**

READ—

G. O. No. 521-12 -C. B. 29-46-1, dated 4th July 1946, sanctioning the appointment of a Special Officer with the designation "Director, Efficiency Audit" to be in charge of a system of Efficiency Audit and of Anti-corruption Measures.

ORDER NO. 1996-2055—C. B. 150-46-1, DATED, BANGALORE THE 2ND NOVEMBER 1946.

In the order read above, Government decided, in pursuance of the recommendations of the Anti-corruption Measures Investigation Committee, to set up a separate agency to be in charge of the work relating to both Efficiency Audit and Anti-corruption Measures, and sanctioned creation of an appointment of a Special Officer for the purpose with the designation "Director, Efficiency Audit." They also indicated therein that separate orders would issue regarding the powers and duties of the Director.

On further consideration, Government deem it desirable that the work should be under the direct charge of a Minister, and accordingly direct that both the Efficiency Audit and Anti-corruption Sections to be constituted will function under the guidance and control of one of the Ministers and as separate branches of the General and Revenue Secretariat. Separate orders will issue regarding the scope of work, powers and duties of the staff of the two sections.

### REVENUE SECRETARIAT

### Sanctions the extension of time for sinking irrigation wells till the end of the current official year.

READ—

Government Order No. R. 6349-62—R. M. 37-46-152, dated 12th March 1946, sanctioning the scheme for the grant of subsidies for sinking irrigation wells in connection with Distress Relief and an allotment of Rs. 2 lakhs for this purpose.

2. Government Order No. R. 9111-6—R. M. 88-45-3, dated 28th May 1946, sanctioning an additional grant of Rs. 5 lakhs in connection with the above scheme.

3. Government Order No. R. 148-61—R. M. 96-45-2, dated 4th July 1946, directing that the benefit of the scheme may be extended to wells completed before the end of September 1946.

4. Correspondence ending with letter No. A4-3176—45-46, dated 28th October 1946, from the Revenue Commissioner in Mysore, recommending in the circumstances stated, the extension of the time limit for completion of well works under the scheme up to March 1947.

ORDER No. R. 5228-41—R. M. 96-45-5, DATED BANGALORE, THE 26TH NOVEMBER 1946.

Representations were made at the recent Dasara Session of the Representative Assembly held in October 1946 for the extension of time for the completion of wells and for payment of subsidies in these cases, as also for consideration of applications received but not disposed of before the end of September 1946. Government consider that the scheme of subsidising irrigation wells is a popular and useful one and that with a view to improve the irrigational facilities in the State, it is necessary to liberalise the scheme as far as possible. They are therefore pleased to direct that the period for payment of subsidy on completion of wells be extended till the end of the *current official* year and that applications received till the end of January 1947 may be treated as eligible for consideration under the scheme.

The Revenue Commissioner is requested to issue necessary instructions to the Deputy Commissioners to see that applications are disposed of on merits without delay so that the grantees may take action without loss of time and complete the wells within the period now extended.

## CHIEF SECRETARIAT

**Constitution of a Committee to examine the adequacy or otherwise of the existing scales of pay of the subordinate executive and ministerial (non-gazetted) and inferior service establishments of Government.**

ORDER No. 2'84-2569—C. B. 178-46-1, DATED BANGALORE, THE 27TH NOVEMBER 1946.

The question of giving suitable relief by way of Dearness and High Price Allowances to different classes of employees has received the earnest consideration of Government from time to time since 1941.

2. In September 1941, Government sanctioned the grant of Dearness Allowance to the low paid employees drawing Rs. 25 and below per month in view of the increased cost of living. Since then, the quantum of allowance as well as the class of employees entitled to relief by way of Dearness Allowance has been reviewed from time to time according to the change in conditions and suitable relief afforded. At present, the Dearness Allowance and High Price Allowance are granted to the employees of Government who are in receipt of a salary of Rs. 800 and below per mensem.

3. The position as regards the non-gazetted employees was again specially reviewed in July last. In view of the further steepening in the level of prices of food stuffs and other necessaries since the cessation of hostilities, further urgent relief by way of enhancement of the Dearness Allowance was considered necessary to better the conditions of the non-gazetted servants of Government and the rates of the allowances granted to this class of employees were accordingly raised by 50 per cent with effect from 1st July 1946.

4. There have been repeated representations, however, that the time has come for revising the scales of pay in view of the greatly altered conditions. The Mysore Non-Gazetted Officers' Association, in particular, waited in a deputation on Government and submitted a Memorandum for the sympathetic consideration of Government.

5. This question has also formed the subject of more than one resolution in the Legislative Bodies.

6. Government consider that the matter is of great importance and urgency and are accordingly pleased to appoint a Committee consisting of the following members to examine the adequacy or otherwise of the existing scales of pay of the subordinate executive and the ministerial "Non-Gazetted" and inferior service establishments of the several departments of Government. The terms of reference to the Committee are indicated in the Annexure.

**Constitution of the Committee.**

1. *Rajadharmaprasakta* T. Singaravelu Mudaliyar, Esq., B.A., B.L. (*Chairman*).
2. The Revenue Commissioner in Mysore.
3. The Financial Secretary to Government.
4. The Public Service Commissioner in Mysore.

6. S. C. Mallaiah, Esq., M.R.A.
7. O. Veerabasappa, Esq., M.L.C.
8. A. J. Khaleel Esq., B.A., B.L., M.R.A.
9. H. R. Guruv Reddi, Esq., B.A., LL.B., M.L.C.
10. Mrs. N. Lakshmi Devi Ramanna, B.Sc., M.R.A.
11. M. Madaiah, Esq., M.L.C.
12. *Rao Bahadur* M. Ramaswamy, Esq., M.R.A.
13. S. G. Narasimhaiya, Esq., President, Non-Gazetted Officers' Association, Bangalore.
14. Dr. S. Paul Chinnappa, M.R.A.
15. Belur Srinivasa Iyengar, Esq., B.A., B.L., M.L.C.

C. G. Ramaiya, Esq., B.A. (*Secretary*).

7. The Committee is requested to examine the question and formulate their recommendations for the consideration of Government at a very early date.

V. VEDAVYASACHARYA, *Chief Secy.*

## ANNEXURE.

**Terms of Reference.**

(i) To examine the adequacy or otherwise of the existing scales of pay of the subordinate executive and ministerial (non-gazetted) and inferior service establishments in the several departments of Government to suggest suitable revision, where necessary, keeping in view the present as well as prospective conditions of living, so far as they could be ascertained or assessed.

(ii) To examine whether and to what extent and in what form, interim relief, if any, is called for to meet the prevailing abnormal conditions, in addition to any revised scales of pay that may be proposed, and in what manner such relief may be regulated to correspond to variations in the cost of living, till such relief becomes no longer necessary.

(iii) To examine whether and to what extent the existing scales of pay of the lower-gazetted staff will have to be up-graded in the present circumstances, especially in the light of recommendations that may be made under item (i) *supra*.

(iv) To suggest ways and means of meeting the additional recurring financial liability, if any, involved in the recommendations, and

(v) To examine other questions, if any, that may be germane to a consideration of the above and to make suggestions thereon.

## IMPORTANT GOVERNMENT ORDERS

### REVENUE SECRETARIAT

### Introduces Prohibition in Molakalmuru and Pavagada Taluks from 1st January 1947.

ORDER NO. S. R. 2230-43—EX. 38-43-3, DATED BANGALORE, THE 4TH DECEMBER 1946.

The question of introducing prohibition in the State has been urged on the attention of Government from time to time and again in the Representative Assembly and Legislative Council. In reply to a Resolution in the last Session of the Representative Assembly urging introduction of total prohibition in the State, it was announced on the floor of the House that a Committee would be set up to examine the question in all its aspects. Orders constituting this Committee have been separately issued.

In the meanwhile, the Government of Madras have introduced total prohibition in the eight districts of the Madras Presidency with effect from 1st October 1946 and they have asked for the co-operation of this Government with a view to making their prohibition programme a success. The question as to how far this Government could co-operate with the Madras Government in their attempts to introduce prohibition has been considered and pending the recommendations of the Committee constituted for this purpose, Government are pleased to direct the closure of all the excise shops in the two taluks of the State, *viz.*, Molakalmuru in Chitaldrug District and Pavagada in Tumkur District with effect from 1st January 1947.

J. B. MALLARADHYA, *Rev. Secy.*

### Constitutes the Prohibition Committee in the Mysore State to examine the question of introducing Prohibition.

ORDER NO. S. R. 2246-66—EX. 37-46-3, DATED BANGALORE, THE 4TH DECEMBER 1946.

The question of introducing prohibition in the State has been urged on the attention of Government from time to time both in the Representative Assembly and Legislative Council since the year 1937-38. A resolution urging the gradual introduction of prohibition was passed during the Budget Session of the Legislative Council in the year 1941.

The attention of Government has recently been drawn to the introduction of prohibition into the eight districts of the Madras Presidency with effect from 1st October 1946. A resolution recommending the introduction of total prohibition in the State was passed during the Dasara Session of the Representative Assembly held in September 1946. The policy of Government was explained on that occasion and a promise was also made on the floor of the House, that a committee would be set up very soon to examine the question in all its aspects.

Government are accordingly pleased to constitute for this purpose a Committee consisting of the following :—

1. *Mushir-ul-Mulk* Mr. J. Mahomed Imam, B.A., B.L., (*Chairman*).
2. Mr. M. Navaneetham Naidu, B.A., B.L., Excise Commissioner in Mysore.
3. Mr. S. Narayana Rao, M.A. (Hons.), Revenue Commissioner in Mysore.
4. Mr. J. B. Mallaradhya, M.A., Revenue Secretary to Government.
5. Mr. M. Madiah, Deputy President, Legislative Council.
6. Mr. G. Sreeramulu, M.R.A.
7. Mr. N. Balakrishnaiah, Advocate and M.L.C.
8. *Shafiq-ul-Mulk Khan Bahadur* Mahomed Abbas Khan, M.L.C.
9. Mr. G. S. Subba Rao, M.R.A., Madhugiri.
10. Mr. K. Venkataswamy, Excise Contractor, Arsikere.
11. Mr. Y. Dharmappa, Advocate and M.R.A.
12. Mr. D'Souza, M.R.A.
13. *Lokasevaparayane* Srimathi K. D. Rukminiamma, M.R.A.
14. Mr. F. C. Devaraj Urs, M.R.A.
15. Mr. K. Chicklingiah, M.R.A.
16. Mr. J. R. Isaac, B.A., M.B.E., Hon. General Secretary, Mysore Temperance Federation.

Mr. S. K. Venkataramana Iyer, Retired Under Secretary to Government (*Secretary of the Committee*).

The terms of reference of the Committee are indicated below :—

(i) To examine the measures adopted by Government from time to time to minimise the drink evil and to suggest ways of intensifying effort in that direction.

(ii) To review the results of the efforts made to introduce "Planned Prohibition" as an experimental measure in Closepet and Channapatna Taluks and to make recommendations if the scheme could be extended to other areas on similar lines or in any other manner.

(iii) To consider the feasibility of introducing total prohibition and if feasible to investigate the steps to be taken for the purpose.

(iv) To suggest ways and means of compensating the shortfall of revenue, consequent on the recommendation of the Committee.

(v) To suggest suitable avenues of employment for the large body of tappers, vendors, etc., engaged in the profession, in the event of their being thrown out of employment.

The Committee is requested to submit its report to Government very early.

### GENERAL SECRETARIAT

**Passes orders *re* the grant of timber at concession rates to public institutions.**

READ—

Correspondence ending with letter No. Sl. 16-154-46, dated 24th August 1946, from the Chief Conservator of Forests, furnishing his opinion in the matter of the policy of issuing timber at concession rates to public institutions.

ORDER NO. A. F. 2873-77—Ft. 25-45-77, DATED BANGALORE, THE 14TH NOVEMBER 1946.

The question of revising the policy in regard to the issue of timber to institutions at concession rates has been under the consideration of Government for some time past. Of the timber output of forests in Mysore, 80 per cent is of the non-teak species, teak accounting only for 20 per cent and a good proportion of this relatively small output of teak is absorbed by Government Departments, such as Railways, Public Works, etc., the remaining quantity being made available to the public by retail and mostly by auction sale.

It is also reported that a good slice of teak made available to the public goes to meet the demand for this species of timber from private gentlemen or associations, for the construction of buildings either for public or religious purposes and that supplies in this behalf are made at a concession of 25 per cent. As the position with regard to the availability of teak is very restricted, the Chief Conservator of Forests reports that such demands cannot be easily met and that if non-teak species, which are more or less as good as teak for building purposes (in some cases after treatment), and which are available in larger quantities, are to be made more popular, the supply of teak at concession rates has to be discontinued or very much curtailed.

In these circumstances and in view of the need for a revision of the existing policy in this matter, Government are pleased to direct that the following modifications be adopted for the present, subject to subsequent revision in the light of the experience gained :—

(*a*) In the case of buildings undertaken by private gentlemen or institutions for which money grants have been or are proposed to be sanctioned by Government, no teak will be supplied to them either at concession or at schedule rates. They should obtain their requirements in the open market. In case they require non-teak species, a quantity not exceeding 500 c.ft. of such timber, according to actual requirements, may be made available to them at a concession rate of 20 per cent.

(*b*) In the case of buildings which are intended for public purposes and which do not receive or have not received any grants, timber may be supplied at 20 per cent concession, up to a maximum of 500 c.ft. of which teak and non-teak may be in the proportion of 1 to 2, teakwood supplied being of the girth below 54". For being eligible for this concession, the parties concerned should give a declaration that they have not received any grant from Government nor would they apply for such grant.

Government may, however, allow relaxation of the above stipulations in special cases, to the extent necessary and on such terms as they may specify in each individual case on merits.

### Sanctions the opening of a Municipal High School at Seringapatam.

READ—

Correspondence endin with letter No. H 3. 444-69 of 45-46, dated 25th November 1946, from the Director of Public Instruction, regarding the opening of a Municipal High School at Seringapatam.

ORDER No. E. 4280-82—EDN. 44-45-48, DATED BANGALORE, THE 7TH DECEMBER 1946.

There have been persistent representations from the public of Seringapatam that a large number of students are now going from Seringapatam to Mysore by train to prosecute their studies in High School, that owing to heavy traffic and irregular timings of trains, the students are put to a lot of inconvenience and that the opening of a High School at Seringapatam would greatly encourage high school education in Seringapatam and the surrounding villages. Both the Deputy Commissioner, Mandya District, and the Director of Public Instruction state that there is need for a High School at the place.

The Municipal Council, Seringapatam, have offered a building and have agreed to effect necessary additions and alterations to the building to make it suitable for housing the school. A sum of Rs. 10,000 has been collected and a further sum of Rs. 10,000 is promised to be collected. The school is proposed to be housed in Mr. S. V. Chandrasekharaiya's building for the present.

A sum of Rs. 4,000 has already been deposited towards the guarantee fund. An additional sum of Rs. 1,000 required for the purpose and also the amount required for equipment are proposed to be met out of the funds collected. The Municipal Council are agreeable to meet their share of the recurring cost by the levy of additional tax.

In the circumstances, sanction is accorded to the opening of a Municipal High School at Seringapatam from the school year 1946-47. The departmental share of the cost during this year will be met from the general savings in the budget for the year 1946-47 and necessary provision will be made in the budgets of the succeeding years.

A statement showing the details regarding the class started during the current year and the classes to be started from the next year, the income expected, the expenditure to be incurred and the grants to be paid by the Government, etc., is appended hereto.

4. *Number of Patients treated.*—The number of beds available for in-patients was 4,144 as against 4,066 in the previous year. The total number of new in-patients treated in the various hospitals and dispensaries was 97,040 compared to 96,320 during the year 1944. There was a fall in the number of out-patients treated during the year, the number being 69,86,763 as against 76,21,556 in the previous year.

The total number of parturition cases was 42,495 as against 40,675 in the year 1944. Of these, 20,813 (16,904) cases were conducted inside institutions.

5. *Midwives.*—The number of midwives working during the year was 473 (459).

6. *Finance.*—The expenditure on the medical services was Rs. 29,36,483 (32,99,381). The contributions of the local bodies amounted to Rs. 3,84,300 as against Rs. 3,55,300 during the previous year. The hospital receipts amounted to Rs. 2,37,000 as against Rs. 1,72,600 in the previous year.

7. *Donations.*—It is very gratifying to note that philanthropic people donated a sum of Rs. 2,49,000 during the year for the several items of medical relief works.

8. *New Dispensaries and Conversion of Dispensaries.*—In addition to converting eleven subsidised rural dispensaries into Local Fund Dispensaries on a reduced scale of expenditure, 13 new Local Fund Dispensaries were sanctioned during the year. But due to paucity of hands, these institutions could not all be opened for work as a number of medical officers had volunteered for war service.

9. *New Buildings.*—The construction of several new buildings was under progress and proposals were under consideration for providing buildings to several Local Fund and combined dispensaries.

10. *Important measures sanctioned.*—Orders were passed by Government on the report of the committee constituted to examine the conditions, etc., of nursing services in the State. The scale of pay of compounders was revised during the year. Lay Secretaries were appointed to the Mental Hospital, Bangalore, and the Princess Krishnajammanni Sanatorium, Mysore.

11. *General.*—The work of the department continued to be satisfactory. The Chief Medical Officer, Women's Hospitals, inspected 12 institutions and the Senior Surgeon all major institutions and District Hospitals and 93 dispensaries.

12. *Boards of Visitors.*—The Boards of Visitors of the several medical institutions paid visits to the institutions and made suggestions for their improvement which were given effect to as far as possible.

13. *Stock-taking.*—The annual stock-taking in all medical institutions was conducted during the year.

## Sanctions the formation of Health Units in the irrigated area under Irwin Canal.

READ—

Government Order No. G. 3838-46—P. H. 24-42-43, dated 24th September 1943, sanctioning the proposal of the Director of Public Health, for extending the anti-malaria scheme in the Irwin Canal Area sanctioned in Government Order No. G. 6977-83—P. H. 34-41-4, dated 3rd January 1942, for a period of one year.

2. Government Order No. M. 4876-7—P. H. 62-44-3, dated 29th November 1944, according sanction to the continuance of the scheme referred to above on the existing basis till the end of the year 1944, pending consideration of revised proposals.

3. Government Order No. M. 4396-405—P. H. 166-44-2, dated 14th November 1946, sanctioning the proposal of the Director of Public Health for the continuance of the scheme of anti-malaria measures in an extended area comprising of 314 villages.

4. Letter No. 290 of 46-47, dated 7—13th August 1946, from the Director of Public Health, submitting proposals for the establishment of additional Health Units to cover all the villages in the irrigated area under Irwin Canal.

5. Further correspondence ending with letter No. 360 of 46-47, dated 19th—20 August 1946, from the same officer on the subject.

ORDER NO. M. 6177-86—P. H. 71-45-4, DATED BANGALORE, THE 9TH DECEMBER 1946.

The condition of health in the villages under the Irwin Canal was the subject of discussion in the Legislative Council in December 1945. It was considered a matter of paramount importance to preserve the health of the people in this area by opening more Health Units to cover the remaining villages in the Channel area in addition to those already sanctioned in the Government Orders read above. With this object in view, the Director of Public Health was requested to examine and formulate proposals for protecting all the villages in the Channel area from the scourge of malaria. He has submitted proposals for opening six Health Units at Kirgaval, Dugganahalli, Malavalli, Agasanapura, Chandgal and Kalkunte to cover an area of about 180 additional villages with a Divisional Office under the supervision of a Health Probationer at an estimated cost of Rs. 1,23,700 inclusive of the cost of the existing dispensary at Malvalli amounting to Rs. 3,000 proposed to be taken over to the control of the Public Health Department.

As the pay and allowances proposed in certain cases differ from those drawn by similar class of officials in other Units in the Irwin Canal area, it is desirable that a uniform scale of pay and allowance should be allowed to the staff in these six Units similar to those in the existing Units in the area. With this modification, the extra cost will come to about Rs. 1,13,401 (Rupees one lakh thirteen thousand four hundred and one) only both recurring and non-recurring. Deducting the cost of the existing dispensary to be taken over under the control of the Public Health Department, the net expenditure will be Rs. 1,10,401 as shown in the appended statement.

Government are pleased to sanction the proposal of the Director of Public Health for the formation of Health Units in the places referred to above with the above modification at a net cost of Rs. 1,10,401 as shown in the statement appended to this order for a period of three years in the first instance, the extra expenditure being met by an additional grant as no provision has been made for the purpose in the current year's budget and necessary provision being made for the purpose in the budget for future years.

## LAW SECRETARIAT

Dated 26th December 1945.

**No. Fl. 4405.** In exercise of the powers conferred by sub-rule (9) of Rule 94-A of the Defence of India Rules as applied to Mysore and in supersession of Notification No. Fl. 1247—G. F. 30-44-48, dated the 3rd October 1944, the Government of His Highness the Maharaja of Mysore are pleased to grant exemption from the provisions of the said rules, as follows, namely :—

(*a*) from the provisions of sub-clause (*i*) of clause (*a*) of sub-rule (2), and of the sub-rule (4) and sub rule (7)—

the issue of securities other than debentures being an issue made by a person in the ordinary course of his business and solely for the purposes of that business to another person carrying on the business of banking or to such other person's nominee in respect of advances or overdrafts from time to time granted or to be granted by such other person ;

(*b*) from the provisions of sub-rule (5) in so far as such provisions relate to any document publicly offering for sale—

(*i*) any security issued in Mysore before the 25th October 1943, and

(*ii*) any security issued outside Mysore before the date being a security of a class of which no further issue has been made after that date by or on behalf of the same company without the consent or recognition of the Government of Mysore;

(*c*) from all the provisions of the said Rule—

the issue of securities by any company, not being a banking company or an insurance company or a provident society incorporated as a company, provided that the value of the consideration involved in such issue together with the value of the consideration involved in any previous issue of securities made by such company within the twelve months next preceding such issue shall not exceed in all one lakh of rupees ;

in this paragraph the expression "the consideration involved" means, in the case of securities without a nominal value, the amount to be raised by the issue of the securities and, in the case of securities with a nominal value, the sum of the total nominal value and of any premium, entrance fee or other payment which the person subscribing to the securities may be called upon to pay ;

(*d*) from the provisions of sub-rule (8)—

(*i*) securities the issue of which has involved a contravention of sub-rule (2), sub-rule (4) or sub-rule (5) if such contravention has been condoned under the provisions of sub-rule (6) ;

(*ii*) any security transferred by the operation of the law of inheritance or succession or by the decree of a competent court.

In this order the expressions "securities", "banking company", "insurance company" and "provident society" shall have the meanings, respectively assigned to them by clause (a) of sub-rule (*i*) of Rule 94-A of the Defence of India Rules, 1939, section 277-F of the Mysore Companies Act, 1938, clause (7) of sections 2 and section 65 of an Act to regulate and control Insurance Business in the State (Act No. XXII of 1939).

## REVENUE SECRETARIAT

Dated 18th December 1945.

**No. R. 3995-97—R. M. 6-45-27.** It is notified for general information that, under section 1 (2) of the Record of Rights Act No. X of 1927 Government are pleased to direct that the provisions of the said Act shall be extended to Jodi Kalasettihalli, Gubbi Taluk.

2. The Record is intended to check litigation in regard to land and to facilitate its disposal by the Courts, to reduce unnecessary expenditure by the raiyats in executing and registering documents and to protect them against fraud and fabrication of false claims. It will also be of assistance to Government as well as the raiyats in the distribution of assessment among the various hissadars, the grant of Takavi and Land Inprovement Loans and the grant of suspension or remission of land revenue.

3. To facilitate the accurate preparation of the Record of Rights, the Preliminary Record will first be prepared by the Shanbhogs to the best of their information in the prescribed Form and every case will be duly investigated by a Special Revenue Inspector. There will be a check of the Preliminary Record by the Amildar or other officer specially authorised by the Superintendent of Land Records, Survey and Settlement or by the Deputy Commissioner, in this behalf. Occupants and persons interested in the land are required to furnish every information that may be within their knowledge to the Investigating Officers in order to ensure accuracy in the preparation of this Record which will form the basis of the future Records of Rights.

4. All persons interested in the land are required to render every reasonable assistance to officers of the Department of Land Records when they come to the village to measure the hissas and to conduct enquiries in cases of disputed boundary lines between hissas in the field, after giving the prescribed notice.

5. The attention of the public is invited to the provisions of Section 7 of the Record of Rights Act requiring them on requisition by a Revenue Officer, engaged in compiling or revising the Record of Rights to furnish or produce information and documents needed for the correct compilation or revision thereof within one month from the date of such requisition. Failure to comply with this requisition and secure registration of their rights will render occupants and holders of interests in land liable to a fine not exceeding Rs. 5 (recoverable as an arrer of land revenue) besides depriving them of the advantages enumerated above. The officer to whom any information is furnished or before whom any documents are produced in accordance with the requisition will give a written

acknowledgment therefor in the Form prescribed to the person furnishing or producing the same and shall endorse on any such document, before returning it to him, a note under signature stating the fact of its production and the date thereof.

## RULES

### PART I.—DECISIONS AGAINST WHICH APPEALS MAY BE BROUGHT.

1. *Appeals against Rejection of War Pension Claims.*—(a) Where any claim for pension in respect of the disablement of any person to whom these rules apply is rejected by the Government of India on the ground that the injury on which the claim is based—

(i) is not attributable to war service,

(ii) and does not fulfil the following conditions, namely, that it existed before or arose during war service and has been and remains aggravated thereby

the Government of India will serve or cause to be served on the claimant a notice informing him of the rejection of his claim and the said notice will make a clear statement of the condition or conditions which, in the opinion of the Government of India, have not been fulfilled and thereupon an appeal will lie to a Pensions Appeal Tribunal constituted under these rules (hereinafter referred to as "the Tribunal") on the issue whether the claim was rightly rejected.

(b) Where any claim for pension in respect of the death of any person to whom these rules apply is rejected by the Government of India on the ground that neither of the following conditions is fulfilled, namely,

(i) that the death of that person was due to or hastened by an injury which was attributable to war service, and

(ii) that the death was due to or hastened by the aggravation by war service of an injury which existed before or arose during the war service,

the Government of India will serve or cause to be served on the claimant a notice informing him of the rejection of his claim, and the said notice will make a clear statement of the condition or conditions which in the opinion of the Government of India have not been fulfilled and thereupon an appeal will lie to the Tribunal on the issue whether the claim was rightly rejected.

(c) Where for the purposes of any such claim as aforesaid, the injury on which the claim is based is accepted by the Government of India as attributable to or aggravated by service in a piece service area, the Government of India will notify the claimant of the decision and thereupon an appeal will lie to the Tribunal on the issue whether the injury was attributable to or aggravated by such service or by war service in a field service area.

2. *Appeals where Award is reduced, withheld, etc.*—(a) Where in the case of any such claim in respect of the disablement or death of any person, the Government of India

(i) withhold or reduce the award on the ground that the injury on which the claim was based was caused or contributed to by the serious negligence or misconduct of the said person or, as the case may be, that his death was so caused or contributed to, or

(ii) decide that the claimant is ineligible for pension for the reason either that such person was invalided in consequence of malingering or that the disability or death on which the claim is based resulted from an indulgence in drugs or drink, or

(iii) decide that all claim to an award is forfeited by reason of the fact that the disablement was aggravated by such person or that he retarded his cure, or

(iv) decide by reason of such person's unreasonable refusal to undergo medical treatment or operation either (a) that no penson is admissible or (b) to award a pension appropriate to the lower percentage of disability to which, in the opinion of the Government of India, the disability would have been reduced if such person had not unreasonably refused to undergo medical or operative treatment, or (c) to reduce the award in respect of such disablement as the case may be,

the Government of India will notify or cause to be notified to the claimant such decision and ground upon which it is made and thereupon an appeal will lie to the Tribunal on the issue whether the award was rightly withheld or reduced, or whether the claimant is ineligible, or whether the award is forfeited or whether the claimant's refusal to undergo medical treatment or operation was unreasonable, as the case may be.

(b) Where an appeal is brought under these rules on any of the issues specified in rule I and the Government of India notify the appellant before the hearing of the appeal that if the appeal is allowed the Government of India intend, on such of the grounds specified in the last preceding sub-rule as may be appropriate, to reduce or withhold the award or to decide that the claimant is ineligible or the award is forfeited or inadmissible, the Tribunal will, if they allow the appeal, determine the issue specified in the last preceding sub-rule as is appropriate to the intention so expressed by the Government of India in accordance with this sub-rule, and unless the Government of India notify the appellant as aforesaid, the Government of India will not, if the appeal is allowed, withhold or reduce the award or decide that the claimant is ineligible, or the award is forfeited or inadmissible, as the case may be.

3. *Appeals against Assessment of Degree of Disablement.*—(a) Where in the case of any such claim as is referred to in rule I above, in respect of the disablement of any person, the Government of India make an interim assessment of the degree of the disablement, they will notify the claimant thereof and if, at the expiration of two years from the time when they first notified such an interim assessment, they have not made such a final decision or assessment as is referred to in next following sub-rule, an appeal will lie to the Tribunal from the interim assessment in force at the expiration of the said period of two years and from any subsequent interim assessment and the Tribunal on any such appeal may uphold the Government of India's assessment or may assess the disablement at such higher or lower degree as they think proper.

In this sub-rule the expression "interim assessment" means any assessment other than such a final assessment as is referred to in the next following sub-rule.

(b) Where, in the case of any such claim as is referred to in rule I, it appears to the Government of India that the circumstances of the case permit a final settlement of the question to what extent, if any, the said person is disabled and accordingly—

(i) they decide that there is no disablement or that the disablement has come to an end, or

(ii) they make a final assessment of the degree or nature of the disablement,—

the claimant will be notified of the decision or assessment stating that it is a final one and thereupon an appeal will lie to the Tribunal on the following issues, namely,—

(a) whether the circumstances of the case permit a final settlement of the question aforesaid;

(b) whether the decision of the Government of India referred to in sub-rule (a) hereof or, as the case may be, the final assessment of the degree or nature of the disablement, was right;

and the Tribunal on any such appeal may set aside the said decision or assessment on the ground that the circumstances of the case do not permit of such a final settlement or may uphold that decision or assessment or may make any final assessment of the degree or nature or the disablement as they think proper, which may be either higher or lower than the assessment of the Government of India, if any.

(c) The provisions of this rule will not come into operation until such date as may be appointed by the Government of India and different dates may be appointed for sub-rule (a) and sub-rule (b) hereof respectively and for different classes of cases to which those respective sub-rules apply.

4. *Grounds on which Appeal to Central Appeal Tribunal lies.*—(a) Where in the case of an appeal to the Tribunal under rules 1, 2 or 3, the appellant is, or the Government of India are dissatisfied with the decision of the Tribunal as being erroneous in point of interpretation, the appellant or the Government of India may, with the leave of the Tribunal, or of the Central Appeal Tribunal appeal to the Central Appeal Tribunal to be constituted under these Rules and the decision of the Central Appeal Tribunal shall be final and conclusive and binding on the Government of India and on all Tribunals.

(b) Subject to the provisions of the last foregoing sub-rule, the decision of a Tribunal on any issue on which an appeal is brought under this Resolution shall be final and conclusive.

5. Nothing in these Rules shall confer on any person power to appeal against a decision affecting

(i) the eligibility of such or any other person to a disability or family pension, or

(ii) the dependancy of such person upon any person to whom these rules apply.

## PART II.—ESTABLISHMENT AND CONSTITUTION OF TRIBUNALS AND OF CENTRAL APPEAL TRIBUNAL.

6. *Constitution of Tribunals.*—(a) Such number of Pensions Appeal Tribunals will be constituted as the Government of India may from time to time determine and the Tribunals shall sit at such times and in such places as the Government of India may from time to time determine.

(b) The members of the Tribunals will be appointed by the Government of India in the Legislative Department and there will be paid to them such remuneration as the Government of India may determine and the Government of India may, if they think fit, remove any member of such Tribunal.

(c) (i) The number of members of the Tribunal to hear any particular appeal will be three and will consist of :—

(a) a person who is qualified under sub-section (3) of Section 220 of the Government of India Act, 1935, for appointment as a Judge of a High Court (hereinafter called " the legal member ") ;

(b) a duly qualified medical practitioner of not less than seven years' standing ; and

(c) a person who satisfies the condition specified in clause (ii) below ;

but in the case of an appeal under rule 3 above, will consist of two duly qualified medical practitioners of not less than seven years' standing and a person who satisfies the conditions specified in clause (ii) below ; and in cases where there is a legal member, he will be the Chairman of the Tribunal, and in other cases the Chairman will be such one of the duly qualified medical practitioners of not less than seven years' standing as may be appointed to be Chairman by the Legislative Department of the Government of India.

(ii) The conditions referred to in the last foregoing sub-rule are that the member shall be (a) of the same sex and (b) a serving or demobilised or retired member of the same force as the person in respect of whose disablement or death the claim to which the appeal relates was made.

7. *Constitution of Central Appeal Tribunal.*—(a) A Central Appeal Tribunal will be constituted and it will sit at such times and at such places as it may from time to time determine.

(b) The Central Appeal Tribunal will consist of one member who will be a retired Judge of a High Court in India and will be appointed by the Government of India, in the Legislative Department. He will hold office for such time and there will be paid to him such remuneration as the Government of India may determine and they may, if they think fit, remove him from such appointment.

8. *Provisions Binding on Tribunals.*—In determining an appeal under these rules in respect of any claim or award, the Tribunals, and the Central Appeal Tribunal, will be bound by the terms of the Royal Warrant, Order in Council, Order of His Majesty, Regulation, Rule, Instruction or scheme under which the claim, award or decision purports to be made, being terms relating to the issue before the Tribunal.

## PART III.—PROCEDURE FOR THE FILING, HEARING AND DETERMINATION OF APPEALS TO TRIBUNALS.

9. *Time Limit for Appeals.*—(a) No appeal (except an appeal to the Central Appeal Tribunal) may be brought under any of these rules except rule 3 (a), unless notice of that appeal is given, in such a manner as is prescribed in these rules or may hereafter be prescribed by order of the Government of India, not later than twelve months after—

(i) in the case of a decision from which an appeal lies to the Tribunal under rule 1 or rule 2, being a decision made before the 1st day of December 1945, that date ;

(ii) in the case of a decision or assessment against which an appeal lies to he Tribunal under rule 3, being a decision or assessment made before the said Rule comes into operation, in relation to that decision or assessment, such date as may be appointed by order of the Government of India ;

(iii) in any other case, the date on which the decision or assessment is notified to the claimant ;

Provided that the Government of India in the Legislative Department may allow an appeal to be brought after the expiration of the period limited by this rule, if they consider that there was a reasonable excuse for the delay.

(b) The Government of India may, for the purpose of sub-rule (a) (ii) of this rule, appoint different dates for different classes of cases.

(c) No appeal may be brought under rule 3 (a) unless notice of that appeal is given in such manner as may be prescribed by order of the Government of India not later than three months after :—

(i) the date on which the period of two years referred to in the said rule 3 (a) expires, or

(ii) the date on which the said rule 3 (a) comes into operation in relation to the assessment from which the appeal is brought, or

(iii) the date on which the said assessment is notified,

whichever is the latest of those dates :

Provided that the Government of India, in the Legislative Department, may allow the appeal to be brought after the expiration of the period limited by this rule, if they consider there was a reasonable excuse for the delay.

(*d*) Notice of appeal under these rules will be accepted from the 1st of December 1945.

10. *Persons by whom appeals may be brought.*—(*a*) An appeal shall be brought by the person to whom these Rules extend and in respect of whose claim the Government of India have given the decision against which an appeal lies :

Provided that where that person is under the age of sixteen, or is prevented by mental or physical infirmity from acting on his own behalf, the appeal may be brought by some other person acting for him :

Provided further, that if in respect of the death or disablement of any person to whom these rules apply an appeal has been filed then—

(i) where the appeal is heard and determined the decision will be binding on all persons claiming or entitled to appeal in respect of such death or disablement and no further appeal by any other person in respect of the same death or disablement will be admitted ; or

(ii) where the appeal is placed on the deferred list in accordance with rule 29 no further appeal by any other person in respect of the same death or disablement will be admitted but such appeal may be proceeded with as provided in rule 29 and the decision thereon will be binding on all persons claiming or entitled to appeal in respect of such death or disablement.

(*b*) Where an appeal is brought by a person acting on behalf of another in accordance with the last preceding sub-rule, that person may take all such steps and do all such things for the purposes of the appeal as an appellant is by these rules required or authorised to take or do.

11. *Method of Appealing.*—An appeal to a Tribunal will be commenced by a notice of appeal given to the Government of India in the War Department either in form I or form II of the forms set out in the first schedule hereto, whichever is appropriate ; provided that a notice of appeal will be accepted in any other form provided it is signed by or bears the thumb print of the appellant or, in the case of a person under the age of sixteen or prevented by mental or physical infirmity from acting on his behalf, the person acting on his behalf and is dated and sent by post addressed to the Secretary to the Government of India, War Department (Pensions Branch), Simla (hereinafter referred to as " the Secretary, War Department ").

12. *Statement of case and answer.*—(*a*) Subject to the provision of rule 13 and rule 16, the Secretary, War Department, will, on receipt by him of a notice of appeal, prepare a document (to be called a " Statement of Case ") setting forth—

(i) the relevant facts relating to the appellant's case as known to the Secretary, War Department, including the medical history of the appellant ; and

(ii) the reasons of the Government of India for making he decision against which the appeal is brought.

(*b*) When the Statement of Case has been prepared, the Secretary, War Department, will send two copies to the appellant and will inform him that he may, if he so desires, submit (on a form to be supplied by the Secretary, War Department) an answer to the Statement indicating—

(i) whether, and in what respect, the facts in the Statement of Case are disputed ;

(ii) any further facts which, in his opinion, are relevant to the appeal ; and

(iii) his reasons for thinking that the decision of the Government of India was wrong.

(*c*) Where the appellant submits an answer disputing any of the facts in the Statement of Case or putting forward further

facts, he shall attach to his answer such documentary evidence in support of his case as is in his possession or as he can reasonably obtain.

(*d*) Except where the appellant is resident outside India he shall send his answer and any documents submitted therewith, to the Secretary, War Department, within FORTY days from the date on which the Statement of Case was sent to him.

(*e*) The Secretary, War Department, if he so desires, may comment in writing on the appellant's answer and, if he does so, he will send a copy of his comments to the appellant.

(*f*) As soon as may be after the receipt of the answer or, if the appellant does not send an answer, on the expiration of the said FORTY days (or, where the appellant is resident as aforesaid, at the expiration of such time as may be allowed by the President), the Secretary, War Department, will, subject to the provisions of rule 16, send to the Pensions Appeal Office—

(i) three copies of the Statement of Case;

(ii) three copies of the appellant's answer (if any);

(iii) any documents submitted by the appellant; and

(iv) three copies of any comments made by the Government of India on the appellant's answer.

13. *Disclosure of Official Documents and information.*—(*a*) Where for the purposes of his appeal an appellant desires to have disclosed any document, or part of any document, which he has reason to believe is in the possession of the Government of India, he may, at any time not later than six weeks after the Statement of Case was sent to him, apply to the President for the disclosure of the document or part, and if the President considers that the document or part is likely to be relevant to any issue to be determined on appeal, he may give a direction to the Department concerned requiring its disclosure (if in the possession of the Department) in such manner and upon such terms and conditions as the President may think fit; provided that directions given under this rule shall not require the disclosure of—

(i) documents in the nature of Departmental minutes or reports; or

(ii) the name of any person in the service of His Majesty who has given a report or medical certificate relating to the appellant or to the person in respect of whose death the appeal is brought.

For the purposes of this rule, a certificate given by an officer of the Government Department concerned not below the rank of Deputy Secretary or an officer duly authorised by the Head of the Department concerned that a document or name is such a document or name as is described in sub-rule (*a*) (i) or (*a*) (ii) of this rule shall be final and conclusive.

(*b*) On receipt of a direction given by the President under this rule, the Secretary of the Government Department concerned or any officer being an officer authorised to give a certificate under sub-rule (a) of this rule, may certify to the President—

(i) that it would be contrary to the public interest for the whole or part of the document to which the direction relates to be disclosed publicly; or

(ii) that the whole or part of the document ought not, for reasons of security, to be disclosed in any manner whatsoever;

and where a certificate is given under clause (if above, the President will give such directions to the Tribunal as may be requisite for prohibiting or restricting the disclosure in public of the document or the part thereof, as the case may and where a certificate is given under clause (ii) above the President will direct the Tribunal to consider whether the appellant's case will be prejudiced if the appeal proceeds without such disclosure and, where the Tribunal are of opinion that the appellant who would be prejudiced if the appeal were to proceed without such disclosure, they will adjourn the hearing of the appeal until such time as the necessity for non-disclosure on the ground of security no longer exists.

(*c*) At the hearing, the appellant may apply to the Tribunal for the disclosure of such document as is mentioned in this rule and, where it appears to the Tribunal that the document is likely to be relevant to any issue to be determined on the appeal, and that the appellant has reasonable excuse for having failed to make an application for disclosure to the President before the hearing under sub-rule (*a*) of this rule, the Tribunal may, unless the document is produced by the representative of the Department concerned, adjourn the case for an application to the President to be made by the appellant.

(*d*) It shall be a sufficient compliance with a direction for the disclosure of a document, or part of a document, under this rule if there is produced a photostatic copy of the document or the part thereof certified as a true copy by an officer authorised under the terms of sub-rule (*a*) of this rule to give a certificate under that sub-rule.

14. *List of cases for hearing.*—The Pensions Appeal Office on receipt in that office of the documents mentioned in rule 12 (f), will determine the Tribunal which is to consider the appeal and will send to that Tribunal the same documents and the Tribunal will prepare a list of cases for hearing and will enter in that list all cases submitted to it for hearing.

15. *Date for hearing.*—(*a*) Not less than 40 clear days before the date fixed for the hearing, a notice of hearing in Form III of the forms set out in the first Schedule to these Rules, or in a form to the like effect, will be sent from the Tribunal which is to consider the appeal or the Pensions Appeal Office, and the Secretary, War Department, will be informed of the date so fixed.

(*b*) If, at any time before the date fixed for the hearing, the appellant becomes aware of any circumstances which will prevent him from attending the Tribunal on the date so fixed, he shall (unless the Appeal is to be heard in his absence under rule 26) immediately notify the Chairman of his inability to appear, stating the reasons therefor.

16. *Withdrawal of appeal.*—(*a*) An appellant may at any time before the hearing give notice to the Chairman, or if he has not been informed of the Tribunal by which his appeal is to be considered, to the Pensions Appeal Office, that he desires to withdraw his appeal, and thereupon the appeal will be struck out.

(*b*) Where after a notice of appeal has been given, the issue arising on the appeal is decided by the Government of India in favour of the appellant, the Secretary, War Department will give notice of the decision to the Pensions Appeal Office and to the appellant and also to the Chairman, if notice of hearing has been issued in accordance with Rule 15 hereof, and the appeal will be struck out.

17. *Appeal not prosecuted.*—Subject to the provisions of rule 26, if the appellant fails to appear at any hearing of the appeal, the Chairman will—

(*a*) if the appellant either before or within six weeks after the date fixed for the hearing satisfies the Chairman that he had sufficient reasons for his failure to appear, fix a new date for the hearing and will intimate the same to the appellant and the Secretary, War Department; or

(*b*) if the appellant does not either before or within six weeks after the date fixed for the hearing, satisfy the Chairman that he had sufficent reasons for his failure to appear direct that the case be returned to the Pensions Appeal Office to be placed in the Deferred List.

18. *Representation of the appellant and the Secretary, War Department.*—(*a*) An appellant may conduct his case himself or may be represented by any person whom he may appoint for the purpose.

(*b*) The Secretary, War Department, may be represented by any person whom he may appoint for the purpose.

(*c*) It will be the duty of the Tribunal to assist any appellant who appears to them to be unable to make the best of his case.

19. *Evidence.*—(*a*) The appellant may give evidence in support of his appeal and the appellant and the Secretary, War Department may, subject to the provisions of the next following sub-rule, call a doctor or any other witness, and may produce at the hearing any further documentary evidence not already in the possession of the Tribunal.

(*b*) Where the appellant, or the Secretary, War Department, intends to call a doctor as a witness at the hearing, he shall, unless he has already notified the Chairman of his intention to call the witness, send notice of his intention to the said Chairman not less than twenty-eight days before the date fixed for the hearing, and the Chairman will notify the Secretary, War Department, or as the case may be, the appellant, who will then be entitled to call a doctor at the hearing without giving notice.

(*c*) The Tribunal may require the appellant to furnish such evidence of his identity as they may think fit and, where the appeal is brought by a person acting on behalf of the appellant, the Tribunal may require him to satisfy them as to his qualifications for so acting.

(*d*) The Tribunal may summon before it expert or other witnesses.

(*e*) The Tribunal will not refuse evidence tendered to them on the ground only that such evidence would be inadmissible in a Court of Law.

(*f*) Subject to any direction given by the President under rule 13 or by the Chairman under rule 22, every document tendered in evidence or considered by the Tribunal for the purposes of the appeal will be made available to the appellant or his representative (if any) and to the Secretary, War

Department or his representative in such manner as the Tribunal may direct.

20. *Procedure at hearing.*—(*a*) At the hearing, the Tribunal will give an opportunity to the appellant or his representative to address the Tribunal and call witnesses and, if the appellant is not represented, the examination of the appellant's witnesses may, if the appellant so desires, be conducted by the Chairman on behalf of the appellant. The representative of the Secretary, War Department, may put questions to any witness called by or on behalf of the appellant.

(*b*) The Tribunal will give the representative of the Secretary, War Department, an opportunity to address the Tribunal and call witnesses. The appellant or his representative may put questions to any witness called by or on behalf of the Secretary, War Department.

21. *Further consideration.*—(*a*) Where during the hearing of an appeal it appears to the Tribunal that it is necessary to obtain further information on any point, or that the appellant or the Secretary, War Department, should be allowed or required to procure or produce further evidence, the appeal will be adjourned for such further information to be obtained in such manner as the Tribunal may direct or for the appellant, or the Secretary, War Department, to procure or produce such further evidence.

(*b*) Where the Tribunal adjourns the hearing for further information to be obtained, the information, if and when obtained, will, subject to any direction given by the President under rule 13, be communicated to the appellant and to the Secretary, War Department, together with a statement that the appellant or the Secretary, War Department, may comment thereon in writing if he so desires, or may address the Tribunal thereon at a further hearing of the case.

(*c*) Where the hearing is adjourned for the appellant or the Secretary, War Department, to procure or produce further written evidence, the evidence will subject to any direction given by the President under rule 13, be communicated to the Tribunal together with a statement indicating whether or not the appellant or the Secretary, War Department, wishes to address the Tribunal on the evidence at a further hearing of the case, and a copy of the evidence will be sent by the Tribunal to the Secretary, War Department, or, as the case may be, to the appellant, together with a statement that the Secretary, War Department, or, as the case may be, the appellant may comment thereon in writing if he so desires, or may address the Tribunal thereon at a further hearing of the case.

(*d*) Where the appellant, or the Secretary, War Department, informs the Tribunal of his desire to address the Tribunal on the further information or on further written evidence a notice of hearing will be sent to the appellant and to the Secretary, War Department, not less than 21 days before the date fixed for the case to be further heard.

(*e*) Where neither the appellant nor the Secretary, War Department, wishes to address the Tribunal on the further information or further written evidence, the Tribunal may give their decision without a further hearing of the case after taking into consideration any comments in writing made by the Appellant or the Secretary, War Department, on the further information or evidence.

(*f*) Where the hearing is adjourned for the appellant or the Secretary, War Department, to procure or produce further oral evidence a notice of hearing will be sent to the appellant and to the Secretary, War Department, not less than 21 days before the date fixed for the case to be further heard if a date for the further hearing was not fixed at the adjournment or the date then fixed has to be altered.

(*g*) Where the appellant fails to procure or produce further evidence which he has been required by the Tribunal to procure or produce, and the Tribunal is satisfied that the failure was due to the wilful default of the appellant, the case will be returned to the Pensions Appeal Office and be placed in the Deferred List.

22. *Power of Tribunal to take Expert Advice.*—(*a*) Where in the case of any appeal the Tribunal is of opinion that a difficult medical or other technical question arises, the Tribunal may, before giving their decision, take the opinion of a medical specialist or other techical expert in such manner as may appear to them to be convenient.

(*b*) Where the question is a medical question, the Tribunal may arrange for the appellant to be examined by a medical specialist for a report on his condition.

(*c*) The Tribunal will direct the specialist or other technical expert to send his opinion or report to the Tribunal and copies thereof will be sent by the Tribunal to the appellant and to the Secretary, War Department, together with a statement that the appellant, or the Secretary, War Department, may comment thereon in writing, if he so desires, or may address the Tribunal thereon at a further hearing of the case;

Provided that where it appears to the Chairman that it would not be in the best interests of the appellant for the opinion or report of a medical specialist to be communicated to him, the Tribunal may direct that, instead of being sent to appellant, the opinion or report shall be sent to the appellant's medical adviser (if known to the Tribunal) and, if the appellant was represented at the hearing, to his representative.

(*d*) Where the appellant or the Secretary, War Department, notifies the Tribunal of his desire to address the Tribunal on the opinion or report, a notice of hearing will be sent to the appellant and the Secretary, War Department, not less than 21 days before the date fixed for the case to be further heard.

(*e*) Where neither the appellant nor the Secretary, War Department, desires to address the Tribunal further, the Tribunal may give their decision without a further hearing of the case after taking into consideration any comments in writing made by the appellant or by the Secretary, War Department, on the opinion or report.

23. *Medical Examination of Appellant.*—In a case where the appellant is present in person at the hearing and is the person in respect of whose disablement the appeal is brought, the medical member of the Tribunal may, with the assent of the appellant, make a medical examination of the appellant.

24. *Decision of the Tribunal.*—The decision of the Tribunal may at the discretion of the Tribunal, be announced immediately after the hearing of the case (and will subsequently be reduced into writing) or may be communicated in writing to the appellant and the Secretary, War Department, within seven days after the Tribunal have reached their decision, and in either case the Chairman will indicate shortly the Tribunal's reasons for giving their decision.

25. *Recording and proof of decisions.*—(*a*) The Registrar will enter, in a book to be kept by him for the purpose, a Minute of every decision of the Tribunal.

(*b*) The Chairman will sign a document (to be called a "Form of Decision") recording the decision of the appeal and it will be the duty of the Registrar to transmit the Form of Decision to the Pension Appeal Office.

(*c*) Copies of the Form of Decision will be prepared in the Pensions Appeal office, and will be certified under the hand of an officer authorised in that behalf by the President, and a copy so certified will be sent to the appellant and to the Secretary, War Department.

(*d*) A copy of a Form of Decision purporting to have been certified as aforesaid will be conclusive evidence of the decision of the Tribunal on the appeal to which that Form of Decision relates.

26. *Appeal in absence of Appellant.*—Subject to any arrangements made by the President under rule 27, and the provisions of rule 28, an appeal will not be heard in the absence of the appellant unless he has sent to the Tribunal not later than 14 days before the date fixed for the hearing a request that his appeal should be heard in his absence:

Provided that, notwithstanding that such a request has been made, the Tribunal may, if they think that the presence of the appellant is necessary for the due determination of the appeal, give directions that the appeal shall not be heard in his absence.

27. *Provision for appellant unable to attend Tribunal through physical or mental infirmity.*—Where the President is satisfied that any appellant is unable, through physical or mental infirmity, to attend the Tribunal and that his incapacity is likely to continue for a prolonged period, the President may make such arrangements as may appear to him best suited, in all circumstances of the case for disposing fairly of the appeal, and in particular may arrange—

(*a*) for the appellant to be visited at some convenient place by one or more members of the Tribunal, or by other persons appointed in that behalf by the President, for the purpose of recording the appellant's evidence and any statement which he may wish to make, and for the appellant to be medically examined;

(*b*) for taking, whether before the Tribunal or otherwise, the evidence of medical or other witnesses on behalf of the appellant and the Secretary, War Department, and in particular the evidence of the near relatives, guardian or other representative of the appellant;

(*c*) for enabling the appellant's representative and the Secretary, War Department, to comment whether at a hearing of the Tribunal or in writing, on the evidence so taken and to make a statement in writing or to address the Tribunal;

(*d*) for the determination of the appeal in the absence of the appellant; provided that any arrangement made under sub-rules (*a*) and (*b*) of this rule shall make provision for

enabling the representative of the Secretary, War Department, if he so desires, to be present while the evidence of the appellant and other witnesses is taken and to ask questions of the appellant and other witnesses.

28. *Appellant Resident Overseas.*—(*a*) Where an appellant is resident outside India his appeal will, subject to the provisions of this rule and of rule 17, be heard in his absence.

(*b*) As soon as the appellant's case is ready for hearing, he will be notified of that fact by the Pensions Appeal Office, and the appellant may, within such time as may be specified in the notification, give notice to the Pensions Appeal Office stating that he intends to visit India in the near future and requesting that his appeal should not be heard before a specified date, and the President, if satisfied that it would be reasonable for the hearing to be postponed; may direct that it shall not be heard before that date and may give such further directions for the hearing of the appeal as he thinks fit.

(*c*) The President may make arrangements for the appellant to be medically examined at some convenient place in the country in which he is resident, and, where such an arrangement is made, the appeal will not be proceeded with until a medical report on the examination has been received by the Pensions Appeal Office and a copy thereof has been sent to the representative (if any) of the appellant.

29. *Death of appellant before hearing.*—(*a*) Where the Pensions Appeal Office or the Tribunal is notified that an appellant has died before the appeal is decided, the case will be placed in the Deferred List.

(*b*) On application made to the President, under rule 30, by the eligible heir or dependant of the deceased appellant or by his legal representative, the President may give directions that the appeal shall proceed, so far as may be, as if the eligible heir, dependant or legal representative as the case may be, had brought the appeal on behalf of the appellant in the first instance and the appellant had not died, and that it shall be heard with any appeal brought by the widow or other member of the family being an eligible heir or dependant in respect of the appellant's death.

(*c*) Where an appeal proceeds under this rule at the instance of a widow or other member of the family, proof of identity of such person and that such person is an eligible heir or dependant will be required on a form to be issued by the Pensions Appeal Office.

30. *Deferred list cases.*—(*a*) Where a case is placed in the Deferred List, notice of that fact will be sent from the Pensions Appeal Office to the Secretary, War Department, and to the appellant, or, if the appellant is dead, the eligible heir, or dependant or respresentative.

(*b*) An appellant whose case has been placed in the Deferred List or, where the appellant is dead, eligible heir, dependant or legal representative of the appellant, may at any time within twelve months after notice of that fact has been given under the preceding sub-rule, apply to the President for an order that the case be restored to the List of Cases for Hearing.

(*c*) An order under the last foregoing sub-rule may be made unconditionally or subject to such terms and conditions as the President thinks just:

Provided that, where the case has been placed in the Deferred List pursuant to a direction given by the Tribunal under rule 17, the case will, on the application of the appellant, be restored unconditionally to the List of Cases for hearing unless the President is satisfied that the appellant's failure to appear at the hearing was due to his wilful default.

(*d*) Where no application to restore the case to the List of Cases for Hearing has been made within the time prescribed by sub-rule (*b*) of this rule, or where any such application has been made and has been refused by the President, the appeal will be struck out.

31. *Interlocatary application to the President for directions.*—(*a*) The appellant or the Secretary, War Department, may at any time apply to the President for directions on any matter arising in connection with appeal or with an application to the Tribunal for leave to appeal to the Central Appeal Tribunal.

(*b*) An application for directions shall state the matter on which the directions are required.

(*c*) The President will communicate the nature of the application to the Secretary, War Department, or, as the case may be, to the appellant, together with a statement that the Secretary, War Department, or the appellant may comment thereon in writing if he so desires, and before giving his direction the President will consider any comments furnished to him.

(*d*) Any directions given by the President under this rule will be communicated to the appellant and to the Secretary, War Department, and to the Tribunal if the appeal has been passed to the Tribunal for hearing.

(*e*) If an appellant fails to comply with a direction given to him by the President under this rule, the President may direct the case to be placed in the Deferred List.

32. *Sitting of the Tribunal.*—(*a*) Subject to the provision of this rule the sittings of the Tribunal will be held in Public.

(*b*) A sitting of the Tribunal will be held in Private to such extent as may be necessary to enable the Tribunal to comply with a direction given by the President under rule 13.

(*c*) Where a request is made to a Tribunal by or on behalf of the appellant that the appeal, or some part of it, should be heard in private, the Tribunal may, if they think that the presentation of the appellant's case will be prejudiced by a public sitting, sit in private to such extent as they think just.

33. *Evidence on oath.*—(*a*) English will be the language of the Tribunal.

(*b*) The evidence of each witness will be on oath and a memorandum of what each witness deposes will be taken down either by or under the direction of the Tribunal and when completed, will be read out, or if necessary interpreted to the witness, and thereafter signed by the Chairman.

34. *Irregularities.*—Non-compliance with any of these rules will not render the proceedings on the appeal void unless the Tribunal shall so direct, but the Tribunal may give such directions for the purposes of mitigating the consequences of the irregularity as the justice of the case may require.

## PART IV.—APPEAL TO CENTRAL APPEAL TRIBUNAL—LEAVE TO APPEAL AND PROCEDURE.

35. *Appeal to Central Appeal Tribunal on point of interpretation.*—(*a*) Where the appellant or the Secretary, War Department, is dissatisfied with the decision of the Tribunal as being erroneous in point of interpretation, he may apply to the Tribunal, in the manner prescribed by this rule, for leave to appeal to the Central Appeal Tribunal.

(*b*) An application to the Tribunal for leave to appeal may be made :—

(i) at the hearing of the appeal, immediately after the decision of the Tribunal is announced ; or

(ii) by notice in writing sent to the Pensions Appeal Office within three months of the communication to the appellant of the decisions of the Tribunal ; and in making his application the applicant shall state in writing the point of interpretation in respect of which he claims that the decision of the Tribunal is erroneous and on which he wishes to appeal, which application if handed in at the hearing of the Tribunal will be forwarded by the Registrar to the Pensions Appeal Office.

(*c*) On receipt of an application in writing to a Tribunal for leave to appeal, a copy thereof will be sent from the Pensions Appeal Office to the Secretary, War Department, or as the case may be, the appellant, and a notice will be sent to the appellant and to the Secretary, War Department, stating that the application will, unless the Secretary, War Department, or the appellant desires to address the Tribunal thereon, be heard and determined by the Tribunal without hearing, and unless within twenty-eight days of the sending to him of the notice the Secretary, War Department, or the appellant notifies the Pensions Appeal Office that he desires to address the Tribunal, the application may be so heard and determined.

(*d*) When the Secretary, War Department, or the appellant notifies the Pensions Appeal Office that he desires to address the Tribunal, the application will be sent to the Tribunal, who will send a notice of hearing to the appellant and to the Secretary, War Department, not less than twenty-one days before the date fixed for the hearing of the application.

(*e*) At the hearing of an appeal, or of an application for leave to appeal to the Central Appeal Tribunal, the Chairman will at the request of the appellant or the Secretary, War Department, take a notice—

(i) of any question of interpretation raised at the hearing;

(ii) of the facts in evidence in relation thereto ; and

(iii) of the decision of the Tribunal thereon.

and when such note has been taken, the Chairman will (whether an application for leave to appeal is made or not) on the application of the appellant or the Secretary, War Department, furnish him with a copy of the note, and will sign the copy.

36. *Procedure relating to application to Central Appeal Tribunal for leave to appeal.*—(*a*) An application may be made to the Central Appeal Tribunal for leave to appeal in respect of the matters referred to in rule 4 and such application shall be made within 28 days of the date on which the decision of the Tribunal was given or, as the case may be,

leave to appeal was granted by the Tribunal and may be made exparte.

(b) The application will be instituted by filing in the Pensions Appeal Office a statement in writing setting forth.

(i) the name and description of the applicant,

(ii) the point of interpretation in respect of which the application alleges that the decision of the Tribunal was erroneous,

(iii) whether or not the applicant has applied to the Tribunal for leave to appeal,

(c) If the application is made with the consent of the other party to the proceedings before the Tribunal, that fact may be included in the statement.

(d) Where an application for leave has been made to the Tribunal and has been refused, and the applicant subsequently applies for leave to the Central Appeal Tribunal, the Chairman of the Tribunal may, and will if so required by the Central Appeal Tribunal, furnish to the Central Appeal Tribunal, through the Pensions Appeal Office, a statement in writing of the reasons for the decision of the Tribunal refusing leave to appeal and where a statement is so furnished, a copy thereof will be sent to the applicant.

(e) The Central Appeal Tribunal may determine the application on the documents without a hearing or may direct the application to be set down for hearing.

(f) When the application is directed to be set down for hearing, a notice of hearing will be sent by the Pensions Appeal Office to the applicant and where the application is determined without a hearing, a copy of the order will be sent by the Pensions Appeal Office to the applicant and to the other party to the proceedings before the Tribunal.

37. *Appeals to Central Appeal Tribunal Procedure and hearing.*—(a) An appeal to the Central Appeal Tribunal against a decision of a Tribunal as being erroneous in point of interpretation will be instituted by a Statement of Appeal to be filed in the Pensions Appeal Office within 28 days of the day on which leave to appeal has been granted by the Central Appeal Tribunal or by the Tribunal.

(b) The statement of appeal will state the question of interpretation on which it is desired to appeal, the grounds of appeal and the date on which leave to appeal was granted, and whether such leave was granted by the Central Appeal Tribunal or by the Tribunal.

(c) Notice of the date of the hearing of the appeal and copies of the Statement of Appeal will be sent by the Pensions Appeal Office to the other party to the proceedings before the Tribunal, and to the Chairman of the Tribunal against the decision of which the appeal is brought, at least 6 weeks before the time fixed for the hearing of the appeal.

(d) The Chairman of the Tribunal will within 28 days of receipt of the statement of appeal or such further time as may be allowed by the Central Appeal Tribunal, state a case setting forth the facts on which the decision appealed against was based and will send such statement of case in triplicate to the Pensions Appeal Office. The Pensions Appeal Office will on receipt of the statement of case from the Chairman, in any event not later than 14 days before the date fixed for the hearing of the appeal, send copies thereof to the appellant, the respondent, and the Central Appeal Tribunal.

(e) Any party to the appeal to the Central Appeal Tribunal may, at any time with notice to the other parties to the appeal served through the Pensions Appeal Office, apply to the Central Appeal Tribunal for an order or direction on any matter or procedure. The Pensions Appeal Office will cause to be served on all other parties a copy of such notice and the date of hearing, if any, fixed by the Central Appeal Tribunal for the purpose of determining any matter arising on such notice. Any order or direction on such notice will be notified by registered post by the Pensions Appeal Office to the appellant and the respondent, and to the Chairman of the Tribunal if affected thereby.

(f) At the hearing of the appeal the Central Appeal Tribunal will have power, if it thinks fit, to order the case to be sent back to the Chairman of the Tribunal for amendment.

(g) The decision of the Central Appeal Tribunal will be embodied in an order and a copy of the order will be sent by the Pensions Appeal Office to the Chairman of the Tribunal and to the appellant and the respondent.

(h) No order will be made by the Central Appeal Tribunal directing the payment by one party to the other party of the costs of any proceedings before the Central Appeal Tribunal.

38. *Application of Rules of Part II to Proceedings before Central Appeal Tribunal.*—(a) No witness will be allowed to give evidence before the Central Appeal Tribunal on behalf of any parties to the appeal.

(b) The provisions of rules, 16, 17, 18, 19, 28, 29 and 33 will *mutatis mutandis* and subject to the rule 28 (a) apply to all proceedings before the Central Appeal Tribunal.

---

## PART V.—EXPENSES OF AND ALLOWANCES TO APPELLANTS, WITNESSES, ETC.

39. *Expenses of Appellant and Witnesses.*—(a) There may be allowed :—

(i) to an appellant who attends the hearing;

(ii) to a relative, guardian or other representative attending the hearing on behalf of an appellant by virtue of arrangements made by the President under Rule 27.

(iii) to a person who accompanies an appellant at the hearing where the President or the Tribunal certifies that it is necessary for the appellant, by reason of health or social custom to be accompanied by an attendant;

(iv) to an appellant who is examined by a medical specialist pursuant to arrangements made by the Tribunal under rule 22 (b); and

(v) to witnesses (except medical witnesses) appearing before the Tribunal at the instance of either party to the appeal,

travelling expenses for the purpose of attending the Tribunal or of undergoing the medical examination as the case may be and an allowance in respect of subsistence, in accordance with the rules applicable to witnesses of that category in Civil Suits framed by the High Court having jurisdiction in the place where the Tribunal is sitting.

Provided that appellants who are ex-service persons or their eligible heirs or dependants in the case of claims arising out of the death of such persons will be entitled to payment of travelling and subsistence allowance in accordance with the status of such persons at the time they were invalided or discharged or retired from service; or at the time of death if that occurred while the persons were in service:

Provided further that the Chairman may disallow any of the above expenses in any case where he considers the appeal to be frivolous.

(b) (i) Medical witnesses who are in the service of the Central Government will not be allowed fees for any medical examination conducted or professional opinion given by them.

(ii) Medical witnesses who are in the service of a Provincial Government will be paid fees and expenses according to the scale laid down by that Government and non-official medical witnesses will be paid according to the scale prescribed by the rule of the High Court having jurisdiction in the place where the Tribunal is sitting.

(c) Where an appellant brings a medical witness to the hearing, or, for the purposes of the appeal has obtained from a medical adviser, or from a hospital, nursing home or other institution in which he has received treatment, a report, certificate or other document and the Chairman of the Tribunal or the President certifies that the attendance of the medical witness, or the production of the report, certificate or other document was reasonably necessary for the purposes of the appeal, the appellant may be allowed such sum in respect of the expenses incurred by him in securing such attendance or in obtaining such report, certificate or document as the Chairman or the President thinks reasonable, not exceeding the sum specified in the Second Schedule to these rules:

Provided that the Chairman may disallow any of the above expenses in any case where he considers the appeal to be frivolous.

40. *Expenses of Appeals to the Central Appeal Tribunal.*—(a) Where leaves to appeal to the Central Appeal Tribunal on a point of interpretation is given, under rule 35 or 36, whether to the appellant or to the Secretary, War Department, the appellant may at the discretion of the President be paid the cost of prosecuting or defending the appeal in the Central Appeal Tribunal and in addition :—

(i) if the leave is given by the Tribunal, the costs (if any) certified by the President to have been reasonably incurred by the appellant for the purpose of making or opposing an application for the leave of the Tribunal;

(ii) if the leave is given by the Central Appeal Tribunal, the costs of making or opposing an application for the leave of the Central Appeal Tribunal and, where an application has been made to the Tribunal and has been refused, the costs (if any) certified by the President to have been reasonably incurred by the appellant for the purpose of making or opposing the application to the Tribunal.

(b) Where leave to appeal to the Central Appeal Tribunal on a point of interpretation is applied for by the Secretary, War

Department. and refused, the appellant may at the discretion of the President be paid—

(i) where the leave is refused by the Tribunal, the costs (if any) certified by the President to have been reasonably incurred by the appellant for the purpose of opposing the application; or

(ii) where the leave is refused by the Central Appeal Tribunal, the costs of opposing the application to the Central Appeal Tribunal and, where an application for leave has been made to the Tribunal and has been refused, the costs (if any) certified by the President to have been reasonably incurred by the appellant for the purpose of opposing the application to the Tribunal.

Provided however that notwithstanding anything contained in the foregoing sub-rules (*a*) and (*b*) of this rule the President may if he thinks fit disallow to the appellant;

(*a*) if his application for leave to appeal is refused either by the Central Appeal Tribunal or by the Tribunal (unless in the latter event leave to appeal is given by the Central Appeal Tribunal) the cost of making such application,

(*b*) if his apeal is disallowed by the Central Appeal Tribunal the costs of prosecuting the appeal before the Central Appeal Tribunal.

(*c*) An application for costs payable to an appellant under this rule shall be made in writing to the Pensions Appeal Office within one month after the termination of the proceedings in the Central Appeal Tribunal or, as the case may be, the refusal of leave to appeal, and for the purpose of ascertaining the sum due the appellant shall furnish to the Pensions Appeal Office such certificates or other documents as he may be directed to furnish.

(*d*) For the purposes of exercising his jurisdiction as to costs under sub-rules (*a*) and (*b*) of this rule, the President shall apply or adapt the rules of, and scales of costs not exceeding those of the local District Court, or in Presidency Towns, the Local Small Causes Courts.

41. *Other Expenses of the Tribunal.*—(*a*) Where under rule 22 the Tribunal take the openion of a medical specialist or other technical expert, or send the appellant to be examined by a medical specialist, the Tribunal may subject to the provisions of rule 39(b), direct the payment to the specialist or expert of a fee which shall not exceed Rupees thirty-two.

(*b*) Where a Tribunal summons an expert or other witness, it may, subject to the provisions of rule 39(b), direct payment to such witness of a fee not exceeding Rs. 32, as also his travelling and daily expenses in accordance with the rules applicable to witnesses of that category in civil suits framed by the High Court having jurisdiction in the place where the Tribunal is sitting.

(*c*) Where the Tribunal obtains from a medical practitioner, hospital or other institution, documentary information in relation to appeal, it may direct the payment of such sums not exceeding Rs. 4 in respect of each document or set of documents, as the Tribunal may think reasonable, provided that no such fee shall be payable in respect of documents obtained from a Government institution.

42. *Claims for Expenses.*—An application for any expenses payable to an appellant or other person under Rule 39 or Rule 41 shall be made in writing to Registrar.

43. *Provision for Interpreters.*—(*a*) It will be the duty of the Registrar to make arrangements for the interpretation of the Indian Languages at proceedings before Tribunals.

(*b*) An appellant who requires the services of such an interpreter shall, on the receipt by him of a notice of hearing, immediately send notice of his requirement to the Registrar.

(*c*) There will be paid to an interpreter attending the Tribunal in accordance with arrangements made under this rule as remuneration in respect of his services, fees and travelling expenses at the rates and subject to the conditions prescribed by the rules of the High Court having jurisdiction at the place of sitting of the Tribunal.

(*d*) A claim by an interpreter to fees or expenses payable under this rule shall be made in writing to the Registrar.

## PART VI—APPLICATION AND SCOPE OF RULES.

44. *Application.*—(*a*) These rules will apply (i) to all personnel of the Royal Indian Navy, the Indian Army, and the Royal Indian Air Force (including enrolled and unenrolled noncombatants) and their respective reserves and all persons whose pensions are governed by Indian Naval, Army and Air Force Pension Regulations and by R. I. N. Instructions, Army Instructions India and Air Force Instructions India, (ii) in the case of claims arising out of the death of such personnel to their eligible heirs or dependants; and (iii) to the legal representatives of any person who, having power to appeal under these rules, has died before giving notice of appeal.

(*b*) In accordance with an agreement entered into between His Majesty's Government in the United Kingdom and the Government of India, the Pensions Appeal Tribunals and the Central Appeal Tribunal constituted in terms of these rules will, with the approval in each case of the Secretary of State for India, have power to hear and decide any appeal brought by any person resident in India against a decision of the Secretary of State for India as if it were an appeal to a Pension Appeal Tribunal set up under the Pensions Appeal Tribunals Act, 1943, and on the grounds specified in that Act.

(*c*) *Appeal in United Kingdom.*—Where any person entitled to prefer an appeal under these rules elects to appeal in the United Kingdom in accordance with the terms of any agreement entered into in this behalf between His Majesty's Government in the United Kingdom and the Government of India, his power to appeal under these Rules shall be deemed to be extinguished.

45. *Application of rules to the past decisions and assessments.*—These rules will apply in cases where any such decision of the Government of India as is referred to in rule 1 or rule 2 of these rules has been made before the issue of these rules and in cases where any such decision or assessment as is referred to in rule 3 of these rules has been made before that rule comes into operation, and no further notification of any such decision or assessment as is referred to in any of the said rules will be necessary in any such case, but the Government of India will take such steps as they consider necessary to bring the power to appeal conferred by these rules to the notice of persons affected by any such decision or assessment.

## PART VII.—INTERPRETATION, MISCELLANEOUS PROVISIONS.

46. *Definitions.*—(1) In these rules, the following expressions have the meanings hereby assigned to them.

*Permit Issuing Authorities.*

2. South-East Asia Permits may be obtained from :—

(a) Civil Affairs Division. HQ SAcsea.

(b) The Military Permit Office, War Office, London,

(c) HQ Sacsea Liaison Section at LHQ Melbourne,

(d) The appropriate authorities in the various territories concerned.

South-East Asia Permits can be obtained upon application, subject to security classification, from any of the authorities referred to above by persons coming within one or other of the following categories :—

(a) Allied officials, technicians or employees proceeding on duty or for purposes sponsored by the local authorities of the territory concerned.

(b) Welfare and canteen workers, and persons employed by them, operating under agencies accredited to the allied forces.

4. The intention is to facilitate civilian travel for private commercial purposes as early and as much as practicable. The extent of the facilities which can be granted now is under examination in the light of actual conditions in the reoccupied territories (*e.g.*, in regard to transport, accommodation, supplies and health arrangements) and will be the subject of supplementary instructions which will have the effect of increasing the number of categories of persons to whom permits may be issued under para 3 above.

Pending issue of the supplementary instructions referred to applications by persons not coming within one or other of the above categories require individual reference to HQ SACSEA.

5. Special arrangements apply to Ceylon, with regard to which see para 13—14 below.

*Applications for Permits.*

6. Applications for permits should be addressed to one or other of the authorities referred to in para 2 above, as may be most convenient. A form of application is attached at Appendix "A."

7. Applications handled at HQ SACSEA will be given security clearance by "CICB" after being screened, in the case of United States Chinese Netherlands and French civilians, by the Liaison Section of the nation concerned at HQ SACSEA.

8. Applications initiated in the United Kingdom will be handled on the Supreme Allied Commander's behalf by the Military Permit Office in London which is authorised to issue permits to the categories of persons mentioned in para 3 above without individual reference to the theatre. In such cases security check is made by MI 5.

9. No civilian, not coming within one or other of the exceptions referred to in para 1 above, should leave the United Kingdom for a destination in South East Asia Command without first applying at the Military Permit Office, War Office, London, for a South East Asia permit.

10. Similarly applications initiated in Australia will be handled by the Civil Affairs Representative on the HQ SACSEA Liaison Section at LHQ Melbourne to whom all intending travellers to destinations within South East Asia Command should apply.

11. Applications handled by territorial authorites under para 2 (d) above will be given security clearance in British territories under arrangements to be made with GSI (b) in accordance with the principles prescribed in SIC (44) 414—1 Section III, and in other territories according to the local arrangements in force.

*Permits issued by JCS Washington.*

12. Permits issued by the JCS Washington to persons coming within the approved categories referred to in para 3 will be honoured subject to endorsement by the port authorities at the port of entry. Holders of such permits should exchange them for South East Asia Permits within fourteen days of arrival in South East Asia Command by applications.

(a) if in Ceylon, to HQ SACSEA ;

(b) if in British territories, to the Chief Civil Affairs Officer of the territory concerned ;

(c) if in other areas, to the appropriate authority.

*Entry into Ceylon.*

13. In the case of persons travelling to destinations in Ceylon, and not intending to proceed onwards to any of the re-occupied areas only those coming from the United Kingdom will require to obtain SEA Permits.

14. The Military Permit Office in London will issue SEA Permits to intending travellers to destinations in Ceylon under para 13 above to the following categories of persons, provided that the Ceylon Government has first issued entry permits to female applicants in category (a), and to all applicants in category (b) :—

(a) All British subject—

(i) having settled employment in Ceylon, or

(ii) proceeding to Ceylon for the purpose of taking up such employement, or

(iii) proceeding to Ceylon on business sponsored by Government as being essential, or

(iv) normally resident in Ceylon.

(b) Wives, families and fiancees of persons in category (a), applications by persons wishing to travel to destinations within Ceylon not covered by the categories set out in this paragraph will require prior reference to C-in-C Ceylon for the Governor's decision.

NOTE.—A. S. E. A. permit will not of itself authorise entry into Ceylon and where reference to the Ceylon Government is required under the Passport Rules or Regulations, such reference will still be necessary.

*Persons in transit through South East Command.*

15. Sea transit permits will be issued where necessary by HQ SACSEA or by the Military Permit Office, London, or by the HQ SACSEA Liaison Section LHQ Melbourne, as the case may be, to Civilians who have occasion to travel through South East Asia Command to reach destinations not within the theatre. Such permits will be clearly marked in transit and will show a destination not within the theatre.

16. SEA Transit Permits will only be issued to persons already holding the requisite entry permits, or other specific authority, to enter the theatre in which their destination lies.

*Endorsements on Permits.*

17. Issuing authorities will indicate on the permits actual territorial destinations of permit holders, so far as this is known (*e.g.*, Burma, Malaya, Borneo, etc.) which may be varied by subsequent endorsement made by the appropriate authority in such other territory within South East Asia Command as the holder may apply to visit.

18. The period of validity of any permit will, except in special cases, be limited to six months.

19. Except in the case of Ceylon, where normal immigration procedure will apply, South East Asia Permits will be stamped at Ports of entry and exit by British or Allied security authorities.

*Territories included in South East Asia Permit system.*

20. Permits may be issued under the above instructions for travel to Ceylon (subject to paras 13 and 14 above)

Burma

Malaya (including all Straits Settlements),

British North Borneo

Sarwak

Netherlands Indies Territories within South East Asia Command.

French Indo-China (areas occupied by SEAC Forces).

*N.B.*—As the control of Civilian travel in South East Asia has now been handed over to Civil Affairs Branch, Headquarters Allied Land Forces, South-east Asia, all applications from Civilians for permits to enter countries under Military Administration in South East Asia, and all notifications of those proceeding as members of sponsored undertaking, should be forwarded direct to Civil Affairs Branch, Head-quarters Allied Land Forces, South East Asia and not to head-quarters supreme allied Commander, South East Asia, as hitherto.

## EDUCATION SECRETARIAT

Dated 21st January 1946.

**No. E. 4117—Edn. 109-45-3.** It is hereby notified that the Government of India have decided to continue next year, 1946-47, their scheme which was initiated this year, of sending abroad students to the United Kingdom, United States of America and other countries which may offer suitable facilities for advanced studies in various subjects connected with development plans, so long as adequate facilities for instruction of the required standard are not available in this country. The Government of Mysore wish to take advantage of this scheme and sponsor some students for overseas training at the State expense. The candidates should be graduates in Science or Engineering or hold equivalent diploma.

Applications are invited from intending candidates in the form appended to the brochure published by the Government of India (copies of which can be had from the Manager of Publications, Civil Lines, Delhi). The name of the subject (only one subject should be specified) with the particular branch of learning in which the candidate desires to specialise should be mentioned. Applications from intending candidates who are in Government service should be sent through the proper channel.

The applications should be sent in triplicate (typed) together with three sets of the following papers duly attested.

(a) Proof of age ... ... .....
(b) Degree certificates and Diplomas ... .....
(c) Testimonials from two people who know the candidate personally (preferably one of these should be from the head of the Institution last attended or the Professor under whom he worked last)... .....
(d) Medical Certificate of fitness from a Civil Surgeon or an officer of similar rank ... ... .....
(e) Syllabus of studies pursued for the degree and higher examinations or courses.... .....
(f) A brief note on the activities of the candidate since he left college ... .....
(g) Passport size photograph taken recently... .....
(h) Published papers, if any ... .....

The original of the Medical Certificate should accompany the application form. In other cases, copies duly attested will be enough, provided the attestation is made by a gazetted (State) Government servant and his full name and address are given below his signature. The office seal of the attesting officer should invariably be placed below his signature.

The candidate should take the originals with him to the Foreign University.

The applications should be addressed to the Secretary to Government, Education Department, General and Revenue Secretariat, Bangalore, and should reach him not later than 20*th February* 1946.

**No. M. 7459—G. M.46 45-7.** The following Memorandum No. 11635—1W. 4 (b), dated 12th October 1945 issued by the Government of India, War Department, (Air Branch), regarding the allocations of priorities for Air Freight *Ex.*-U. S. A. is published for general information:—

### Allocations of Priorities for Air Freight Ex.-U. S. A.

"The undersigned is directed to say that it has been decided that in order to co-ordinate demands for air freight from the United States with the load space available, indents should be submitted to the Air Priorities Board, India, for assessment of priority. In future, therefore, all indents, for freight to be flown from the United States will be passed to the appropriate screening agents, in the same manner as applications for air passages are made.

2. Indents will be submitted by screening agents to the Air Priorities Board, who will allot to each indent the appropriate priority and exercise control over the total demands made if it becomes apparent that demands being placed are in excess of the load space available. The Air Priorities Board will inform the demanding authority and request guidance as to whether the demand should still be considered for air freight, or whether it can be diverted by sea.

3. The Air Priorities Board, India, will allot Priority serial numbers to all demands accepted, and any particular demand will be identified by this number throughout its history.

4. Once demands have been accepted by the Air Priorities Board and Priority established, the appropriate service and departmental authorities will carry out the normal demanding procedure, quoting the serial number allotted by the Priorities Board.

5. In order to exercise economy in the allocation of load, space indenting authorities will be required to process their demands and cancel any items the urgency for which has diminished below the standard required to justify transport by air. The notification of this cancellation will be made to the Air Priorities Board (India), New Delhi.

6. In making demands for air freight *ex*-U. S. A. it should be realised that the position is extremely difficult especially in view of the fact that Lend-Lease will no longer be applicable to Air Transport. It is accordingly requested that demands for air freight *ex*-U. S. A. should be restricted to the absolute minimum.

**No. W. 1345—W. 94-44-3.** The following Press Communique dated the 12th December 1945, of the Government of India, is published for general information.

5565 V. VEDAVYASACHARYA, *Chief Secy.*

### Press Communique.

Dated the 12th December 1945.

Early in 1944, it was announced by the Government of India that non-Asiatic women and children wishing to come to India from the Dominions, Colonies and foreign countries would ordinarily be given permission, unless there were special reasons to the contrary, if they were joining a husband or guardian or appointment offering normal support and protection expected to continue during the war and that applications should be made to the Defence Department. It has been decided to remove these restrictions which were imposed on account of war conditions, and no applications for permission are now required. Applications for visas, where necessary for entry into India, will, however, continue to be made as at present to Home Department. Families of Navy, Army and Air Force personnel will also be subject to such special orders issued by the service authorities as may be in force.

## REVENUE SECRETARIAT

Dated 29th January 1946.

**No. R. 5133—L. S. 6-45-31.** It is notified for general information that, under Section 1 (2) of the Record of Rights Act No. X of 1927, Government are pleased to direct that the provisions of the said Act shall be extended to Jodi Thalagunda Village, Vokkaleri Hobli, Kolar Taluk.

2. The Record is intended to check litigation in regard to land and to facilitate its disposal by the Courts, to reduce unnecessary expenditure by the raiyats in executing and registering documents and to protect them against fraud and fabrication of false claims. It will also be of assistance to Government as well as the raiyats in the distribution of assessment among the various hissadars, the grant of Takavi and Land Inprovement Loans and the grant of suspension or remission of land revenue.

3. To facilitate the accurate preparation of the Record of Rights, the Preliminary Record will first be prepared by the Shanbhogs to the best of their information in the prescribed Form and every case will be duly investigated by a Special Revenue Inspector. There will be a check of the Preliminary Record by the Amildar or other officer specially authorised by the Superintendent of Land Records, Survey and Settlement or by the Deputy Commissioner, in this behalf. Occupants and persons interested in the land are required to furnish every information that may be within their knowledge to the Investigating Officers in order to ensure accuracy in the preparation of this Record which will form the basis of the future Record of Rights.

4. All persons interested in the land are required to render every reasonable assistance to officers of the Department of Land Records when they come to the village to measure the hissas and to conduct enquiries in cases of disputed boundary lines between hissas in the field, after giving the prescribed notice.

5. The attention of the public is invited to the provisions of Section 7 of the Record of Rights Act requiring them on requisition by a Revenue Officer, engaged in compiling or revising the Record of Rights to furnish or produce information and documents needed for the correct compilation or revision thereof within one month from the date of such requisition. Failure to comply with this requisition and secure registration of their rights will render occupants and holders of interests in land liable to a fine not exceeding Rs. 5 (recoverable as an arrear of land revenue) besides depriving them of the advantages enumerated above. The officer to whom any information is furnished or before whom any documents are produced in accordance with the requisition will give a written acknowledgment therefor in the Form prescribed to the person furnishing or producing the same and shall endorse on any such document, before returning it to him, a note under signature stating the fact of its production and the date thereof.
